The securities in the frozen folios shall be eligible to receive payments (including dividend) and lodge grievances only after furnishing the complete documents. To mitigate unintended challenges on account of freezing of folios, SEBI vide its Circular dated November 17, 2023, has done away with the provision regarding freezing of folios not having PAN, KYC, and Nomination details. The Company has sent individual letters to all the shareholders holding shares of the Company in physical form for furnishing their PAN, KYC, and nomination details. The necessary forms in this regard have been made available on the Company's website at www.sonalmmercantile.in Accordingly, the members are advised to register their details with the Company/RTA or DPs, in compliance with the aforesaid SEBI guidelines for smooth processing of their service requests and trading without any hindrance.
- k)** As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available to the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in Form ISR-3 or SH-14 as the case may be. Members are requested to submit the said details to their DP in case the shares are held by them in dematerialized form and to RTA/DP, in case the shares are held in physical form.
- l)** Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the share certificates to the Registrar and Share Transfer Agent of the Company for consolidation of the folios along with the requisite KYC documents for consolidating the holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialised

form

Password details for shareholders other than Individual shareholders are given below:

If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.

If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.

How to retrieve your 'initial password'?

If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.

If your email ID is not registered, please follow steps mentioned below in process for those shareholders whose email ids are not registered.

If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:

Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.

Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.

If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address etc.

Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.

After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

Now, you will have to click on "Login" button.

After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically and join General Meeting on NSDL e-Voting system.

How to cast your vote electronically and join General Meeting on NSDL e-Voting system?

After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.

Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on "VC/OAVM" link placed under "Join Meeting".

Now you are ready for e-Voting as the Voting page opens.

Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on “Submit” and also “Confirm” when prompted.

Upon confirmation, the message “Vote cast successfully” will be displayed.

You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.

Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

SONAL MERCANTILE LIMITED

{CORPORATE SOCIAL RESPONSIBILITY POLICY}

Corporate Social Responsibility (“CSR”) is the commitment of companies to provide resources and support activities focused on enhancing economic and social development. It is the effort made by companies to improve the living conditions of the local area in which they operate and the society at large. The activities taken up as a part of corporate social responsibility reflect the intent to create a positive impact on society without seeking any commensurate monetary benefits.

CSR has been a commitment at Sonal Mercantile Limited (“Company”). Being a responsible corporate citizen, the Company is committed to performing its role towards the society at large. In alignment with its vision, the Company always works towards adding value to its stakeholders by going beyond business goals and contributing to the well-being of the community. Its contribution to social sector development includes several pioneering interventions and is implemented through the involvement of stakeholders within the Company and with the broader community.

The Company’s objective is to pro-actively support meaningful socio-economic development. It works towards developing an enabling environment that will help citizens realise their aspirations towards leading a meaningful life. The Company aims to identify critical areas of development contributing to the well-being of the community and benefitting them over a period of time.

The Corporate Social Responsibility Policy (“Policy”) of the Company sets out the framework guiding the Company’s CSR activities. The Policy also sets out the rules that need to be adhered to while taking up and implementing CSR activities.

1. SCOPE OF THE POLICY

The Policy would pertain to all activities undertaken by Company towards fulfilling its corporate social responsibility objectives. The Policy would also ensure compliance with section 135 of the Companies Act, 2013 (“Companies Act”), read with Schedule VII of the Companies Act and Companies (Corporate Social Responsibility Policy) Rules, 2014 (“CSR Rules”), each as amended from time to time and the notifications and circulars issued by the Ministry of Corporate Affairs from time to time and the rules framed thereunder (“CSR Regulations”). In the event of any inconsistency or discrepancy between this Policy and the CSR Regulations, the provisions of the CSR Regulations shall prevail.

2. COMPOSITION

The CSR Committee shall consist of 3 or more directors, out of which at least one director must be an independent director. The Board may change the composition of the CSR Committee from time to time in such manner as it thinks fit and as required under the CSR Regulations.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. Industry Structure and Developments

Sonal Mercantile Limited is a NBFC and is engaged mainly in the business of providing Loans & Advances and also to make investment in both quoted and unquoted securities. The industry structure relevant to the Company's operations is mainly concerned with the Capital Market.

The NBFCs sector is undergoing a significant transformation at present and has come to be recognized as an important element of the Financial System. The recent issue in financial sector has highlighted the necessity, importance and significant role, the NBFCs play in development of nation's infrastructure.

In the financial system of India, importance of NBFCs has been much discussed. RBI has been setting right its regulatory and supervising policies from time to time to keep pace with the changes in the environment.

NBFCs have been actively fuelling the growth of the economy especially the infrastructure part of the economy and have been supplementing the Banking system effectively and thus enhancing competition and diversification in the financial sector.

The NBFCs have attracted substantial investments during the recent years both from the retail and from the wholesale side. The growth also has been significant during this year. The NBFCs have been catalysts in accelerating the growth in the semi urban and rural areas. The projections made by RBI and other financial forecasts give substantial growth opportunities for the industry in the coming years.

NBFCs continued to grow their share in the financial services industry. This growth momentum of NBFCs should result in their share in the financial services sector increasing in the near future.

2. Business Overview

Your Company is engaged in the business of providing Loans & Advances and investment in Securities, both quoted and unquoted. Company can expect future growth and development in its business. The vision of the Company is very clear and the management wants to increase its scale of operations.

3. Opportunities and Threats

The NBFC industry holds immense potential and the Government of India's increased focus towards Financial inclusion has created various opportunities for existing NBFCs to leverage on their established customer base in rural areas. The above opportunities have made the Industry highly competitive with the emergence of new category of systematically important NBFCs. Along with existing local and Multinational players leading to tough competition within the industry.

However, we feel that the opportunities will soon arise in the markets upon the corrective policies by the government and better fiscal management which will strengthen the economy.

4. Segment-Wise Performance

The Company is engaged only into single reportable segment during the year under review.

5. Outlook

It is projected to strengthen over the projected period and hope to find some concrete business opportunity to expand the business of the Company.

6. Risk and Concern

Your Company at present is exposed to the normal industry risk factor of volatility in interest rate, economic cycle and credit risk. It has not yet decided its future course of activities. The impact of new activity, as when decided, will be known in the future.

7. Adequacy of Internal Control

The established Internal Control System of your Company are adequate to ensure that all the activities are monitored and controlled against any misuse or misappropriation of asset and that the transactions are authorized, recorded and reported correctly. More so, these internal control systems are regularly monitored by the audit committee of your Company and are improved upon on regular basis.

8. Discussion on Financial Performance with respect to Operational Performance

The brief on Financial Performance of the Company is already provided in the Boards' Report and Financial statements of the Company.

9. Human Resource Development

The Board of Directors of your company would like to place on record their sincere appreciation for the efforts and contribution made by all the employees of the Company in the challenging environment. Your Directors take this opportunity to thank all employees for rendering impeccable services to every constituent of Company, customers and shareholders. The Company has a well-defined appraisal system to assess and reward the employees appropriately and also to gauge the potentials of the individuals.

10. Cautionary Statement

Investors are cautioned that this discussion contains statements that involve risks and uncertainties. INDEPENDENT AUDITOR'S REPORT

To the Members of **SONAL MERCANTILE LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Sonal Mercantile Limited** ("the Company"), which comprise the balance sheet as at 31st March 2024, and the statement of Profit and Loss, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, **the profit** and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. We conclude that there is no material uncertainty, thereby we are not required to draw attention in our auditor's report to the related disclosures in the financial statements. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the Financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the '**Annexure A**' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), statement of change in equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **“Annexure B”**.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to documents provided to us, the remuneration paid to the Managing Director of the Company is in accordance with the provisions of Section 197 along with Schedule V of Companies Act, 2013.
- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company does not have any pending litigations which would impact its financial position.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv) (1) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(2) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities (“Funding Parties”), with the understanding, that Company had recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
(3) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
 - v) The Company has not declared or paid any dividend during the year.

Annexure - B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Sonal Mercantile Limited** ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that-

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company, and;
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 Corporate Information

NOTE 1

Sonal Mercantile Limited is a public company domiciled in India and registered under the provisions of Section 45-IA of The Reserve Bank of India Act, 1934. The company's primary business is to provide short term/ long term finance.

2 Basis of Preparation of Standalone Financial Statements

NOTE 2

2.1 Statement of Compliances

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.

2.2 Basis for preparation of standalone financial statements:

The standalone financial statements have been prepared under the historical cost basis which is generally based on the fair value of consideration given in exchange and services. However certain financial assets and liabilities are measured at fair value in compliances with IND-AS.

2.3 Use of Estimates:

The preparation of financial statements requires the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of financial statements, disclosure of contingent liabilities as at the date of the Ind AS financial statements, and the reported amounts of income and expenses during the reported period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised. Figures have been rounded off to the nearest thousands of rupees.

2.4 New Standards/ Amendments and Other Changes adopted Effective 1 April 2023 or thereafter

(i) Ind AS 1 Presentation to Financial Statement: The Company has adopted the amendments wherein the Company was required to disclose the material accounting policies in the Standalone Financial Statements instead of the significant accounting policies. Accordingly, the Company is disclosing material accounting policies as **Note 3**.

There is no material change in the accounting policies adopted by the Company during the financial year 2023-24.

(ii) Ind AS 8- Accounting policies, change in Accounting Estimates and Errors.

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The Company has adopted the amendment and there is no material impact on its Standalone Financial Statements.

(iii) Ind AS 12- Income Tax

The Company has adopted the amendments and there is no material impact on its Standalone Financial Statements

2.5 Functional and presentation currency

These Standalone Financial Statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest Thousands (up to two decimals), except as stated otherwise.

2.6 Critical accounting estimates:

2.6.1 Income Taxes:

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

2.6.2 Impairment of Investments:

The carrying value of investments is reviewed at cost annually, or more frequently whenever, there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

2.6.3 Provisions:

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

2.6.4 Effective Interest Rate (EIR) Method:

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioral life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments, restructuring and penalty interest and charges). This estimation, by nature, requires an element of judgement regarding the expected behavior and life-cycle of the instruments and other fee income/expense that are integral parts of the instrument.

3 Material Accounting Policies:

A summary of the material accounting policies applied in the preparation of the Standalone Financial Statements are as given below. These accounting policies have been applied consistently to all periods presented in the Standalone Financial Statements.

3.(a) Property plant and equipment (PPE)

1.1. Initial recognition and measurement

Property, plant and equipments ("PPE") are measured at cost less accumulated depreciation/amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management.

When parts of an item of property, plant and equipments have different useful lives, they are recognized separately.

Spare parts are capitalized when they meet the definition of PPE, i.e. when the Company intends to use these for a period exceeding 12 months.

On transition to IND AS, the Company has elected to continue with the carrying value of all of its PPE recognized, measured as per the previous GAAP and use that carrying value as the deemed cost of the PPE.

1.2. Depreciation

Depreciation on Property, Plant and Equipment, including assets taken on lease, other than freehold land is charged based on Written down method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013.

Depreciation on additions to/deductions from property, plant and equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

In circumstance, where a PPE is abandoned, the cumulative capitalized costs relating to the property are written off in the same period.

The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of Property, Plant & Equipment	Useful life (in years)
Furniture	10
Motor Vehicle	8
Office Equipment	5
Computer	3

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognized in the profit and loss. At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

3.(b) Revenue recognition:

With Effective 1st April, 2018, the Company has applied Ind AS 115 – Revenue from Contracts with Customers Pursuant to adoption of Ind AS 115, Revenue from contracts with customers are recognized when the control over the goods or services promised in the contract are transferred to the customer. The amount of revenue recognized depicts the transfer of promised goods and services to customers for an amount that reflects the consideration to which the Company is entitled to in exchange for the goods or services.

b.1 Interest Income: The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost. EIR is calculated by considering all costs and other incomes attributable to acquisition of a financial assets.

b.2 Dividend: Dividend income from investments is recognised when the shareholders' right to receive payment has been established which is generally when the shareholders approve the dividend.

b.3 Other revenue from operations: The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

3.(c) Financial Instruments:

c.1 Financial Assets:-

Recognition and initial measurement: -

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument and are measured initially at fair value adjusted for transaction cost.

Subsequent measurement: -

Equity instrument and Mutual Fund: - All equity Instrument and mutual funds within scope of Ind-AS 109 are measured at fair value. Equity instrument and Mutual fund which are held for trading are classified as at fair value through profit & loss (FVTPL). For all other equity instruments, the Company decided to classify them as at fair value through other comprehensive income (FVTOCI).

Debt instrument: - A 'debt instrument' is measured at the amortised cost if both the following conditions are met. The assets are held within a business model whose objective is to hold assets for collecting contractual cash flows, and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

De- Recognition of financial Assets: -

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or Company has transferred its right to receive cash flow from the asset.

Impairment of financial assets: -

The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

c.2 Financial Liabilities : -

Recognition and initial measurement: -

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified at amortised cost.

Subsequent measurement: -

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest rate method.

De-recognition of financial liabilities

Financial liabilities are derecognized when the obligation under the liabilities are discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned project or earlier based on the previous experience of Management and actual facts of each case and recognized in other Operating Revenues.

Further when an existing Financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

c.3 Off setting of financial instrument: -

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

c.4 Impairment of Financial Assets: -

Equity instruments, Debt Instruments and Mutual Fund: - In accordance with Ind-AS 109, the Company applies Expected Credit Loss model for measurement and recognition of impairment loss for financial assets. Expected Credit Loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive.

Other Financial Assets: - The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

c.5 Expected Credit Loss (ECL):-

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance on Loans with significant financing component is measured at an amount equal to 12-month ECL. For all other financial assets, expected credit losses are measured at an amount equal to the lifetime 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considers current and anticipated future economic conditions relating to industries the Company deals with and the countries where it operates.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recorded is recognized as an impairment gain or loss in condensed consolidated statement of comprehensive income.

3.(d) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and short- term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if they are considered an integral part of the Company's cash management.

3.(e) Taxation

e.1 Current Income tax: Provision for current tax is made as per the provisions of the Income Tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to applicable tax regulations which are subject to interpretation and establishes provisions where appropriate.

e.2 Deferred Tax: Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets and liabilities are measured based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

3.(f) Employee benefits

Short Term Benefits: Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

3.(g) Statement of cash Flows: Statement of cash flows is prepared in accordance with the indirect method prescribed in Ind AS-7 'Statement of cash flows.'

3.(h) Earning per share

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the Ind AS financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

3.(i) Provision, contingent liabilities and contingent assets

Provision: A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

Contingent Liability: Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Contingent liabilities are disclosed on the basis of judgment of the management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

NOTE 4

4 Major Estimates and Judgments made in preparing Standalone Financial Statements

The preparation of the Company's Standalone Financial Statements requires management to make judgements and estimates that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. These include recognition and measurement of financial instruments, estimates of useful lives and residual value of Property, Plant and Equipment and Intangible Assets, valuation of inventories, measurement of recoverable amounts of cash-generating units, measurement of employee benefits, actuarial assumptions, provisions etc.

Uncertainty about these judgments and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

4.1 JUDGEMENTS

In the process of applying the company's accounting policies, management has made the following judgements, which have the significant effect on the amounts recognised in the Standalone Financial Statements:

Materiality

Ind AS requires assessment of materiality by the Company for accounting and disclosure of various transactions in the Standalone Financial Statements. Accordingly, the Company assesses materiality limits for various items for accounting and disclosures and follows on a consistent basis. Overall materiality is also assessed based on various financial parameters such as Gross Block of assets, Net Block of Assets, Total Assets, Revenue and Profit Before Tax. The materiality limits are reviewed and approved by the Board.

Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss. Should circumstances change following unforeseeable developments, this likelihood could alter. In the similar line, management also on the basis of best judgment and estimate determines the net realizable value of the Inventories to make necessary provision.

4.2 MAJOR ESTIMATES

The key assumptions concerning the future and other key sources of estimation at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

Useful life of property, plant and equipment and intangible assets

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

Useful life of the assets other than Plant and machinery are in accordance with Schedule II of the Companies Act, 2013.

The Company reviews at the end of each reporting date the useful life of property, plant and equipment, and are adjusted prospectively, if appropriate.

Income Taxes

The Company uses estimates and judgements based on the relevant facts, circumstances, present and past experience, rulings, and new pronouncements while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised.

Fair values hierarchy

Financial assets and liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The management assessed that cash and cash equivalents, trade receivables, other receivables, trade payables and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

36 FINANCIAL RISK MANAGEMENT

NOTE 36

The Company's activities expose it to credit risk, liquidity risk and market risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, loans, Investments, trade receivables, other financial assets.	Ageing analysis	Bank deposits, diversification of asset base, credit limits and collateral.

INDEPENDENT AUDITOR'S REPORT

To the Members of **SONAL MERCANTILE LIMITED**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Sonal Mercantile Limited** "hereinafter referred to as the Holding Company") and its associate (Holding and associate together referred to as "the Group"), which comprise the consolidated Balance Sheet as at 31st March 2024, the consolidated statement of profit and loss, the consolidated statement of changes in equity and the consolidated cash flow statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Company as at 31st March, 2024, and the consolidated **Net Profit** (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described hereunder to be key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's annual report but does not include the Standalone financial statements and our auditor's report thereon.

Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associate and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also.

- 1 Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2 Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system in place and the operating effectiveness of such controls.
- 3 Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4 Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5 Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6 Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The Consolidated audited financial statement includes group's profit share of an associate Rudraveerya Developers Ltd whose financial statements reflect total profit of Rs 28,69,48,461.00 and Nil Other Comprehensive Income for the year ended on that date. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this associate is based solely on such unaudited financial statements. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

A. With respect to the matters specified in the paragraph 3(xxi) and 4 of the companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, to be included in the Consolidated Auditor's report, according to the information and explanations given to us, the statutory auditor of the associate i.e. the company which is included in the consolidated financial statements have not issued their auditor's report for FY 22-23 till the date of signing this report.

B. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- 1 We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- 2 In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- 3 The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this

Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- 4 In our opinion, the aforesaid consolidated financial statements comply with the accounting standards specified under Section 133 of the Act;
- 5 On the basis of the written representations received from the directors of the Holding Company as on 31st March 2024 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its associate company, none of the directors of the Group companies is disqualified as on 31 March, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- 6 With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in Annexure A. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- 7 With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The consolidated financial statements have disclosed the impact, if any, of pending litigations on the consolidated financial position of the Group in its consolidated financial statements.
 - b. The Company and its associate did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses.
 - c. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its associate.
 - d. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - e. The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - f. Based on such audit procedures that the auditor has considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.

- g. Proviso to Rule 3(1) of the Companies (Accounts) Rules 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 for the financial year ended March 31,2024 is as follows:
- Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. As the profit of the associate is from unaudited financials therefore we are not able to comment on the reporting requirement under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 in respect of its associate.
 - As provision to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1,2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.
- 8 Dividend is not declared or paid during the year by the company.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

Report on the Internal Financial Controls under Clause (i) of Sub- section (3) of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statement of the Company as of and for the year ended 31st March 2024, we have audited the internal financial controls over financial reporting of **Sonal Mercantile Limited** (hereinafter referred to as "the Holding Company") along with its associate (the Holding Company and its associate together referred to as "the Group") as on that date.

Management's Responsibility for the Internal Financial Controls

The respective Board of Directors of the Holding Company and its associate are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by these entities considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India (CAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on internal financial controls over financial reporting of the Holding Company and its associate based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the Guidance Note) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Holding Company and its associate.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that: -

Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company, Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the Company are being only in accordance with authorizations of management and directors of the Company; and Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and could not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of information and according to explanation given to us and taking into consideration the reports of the other auditors referred to in the Other Matters paragraph below, the Group have maintained in all material aspects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on "the internal financial controls over financial reporting criteria considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India'.

Other Matters

Our aforesaid report under Section 143(3)G of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to one associate company, which is incorporated in India, is based on the corresponding report of the auditor of such company.

1 Corporate Information

NOTE 1

Sonal Mercantile Limited is a public company domiciled in India and registered under the provisions of Section 45-IA of The Reserve Bank of India Act, 1934. The company's primary business is to provide short term/ long term finance.

2 Basis of Preparation of Consolidated Financial Statements

NOTE 2

2.1 Statement of Compliances

The financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) specified under section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015.

2.2 Basis for preparation of Consolidated financial statements:

The Consolidated financial statements have been prepared under the historical cost basis which is generally based on the fair value of consideration given in exchange and services. However certain financial assets and liabilities are measured at fair value in compliances with IND-AS.

2.3 Basis and Principles of Consolidation

The financial statements of the associate company used in the consolidation are unaudited and drawn up to the same reporting date as of the Company i.e. year ended March 31, 2024.

Associate

The consolidated financial statements comprise of the group Sonal Mercantile Ltd and its associate Rudraveerya Developers Ltd in accordance with the requirements of Ind AS 110- Consolidated Financial Statements and Ind AS 28 – Investment in Associates and Joint Ventures (to the extent applicable).

Investment in Associates are accounted under the Equity Method , after initially being recognized at cost in the consolidated Balancesheet.

Equity Method

Under the equity method of accounting, the investment in an associate is initially recognized at cost. The carrying amount of the investment is adjusted to recognise changes in the group's share of net assets of the associate since the acquisition date. Goodwill relating to the associate is included in the carrying amount of the investment and is not tested for the impairment individually.

The statement of profit and loss reflects the group's share of the results of operations of the associate. Any change in OCI of investee is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate, the group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the group are eliminated to the extent of the interest of the associate.

2.4 Use of Estimates:

The preparation of financial statements requires the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of financial statements, disclosure of contingent liabilities as at the date of the Ind AS financial statements, and the reported amounts of income and expenses during the reported period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised. Figures have been rounded off to the nearest thousands of rupees.

2.5 New Standards/ Amendments and Other Changes adopted Effective 1 April 2023 or thereafter

(i) Ind AS 1 Presentation to Financial Statement: The Company has adopted the amendments wherein the Company was required to disclose the material accounting policies in the Consolidated Financial Statements instead of the significant accounting policies. Accordingly, the Company is disclosing material accounting policies as **Note 3**.

There is no material change in the accounting policies adopted by the Company during the financial year 2023-24.

(ii) Ind AS 8- Accounting policies, change in Accounting Estimates and Errors.

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The Company has adopted the amendment and there is no material impact on its Consolidated Financial Statements.

(iii) Ind AS 12- Income Tax

The Company has adopted the amendments and there is no material impact on its Consolidated Financial Statements

2.6 Functional and presentation currency

These Consolidated Financial Statements are presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded to the nearest Thousands (up to two decimals), except as stated otherwise.

2.7 Critical accounting estimates:

2.7.1 Income Taxes:

Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

2.7.2 Impairment of Investments:

The carrying value of investments is reviewed at cost annually, or more frequently whenever, there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted for.

2.7.3 Provisions:

Provisions are recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date adjusted to reflect the current best estimates.

2.7.4 Effective Interest Rate (EIR) Method:

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioral life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments, restructuring and penalty interest and charges). This estimation, by nature, requires an element of judgement regarding the expected behavior and life-cycle of the instruments and other fee income/expense that are integral parts of the instrument.

NOTE 3

3 Material Accounting Policies:

A summary of the material accounting policies applied in the preparation of the Consolidated Financial Statements are as given below. These accounting policies have been applied consistently to all periods presented in the Consolidated Financial Statements.

3.(a) Property plant and equipment (PPE)

1.1. Initial recognition and measurement

Property, plant and equipments ("PPE") are measured at cost less accumulated depreciation/amortization and accumulated impairment losses. Cost includes expenditure that is directly attributable to bringing the asset, inclusive of non-refundable taxes & duties, to the location and condition necessary for it to be capable of operating in the manner intended by management.

When parts of an item of property, plant and equipments have different useful lives, they are recognized separately.

Spare parts are capitalized when they meet the definition of PPE, i.e. when the Company intends to use these for a period exceeding 12 months.

On transition to IND AS, the Company has elected to continue with the carrying value of all of its PPE recognized, measured as per the previous GAAP and use that carrying value as the deemed cost of the PPE.

1.2. Depreciation

Depreciation on Property, Plant and Equipment, including assets taken on lease, other than freehold land is charged based on Written down method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013.

Depreciation on additions to/deductions from property, plant and equipment during the year is charged on pro-rata basis from/up to the date on which the asset is available for use/disposed.

In circumstance, where a PPE is abandoned, the cumulative capitalized costs relating to the property are written off in the same period.

The useful life of asset taken into consideration as per Schedule II for the purpose of calculating depreciation is as follows: -

Particulars of Property, Plant & Equipment	Useful life (in years)
Furniture	10
Motor Vehicle	8
Office Equipment	5
Computer	3

An item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of Property, Plant and Equipment are determined as a difference between the sale proceeds and the carrying amount of the asset and is recognized in the profit and loss. At the end of each reporting period, the Company reviews the carrying amounts of tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss.

3.(b) Revenue recognition:

With Effective 1st April, 2018, the Company has applied Ind AS 115 – Revenue from Contracts with Customers Pursuant to adoption of Ind AS 115, Revenue from contracts with customers are recognized when the control over the goods or services promised in the contract are transferred to the customer. The amount of revenue recognized depicts the transfer of promised goods and services to customers for an amount that reflects the consideration to which the Company is entitled to in exchange for the goods or services.

b.1 Interest Income: The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost. EIR is calculated by considering all costs and other incomes attributable to acquisition of a financial assets.

b.2 Dividend: Dividend income from investments is recognised when the shareholders' right to receive payment has been established which is generally when the shareholders approve the dividend.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

b.3 Other revenue from operations: The Company recognises revenue from contracts with customers (other than financial assets to which Ind AS 109 'Financial Instruments' is applicable) based on a comprehensive assessment model as set out in Ind AS 115 'Revenue from contracts with customers'. The Company identifies contract(s) with a customer and its performance obligations under the contract, determines the transaction price and its allocation to the performance obligations in the contract and recognises revenue only on satisfactory completion of performance obligations. Revenue is measured at fair value of the consideration received or receivable.

3.(c) Financial Instruments:

c.1 Financial Assets:-

Recognition and initial measurement: -

Financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument and are measured initially at fair value adjusted for transaction cost.

Subsequent measurement: -

Equity instrument and Mutual Fund: - All equity Instrument and mutual funds within scope of Ind-AS 109 are measured at fair value. Equity instrument and Mutual fund which are held for trading are classified as at fair value through profit & loss (FVTPL). For all other equity instruments, the Company decided to classify them as at fair value through other comprehensive income (FVTOCI).

Debt instrument: - A 'debt instrument' is measured at the amortised cost if both the following conditions are met. The assets are held within a business model whose objective is to hold assets for collecting contractual cash flows, and contractual terms of the assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

De- Recognition of financial Assets: -

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or Company has transferred its right to receive cash flow from the asset.

Impairment of financial assets: -

The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

c.2 Financial Liabilities : -

Recognition and initial measurement: -

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. Financial liabilities are classified at amortised cost.

Subsequent measurement: -

Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest rate method.

De-recognition of financial liabilities

Financial liabilities are derecognized when the obligation under the liabilities are discharged or cancelled or expires. Consequently, write back of unsettled credit balances is done on closure of the concerned project or earlier based on the previous experience of Management and actual facts of each case and recognized in other Operating Revenues.

Further when an existing Financial liability is replaced by another from the same lender on substantially different terms, or the terms of existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

c.3 Off setting of financial instrument: -

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is currently enforceable legal right to offset the recognized amounts and there is an intention to settle on net basis, to realize the assets and settle the liabilities simultaneously.

c.4 Impairment of Financial Assets: -

Equity instruments, Debt Instruments and Mutual Fund: - In accordance with Ind-AS 109, the Company applies Expected Credit Loss model for measurement and recognition of impairment loss for financial assets. Expected Credit Loss is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive.

Other Financial Assets: - The Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

c.5 Expected Credit Loss (ECL): -

The Company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance on Loans with significant financing component is measured at an amount equal to 12-month ECL. For all other financial assets, expected credit losses are measured at an amount equal to the lifetime 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL.

The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considers current and anticipated future economic conditions relating to industries the Company deals with and the countries where it operates.

The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recorded is recognized as an impairment gain or loss in condensed consolidated statement of comprehensive income.

3.(d) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and short- term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts if they are considered an integral part of the Company's cash management.

3.(e) Taxation

e.1 Current Income tax: Provision for current tax is made as per the provisions of the Income Tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Management periodically evaluates positions taken in the tax returns with respect to applicable tax regulations which are subject to interpretation and establishes provisions where appropriate.

e.2 Deferred Tax: Deferred tax is provided using the Balance Sheet method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax assets and liabilities are measured based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

3.(f) Employee benefits

Short Term Benefits: Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided.

A liability is recognized for the amount expected to be paid under performance related pay if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

3.(g) Statement of cash Flows: Statement of cash flows is prepared in accordance with the indirect method prescribed in Ind AS-7 'Statement of cash flows.'

3.(h) Earning per share

Basic earnings/ (loss) per share are calculated by dividing the net profit/ (loss) for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the period and also after the Balance Sheet date but before the date the Ind AS financial statements are approved by the Board of Directors.

For the purpose of calculating diluted earnings/ (loss) per share, the net profit/ (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

3.(i) Provision, contingent liabilities and contingent assets

Provision: A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation.

Contingent Liability: Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Contingent liabilities are disclosed on the basis of judgment of the management/independent experts. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

4 Major Estimates and Judgments made in preparing Consolidated Financial Statements **NOTE 4**

The preparation of the Company's Consolidated Financial Statements requires management to make judgements and estimates that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. These include recognition and measurement of financial instruments, estimates of useful lives and residual value of Property, Plant and Equipment and Intangible Assets, valuation of inventories, measurement of recoverable amounts of cash-generating units, measurement of employee benefits, actuarial assumptions, provisions etc.

Uncertainty about these judgments and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The Company continually evaluates these estimates and assumptions based on the most recently available information. Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

4.1 JUDGEMENTS

In the process of applying the company's accounting policies, management has made the following judgements, which have the significant effect on the amounts recognised in the Consolidated Financial Statements:

Materiality

Ind AS requires assessment of materiality by the Company for accounting and disclosure of various transactions in the Consolidated Financial Statements. Accordingly, the Company assesses materiality limits for various items for accounting and disclosures and follows on a consistent basis. Overall materiality is also assessed based on various financial parameters such as Gross Block of assets, Net Block of Assets, Total Assets, Revenue and Profit Before Tax. The materiality limits are reviewed and approved by the Board.

Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss. Should circumstances change following unforeseeable developments, this likelihood could alter. In the similar line, management also on the basis of best judgment and estimate determines the net realizable value of the Inventories to make necessary provision.

4.2 MAJOR ESTIMATES

The key assumptions concerning the future and other key sources of estimation at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

Useful life of property, plant and equipment and intangible assets

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

Useful life of the assets other than Plant and machinery are in accordance with Schedule II of the Companies Act, 2013.

The Company reviews at the end of each reporting date the useful life of property, plant and equipment, and are adjusted prospectively, if appropriate.

Income Taxes

The Company uses estimates and judgements based on the relevant facts, circumstances, present and past experience, rulings, and new pronouncements while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised.

3	Tier II CRAR	0.00%	0.00%	0.00%
4	Liquidity Coverage Ratio	-0.48%	4.81%	-109.98%

Reasons for variance of more than 25% in above ratios

- (a) CRAR has increased as Risk Weighted Assets increased more than the increase in tier 1 capital during the year ended on 31st March 2024 as compared to previous year.
- (b) Liquidity Coverage Ratio has decreased due to increase in cash and cash equivalent increased more than increase in Net cash outflows during the year ended on 31st March 2024 as compared to previous year.

Fair values hierarchy

Financial assets and liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: Quoted prices (unadjusted) in active markets for financial instruments.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data rely as little as possible on entity specific estimates.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.
