Dear Sir/ Madam,

**Sub: Business Update on Launch of NuRe Park, Centre of Excellence in Tirunelveli**

We hereby inform you that the Company has today launched a pathbreaking initiative deep South, in Tirunelveli, by setting up **NuRe Park**, its First Centre of Excellence (“COE”) – Hub & Spoke Network across India, for Oracle Applications development as well cloud, security, application and analytics across Oracle.

This COE is a 100-seater facility at Tiliconveli Tech Park in Tirunelveli in partnership with Mikro Grafeio Services Private Limited, a leading Workspace & Workforce Solution company. With this COE under the aegis of Oracle, these young students from the region will get exposure to working on projects for global clients, skilling them for job readiness – acting as a bridge from Campus to Corporate.

The key objective of this COE, along with its Oracle Partnership, is to build a strong talent pool in the emerging technology landscape. This is in line with the Company’s business ethos of ‘innovate, incubate, invent’ and its goal to skill India and offer job opportunities across the urban-rural boundaries.

You are requested to take the same on record.

Thanking you.

Yours faithfully,  
For **3i Infotech Limited**

**Varika Rastogi**  
Company Secretary
