Subject: Disclosure under Reg. 30 of SEBI LODR Regulations – Clarification on discrepancy in display of Company information in the Public Domain.

Dear Madam/Sir,

With respect to the above mentioned captioned subject, we would like to make a clarification regarding the details of our Company.

Our Company is Equipp social Impact Technologies Limited listed on the National Stock Exchange of India (NSE Symbol : EQUIPPP) on 19th May,2021 and on the Bombay Stock Exchange (BSE Symbol : 590057) under permitted to trade category. The Industry of the Company is Computer Software & Consulting. There are 27,158 shareholders in our company as on Sept end Qtr.

The Former Company Proseed India Limited went into Insolvency Process and the present management after submitting the resolution plan had taken over the Company pursuant to Hon'ble NCLT Hyderabad Order dated 3rd Dec,2020. Accordingly, the name and the objects of the Company were changed.

The new objects as approved by the Hon'ble NCLT are Information Technology and Information Technology enabled services. The same was intimated to the Stock Exchanges in January,2021. As on this date all the information relating to the Company in both the exchange websites were updated correctly.

Some of the NSE/BSE/MCA registered real time Data vendors who are supposed to provide correct information from the Exchanges are misrepresenting by providing mixed information with respect to company's name, address and industry classification for the reasons best known to them. This is creating unnecessary confusion to the investors who are relying these news portal for updated information. Further, there are questions from shareholders regarding the information discrepancy in the last AGM of the Company.

We have already reached out to some of the Registered Data Vendors/ Portals and trying to reach many more. While this exercise is going on, at this point of time we felt it is our responsibility to clarify on the information discrepancy being circulated in the major news portals, hence we are giving this announcement.

All the stakeholders are requested to take note of the correct information about the Company.

Thanks & Regards
