Independent Auditors' Report on Consolidated Annual Financial Results of Britannia Industries Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Britannia Industries Limited

We have audited the consolidated annual financial results of Britannia Industries Limited ('the Company') for the year ended 31 March 2019, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that the figures for the last quarter ended 31 March 2019 and the corresponding quarter ended in the previous year as reported in these consolidated annual financial results are the balancing figures between consolidated audited figures in respect of the full financial year and the published year to date consolidated figures upto the end of the third quarter of the relevant financial year. Also the consolidated figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These consolidated annual financial results have been prepared from the consolidated annual financial statements and reviewed quarterly consolidated financial results which are the responsibility of the Company's Management. Our responsibility is to express an opinion on these consolidated annual financial results based on our audit of such consolidated annual financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated annual financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

- (a) We did not audit the financial statements of seven subsidiaries included in the consolidated annual financial results, whose annual financial statements reflect total assets of INR 766.50 crores as at 31 March 2019 as well as the total revenue of INR 510.09 crores for the year ended 31 March 2019. These annual financial statements and other financial information have been audited by other auditors whose reports have been furnished to us, and our opinion on the consolidated annual financial results, to the extent they have been derived from such annual financial statements is based solely on the report of such other auditors.

**Britannia Industries Limited
Independent Auditor's Report (continued)**

These subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Company's Management has converted the financial statements of such subsidiaries located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's Management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the report of other auditors and the conversion adjustments prepared by the Management of the Company and audited by us.

- (b) The consolidated annual financial results also include the Group's share of net loss (and other comprehensive income) of INR 0.97 crores for the year ended 31 March 2019, as considered in the consolidated annual financial results, in respect of three associates, whose financial statements have not been audited by us or by other auditors. These unaudited financial statements have been furnished to us by the Management and our opinion on the consolidated annual financial results, in so far as it relates to the amounts and disclosures included in respect of these associates, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial statements are not material to the Group.

Our opinion on the consolidated annual financial results is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reports of other auditors on separate financial statements of the subsidiaries and associates as aforesaid, these consolidated annual financial results:

- (i) include the annual financial results of the entities mentioned in Annexure 1;
- (ii) have been presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (iii) give a true and fair view of the net consolidated profit and other comprehensive income and other financial information for the year ended 31 March 2019.

Independent Auditors' Report on Standalone Financial Results of Britannia Industries Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Britannia Industries Limited

We have audited the standalone annual financial results of Britannia Industries Limited ('the Company') for the year ended 31 March 2019, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'). Attention is drawn to the fact that figures for the last quarter ended 31 March 2019 and the corresponding quarter ended in the previous year as reported in these standalone annual financial results are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to the end of the third quarter of the relevant financial year. Also the figures up to the end of the third quarter had only been reviewed and not subjected to audit.

These standalone annual financial results have been prepared on the basis of the annual financial statements and reviewed quarterly financial results which are the responsibility of the Company's Management. Our responsibility is to express an opinion on these standalone annual financial results based on our audit of the annual financial statements which have been prepared in accordance with the recognition and measurement principles laid down in the Companies (Indian Accounting Standards) Rules, 2015 as per Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the standalone annual financial results are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by Management. We believe that our audit provides a reasonable basis for our opinion.

In our opinion and to the best of our information and according to the explanations given to us these financial results:

- (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- (ii) give a true and fair view of the net profit and other comprehensive income and other financial information for the year ended 31 March 2019.

Press Release

Britannia Consolidated Revenue grew 10% and Net Profit increased by 13% for the quarter Recommends Dividend of 1500%

Mumbai, May 1st, 2019: Britannia Industries Ltd. (BIL), India's leading Food Company, reported consolidated revenue growth of 10% for the Quarter and 12 % (comparable) for the Year at Rs. 2,764 crores and Rs. 10,973 crores respectively. Net Profit increased 13% for the Quarter and 15% for the Year at Rs. 297 crores and Rs. 1,159 crores respectively.

The Board of Directors recommended a dividend of 1500% i.e. Rs. 15 per share of face value Re. 1/- each.

Commenting on the performance, Mr. Varun Berry, Managing Director, said,

“Our performance has been consistent, with a revenue growth of 10% and Net profit growth of 13% in the quarter. We continued the momentum in the base business through Distribution expansion, Heightened Innovation, and Cost efficiency programs. In line with our goal to become a “Total Foods Company” we have launched new categories.

In the base business, we continued our Premiumisation & Innovation journey with launch of “Treat Burst”, “Treat Stars”, and “Milk Bikis Chocolate Cream”. We also renovated our Cakes portfolio and bridged portfolio gaps with launch of “Swiss Rolls”, “Layer Cakes” & “Brownie”. Our new category launches “Cream Wafers”, “Flavoured Milk Shakes” have received positive response in the market. We also launched “Treat Croissant” & “Timepass Salted Snacks” as a pilot in few channels / geographies. We commissioned our Greenfield unit at Nepal in Apr'19 giving us local presence in the country. In the coming quarters, priority will be to scale up the new categories launched to ensure we stay ahead of market and achieve profitable growth. In line with our organization goals, we have also set up strategic business units for Adjacent Bakery, Dairy & International Business.

On the commodity front, we witnessed moderate inflation in the prices of key raw materials. We have progressed well in our journey of building technologically superior factories. In this context, I am pleased to announce commissioning of Croissant line at Ranjangaon & Salted Snacks line in Bangalore.

We have witnessed slowdown in market place in the recent months, however this should get neutralised with a favourable monsoon forecast and stable government post elections”.
