In continuation to our intimation dated August 16, 2023, this is to inform that the temporarily closure of Diphenol Plant of our wholly owned subsidiary, CFS Europe SPA situated in Ravenna, Italy shall be extending upto October 31, 2023 due to continuing issue of difficult macro-economic situation in Europe coupled with low pricing and weak demand across the industry.

We request you to take the above on record and the same be treated as compliance under the applicable LODR Regulations.
