Dear Sir/Madam,

Subject: Upgradation of CSL to 'Schedule A' CPSE by the Government of India

1. We would like to inform that Cochin Shipyard Limited (CSL) has been upgraded from 'Schedule B' to 'Schedule A' CPSE by the Government of India. This is a significant milestone for CSL. The upgradation to 'Schedule A' was notified by the Ministry of Ports, Shipping and Waterways on July 31, 2023. This upgradation of CSL to 'Schedule A' recognises CSL's strong financial performance and operational efficiency and contribution to national security. India's first ever Indigenous Aircraft Carrier 'INS Vikrant' was constructed by CSL and was delivered in the last financial year portraying its capability to build complex defence vessels. The upgradation of CSL to 'Schedule A' will now make CSL to operate larger senior management bandwidth required for effectively managing its seven units spread across the country.
2. The above is for your information and record please.

Thanking you,

For Cochin Shipyard Limited
