RattanIndia backed Revolt Motors announces the 3rd retail outlet for electric bikes in Tamil Nadu

December 08, 2021: RattanIndia backed Revolt Motors, India's next gen-mobility expanding its retail presence in Southern India with the opening of their new store in Coimbatore, Tamil Nadu. Tamil Nadu is one of the biggest two wheeler market in the country and this is the company's 3rd store in the state and 18th retail outlet in the country. Revolt Motors had recently opened its retail store in Madurai apart from existing store in Chennai. The Tamil Nadu government is offering a state incentive to EV OEMs ranging from full reimbursement of state GST paid on vehicle sales and full exemption from motor vehicle taxes for electric vehicles.

The RV400 comes with a 3KW (Mid Drive) motor, powered by a 72V, 3.24KWh Lithium-Ion battery that can churn out a top speed of 85km/h. The bike can be operated through the MyRevolt App, which offers connectivity features such as bike locator/Geo fencing, customised sounds that you can change with just a tap on the screen, complete bike diagnostics, battery status, historical data on your rides and KMs done, and also the option of locating the nearest Revolt Switch Station to swap your Revolt's battery at, and be on-the-move in less than 60 seconds.

RV400 features three riding modes - Eco, Normal and Sport – each suiting to the riding style and needs of the driver. Also, comes with Upside Down (USD) forks up-front and a fully-adjustable mono shock at the rear to give an unparalleled riding experience.

Revolt Intellicorp

Revolt Intellicorp is the next-gen mobility company, created for the smart world. Revolt is working with a vision of democratizing clean commutes using next-gen mobility solutions and a mission to create a future of next-gen mobility with 100% accessibility and 0% fuel residue. With technology at its roots and class-apart products, Revolt has introduced India's first AI-enabled motorcycle without compromising on the performance or aesthetics of a regular ride.

Revolt Intellicorp commenced operations in 2019. The company offers two EV models in India currently, in addition to a full range of genuine parts and accessories available through its authorized dealerships.
