Nucleus Software appoints Prakash Purushottam Pai as Chief Evangelist Officer

New Delhi, India. November 12, 2019: [Nucleus Software](http://www.nucleussoftware.com), the leading provider of lending and transaction banking solutions to the global financial services industry, has appointed Prakash Purushottam Pai as its Chief Evangelist Officer.

As the Chief Evangelist Officer, Prakash will take on the responsibility of communicating effectively the unprecedented value of the company's award winning solutions. He will play a key role in taking the technical, functional and business power of Nucleus product lines to key stakeholders worldwide and in doing so will usher in a mutually beneficial multiplier effect.

Prakash is a veteran of the banking and financial services technology industries with over thirty-five years of experience. Before taking up this role, he led Nucleus Software's financial inclusion business. Prior to joining Nucleus, Prakash worked with prestigious companies including Tata Motors, Walchandnagar Industries, and Bank of India. During his time as the head of technology at Nokia Money, he launched India's first mobile wallet. Prakash joined Nucleus in 1994 and was instrumental in driving the creation of the Nucleus Product business. Today, Nucleus Software provides sophisticated lending and transaction banking products to more than 150 of the world's most innovative financial services companies in 50 countries.

Based in the company's Noida headquarters, Prakash will be a member of the Nucleus Leadership team and will report directly to the CEO – RP Singh. Prakash has a Bachelor of Science (Mathematics) from the University of Poona and an M.Sc. (Mathematics) from Indian Institute of Technology, Delhi.

Vishnu Dusad (Managing Director, Nucleus Software) stated, "With his deep understanding of the domain and the products, Prakash will leverage his strong network to communicate the humongous value that our solutions deliver. We are delighted to welcome Prakash in this extremely important role and wish him all the best".

Ravi Pratap Singh (CEO, Nucleus Software) said, "Our solutions deliver tremendous value to our customers. Communicating the power of our products is vitally important and Prakash's expertise and experience will be crucial in doing this. We know that our products' sophistication and complexity require strong communication and engagement with stakeholders".
