Commenting on the financial performance, Arun Kothari, Managing Director, Venus Pipes & Tubes Ltd, said,

"We are delighted to announce robust financial results, achieving our highest-ever revenues of Rs 207.1 crores, reflecting a remarkable 52.2% year-on-year growth. Our EBITDA has also surged by an impressive 123.1% year-on-year, with EBITDA margins reaching 18.9% for Q3FY24. Revenues for 9M FY24 stood at Rs 578.1 crores witnessing a growth of 53.7% Y-o-Y with EBITDA margins standing at 17.5%

During the quarter, we have operationalised 200 MTPM out of the 400 MTPM of additional capacity expansion of Seamless Pipes and the rest of the capacity expansion will be completed in Q4FY24. Additionally, we are proud to say that we are among handful of companies in the country to receive approvals from leading oil and gas companies from India & Middle East. These approvals are a testament to quality of our offerings and strengthens our goal of leading the stainless-steel pipes & tubes industry.

Our efforts in Europe are bearing fruit with exports now contributing 17% to our total revenues. Our commitment to delivering products that meet European standards has solidified our brand as a trusted player. With the goal of expanding our global footprint, we are focusing on increasing our presences across Middle East, Africa & US and we have already appointed Senior Marketing representatives for these regions. Our goal is to replicate the success we've achieved in Europe and extend our brand presence in America, Africa & Middle East. We remain proactive in identifying and capitalizing on new opportunities across diverse geographies to further enhance our brand presence.

Leveraging our strong partnerships and quality offerings with increased SKUs, we are confident of deeper market penetration, and continue to focus and increase our efforts to take brand Venus to newer geographies across India and the world."
