**ZUGO KİMYA TEKSTİL, a prime manufacturer of carpet yarn in Turkey** has ordered CT-260 Twister/Cabler machines for manufacturing Polypropylene BCF Yarn.

MEERA has a strong presence in the carpet yarn manufacturing segment with its range of Cabling / Twisting and Continuous Heat setting machines.

Sales of Our Cabler / Twister Tape Drive Model CT-260 have started picking up gradually. Turkey is the largest hub of carpet manufacturing in the world, so having our footprints getting stronger in this market is a good sign for the future.

We hope to do well in this segment in the coming months.
