FOR IMMEDIATE RELEASE :

Mumbai: March 25, 2019

Company is pleased to announce award of a major order for supply of High Quality, High Pressure PE Pipes for prestigious water supply project in India assisted by International Development Agencies. This order from India's leading EPC Contractor at a value exceeding Rs 210 crores is considered to be one of the largest order for PE Pipes ever awarded in India. Company has won this supply contract against stiff competition based on quality of its products and past track record of 'on time' deliveries.

This supply contract together with pending orders for PE Pipes received during current financial year occupies significantly Company's capacity for the next year. It may be noteworthy that Company is expecting a growth of around 40% in this business segment in the current financial year and that with the current order book, it is likely to maintain growth momentum in this vertical.

About Time Technoplast:

Time Technoplast (www.timetechnoplast.com) is a leading technology based innovative polymer product Company. Over the years, TimeTech has emerged as a formidable player in the polymer space with a product repertoire that caters diverse segments like Industrial Packaging, Infrastructure, Lifestyle, Healthcare, Composites and Auto Components related products.
