MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Pursuant to Regulation 34 (2)(e) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Management Discussion & Analysis Report for the year under review is given below:

Indian Economy

India continues to be among the fastest-growing economies in the world. Despite a challenging external environment, the Indian economy registered healthy growth in FY 2022-23. The real GDP grew by 7.2% in FY 2022-23 as against 9.1% in FY 2021-22 and reflects India's underlying economic resilience, relatively robust domestic consumption and lesser dependence on global demand. The accelerated pace of economic reforms has led to the sustainable growth of the Indian economy and strengthened its position in the world. However, higher inflation remains a challenge and headline inflation increased to 6.7% in FY 2022-23 from 5.5% in FY 2021-22. Following the gradual normalisation of global supply chains, softening of global commodity prices, and successive hikes in the policy repo rate by 250 basis points in FY 2022-23 by the Reserve Bank of India (RBI), the consumer price index (CPI) inflation subsided to 4.25% (provisional) in May 2023 against 4.70% recorded in April 2023. Further, 5.1% growth in the Index of Industrial Production (IIP) in FY 2022-2023 and 12% Y-o-Y growth in the gross Goods and Services Tax (GST) revenue collection of ₹ 1.57 trillion in May 2023, present signs of optimism for the Indian economy.

Despite the weak external demand, the merchandise exports contributed significantly to economic growth in FY 2022-23. It was the highest-ever at US\$ 447.46 billion with 6.03% growth during FY 2022-23 surpassing the previous year's record exports of US\$ 422.00 billion. As per the Union Budget 2023-24, India's export is expected to grow at 12.5% in FY 2023-24, which will further boost the economy. The IMF projects the Indian economy to advance steadily at 5.9% in FY 2023-24 before rising to 6.3% in FY 2024-25. The optimistic growth stems from positive factors such as the rebound of private consumption, rapid infrastructure development, improvement in capacity utilisation, increased production, and revival in credit growth. Further, emphasis on capital expenditure with an allocation of ₹ 10 lakh crore in the Union Budget 2023-24 will significantly boost industrial competitiveness, strengthen job creation and demand and provide a fillip to the growth momentum.

CURRENT STATE OF THE ECONOMY

- Recovering from pandemic-induced contraction, Russian-Ukraine conflict and inflation, the Indian economy is staging a broad-based recovery across sectors, positioning to ascend to the pre-pandemic growth path in FY23.
- India's GDP growth is expected to remain robust in FY24. GDP forecast for FY24 to be in the range of 6-6.8%.
- Private consumption in H1 is the highest since FY15 and this has led to a boost to production activity resulting in enhanced capacity utilisation across sectors.
- The Capital Expenditure of the Central Government and crowding in the private Capex led by strengthening the balance sheets of the Corporates is one of the growth drivers of the Indian economy in the current year.
- The credit growth to the MSME sector was over 30.6% on average during Jan-Nov 2022.
- Retail inflation is back within RBI's target range in November 2022.
- Indian Rupee performed well compared to other Emerging Market Economies in Apr-Dec 2022.
- Direct Tax collections for the period April-November 2022 remain buoyant.
- Enhanced Employment generation seen in the declining urban unemployment rate and in the faster net registration in Employee Provident Fund.
- Economic growth to be boosted by the expansion of public digital platforms and measures to boost manufacturing output.

<https://www.ibef.org/economy/economic-survey-2022-23>

India's nominal gross domestic product (GDP) at current prices is estimated to be at Rs. 232.15 trillion (US\$ 3.12 trillion) in FY22. With more than 100 unicorns valued at US\$ 332.7 billion, India has the third-largest unicorn base in the world. The government is also focusing on renewable sources to generate energy and is planning to achieve 40% of its energy from non-fossil sources by 2030.

According to the McKinsey Global Institute, India needs to boost its rate of employment growth and create 90 million non-farm jobs between 2023 and 2030 in order to increase productivity and economic growth. The net employment rate needs to grow by 1.5% per annum from 2023 to 2030 to achieve 8-8.5% GDP growth between 2023 and 2030. India's current account deficit (CAD), primarily driven by an increase in the trade deficit, stood at 2.1% of GDP in the first quarter of FY 2022-23.

Exports fared remarkably well during the pandemic and aided recovery when all other growth engines were losing steam in terms of their contribution to GDP. Going forward, the contribution of merchandise exports may waver as several of India's trade partners witness an economic slowdown. According to Mr. Piyush Goyal, Minister of Commerce and Industry, Consumer Affairs, Food and Public Distribution and Textiles, Indian exports are expected to reach US\$ 1 trillion by 2030.

Indian Bullion & Jewellery Industry**Introduction**

As of February 2021, India's gold and diamond trade contributed ~7.5% to India's Gross Domestic Product (GDP) and 14% to India's total merchandise exports. The gems and jewellery sector are likely to employ ~8.23 million persons by 2022, from ~5 million in 2020. Based on its potential for growth and value addition, the Government declared the gems and jewellery sector as a focus area for export promotion.

The Government has undertaken various measures recently to promote investment and upgrade technology and skills to promote 'Brand India' in the international market. The Government has permitted 100% FDI in the sector under the automatic route, wherein the foreign investor or the Indian company do not require any prior approval from the Reserve Bank or the Government of India. The Indian Government also signed a Comprehensive Economic Partnership Agreement (CEPA) with the United Arab Emirates (UAE) in March 2022, this will allow the Indian Gems and Jewellery industry to further boost exports. CEPA will provide the industry with duty-free access to the UAE market. India's Gems Jewellery Export Promotion Council (GJEPC) aims to triple its exports to the UAE post the CEPA.

The Government has permitted 100% FDI in the sector under the automatic route, wherein the foreign investor or the Indian company do not require any prior approval from the Reserve Bank or Government of India. The Government has made hallmarking mandatory for gold jewellery and artefacts and a period of one year is provided for its implementation.

Market size

- India's gems and jewellery market size was at US\$ 78.50 billion in FY21. Growth in exports is mainly due to revived import demand in the export market of the US and the fulfilment of orders received by numerous Indian exhibitors during the Virtual Buyer-Seller Meets (VBSMs) conducted by GJEPC.
- India's gems and jewellery exports reached US\$ 39.14 billion in 2021-22, a 54.13% rise from the previous year. From April-December 2022, India's gems and jewellery exports were at US\$ 28.6 billion, a 6.28% rise compared to the previous year's period. While the export during April-March 2023 stood at US\$ 37.95 billion.
- The Government of India is aiming at US\$ 70 billion in jewellery export in the next five years (until 2025), up from US\$ 35 billion in 2020.
- India has 10 special economic zones (SEZ) for gems & jewellery. These zones have more than 500 manufacturing units, which contribute 30% to the country's total exports.
- As per Union Budget 2021, the Gem and Jewellery Export Promotion Council has proposed a reduction in import duty on cut and polished diamonds to 2.5%, from the existing 7.5%, in order to double exports of gems & jewellery to US\$ 70 billion by 2025.
- Cumulative FDI inflows in diamond and gold ornaments in India stood at US\$ 1,201.56 million between April 2000-December 2021, according to Department for Promotion of Industry and Internal Trade (DPIIT).

Investments/Developments

Cumulative FDI inflows in diamond and gold ornaments stood at US\$ 1,213.06 million between April 2000-March 2022, according to the Department for Promotion of Industry and Internal Trade (DPIIT).

Some of the key developments in this industry are listed below:

- In February 2022, GJEPC organized a four-day Internal Jewellery Show Signature 2022, where 850 exhibitors participated and there were more than 400 international visitors, buyers, and delegations from the US, UAE, Egypt, Nepal, Uzbekistan, and Bangladesh.
- In September 2021, Malabar Group invested Rs. 750 crore (US\$ 100 million) in a gold refinery and jewellery unit in Hyderabad.
- India has signed an FTA with the UAE which will further boost exports and is expected to reach the target of US\$ 52 billion.

Government Initiatives

- The government has reduced import duty for Gold & Silver (from 12.5% to 7.5%) and Platinum & Palladium (from 12.5% to 10%) to bring down the prices of precious metals in the local market.
- Indian Government made hallmarking mandatory for Gold Jewellery and Artefacts.
- The Government has reduced custom duty on cut and polished diamond and colored gemstones from 7.5% to 5% and NIL.
- Based on its potential for growth and value addition, the Government declared gems and jewellery sector as a focus area for export promotion. The Government has undertaken various measures recently to promote investment and upgrade technology and skills to promote 'Brand India' in the international market.
- The Government has permitted 100% FDI in the sector under the automatic route, wherein the foreign investor or the Indian company do not require any prior approval from the Reserve Bank or Government of India.
- Revised SEZ Act is also expected to boost gems and jewellery exports.

Financial Performance

The current year was a not good year for your Company. The Company is trading in textile, plastic products, precious metal and stones and related products. The Company has managed to maintain a growth trajectory in its financial performance in the current financial year. Further, the Management expects a good financial performance in the new business in the next financial years.

Opportunities and Threats

We believe that the factors which contribute to our strengths are our ability to adapt to the ever changing environment, maintaining continuous growth, creating new market opportunities, efficient leadership qualities and maintaining good customer relationship. The company is doing business of trading and importing in toys, plastic and related products, textile and trading of precious stones & metal which is as per the objects of the company. The management is hopeful of expanding its business.

There is a huge opportunity to move the gold and Jewellery business from unorganized to organized space in many countries including India and China. The organized segment has tremendous growth prospects. Growing consciousness of branded jewellery, increasing purchasing power in the Tier I & II locations, and increasing demand for diamond jewellery are major opportunities for the next 10 to 15 years. The major threat could be changes in government policy with regard to import and export of gold products.

Risk & Concern

The Board of Directors have framed and regularly implement and monitor risk management plan of Company. Major risk identified by the business and function are systematically addressed through mitigating actions on a continuing basis.

The Company has successfully been in gold business for many years and has developed systems to mitigate most of the perceivable risks. The Company has ambitious expansion plans to increase its profitability, these plans require large scale and meticulous execution capabilities. Even though the company has planned it's execution strategy, there would always be a concern and risk of execution.

INDEPENDENT AUDITOR'S REPORT

To,
The Members of M/s. ARMAN HOLDINGS LIMITED

Report on the Audit of the Financial Statements**Opinion**

We have audited the accompanying financial statements of M/s. ARMAN HOLDINGS LIMITED ("the Company"), which comprise of the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information ("the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the profit, other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our Auditors' Report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of Act with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Accounting Standards specified under Section 133 of the Act ("Ind AS"). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The management and Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid financial statements have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, please refer to our separate report in "Annexure B". Our report expresses unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. Since company has not declared/paid any dividend, so there is no need to transfer any amounts to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. As stated in Note 11(ii) to the financial statements

The Company has not declared any dividend during the year and the Board of Directors of the Company has not proposed any dividend for the year.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 1 of 'Report on other Legal and Regulatory Requirements' in our Report of even date on the accounts of M/s. ARMAN HOLDINGS LIMITED for the year ended March 31, 2023.

On the basis of the records produced to us for our verification / perusal, such checks as we considered appropriate, and in terms of information and explanation given to us on our enquiries, we state that:

- (i) (a) (A) The company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
(B) The company has maintained proper records showing full particulars of Intangible Assets.
- (b) The fixed assets of the Company are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the Management during the year and no material discrepancies were noticed between the book records and the physical verification.
- (c) Based on our examination, we report that, the title of all the immovable properties disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company.
- (d) The Company has not revalued any of its Property, Plant and Equipment (including right of use assets) and intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31st, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) as amended and rules made thereunder.
- (ii) (a) During the year, physical verification of the inventory has been conducted at reasonable intervals and in our opinion the coverage and procedure of such verification is appropriate. Discrepancies noticed were not more than 10% and have been properly dealt with in the books of accounts.
- (b) The Company has not been sanctioned working capital limits in excess of Rs. 5 Crore, in aggregate, from banks or financial institutions on the basis of security of current assets during the year and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii) The Company has not provided any loan, guarantee or security to companies, limited liability partnerships or any other parties during the year. The Company has not made any investments in other parties during the year:
- (a) The Company has not provided any loans or advances in the nature of loans or stood guarantee, or provided security to any other entity during the year, hence reporting under clause 3(iii)(a) of the Order is not applicable.
- (b) In our opinion, the investments made, during the year are, prima facie, not prejudicial to the Company's interest.
- (c) The Company has not provided any loans or advances in the nature of loans during the year, hence reporting under clause 3(iii)(c) of the Order is not applicable.
- (d) The Company has not provided any loans or advances in the nature of loans during the year, hence reporting under clause 3(iii)(d) of the Order is not applicable.
- (e) The Company has not provided any loans or advances in the nature of loans during the year, hence reporting under clause 3(iii)(e) of the Order is not applicable.
- (f) The Company has not provided any loans or advances in the nature of loans during the year, hence reporting under clause 3(iii)(f) of the Order is not applicable.
- (iv) The Company has complied with provisions of Section 186 of the Act in respect of investments made and loans given. Section 185 of the Act is not applicable as there were no loans given, securities and guarantees provided during the year covered by Section 185 of the Act.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits. Hence reporting under clause 3(v) of the Order is not applicable.
- (vi) The Central Government has not prescribed maintenance of cost records for the company under sub section (1) of Section 148 of the Companies Act. Hence reporting under clause 3(v) of the Order is not applicable.
- (vii) (a) In our opinion the Company has generally been regular in depositing undisputed statutory dues including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Labour Welfare Fund, Cess, and other statutory dues to the appropriate authorities.
There were no undisputed amounts payable in respect of Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Labour Welfare Fund, Cess, and other statutory dues in arrears as at March, 31, 2023 for a period of more than six months from the date they became payable.
- (b) There are no statutory dues referred to in sub-clause (a) above which have not been deposited on account of any dispute.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961)
- (ix) (a) The Company has not been taken any loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3 (ix) (a) of the order is not applicable.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not been taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3 (ix) (c) of the order is not applicable.
- (d) On an overall examination of the financial statements of the Company, no funds have been raised on short-term basis and hence, reporting under clause 3 (ix) (d) of the order is not applicable.
- (e) On an overall examination of the financial statements of the Company, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries and hence, reporting under clause 3 (ix) (d) of the order is not applicable.
- (f) The Company has not raised any loans during the year on pledge of securities held in its subsidiaries, joint ventures or associate companies during the year and hence, reporting under clause 3 (ix) (f) of the order is not applicable.
- (x) (a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and through term loans during the year. Accordingly, clause 3(x) (a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3 (x) (b) of the Order is not applicable to the Company.

- (xi) (a) No fraud by the Company and no fraud on the Company has been noticed or reported during the year.
(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rule, 2014 with the Central Government during the year and up to the date of this report.
(c) No whistle blower complaints received by the Company during the year (and upto the date of this report), while determining the nature, timing and extent of our audit procedures.
- (xii) The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanation given to us, and based on our examination of the records of the Company, transactions with related parties are in compliance with section 177 and 188 of the Act, where applicable, and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the Company has an internal audit system commensurate with the size and the nature of its business.
(b) We have considered, the internal audit report for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion and according to the information and explanations given to us, and based on our examination of the records of the Company, the company has not entered into any non-cash transactions with directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Sec 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting clause 3(xvi) (a), (b) and (c) of the Order is not applicable to the Company.
(b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016 and accordingly reporting under clause 3 (xvi) (d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (a) The provisions of section 135 are not applicable to the company during the current year and hence, reporting under clause 3 (xx) (a) of the Order is not applicable for the year.
(b) The provisions of section 135 are not applicable to the company during the current year and there are no ongoing projects and hence, reporting under clause 3 (xx) (b) of the Order is not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

Referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report on the financial statements of the company for the year ended March 31, 2023.

Opinion

We have audited the internal financial controls over financial reporting of M/s. ARMAN HOLDINGS LIMITED ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, to the best of our knowledge and according to the information and explanations provided to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

CORPORATE INFORMATION

Arman Holdings Limited (“the Company”) was incorporated in India on 25 October 1982. The Company is involved in carrying and undertaking the business of trading, exporting, importing, wholesaling, exhibiting, buying and selling and otherwise dealing in Chemicals, textiles, paper, oil, cement, plastic, automobile, Jute, tea, sugar, gold, diamonds, precious stones, ferrous and non ferrous metals, electronic and electronic goods and handicrafts and all other sorts of merchandises and to carry on in any mode, and in particulars to buy, sell and deal in goods, stores, consumable articles, chattles and effect of all kinds both wholesale and retail and loans and investments of land, shares, debentures, etc.

The Registered Office of company is as follow: 419, Rajhans Heights, Mini Bazar, Varachha Road, Surat– 395006.

The accompanying financial statements are prepared to reflect the results of the activities undertaken by the Company during the year ended 31 March 2023. These standalone financial statements were approved by the board of directors on May 30, 2023.

1. SIGNIFICANT ACCOUNTING POLICIES

Statement of Compliance

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 (“Ind AS”) as amended and notified under section 133 of the Companies Act’2013 and other relevant provisions of the Act.

Basis of Preparation and measurement

The financial statements have been prepared on the accrual basis under the historical cost convention and ongoing concern concept, except for certain financial instruments which are measured at fair values at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Based on the nature of the activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

The Ministry of Corporate Affairs had vide notification dated March 23, 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amended certain accounting standards, and are effective April 1, 2022. These amendments did not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods.

Estimates

The preparation of the financial statements, in conformity with the generally accepted accounting principles, requires estimates and assumptions to be made which affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are known/ materialized.

Estimation of uncertainties relating to the global health pandemic from COVID-19

The management has considered the possible effects that may result from the Covid-19 pandemic on the carrying value of assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the company, as at the date of approval of these financial results has used internal and external sources of information to assess the expected future performance of the Company. The Company has internally performed sensitivity analysis on the assumptions used and based on current estimates, the Company expects that the carrying amount of these assets, as reflected in the balance sheet as at 31st March 2023, are fully recoverable as on reporting date. The management has also estimated the future cash flows for the Company with the possible effect that may result from the Covid-19 pandemic and does not foresee any material adverse impact on its ability to continue as going concern and in meeting its liabilities as and when they fall due. The actual impact of Covid-19 pandemic may differ from the estimated as at the date of approval of these financial statements.

Risk management

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

Property Plant and Equipment (PPE)

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced.

All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the written down value method ("WDV").

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end to ensure that the amount, method and period of depreciation are consistent with previous estimates and the expected pattern of consumption of the future economic benefits embodied in the items of property, plant and equipment.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant

and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss. Fully depreciated assets still in use are retained in financial statements.

Non Derivative Financial Instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

a. Financial Assets

(i) Initial recognition and measurement

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition of financial assets that are not at fair value through profit or loss are added to the fair value on initial recognition. Regular way trade of financial assets is accounted for at trade date.

(ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Financial assets at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, debt instruments at amortised cost are subsequently measured at amortised cost using the effective interest rate method, less impairment, if any.

- Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

- Financial assets at fair value through profit or loss

Financial assets which are not classified in any of the above categories are subsequently fair valued through profit or loss.

b. Financial Liabilities

(i) Initial recognition and measurement

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments. Financial liabilities are classified, at initial recognition, at fair value through profit and loss or as those measured at amortised cost.

(ii) Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification as follows:

Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial recognition at fair value through profit and loss.

Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method except for those designated in an effective hedging relationship.

c. Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are measured at the proceeds received net off direct issue cost.

Fair Value Measurement

The Company measures financial instruments, such as, quoted investments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- (i) Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- (ii) Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- (iii) Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements at fair value on recurring basis the company determines whenever transfers have occurred between levels in the hierarchy by reassessing categorization at the end of each reporting period and discloses the same.

Cash and Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Impairment

(a) Financial assets (other than at fair value)

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(b) Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. As asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or class of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Inventories

Inventories are valued at lower of cost (on weighted average basis) and net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to their present location and condition, including octroi and other levies, transit insurance and receiving charges. Finished goods include appropriate proportion of overheads and, where applicable, excise duty. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for estimated customer returns, rebates and other similar allowances.

Sale of goods

Revenue from the sale of goods is recognised when the goods are delivered and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue is measured at the amount of transaction price. Amounts disclosed as revenue are net of returns (including expected returns), rebates and discounts, goods and service tax.

Bank Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Interest on Loans

Revenue is recognised on a time proportion basis taking into account the amount outstanding.

Dividends

Revenue is recognised when the company's right to receive the payment is established, which is generally when shareholders approve the dividend.

Retirement and Other Employee Benefits

Defined contribution plans

The Company is not liable to deposit any dues on account of Provident fund and other similar funds as the number of employees is less than 10. The Company's contribution to Provident Fund and other similar funds will be charged to the Statement of Profit & Loss as and when any of the laws becomes applicable.

The employees employed by the Company during the year under review or part of the year have not completed continuous service period of 10 years and there is not any un-availed/unutilized leave of any employees working with the company at the year end. As such they are not entitled for Gratuity, Leave encashment and Other Retirement benefits. Accordingly, no provision is required to be made in respect of the retirement benefits. Also, No such payment of any retirement benefits have been made during the year.

Defined Benefit Plans

Since number of employee employed by the company for any part of the year or throughout the year were within the prescribed threshold limit of the relevant statute relating to Employees, hence, the provisions of Employee's provident Fund and Miscellaneous Provisions Act, 1952, Payment of Bonus Act, 1956, Employees' State Insurance Act, 1948, Payment of Gratuity Act, 1972 and all other allied Labour Acts or laws or any other rules and regulations relating to Employees are not applicable to the company.

Accounting of provisions and contingent liabilities and contingent assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

Income-tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis. Income taxes consist of current taxes and changes in deferred tax liabilities and assets.

Deferred tax

Deferred income tax is recognised using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred tax assets are recognised only to the extent that it is probable that either future taxable profits or reversal of deferred tax liabilities will be available, against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of a deferred tax asset shall be reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets and liabilities are off set when there is a legally enforceable right to off set current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Earnings per Share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity

shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors

Cash flow statement

Cash flows are reported using the indirect method set out in Indian Accounting Standard-7 (IND AS-7) on Cash Flow Statements, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. Cash and cash equivalents presented in the Cash Flow Statement consist of cash on hand and balances in Current Accounts with Banks.

Segment Reporting

An Operating Segment is defined as a component of the entity that represents business activities from which it earns revenues and incurs expenses and for which discrete financial information is available. The operating segments are based on the Company's internal reporting structure and the manner in which operating results are reviewed by the Chief Operating Decision Maker (CODM). The Chief Operating Decision Maker is the Managing Director of the company.

Foreign Exchange Translation

(i) Functional and Presentation Currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the company operates (the functional currency). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

(ii) Transactions and Balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognized in profit & loss. All the foreign exchange gains and losses are presented in the statement of Profit and Loss on a net basis within other expenses or other income as applicable.

24 OTHER NOTES TO FINANCIAL STATEMENTS

- i) During the financial year 2022-23, there was no transactions with any suppliers/ parties who are covered under "The Micro Small and Medium Enterprises Development Act, 2006".
- ii) The company is exposed to market risk and credit risk. The Company has a risk management policy and an appropriate risk governance framework for the company. The audit committee provides assurance to the Company's management that the Company's risk activities are governed by appropriate policies and procedures and that risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

a. Market Risk

Market risk is the risk due to which the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprise of two types of risk: Interest rate, currency risk and other price risk, such as commodity price risk and equity price risk. Financial instruments affected by market risk include FVTPL investments, trade payables, trade receivables, etc.

The company has made long term investments in unquoted equity shares. The Company has fairly valued the investments under level 3 Valuation technique as stated in significant accounting policies.

In the opinion of the Board, all the current assets, loans and advances have a value on realisation in the ordinary course of business at least equal to the amount stated in the Balance Sheet and all the known liabilities have been provided for, unless otherwise stated elsewhere in other notes.

b. Credit Risk

Credit risk is the risk that counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The company is exposed to credit risk from its operating activities (primarily trade receivables)

The Company has Other Receivables which are outstanding for a considerable period of time and considered good for recovery by the management. On the basis of past experience of trade receivables, there was no bad debt. All the existing customers has good market value, therefore management has decided not to maintain expected credit loss allowance.

Certain Debit Balances as stated in the financial statements are being subject to confirmation and reconciliation thereof, and the same have been taken as per the balances appearing in the books. The consequent necessary adjustments, either of a revenue nature or otherwise, if any, will be made, as and when these accounts are reconciled and confirmed.
