The operations of the company, being engaged in the real estate developement and consultancy, are severally affected due to continuance of the lockdown in the area where the operating assets and office of the company are located. Accordingly, the Company has been in operation consistently with minimal permitted staff in order to finalise the books of accounts of the company and Statutory Auditor were als unable to perform the required audit procedures in usual manner, including but not limited to restrictive verification of underlying statements, physical verification of assets of the company, supporting, vouchers, statements, communications and assets etc Hence the audit was carried out on restrictive basis, based on the limited available documents, management discussions representations and digital verification of the documents, wherever possible.

The Company faced some business interruption on account of the lockdown. The Company is closely monitoring the impact due to COVID-19 on various aspects of its business including its customers/ vendors/ employees and other business partners. Given the dynamic nature of the pandemic situation, the carrying valuation of the Company's financial assets as at March 31, 2021, may be affected by the severity and duration of the outbreak, however, the Company will continue to monitor for any material changes to future economic conditions and as of March 31, 2021 based on the facts and circumstances existing as of that date, the Company does not anticipate any material uncertainties which affects its liquidity position and also ability to continue as a going concern. In management view, the Company's capital and liquidity position stands strong as on reporting date. However, the impact assessment of Covid-19 is a continuing process given the uncertainties associated with its nature and duration.

Previous period / year figures have been regrouped/ reclassified, wherever found necessary, to conform to current period/ year
