MANAGEMENT NOTE

Dear Shareholders,

It is our privilege to write to you and present the Annual Report for FY21.

These are challenging times, and I hope you and all other members of your family are safe and in good health.

We would like to assure the shareholders that your Company has taken every step to ensure safety of the employees and the community. We have established world-class safety measures and preventive protocols at all locations. We are taking employees health and safety as the number one priority during the lockdown, unlock and ramp up period.

The world and certainly India has seen significant change – various lockdowns and unlocks continued due to the COVID-19 pandemic. However, slowly but surely, we are trying to come back to what would be the new normal. The impact that this pandemic has had on our lives and livelihoods – right from reduction in GDP to employment uncertainties to supply chain disruptions – would take significant time to undo.

MANAGEMENT DISCUSSION AND ANALYSIS**INDIAN ECONOMY:**

The outbreak of the COVID-19 pandemic in March 2020 along with the national lockdown in India disrupted economic activities including demand and supply chain resulting in a significant slowdown of the Indian economy.

With the staggered unlocking measures from May/ June 2020 onwards some normalcy started getting restored. The manufacturing sector witnessed a fast recovery from second quarter of 2020-21 coupled with a revival of consumer demands during the festive season. Widespread monsoon with healthy crops and increased rural demand also helped recovery of the Indian economy in the second half of last fiscal. The service sector was more vulnerable than manufacturing. Indian economy as per the second advance estimates is estimated to have contracted at (8%) during 2020-21 compared to a growth of 4% in 2019-20.

A sharp surge in the cases during the second wave of Covid-19 since the second week of April 2021 had lead to many state governments announcing strict lockdowns / restrictions on movement etc. and this is affecting the economic activity especially of Micro, Small and Medium Enterprises. Economic impact of the second wave could intensify in the next few weeks due to lower mobility. The overall impact of the second wave on the economy is difficult to assess presently, but it is likely to negatively affect GDP growth in the first quarter.

With emergence of strong second wave of Covid-19 pandemic, the Indian economy is now projected to grow at about 10% during fiscal 2021-2022.

SHYAMKAMAL INVESTMENTS LIMITED

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF SHYAMKAMAL INVESTMENTS LIMITED FOR YEAR ENDED 31.03.2021

(Referred to in paragraph 6 (f) under “Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Shyamkamal Investments Limited (“the Company”)** as of 31st March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable details, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control sated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.
