Dear Sir/Madam,

DroneAacharya Aerial Innovations Limited, India's first Listed Drone Company, is making waves on the global stage as it **commences full-fledged operations in five diverse countries: Philippines, Thailand, UK, US, and Qatar**. This remarkable expansion marks a significant milestone for DroneAacharya, as it becomes one of the first few Indian companies with comprehensive operations in sales, services, and training in the field of drones across the international landscape.

The grand entrance into the European market comes with an exciting order, solidifying DroneAacharya's international presence. The company has received an order for the supply of 30 units of their international standard agricultural drone - the AgriVeer. This order highlights the remarkable confidence that global markets have in DroneAacharya's innovative solutions. The AgriVeer is currently in the process of attaining Type certification and post this, the product will be launched in the Indian market as well.

"The expansion into five countries and the recent order for our drones is a testament to the dedication and hard work of our team. We are excited to bring our expertise in drone technology and solutions to international markets and are at an advanced level to start operations in more countries in Africa, Middle East and Southeast Asia. Our aim is to get India to a leading position in drone sales service and training at a Global level," said Mr. Prateek Srivastava, Founder and Managing Director of DroneAacharya Aerial Innovations.

Over the past several months, DroneAacharya has initiated specialized drone-focused courses catering to both undergraduate and postgraduate students in Thailand. Furthermore, they are preparing to introduce these courses to government officials and corporations in the Philippines. Notably, the company has secured a significant project to supply drone products and services to a prominent Oil and Gas firm in Qatar. When evaluating their pre-IPO stage

plans, it is evident that DroneAacharya is diligently advancing towards their objectives and is positioned for substantial achievements across multiple sectors in the near future.

We request you to kindly take note of the same.

Thanking you,

Yours faithfully,

For DroneAacharya Aerial Innovations Limited
