**UCAL INAUGURATES LAUNCH OF NEW PRODUCT: INTAKE THROTTLE VALVE
(ITV)**

Chennai, October 25, 2023 - UCAL, a leader in innovative automotive solutions, proudly announces a significant milestone in its ongoing commitment to excellence. We are thrilled to launch our new product, the Intake Throttle Valve (ITV), for Commercial vehicle applications. The state-of-the-art ITV line is equipped with cutting-edge automation technologies for zero defect supplies.

Message from the CEO:

Mr. Abhaya Shankar, CEO of UCAL, stated, "Today marks a significant milestone in our journey. The launch of the ITV product line for Commercial vehicles is a testament to our dedication to innovation and collaboration. We firmly believe in the transformative power of technology to drive progress, and this new line reflects our unwavering commitment to providing cutting-edge solutions for our esteemed partners."

Message from the President of Operations:

Mr. T. Jaisankar, President of Operations at UCAL, added, "The operational efficiency of the ITV Line is a result of meticulous planning, technological integration, and the hard work of our skilled workforce. Our team is committed to ensuring the seamless operation of this line to not only meet but exceed the expectations of customers."

UCAL remains at the forefront of innovation, and the launch of the ITV Line represents another significant stride toward a future where technology and automotive excellence converge.
