Beyond our luxurious amenities, we are deeply committed to the local community and the environment. We actively engage in conservation efforts, protecting nearby wildlife habitats and supporting environmentally-friendly development initiatives. Every aspect of our operations is guided by a commitment to sustainable practices and responsible hospitality. We have crafted a place where guests can enjoy life's finer things while knowing that their stay has made a positive impact on the planet.

APPROACH TO REPORTING

About this report

The EIH Limited Integrated Annual Report is a clear and thorough evaluation of our capability to generate long-term benefits for our stakeholders. It presents a detailed overview of our strategy for creating value in multiple areas, including both quantifiable and unquantifiable economic and non-economic aspects of the Company. The Report emphasises our commitment to transparency and openness.

BASIS OF PREPARATION

The non-statutory section of this Report is based on the principles contained in the International Integrated Reporting Framework (the International Framework) published by the International Integrated Reporting Council (IIRC). This Report seeks to provide a balanced and transparent assessment of how we create value, considering both qualitative and quantitative matters that are material to our operations and strategic objectives, which may influence our stakeholders' decision-making. Other statutory reports, including the Business Responsibility and Sustainability Report (BRSR), Directors' Report, its annexures, the Management Discussion and Analysis (MDA) and the Corporate Governance Report, are as per the Companies Act, 2013 (including the Rules framed thereunder), the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the revised Secretarial Standards issued by the Institute of Company Secretaries of India. The financial statements are in accordance with the Indian Accounting Standards.

REPORTING PERIOD

The EIH Limited Integrated Report provides material information on our strategy and business model, operating context, risks, performance, prospects and governance, covering the financial year between April 1, 2022 and March 31, 2023.

CAPITALS

Our relevance in the hospitality industry today and in the future and our ability to create long-term value, are interrelated and fundamentally dependent on the forms of capital available to us (inputs), how we leverage them, our impact on them and the value we deliver (outputs and outcomes).

FEEDBACK

We request our stakeholders to review this Report and welcome feedback via isdho@oberoigroup.com.

This Report seeks to provide a balanced and transparent assessment of how we create value, considering both qualitative and quantitative matters that are material to our operations and strategic objectives, which may influence our stakeholders' decision-making.

PERFORMANCE REVIEW

Performance exceeds pre-pandemic level.

Being one of the leading players in the Indian hospitality industry, we are deeply committed to delivering exceptional service. Leveraging our strategic positioning and outstanding staff allowed us to capitalise on the remarkable resurgence of the Indian tourism industry in FY23. Going above and beyond, we exemplified our core values and ensured that every guest received the utmost care and attention. Our commitment to quality and meticulous attention to detail contributed to the growing reputation of The Oberoi Group, as we continued to provide unparalleled and exquisite experiences for our esteemed guests.

Across our business segments, we experienced robust growth driven by the refined tastes and preferences of our discerning guests. Whether it was our luxurious Oberoi Hotels & Resorts or our refined Trident Hotels, every aspect of our offerings reflected a touch of luxury and sophistication. Guests from around the world experienced our hospitality, seeking respite and rejuvenation. Our commitment to sustainability and responsible tourism further resonated with guests who sought meaningful experiences with a positive impact on the environment and local communities. Our initiatives to reduce carbon footprints and support local artisans also showcased our holistic approach towards creating value for our guests.

As the year drew to a close, we reflected on our accomplishments with a sense of pride and gratitude. Our remarkable growth, fuelled by dedication to quality and an unflinching attention to detail, solidified our position as leaders in the industry.

EXECUTIVE CHAIRMAN'S MESSAGE

Showcasing the best of India to the world

We live in an era of great change characterised by enormous volatility as well as renewed optimism. India has epitomised resilience and strength in a world grappling with multiple headwinds. After two years of pandemic induced disruptions, there has been a noticeable shift in demand for premium travel experiences. At EIH, we are well placed to capitalise on this growing trend, building on our legacy of distinctive hotels and exceptional service.

Dear Shareholders,

Globally, 2022 was a tale of two halves. It was marked by the uncertainty of the Russia-Ukraine conflict, stringent Covid-19 lockdowns in China and elevated inflation, leading to monetary tightening. However, as the year progressed, inflation eased, China reopened earlier than expected and personal consumption in major economies remained resilient. Despite such positive developments, the world still faces ongoing challenges and there are risks to economic growth and recovery that persist.

INDIA PERSPECTIVE

India, on the other hand, instils greater optimism, retaining its status as the fastest growing major economy and fifth largest economy in the world. Global headwinds notwithstanding, India grew at a higher than earlier estimated rate of 7.2%, driven by robust private consumption, steady government expenditure on infrastructure development and a revival in business and investment sentiment. Private consumption was the highest since FY 2014-15. This growth is anticipated to generate increased employment opportunities, higher disposable income and, in turn, enhance spending capacity.

A ROBUST RECOVERY

Strong economic growth contributed to a ripple effect across many industry sectors. The hospitality industry witnessed a significant growth in demand, further aided by an increase in leisure, social events, conferences, and business travel. The trend was validated by significant growth in domestic air traffic, increasing 60% over the previous year to 136 million passengers and almost at par with pre-pandemic levels.

India's G20 presidency has paved the way for a rise in international arrivals. This benefited the hospitality industry across a number of locations. The industry also witnessed demand not limited to large cities and the growth of travel to niche secondary destinations.

We also witnessed international travel continuing to recover across the globe. With borders opening, India has emerged as an important travel destination. This was validated by the substantial increase in Foreign Tourist Arrivals (FTAs) from 1.5 million in 2021 to 6.2 million during 2022.

The hotel industry is currently facing challenges of being underinvested. Demand has consistently exceeded supply. Room supply increased by 3.5% whilst demand grew by 5.4%. Of the 170 hotels that opened in 2022, the average inventory was 65 rooms. Remarkably, 93 of these hotels had 50 rooms or less, with just 2 hotels providing an inventory of 300 room and more. These figures indicate the pressing need for increased investment in the hotel industry, meet rising demand and address the evident supply shortage.

Consumer patterns indicate travellers are seeking premium experiences, personalised itineraries, and quality accommodation at many unexplored destinations. Our brand is synonymous with luxury experiences, and we are well placed to deliver to this growing demand. The luxury and upper upscale segments in India have demonstrated strong growth, with an increase in Revenue per Available Room (RevPAR). This aligns perfectly with our business focus, setting a solid foundation for our expansion. Our recent investments and signings are consistent with these evolving trends.

Significant interest in spiritual tourism, facilitated by increased accessibility through air travel also presents opportunities for growth. Our efforts to secure opportunities in this growing segment places us in a favourable position to benefit from this expanding market.

With major Indian airlines adding substantial capacity, we anticipate increased access to multiple destinations. This presents an opportunity to deliver unique hotels at these locations and provide world class hospitality to our guests. Our renowned service standards and strong brand recall will contribute to the success of establishing new destinations in India and accelerating the growth of our footprint.

Our strategic alignment with luxury and upper upscale segments, focus on personalised experiences, reputation for quality and luxury and presence in outstanding locations will ensure we are well placed to continue our consolidation and growth in the hospitality industry.

At EIH Limited, we acknowledge the pressing issue of climate change and recognise its significance for the travel and hospitality industry. We have been actively involved in initiatives that would propel our decarbonising journey and promote sustainable behaviour among travellers. Sustainability is a key pillar of our strategic vision. During the year, we have partnered with leading consultants to establish defined targets and a comprehensive roadmap to address Environment, Social, and Governance (ESG) parameters throughout all aspects of our operations. Our investments and initiatives have started yielding positive results across our ESG indicators. As part of our commitment to sustainability, we are actively engaged in charitable initiatives at local and national levels, fostering a sense of community. Moving forward, we will continue to develop our ESG ambitions and transition more hotels to renewable energy sources, aligning our operations with sustainable practices and driving positive change within our industry.

Finally, I take this opportunity to thank every member of our organisation for their commitment and dedication to our pursuit of excellence. Their untiring efforts ensure our guests are provided a world class hospitality experience that is sincere and distinguished. The year ahead will undoubtedly be challenging but equally, offers many opportunities. The industry revival will be further aided by global marquee events, G20 summits and the ICC Cricket World Cup. This together with renewed optimism of India's economic prospects bodes well for our growth prospects and EIH's continued success as a leading hospitality company.

Thank you for your continued support and trust.

Yours sincerely,

Arjun Singh Oberoi,
Executive Chairman

MD'S AND CEO'S MESSAGE

Bearing the fruits of our perseverance

We were always cognisant of the fact that the revival of the hospitality industry was just a matter of time and inevitably us bouncing back to resume our growth trajectory.

Dear Shareholders,

India has an enormous potential for tourism with its rich heritage, culture, people and geography diversity among other factors. Proactive government measures like investments in infrastructure and tourism, coupled with the improvement in private consumption, are some of the factors that have helped India in realising its tourism potential. Furthermore, India's presidency of the G20, and the governments strong commitment to economic growth continues to attract business travellers from around the world.

Another reason that fills us with increased optimism is the resurgence of the luxury hospitality segment, which correlates directly with us is strong domestic and international demand. Besides this, several factors such as the rising purchasing power among domestic travellers, the development of the airline industry, increased foreign tourist arrivals and relaxed visa regulations are expected to help sustain this growth.

At EIH Limited, we were well-positioned to capitalise on these developments. In line with the hospitality industry's revival, we were also able to resume our growth journey. At the very core of our culture there is a shared commitment to place the needs and wellbeing of our guests above all else and exceed their expectations.

During the year, we had the privilege of hosting 360,943 guests across our hotels. This impressive number reflects the trust and preference that our guests place in Oberoi Hotels & Resorts and Trident Hotels. We continually strive to go above and beyond to ensure that each and every guest enjoys an exceptionally memorable stay with us. We deeply appreciate the trust and loyalty bestowed upon us by our guests and we remain steadfast in our dedication to providing unparalleled levels of service and experiences to our guests across our hotels.

We were able to record impressive numbers across all parameters. During the year, we recorded revenue of Rs. 18,358 million, an increase of 102% compared to Rs. 9,108 million in the previous year. On the EBITDA front, we stood at Rs. 6,256 million, a staggering increase of 1,987%, whereas our profit after tax stood at ₹3,202 million compared to a loss of ₹1,182 million in the previous year greatly impacted by the COVID-19 pandemic. With strong guest recognition we were able to achieve a sharp rise in hotel occupancies, surpassing pre-pandemic levels. We are proud of our achievements and look forward to continuing this positive momentum in the future.

Sustainability continues to be the cornerstone of our business. For nearly eight decades, we have operated with the value of conducting business in a responsible manner; whether it be the environment, communities we engage with, or to our employees who we see as our most valuable asset.

We are committed to doing all that we can for our environment and reducing our carbon footprint. In addition to adopting renewable energy across 16 domestic hotels, as of Financial Year 2023, we successfully implemented a Zero Liquid Discharge Mechanism in 70% of our domestic hotels, ensuring

no waste is released into the environment. This achievement has resulted in the reuse of 273.3 metric tons of waste, marking an impressive 1,060% year-on-year increase, enhancing our water consumption practices. These facilities utilise advanced sewage treatment plants to efficiently treat sewage water. Through this initiative, all the treated water is recycled and reused.

Additionally, we are actively working towards installing bottling plants in our facilities aimed at replacing plastic bottles across our domestic hotels. We will strive to further advance our sustainability efforts, embracing innovative solutions and practices to drive positive environmental change, while providing exceptional levels of service to our guests.

The well-being and development of our employees take precedence at EIH Limited. We recognise that our success is intertwined with theirs. We are wholly devoted to fostering a nurturing work environment that promotes both personal and professional development and growth. Through targeted initiatives and comprehensive training programmes, we invest in the development of our employees, equipping them with the skills and knowledge to excel in their respective roles. Besides this, we take pride in supporting our employees both professionally and personally. We are pleased to announce that all our employees receive comprehensive benefits, ensuring their well-being and job satisfaction. Our rigorous protocols and processes prioritise workplace safety, minimising the risk of injuries and ensuring the overall well-being of our workforce. We believe that a secure workplace not only safeguards our employees but

also enhances their productivity and satisfaction. Above all else, The Oberoi Group Dharma forms the foundation of our behaviour and conduct not only with our employees but with our guests and our business partners.

As a responsible corporate entity, we acknowledge our duty to contribute to the development of a better world. We prioritise reaching out to vulnerable and marginalised groups, through our Project 'Saksham amongst others. Our Corporate Social Responsibility (CSR) initiatives are focused on key areas such as children's education, the health and wellbeing of the elderly, and the environment. By investing in these areas, we aspire to create lasting change and uplift the lives of those in need.

At EIH Limited, we have redefined the meaning of luxury hospitality in the country through some of the most iconic hotels with unparalleled guest service. We believe that the recognition that we have been able to earn over the years, places us favourably to capitalise on the opportunities arising out of the hospitality industry revival and its bright future.

I take this opportunity to thank each and every stakeholder associated with us for keeping their trust in us during a period of gloom that our industry faced during the Covid pandemic. The silver lining is here, and I have nothing but gratitude for your unwavering faith in us. This faith fuels our commitment to continue delivering sustainable value and continue being an organisation that you can be proud of.

GUEST CENTRIC APPROACH

Improving our brand visibility

Our doors are always open, eagerly awaiting the arrival of our esteemed guests. Through our strategic marketing initiatives, we continually extend warm invitations to experience unparalleled luxury and make unforgettable memories during their time with us. Throughout the year, we launched numerous campaigns to enhance our visibility and reach a broader audiences.

Brand-building initiatives undertaken during FY2022-23

IT'S SPRING AGAIN

We invited our guests to indulge in the beauty of spring at our hotels and rediscover the joy of life through our exquisite cuisine, luxurious accommodations, personalised spa treatments and, above all, our warm hospitality. We meticulously paid attention to every detail to ensure their utmost comfort and satisfaction.

FESTIVE SEASON CELEBRATIONS

We curated a magical Christmas and New Year celebration at our hotels worldwide, offering a plethora of delightful experiences. A dedicated festivity landing page was created on the website to provide our guests with information about special festive offerings at all Oberoi Hotels & Resorts worldwide. Our guests could indulge in lavish dining, create festive memories with loved ones and revel in exceptional hospitality. We hosted New Year's Gala dinners and brunches as we ushered in 2023 with style and joy.

UNFORGETTABLE MONSOON GETAWAYS

Through our monsoon campaign, we extended an invitation to our guests to immerse themselves in the serene and tranquil beauty of the monsoon season at our strategically located hotels. Nestled amidst traditional architecture, landscaped gardens and reflective pools, our properties provided a blissful retreat for guests to rejuvenate their mind, body and soul.

QUARTERLY NEWSLETTER

We ensure that our guests stay informed and connected via our quarterly newsletter, where we share the latest announcements, developments and exciting events from the quarter. We pack each newsletter with information that lends a keen insight into offerings of Oberoi Hotels & Resorts worldwide.

ALLIANCES

Through strategic alliances with renowned brands, we maintain regular communication with our extensive member base of over two million guests. By leveraging the databases of prominent players in the real estate, airline, luxury retail segments and more, we aim to offer their members the opportunity to experience our exceptional hospitality and indulge in unforgettable moments.

THE O&MO ALLIANCE

To elevate our brand presence worldwide, Oberoi Hotels & Resorts formed a powerful alliance with the Mandarin Oriental Hotel Group and named it: The O&MO Alliance. This collaboration has allowed us to harness the strengths of both luxury hotel brands to enhance our offerings, expand our reach and elevate our brand image globally.

FOOD & BEVERAGES EXPERIENCE

Providing delicious cuisine year-round

We consider food and beverages an aspects of our guests' experience. Our dedicated chefs go to great lengths to serve delectable cuisines made from freshly sourced ingredients at all our hotels. We cater for discerning palates and ensure exceptional dining experiences each and every time.

Throughout the year, we delighted our esteemed guests with a wide array of mouthwatering dishes. Our eclectic selection of gastronomic delights catered to diverse palates, ensuring that no taste buds were left unfulfilled.

CELEBRATING SPECIAL OCCASIONS

On special occasions and festivals throughout the year, we presented our guests with themed dinners that extended across the interiors and al fresco tables at our restaurants. Lavish buffets served hot and cold international delicacies and opulent desserts, while Oberoi chefs prepared dishes as per guests' requirements at their live counters.

A TASTE OF AUSTRALIA

We enjoyed hosting Chef Michael Weldon, a two-time finalist of MasterChef Australia. Under his expert guidance, our guests savoured the vibrant flavours of Australia, enjoying a three-course dinner menu complemented by exquisite wines from Penfolds. It was an extraordinary culinary experience that delighted taste buds and showcased the best of Australian cuisine.

MICHELIN-STARRED PARTNERSHIPS

This year, we were thrilled to embark on our second venture with Michelin-starred chef Vineet Bhatia. Dhilli at The Oberoi, New Delhi, our latest venture with this expert chef, showcases progressive flavours and reimagined recipes from the most intriguing corners of Delhi. From the iconic dishes of Old Delhi to the vibrant Punjabi delights of Rajouri Garden, each creation bears hallmarks of Chef Vineet Bhatia's signature creativity. At Dhilli, we take our guests on a culinary journey, allowing them to indulge in a cuisine that reflects Delhi's rich heritage of finger-licking flavours.

MONTHLY FOOD PROMOTIONS

Each month, our culinary teams curate menus that feature the choicest seasonal produce, locally sourced as much as possible to minimise our carbon footprint. Exciting dishes are paired with perfectly mixed alcoholic and soft drinks and served with our warmest hospitality. Some of our notable menu themes included, A Trilogy of Biryani, The Majestic Mango, Graciously Thai, Retro Revival and many more served with our warm hospitality.

DIGITALISATION

Innovating digitally to elevate experiences

Oberoi One

In August 2020, we unveiled our flagship loyalty programme designed to acknowledge and reward our esteemed and loyal guests. We established critical pillars within the programme to enhance the overall guest experience. These pillars encompass a range of benefits, surprises and rewards tailored to each guest's preferences, behaviour and membership tier. By leveraging advanced algorithms, we have streamlined the process of delivering personalised benefits and experiences, redefining Oberoi's guest journey. Our loyalty programme is a testament to our commitment to providing exceptional service and ensuring our guests feel valued and appreciated throughout their stay.

Trident Privilege

Our guest loyalty programme Trident Privilege, is truly rewarding. It offers exciting privileges with a broad spectrum of benefits at each tier. The points can be redeemed for stays, dining and other offers at participating Trident Hotels.

Enabling direct bookings for greater customer ease

We have created a user-friendly website that serves as a direct link between our guests and our hotels. This website provides detailed information about each of our hotels, showcasing their unique offerings and features. It also highlights any special offers or promotions ensuring our guests can take advantage of the best deals. With our Direct Booking feature, guests can easily book their preferred hotel or resort with just a few clicks. We prioritise convenience and simplicity, making booking seamless and efficient for our guests. Our website is a one-stop platform for guests to easily explore, select and secure their ideal accommodations.

Leveraging our cutting-edge customer relationship management (CRM) tool

Robust Database Management

Our data-driven approach to CRM empowers us to deliver personalised experiences and enhance guest satisfaction. Our robust database management system utilises advanced techniques such as predictive and propensity modelling to gain valuable insights into our guests' preferences and behaviours. Our analytical CRM tool, SOLUS, is a powerful AI system that uses reinforcement learning to guide our marketing strategies and entice our guests effectively. Our automated dashboards and real-time reporting capabilities enable us to track key performance indicators and align our business objectives seamlessly. This comprehensive CRM system encompasses the entire guest lifecycle, allowing us to engage with guests at every touchpoint and anticipate their needs. With our propensity modelling capabilities, we can accurately predict future guest behaviour, including booking patterns and likelihood of return. These innovative CRM practices enable us to provide tailored and exceptional experiences for each guest, ensuring their satisfaction and loyalty.

Improving Guest Retention

Our CRM tools play a crucial role in driving guest loyalty and retention across our hotels, through personalised incentives and packages. Special offers and packages are designed specifically for our esteemed Oberoi One and Trident Privilege members, providing them with exclusive benefits and rewards. Furthermore, we have implemented a milestone-based engagement programme, further incentivising our guests to continue choosing our properties for their stays. With these strategic CRM initiatives, we aim to foster long-term relationships with our guests and ensure their satisfaction and loyalty.

OPERATING CONTEXT

Poised to capitalise on growing opportunities

India's position as the fastest growing economy is driving the nation's economic progress and empowering individuals with greater purchasing power. One of the sectors reaping the rewards of this strong growth is the travel and hospitality industry, which not only enhances connectivity between destinations but also makes travel more accessible and affordable for consumers. This positive trend propels the industry forward, creating a host of opportunities for both businesses and travellers alike.

Emerging Trends

GROWTH OF DOMESTIC TOURISM

The pandemic spurred a shift towards domestic travel, prompting travellers to explore lesser-known destinations and uncover hidden gems within their own country. India's rich heritage of Ayurveda and Yoga also sparked a growing demand for wellness experiences among travellers. This trend created new opportunities for travellers to discover India's diverse and captivating culture, contributing to the overall growth and development of the tourism industry.

¹ Times of India

POPULARITY OF 'BLEISURE' TRAVEL

With the advent of flexible work arrangements and remote work options offered by companies, a new trend has emerged where travellers seamlessly combine business and leisure travel. This phenomenon, known as 'bleisure' travel, has gained significant popularity and witnessed remarkable growth in the past year. Travellers now have the opportunity to extend their trips by incorporating vacation time before or after work-related events, leading to a transformative shift in the industry and providing a positive and enriching travel experience.

CHANGING PREFERENCES OF TOURISTS

In recent times, there has been a noticeable change in the preferences of both international and domestic tourists visiting India. While the country has long been known for its religious sites, which attract a large influx of tourists, there is now a growing demand for clean, hygienic and family-friendly accommodations that go beyond traditional tourist destinations. This shift in preferences reflects the evolving needs and expectations of travellers, paving the way for new opportunities and positive transformations in the tourism industry.

OUR RESPONSE

We have experienced a year of exceptional achievements, witnessing remarkable growth and success. Building on this momentum, we are committed to expanding our domestic portfolio and enhancing our offerings to provide even more exceptional experiences for our valued guests. By integrating the latest technologies, we strive to ensure that our customers enjoy the finest and most advanced services. As industry trends continue to evolve, we remain agile and adaptable, leveraging our strengths to maintain our position as a leader in the industry. With a strong foundation, we are determined to sustain our upward trajectory in the future.

RISK MANAGEMENT

Identifying and mitigating risks

Recognising the importance of long-term growth, we understand the need to proactively identify and address risks. Risk management plays a crucial role in sustaining our exceptional growth in the future. We have devised several strategies to mitigate risks and align ourselves with our Company's strategic vision. By prioritising risk management, we aim to ensure a secure and prosperous future for our organisation.

R1 Energy and Emissions

To meet the essential needs of our guests and deliver exceptional guest experiences, a continuous and uninterrupted power supply is imperative. However, this reliance on uninterrupted power comes at a cost to our environment. The increased carbon emissions resulting from this necessity further adds to our carbon footprint, reinforcing the importance of addressing our environmental impact.

Mitigation Measures

- We are actively benefitting from investments in green architecture as we strive to integrate green architecture across our buildings
- We are equipping our buildings with energy-efficient technologies to ensure we maximise the usage of our energy
- We are swiftly transitioning towards renewable energy sources to lower our reliance on traditional energy sources

Result

We are reducing our environmental impact and enhancing our long-term financial stability.

R2 Data Privacy and Cybersecurity

In today's digitalised world, there are inherent risks that we must address. Cyberattacks and insufficient data security measures present significant threats to our stakeholders, with potential legal consequences for our Company. We understand the importance of robust cybersecurity measures and the need to safeguard the interests of our stakeholders, making it a top priority in our operations.

Mitigation Measures

- We have developed a stringent and transparent method of how we collect, use and disclose information
- We have data protection personnel who are available to address data privacy concerns
- We adhere to the applicable data privacy regulations through the integration of various obligations, industry-best practices and tools, which are outlined in our global Privacy Policy
- We provide access to information exclusively to authorised employees and trusted business partners/vendors who align themselves with our robust security controls during their operations

Result

We are upholding our brand reputation and avoiding any financial or regulatory discrepancies by preventing data breaches.

R3 Water Management

Water is an invaluable resource, playing a crucial role in various aspects of our daily activities. Its uninterrupted supply is essential for the smooth functioning of our business. Any disruption in water supply would have severe consequences, impacting our operations significantly. Moreover, water holds great significance for the communities in which we operate as we are committed to actively supporting and assisting them.

Mitigation Measures

- We have introduced a Zero Liquid Discharged (ZLD) pre-emptive treatment before discharge
- We have equipped our hotels with low-flow fixtures such as faucets, showerheads and toilets to minimise water wastage
- We have leveraged the benefits of aeration technology
- We instil judicious water conservation habits amongst our guests through reusing linens and towels

Result

We are avoiding financial risks which may arise from disruptions in our operations.

R4 Climate Change

Climate change presents a grave threat, with potential damage to infrastructure, livelihoods and supply chains in high-risk areas. To maintain optimal guest comfort, we are compelled to increase energy resources amid volatile weather conditions. This escalating energy demand impacts costs and our environmental footprint. We recognise the urgency of addressing climate change, actively seeking sustainable solutions to reduce consumption and promote environmental stewardship while ensuring guest satisfaction.

Mitigation Measures

- We are integrating advanced technologies, building materials and structural solutions into our infrastructure to enable passive cooling
- We are aiming at making investments in disaster management along with developing coping mechanisms to deal with a plethora of situations

Result

We are cutting down on our costs by decreasing our energy consumption while providing a more comfortable experience for our esteemed guests.

R5 Waste Management

Inadequate waste management practices carry significant environmental repercussions, causing habitat degradation, diverse types of pollution and posing health hazards to communities. Neglecting proper waste disposal can have disastrous consequences for both ecosystems and humans.

Mitigation Measures

- We have implemented a waste handling and management system which is guided by the 3R model: Reduce, Reuse and Recycle
- We have taken strides towards segregating waste and implementing different kinds of waste treatment(s) based on the type of waste
- We dispose of e-waste and other hazardous waste to government authorised vendors and recyclers

Result

Through our sustainability efforts, we enhance the visual appeal of our surroundings while strengthening our bond with important stakeholders.

R6 Impact on Biodiversity and Nearby Communities

Recognising the potential impact of our operations on biodiversity and neighbouring communities, we strive to minimise our ecological footprint. By acknowledging the crucial role of biodiversity in combating climate change, we actively work towards its preservation. Moreover, we value biodiversity for its contribution to scenic beauty, which in turn enhances the allure of tourism.

Mitigation Measures

- We adhere completely with all the applicable statutory environmental regulations in our operations
- We take environmental consent from the regulated authorities for all our construction and expansions projects

Result

We are minimising our impact on biodiversity and nearby communities.

R7 Supply Chain Management

A reliable supply chain with minimal environmental and social impact is essential for the success of our business strategy and has a profound influence on the growth of our Company. This approach enables us to build a strong foundation for sustainable growth and maintain the trust of our stakeholders.

Mitigation Measures

- We work closely with our suppliers to contain our overall environmental and social impact
- We are increasingly prioritising sourcing from local suppliers
- We encourage our suppliers to integrate sustainability across their businesses

Result

We are ensuring that the services provided to guests remain uninterrupted.

ESG APPROACH

Luxury in coherence with sustainability

We have firmly positioned ourselves as a leader, not only in our industry but also in terms of sustainability. Our pride lies in the value we create for all our stakeholders and our unwavering commitment to shaping a sustainable future for generations to come. To this end, we have implemented a wide range of initiatives aimed at maximising our positive impact on the environment.

Through introspection and analysis, we have made significant changes to enhance our contribution towards a sustainable future. As an organisation, we have embraced cultural diversity, enriched our growth and fostered the well-being of our employees. Furthermore, we actively engage with the communities surrounding us, forging meaningful connections and making a positive difference in their lives.

Our commitment to strong ethics has served as a guiding force in our journey towards success. As we continue to grow, we remain steadfast in upholding these principles. We recognise that holistic growth is the key to long-term success and sustainability remains at the forefront of our strategies as we forge ahead towards robust growth in the years to come.

ESG APPROACH: ENVIRONMENT

Creating a greener future

We recognise our responsibility in shaping a sustainable future for generations to come. As part of our continuous efforts, we actively integrate environmental awareness into all aspects of our operations and enhancing our guests' experiences through simple yet eco-conscious initiatives.

CASE STUDY

Fulfilling our Responsibility as Nature's Guardians

As guardians of nature, we deeply value the symbiotic relationship between our luxurious offerings and the natural world. Our commitment to environmental restoration is exemplified by our unique 'Turtle Hatching' initiative at The Oberoi Beach Resort, Bali, Seminyak Beach. This pristine sanctuary serves as a nesting ground for Olive Ridley turtles during their nesting season, which occurs from May to October. In line with our values, we protect these endangered creatures by relocating their nests to our saltwater turtle sanctuary on our premises.

Our dedicated team nurtures the hatchlings until they are ready to embark on their journey back to the ocean. We take great joy in involving our guests in the release of these young turtles, providing them with the opportunity to witness the circle of life firsthand. In FY23, we successfully relocated 9,653 turtle eggs, with an impressive 7,014 eggs hatching and returning to the vast oceanic ecosystem once more.

INCORPORATING ENERGY EFFICIENT INITIATIVES

We have made substantial progress in reducing our energy consumption by implementing energy-efficient technologies throughout our hotels. Our commitment to environmental sustainability encompasses various areas, resulting in a significant and positive impact on the overall environment.

Our Premises are Equipped with:

Energy recovery systems and variable speed drivers to save energy

High efficiency boilers and heaters to recover heat

Energy efficient lighting to optimally use natural light

Building management systems to monitor and control energy usage

Refrigerants which have low global warming potential and low ozone depletion properties

Heat pumps for hot water generation and waste heat recovery system

High thermal resistance insulation to minimise energy loss

High-performance insulated glass to reduce energy loss

Reflective tiles to minimise impact of heat

Minimising our Environmental Footprint

Recognising the intrinsic importance of uninterrupted power supply in our operations, we acknowledge our reliance on it to deliver exceptional services to our esteemed guests. However, as staunch advocates of environmental sustainability, we actively seek innovative and responsible measures to align our operational excellence with our commitment to environmental stewardship. Our dedication to sustainable excellence has prompted us to take proactive steps towards transitioning to clean energy sources such as solar, wind and hydro power.

As part of our endeavours, we have successfully installed captive solar photovoltaic systems in Trident, Udaipur; Trident, Agra; Trident, Gurgaon and The Oberoi, Gurgaon. Consequently, Trident, Udaipur and Trident, Agra meet upto 60% and 25% of their electricity requirements from in-house solar plants respectively. Whereas Trident, Gurgaon and The Oberoi, Gurgaon meet

approximately 90% of their electricity demand from solar energy. Trident, Chennai relies predominantly on wind energy, capitalising on its favourable geographical location. Wildflower Hall and The Oberoi Cecil in Shimla obtains all its electricity from state-owned hydroelectric power plants, leveraging the benefits of its location.

Majority of our hotels operate partially or entirely on renewable energy sources. Through the collective efforts of our hotels, we have successfully sourced approximately 12% of our energy requirements from clean and sustainable sources. Undeterred in our commitment, we remain steadfast in our mission to further increase the proportion of renewable energy in our energy mix and concurrently reduce our carbon footprint. This transformative journey symbolises our dedication towards creating a greener future for generations to come.

Merging Opulence with Sustainability

As pioneers in the luxury hospitality industry, we are keenly aware of the profound impact we can have in the fight against climate change. By curating sustainable stays, we not only reduce our own environmental footprint but also inspire our guests and employees to embrace a sustainable lifestyle. We take immense pride in going above and beyond exceptional service, instilling values of ecological and social consciousness in both present and future generations. We understand that even small steps can lead to significant results. Our commitment to sustainability remains resolute as we continue to accelerate positive change within the industry.

As part of our ongoing commitment to sustainability, we are actively working towards reducing plastic usage in the wet and vanity areas of our accommodations. We have made notable progress by replacing plastic-packaged toiletries with eco-friendly alternatives and installing dispensers, effectively minimising plastic waste. We successfully integrated sustainable practices into the stays of guests, instilling the values of environmental responsibility and conservation. We will continue to prioritise sustainability in our operations to ensure a positive impact on the environment and provide our guests with eco-conscious experiences.

OPTIMISING WATER CONSUMPTION

Acknowledging the critical importance of water as a precious resource, we are committed to optimising its usage in our operations. With global water resources depleting rapidly, we have taken proactive measures to minimise our water consumption. We continuously explore innovative solutions to further improve our water efficiency and ensure responsible stewardship of this invaluable resource.

ZERO LIQUID DISCHARGE MECHANISM

To enhance our water consumption practices, we have implemented a comprehensive zero liquid discharge mechanism across 16 of our hotels. These facilities utilise advanced sewage treatment plants to efficiently treat sewage water. Through this initiative, the treated water is recycled and reused for various purposes, including flushing and irrigation. Additionally, we are actively investing in the latest technologies to upgrade our treatment plants, further advancing our commitment to sustainable water management.

Please refer to the BRSR for FY 22-23 for more details related to water withdrawal, consumption and discharge.

FOCUS ON WASTE MANAGEMENT

With our comprehensive waste management programme, we prioritise the efficient utilisation of materials, resources, energy and finances. Our responsible waste segregation and disposal practices align with environmental standards and best practices. As part of our commitment, we have installed bottling plants in multiple hotels to reduce single-use plastics and promote sustainable practices.

CASE STUDY

Our 3R Model: Reduce, Reuse, Recycle

Our waste management strategy follows the '3R model: Reduce, Reuse, Recycle, which has proven highly effective in significantly reducing our waste generation and disposal. Through various initiatives and actions implemented across our hotels, we synergise efforts to minimise waste and optimise resource utilisation. This approach actively contributes to a sustainable and responsible waste management system.

Reduce

We have implemented impactful initiatives to promote sustainability and reduce the use of plastic. One of our key measures involves replacing plastic bags with eco-friendly alternatives across our operations. For guest laundry services, we have introduced cloth bags as a sustainable option, while for garbage collection, we utilise biodegradable bags.

Reuse

We prioritise the reuse of printed stationery by repurposing them for various internal purposes. Through careful screening and processing, we transform printed materials into notepads, facsimile printouts and internal posters.

80.75 MT

Waste reused in FY23

Recycle

We have established effective waste management procedures to responsibly handle different types of waste. Wet waste is refrigerated and redirected to piggeries while our dry waste such as aluminium, paper and plastic are sold for recycling, contributing to a circular economy. E-waste is carefully collected and sent to authorised recyclers to ensure safe disposal and minimise environmental impact. Hazardous waste undergoes proper handling and disposal in compliance with legal regulations and guidelines, ensuring the utmost safety.

Bottling Plants: Minimising our plastic footprint, sustaining the planet

In line with our commitment to environmental sustainability, we have undertaken a pivotal initiative to install onsite bottling plants in our hotels. This strategic move aims to significantly reduce our generation of plastic waste.

We are in the process of commissioning bottling plants, with a focus extending beyond the immediate future. Through effective implementation of this initiative, we are determined to replace all plastic bottles across 23 of our domestic hotels. Instead, guests will be provided with RO-treated water, conveniently refilled in reusable glass bottles. This innovative technology brings a multitude of benefits, including the reduction of emissions associated with the transportation of bottled water.

23

Domestic hotels where we are working towards replacing plastic bottles

The use of plastic bottles constitutes a significant portion of our total waste and by reducing their usage, we actively contribute to our Company's environmental vision.

With the successful implementation of this initiative, we anticipate averting the use of approximately 10,000 plastic bottles per day, equivalent to about 197 kilograms of plastic per day. This reduction will ultimately lead to avoiding approximately 254 tCO₂e emissions, which is equivalent to the abatement provided by 10,000 trees per year.

ESG APPROACH: SOCIAL

Cultivating a culture of safety, inclusivity and growth

Creating a safe and secure environment for our employees and guests is at the core of our values. We are committed to serve as catalysts for the holistic development of our employees, providing them with a workplace that is encouraging, inspiring and safe, where they can thrive both personally and professionally.

EMPLOYEE FOCUS

We acknowledge the invaluable contribution of our employees and prioritise their overall growth and development. Their unwavering dedication and commitment to their roles are a testament to our commitment on fostering an environment that promotes continuous improvement. We firmly believe that by cultivating a culture of support and encouragement, we bring out the best in our employees, enabling them to thrive and excel in their responsibilities.

HEALTH AND SAFETY MANAGEMENT SYSTEM

The safety and well-being of our employees are of paramount importance to us. We prioritise their welfare by implementing industry-leading practices and protocols that adhere to all relevant statutory requirements. To ensure their safety, we have established a robust safety-audit mechanism that conducts regular audits at various levels throughout the year.

Reliable Safety Processes

Safety supervisors conduct daily inspections

Monthly safety audits conducted by site Chief Security Officer(CSO)

Quarterly safety audit by general manager

Six monthly safety audit by Group (CSO)

Third party safety audits as required

Mandatory briefing and pre-work inspections before starting any work

Promoting comprehensive social development

EIH is dedicated to empowering individuals and communities for sustainable social development. We recognise the transformative impact of providing access to livelihood opportunities, affordable healthcare and quality education. We actively promote and facilitate initiatives that create positive change and make a meaningful difference in the lives of people.

PROJECT SAKSHAM

In collaboration with SOS Children's Village, a non-governmental organisation (NGO), we have extended our impact beyond our organisation. Through this partnership, we are dedicated to supporting the education and well-being of underprivileged children. Our employees actively participate in these initiatives and have formed meaningful connections with the community. To promote transparency and accountability, we have implemented a clear communication process that enables our stakeholders to directly report any concerns or provide feedback. Together, we strive to create a positive and inclusive environment for all.

ESG APPROACH: GOVERNANCE

Built on strong ethics

As a Company deeply committed to ethics and with a rich heritage, we place great emphasis on fair and transparent governance. Our robust corporate governance framework allows us to engage effectively with all stakeholders, involving them in our journey of progress and delivering sustainable value. Under the guidance of capable leadership, we strive to create an environment where long-term success is achieved through responsible practices and inclusive decision-making.

CODE OF CONDUCT

Our code of conduct is designed to uphold fairness and accountability by ensuring compliance with all relevant laws and legal requirements. This includes areas such as anti-bribery, anti-corruption and ethical approaches to conflicts of interest. Our commitment to compliance extends beyond the boundaries of the Indian regulatory landscape to any country where our Company operates or has business relationships with vendors and guests. To enforce strict adherence to these legal requirements, we have implemented a Whistleblower Policy that applies to all employees, vendors and partners in our value chain. This policy provides them with a secure means to report concerns related to corruption and bribery without fear of reprisal. Instances of gross misconduct are treated with the utmost seriousness, in accordance with our Company policies and applicable laws.

To address data privacy concerns, we have dedicated Data Protection Officers (DPOs) responsible for taking prompt action. Users can contact our DPOs directly via email at DPO@oberoigroup.com for any questions or suggestions regarding data protection.

During FY23, we received requests from guests to have their details removed from our database. Our profile management team thoroughly reviews the database to identify and promptly delete the requested information. Guests are notified of the action taken through the designated privacy email address associated with each brand. If no traces of the guest's information are found in our system, we courteously inform them.

We remain committed to safeguarding the invaluable data and information of our users, ensuring that their privacy is always respected.

CYBERSECURITY GOVERNANCE

To ensure the safety and security of our users, we have implemented a strict and transparent approach to the collection, use and disclosure of information as data controllers and processors. Our commitment to data privacy regulations is demonstrated through the integration of obligations, industry best practices and tools outlined in our global Privacy Policy, which is publicly available on our website.

Safeguarding the personal information entrusted to us is of utmost importance. We employ robust security measures and technical controls to protect it. Access to personal data is limited to authorised employees, trusted business partners, vendors and third-party providers who adhere to our stringent security controls.

- Remuneration is linked to individual and Company performance which in turn impacts the quantum of variable pay;
- Remuneration is designed to be competitive within the hospitality industry or other industries in general for applicable roles;
- Executives performing similar complexity of jobs are paid similar compensation.

ENERGY CONSERVATION MEASURES

Focused energy conservation efforts were maintained throughout the year. Key measures taken include installation of energy efficient equipment throughout the year. These include continued replacement of conventional lamps with LED based lamps, demand based ventilation systems, energy efficient blowers, motion sensor lights in back of house, individual control valves in laundries to optimise steam use, replacement of heat exchanger tubes in boiler, condensate and waste heat recovery systems, power factor improvement systems, energy efficient pumps and energy valves in air handling units.

Furthermore, conservation measures through tight control of kitchen and laundry equipment were exercised. Major plant and machinery like elevators, chillers, boilers, ventilation equipment, etc. were operated with adaptive controls in relation to occupancy and ambient weather conditions. The operation and maintenance strategy continued to be implemented to ensure that plant and machinery were operated in the most efficient state.

Some of the actions planned for next year are continued replacement of conventional lamps with LED lamps, installation of energy efficient pumps, heat pumps, water flow optimisers, variable frequency drive based chillers, energy efficient air blowers, replacement of chiller heat exchanger tubes, energy efficient fans in air handling units, wet bulb based control system for cooling towers, solar water heating system and upgrading steam based laundry machines to electrically heated machines. Additionally, operational measures and initiatives by

energy conservation teams comprising of cross functional groups, close monitoring and performance evaluation of plant and machinery and upgrading plant room equipment.

With various energy conservation measures taken in FY23, we were able to reduce our total absolute energy consumption by about 3.4 million kWh in comparison to FY20. These energy savings resulted in the reduction of our carbon dioxide emissions by about 500 tonnes in comparison to FY20.

EIH: EXEMPLIFYING LUXURY AND EXCELLENCE

EIH Limited, founded in 1949, is renowned for its luxury hotels and heart felt hospitality. The Company currently operates 30 exceptional hotels globally. In 2022, EIH Limited received the prestigious accolade of 'Best Hotel Brand in the World' at the Travel + Leisure World's Best Awards. The Company is distinguished by its dedication to environmental sustainability and the preservation of cultural heritage, which contributes to its success in the industry.

ECONOMIC OVERVIEW

Global economy

Despite geopolitical tensions, the year 2022 commenced with a mixed outlook. While there were concerns of potential flat growth, the global economy faced unforeseen challenges such as supply chain disruptions, monetary tightening, inflation and recessionary fears.

China experienced a temporary decline in growth during the fourth quarter of 2022 due to a surge in COVID-19 cases following the relaxation of restrictions. Additionally, the global inflation rate reached 8.7% in 2022, largely driven by supply chain disruptions caused by the ongoing pandemic and the Russia-Ukraine conflict.

The effects of the Russia-Ukraine conflict also had spillover effects on Europe, with the region grappling with acute energy shortages. This, coupled with the implementation of Brexit, impacted various aspects of Europe, including immigration, trade and tourism. The UK economy experienced a slowing growth rate as a direct consequence of these factors.

The global economic landscape in 2022 was marked by a combination of both optimistic and challenging factors, requiring careful analysis and evaluation.

According to the International Monetary Fund (IMF), the global economy experienced a GDP growth rate of 3.4% in 2022, which was lower compared to the previous year's growth rate of 6.1%. Despite this moderation, there were notable developments in the tourism sector, with international tourist arrivals rebounding to reach 63% of pre-pandemic levels. Particularly, the Middle East and Europe exhibited robust recovery in this aspect, reflecting positive trends in the tourism industry.

Outlook

The International Monetary Fund (IMF) has projected a growth rate of 2.8% for the year 2023. The inflation outlook appears promising, with an anticipated decrease from 8.4% in 2022 to 7.0% in 2023. While the inter-country trade is a significant driver of global economic growth, certain geopolitical factors, such as trade tensions between the United States and China, as well as the ongoing Russia-Ukraine conflict, may contribute to a slower expansion in inter-country trade. However, despite these challenges, there are still opportunities for economic progress and cooperation among nations. By working collectively, these obstacles can be addressed, leading to sustained growth in the global economy.^[1]

Global GDP Growth (%)

Indian economy

The Indian economy exhibited resilience and stability amidst the global economic downturn, experiencing minimal disruptions. Notably, India emerged as the fastest-growing major economy worldwide, propelled by robust growth in the infrastructure sector and sustained private consumption driven by pent-up demand. According to projections by the National Statistical Office (NSO), India's GDP for FY23 expanded by 7.0%, showcasing commendable growth despite a slight decline from the previous fiscal year's growth of 8.7% in the aftermath of the COVID-19 pandemic. The successful implementation of various projects valued at US\$ 1.3 trillion under the National Infrastructure Pipeline (NIP) and substantial government spending in other areas contributed to positive momentum in the economy.

However, it is important to acknowledge that global factors, rising input costs and disparities in the distribution of disposable income have resulted in uneven growth across sectors. Additionally, inflationary concerns prompted the Reserve Bank of India (RBI) to raise the repo rate by 250 basis points since May 2022, indicating proactive measures to address inflation. As a consequence, the cost of capital and interest rates have increased, leading to some moderation in consumer sentiment. Nonetheless, the overall trajectory of the economy remained positive, reflecting the resilience and adaptability of the Indian economy.

The formalisation of India's economy has yielded transformative outcomes, promoting transparency and generating favourable conditions for businesses. India's potential as a manufacturing hub has gained significant attention as nations and corporations seek to diversify their manufacturing bases and shift production away from China. Capitalising on this opportunity, the Indian government has implemented initiatives such as 'Aatmanirbhar Bharat' and 'Make in India' to fortify the manufacturing sector. Moreover, the establishment of the Infrastructure Finance Secretariat has fostered a conducive ecosystem for private investment in infrastructure, positioning the private sector as a vital and proactive contributor to the country's development trajectory.

Significant strides are seen in various sectors, including the creation of an agricultural startup ecosystem, ensuring sustained growth in the medium to long-term. The 2023-24 budget increases the capital investment outlay for infrastructure by 33% to US\$ 122 billion, highlighting the government's commitment to bolstering infrastructure growth. This support is expected to transform goods movement and exports, enabling efficient and cost-effective freight delivery. India is poised to become a formidable force in consumer spending, projected to reach US\$ 6 trillion by 2030, positioning it as the world's third-largest consumer spender, after the United States and China.^[2]

Sectors such as travel and hospitality have experienced a significant rebound, benefiting from the resurgence in demand following the easing of pandemic-related restrictions. Several factors have contributed to this positive trend, including the gradual resumption of business and leisure travel, higher disposable incomes among affluent individuals, increased government focus on enhancing transport and tourism infrastructure and a diverse range of offerings in the hospitality sector. As a result of this upturn in demand, new supply announcements have been made and deferred projects have been initiated during the reviewed period. However, it is important to note that the growth rate of the hotel supply pipeline is projected to remain modest, at around 3.5-4%. Consequently, the supply of hotel rooms is expected to continue lagging behind demand.

The ongoing economic recovery is expected to have a favourable impact on employment levels, leading to a rise in disposable income and subsequently driving domestic expenditure. Consequently, projections indicate that consumer spending will witness a year-on-year growth of 7.1% in 2023.

Furthermore, the full resumption of international flights at their maximum capacity in March 2022 has instilled confidence in a strong recovery in both outbound and inbound tourism. The Airports Authority of India (AAI) has unveiled ambitious strategies for the expansion and modernisation of the aviation sector, allocating a targeted capital outlay of US\$ 11.8 billion over the next five years. These initiatives are poised to foster additional growth and advancement in the years ahead.^[3]

Outlook

According to the projections by the Reserve Bank of India (RBI), India's GDP is expected to grow by 6.5% in FY24, indicating a favourable outlook for the country's economic performance. Despite challenges posed by global trade trends and inflation, India's strong emphasis on infrastructure development and robust private consumption is anticipated to contribute to a consistent growth trajectory, highlighting its resilience against external factors. The prioritisation of enhancing public digital infrastructure will create abundant prospects for individuals and businesses, bolstering economic strength and fostering sustainable growth.

Resilience and Growth: The Promising Trajectory of the Travel and Hospitality Industry

The World Travel & Tourism Council (WTTC) reported a substantial growth of 22% in the travel and hospitality industry, reaching an impressive value of US\$ 7.7 trillion in 2022. This notable achievement signifies yet another exceptional year for the industry although it is yet to reach pre COVID-19 levels.

The travel and tourism sector continues to thrive with the ongoing advancements in transportation infrastructure, facilitating easier and more affordable travel experiences for consumers. This, coupled with increasing affluence worldwide, has resulted in higher disposable incomes allocated to travel and tourism. As a result, the World Travel & Tourism Council (WTTC) estimates the sector to achieve a value of US\$ 9.5 trillion by the end of 2023 and a remarkable US\$ 15.5 trillion by 2033, making a substantial contribution of 11.6% to the global economy.

While the United States has witnessed a robust domestic traveller market, the slower return of international traveller spending has posed challenges for the overall economic recovery of many city destinations. Nevertheless, major city destinations are gradually regaining employment in the travel and tourism sector, recovering from the job losses experienced in 2020. The sector has demonstrated resilience and determination in overcoming significant hurdles, positioning itself for a strong resurgence in 2023. The future holds promising prospects for the travel and tourism industry to once again shine brightly and make significant contributions to global economic growth.^[4]

In 2022, the Asia-Pacific region experienced a remarkable rebound in international arrivals, reaching a total of 10.4 million visitors in December 2022. The reopening of borders in major tourist destinations such as mainland China, Japan and Hong Kong has contributed to the positive outlook for the Asia-Pacific hotel industry.

^[4] World Travel and Tourism Council

Notably, markets like Australia, Korea, India and Southeast Asia, which resumed travel earlier in 2022, have already surpassed the hotel performance metrics observed in 2019. As international travel across the region gradually normalises, modest growth is anticipated for the Asia-Pacific hotel market in 2023, with a return to pre-pandemic levels expected by early 2024.

This optimistic outlook reflects the ongoing recovery and increasing confidence in the travel and tourism sector. The encouraging trajectory in hotel performance signals a hopeful future for the Asia-Pacific region, offering opportunities for sustained growth and a revival of travel and hospitality to pre-pandemic levels.^[5]

Resurgence of the Indian Hospitality and Tourism Sector

India's hospitality and tourism sector experienced a notable resurgence in 2022, marking its strongest performance since the pandemic began. Known for its rich cultural heritage, India remained a popular destination for global travellers, leading to a thriving tourism and hospitality industry. The demand for accommodations saw a significant increase, driven by domestic leisure travel, weddings, social events, conferences and business trips.

The Indian government's permission for 100% Foreign Direct Investment (FDI) in the hotel and tourism industry attracted substantial investments, reflecting its significance in the economy. From April 2000 to September 2022, the hospitality sector accounted for 2.6% of total investments in India, highlighting its contribution. The sector's growth has been fuelled by rising investor interest and active participation from domestic companies, driving expansion and investment activities.

Furthermore, international recognition and acceptance of Indian hotel chains have enhanced their reputation and visibility, enabling them to meet if not exceed global expectations with elevated service standards. This has further strengthened the sector's performance, positioning Indian hotel chains as dependable choices for discerning travellers worldwide.

Overall, the rejuvenation of India's hospitality and tourism sector demonstrates its resilience and adaptability. With a positive outlook and ongoing investments, the industry is poised for sustained growth and continued success in the future.

Despite encountering initial challenges at the beginning of the year due to the emergence of the third wave of COVID-19, the hospitality sector experienced a significant recovery starting from the second quarter of 2022, demonstrating a consistent upward growth trend.

Bright Horizons: India's Tourism Sector Poised for Growth

The Ministry of Tourism has been allocated a budget of US\$ 2.1 billion in the 2023-24 fiscal year, with a substantial portion dedicated to enhancing the tourism industry and infrastructure in India. The country's tourism sector is expected to witness steady growth in 2023, fuelled by increasing domestic demand and a resurgence in international travel. Investor interest in the Indian hospitality space is also on the rise, with projected investments exceeding US\$ 2.3 billion over the next five years, further bolstering the positive outlook of the industry.

Prior to the pandemic, Indian leisure travellers ranked second across 31 countries, highlighting a significant opportunity for the hospitality industry to strategically enhance its offerings to attract and retain leisure travellers. The rapid growth of homestays and villa rentals in India has also contributed to the industry's positive trajectory. Overall, the hospitality sector is expected to maintain a consistent growth trajectory in the coming years, with domestic demand playing a pivotal role in driving this expansion.^[6]

MARQUEE EVENTS: DRIVING DEMAND

Marquee events such as the G20 meetings and summit across 2023 and the ICC Cricket World Cup later in the year, are expected to drive demand and keep consumer sentiment high, along with record occupancies.

Industry trends^[8]

Renewed focus on domestic tourism

The pandemic prompted a shift among domestic travellers, who began exploring local destinations and uncovering new tourist spots. Recognising this trend, the Government of India has implemented infrastructure initiatives, such as the introduction of the Vande Bharat Express. With the planned introduction of 475 semi-high-speed trains by 2027, the government aims to foster domestic tourism and facilitate the exploration of India's diverse and captivating destinations. These measures contribute to sustaining the positive momentum and promoting the country's tourism sector.^[9]

Growing popularity of 'bleisure' travel

The business travel market in India is projected to experience a significant growth rate of 8.1% over the period of 2022 to 2027, reaching a market value of US\$ 55.2 billion. The introduction of flexible work arrangements and remote work options has led to the emergence of trends like 'bleisure' travel or 'workcations'.

Changing face of religious tourism

Traditionally, India has seen a significant inflow of tourists visiting religious sites, surpassing conventional tourist destinations. In 2022, the number of domestic tourists

visiting pilgrimage sites exceeded 1.4 billion. However, there has been a noticeable shift in the preferences of these tourists, who now prioritise clean, hygienic and family-friendly accommodations. Acknowledging this evolving demand, hotel chains are actively embracing these changing aspirations and capitalising on the opportunities within this segment.

A preferred destination for medical tourism

India's standing as a leading medical tourism destination continues to flourish, projected to yield a revenue of US\$ 13 billion in this sector by 2026. The country's advanced medical facilities, well-regarded healthcare experts and cost-effectiveness of treatments attract patients globally.

FINANCIAL AND OPERATING PERFORMANCE

The outstanding performance of the Company is a testimony to our unwavering commitment to quality, our premium positioning and our meticulous attention to detail, principles which are consistently prioritised in all aspects of our business, ensuring an exceptional experience for our valued guests. The reopening of global economies has provided a significant boost to our business, allowing us to capitalise on the increased demand for travel and hospitality services. Notably, domestic travellers have played a crucial role in driving growth across all our business segments, underscoring their importance in our continued success.

In the fiscal year 2022-23, the Company achieved a revenue of INR 18,358 million, a 101% increase compared to the previous year's INR 9,108 million. The EBITDA reached INR 6,256 million, reflecting a substantial year-on-year growth of 1,993% from INR 299 million. The Company recorded a profit before tax of INR 4,366 million, a significant improvement from the previous year's loss before tax of INR 1,329 million. The net profit for the year amounted to INR 3,202 million, marking a notable turnaround from the net loss of INR 1,182 million in the previous year.

Further details about these measures can be found on the official websites of Oberoi Hotels & Resorts and Trident Hotels.

RISK MANAGEMENT

The Company has established a dedicated Risk Management Committee (RMC) consisting of Board members and senior management personnel. The RMC plays a crucial role in periodically evaluating risks, ensuring the effective execution of business strategies and reviewing key leading indicators. It collaborates with management to define the Company's risk appetite and strategy concerning key risks, as well as establish guidelines, policies and processes for monitoring and mitigating these risks.

The RMC's key responsibilities include:

1. Approving the Company's risk management framework and conducting periodic reviews thereof.
2. Regularly reviewing risk management practices and processes to maintain a prudent balance between risk and reward in all business activities, including ongoing and new ventures.
3. Assessing significant risk exposures and evaluating management's actions to mitigate them in a timely manner.
4. Reporting its evaluations, actions and recommendations to the Board for their awareness and consideration.

Management Discussion and Analysis (Contd.)

The Company's risk management framework encompasses guidelines, policies and processes for assessing and managing risks. The RMC has identified twelve key risks that could potentially impact the business. These include risks of business slowdown, low or negative returns, deterioration of financial health, business interruption, environmental impact, reputation risk, safety, health and security risk, cyber risk, inadequate compliance, fraud risk, inadequate growth and talent retention risk.

To support its risk management efforts, the RMC has established a Risk Management Sub-Committee chaired by Mr. Arjun Singh Oberoi and co-chaired by Mr. Vikramjit Singh Oberoi. Mr. Kallol Kundu, the Chief Financial Officer, has been appointed as the Chief Risk Officer. This committee diligently monitors the identified risks and regularly reports its findings to the Board, ensuring a proactive and comprehensive approach to risk management within the Company.

THE OBEROI CENTRE OF EXCELLENCE

The Company has successfully integrated its "operations extraordinaire" with high-efficiency technological systems and processes, driven by the establishment of The Oberoi Centre of Excellence (TOCE). TOCE encompasses various functions and aims to transform the role of Finance and related functions. Through automation and process improvements, the Company has addressed challenges such as manual processes, decentralised systems and time-consuming tasks.

Implementing automation and advanced technologies has led to improved agility, standardised processes and cost-effectiveness. Key areas targeted for automation include accounts payable, accounts receivable, finance closing, banking, procurement, FP&A, MDM, user management and analytics. These improvements have increased operational efficiency, productivity and scalability, allowing seamless integration of new ventures.

The Company's focus on process improvement and automation has enhanced decision-making, reduced errors and improved guest experiences. Through digitisation and streamlined processes, the Company has achieved paperless operations, proactive budget control and real-time data insights. The result is increased trust, customer satisfaction and positive word-of-mouth recommendations. The ongoing commitment to operational efficiency and effectiveness positions the Company for sustained growth and success.

STRATEGIC ALLIANCE BETWEEN THE COMPANY AND MANDARIN ORIENTAL HOTEL GROUP

The Company recently entered into a strategic alliance with the prestigious Mandarin Oriental Hotel Group. This partnership aims to leverage the strengths and expertise of both entities to enhance various aspects of their operations. The collaboration extends across multiple domains, including marketing, sales, customer loyalty, belvedere, food and beverage, human resources, spa and sustainability.

By joining forces, the Company and Mandarin Oriental Hotel Group seek to maximise their market reach and create mutually beneficial synergies. The alliance enables them to collaborate on joint marketing campaigns, promotional activities and sales initiatives, thereby expanding their customer base and driving revenue growth. Through combined efforts in customer loyalty programmes, they aim to enhance guest experiences, foster customer loyalty and increase repeat business.

The partnership also allows for knowledge sharing and best practice exchanges in key areas such as food and beverage offerings, human resources management, spa operations and sustainable practices. By capitalising on the expertise and experience of both organisations, they can implement innovative strategies, enhance service quality and ensure sustainable operations.

Overall, this strategic alliance between the Company and Mandarin Oriental Hotel Group signifies a commitment to collaboration, excellence and innovation in the hospitality industry. It enables them to tap into each other's strengths, create value for their guests and achieve sustainable growth in a highly competitive market.

Hotels and resorts under planning and development

- The Oberoi Group is currently engaged in the development of The Oberoi Rajgarh Palace, a luxury accommodation project situated near Khajuraho, Madhya Pradesh. This resort will provide upscale lodging on a 62-acre site adjacent to the Panna forest reserve.
- The Company has successfully obtained land use consent for its 55-acre beach-front property in Goa. Further approvals will be sought after the completion of the resort's planning phase.
- The planning process is underway for the Oberoi Hotel, which forms a part of a mixed-use development in Bengaluru.
- Construction is in progress for The Oberoi Wildlife Resort Bandhavgarh, located on a 22-acre site just five kilometres away from Bandhavgarh National Park in Madhya Pradesh. This jungle resort will feature luxury tents, a restaurant and a spa. The anticipated opening is scheduled for the third quarter of 2023.
- An overseas subsidiary of the Company will operate two resorts, The Oberoi and Trident, on KohTan Island, located southwest of Koh Samui, Thailand. This

expansive 100-acre site offers breathtaking views of a two-kilometre pristine beach. The project includes multiple restaurants, meeting and recreation facilities, as well as spas and wellness centres. Regulatory approvals are currently being sought.

- The Oberoi Kathmandu is being developed on a greenfield site measuring five acres. This luxury hotel will be conveniently situated near major tourist attractions such as the Royal Palace and Thamel, as well as important business locations. The hotel will feature 80 keys within a low-rise garden setting, along with multiple restaurants, meeting facilities, a spa and recreational amenities. The management of the hotel will be overseen by the Company.
- The Oberoi Wildlife Resort, located near Bardia National Park in Nepal, will be developed on a greenfield site covering approximately 30 acres. This nature-inspired resort will comprise 20 luxury tents, a restaurant, a spa and a wellness centre. The management of the resort will be handled by the Company.
- A management agreement has been signed between the Company's overseas subsidiary and One and Only Nile Company LLP, Egypt, for two traditional luxury Cruise Boats. These boats, featuring seven cabins each, will cruise the Nile between Luxor and Aswan. The planning and design phase of the project is currently underway, with an expected operational launch in the last quarter of 2024.
- Another management agreement has been signed between the Company's overseas subsidiary, Mr. Zohair Garranah and One and Only Nile Company LLP, Egypt, for a luxury Nile Cruiser. This cruise ship will consist of 25 cabins and sail along the Nile between Luxor and Aswan. The planning and design phase is in progress, with an anticipated operational commencement in the last quarter of September 2025.
- A Deed of Variation for a 174-key hotel has been signed between the Company's overseas subsidiary (EIH Holdings Ltd.) and Al Zorah Development. This deed enables the Company to operate the hotel alongside the existing The Oberoi Al Zorah under a long-term management contract. Planning and development works are currently underway, with the new hotel expected to open by September 2026.
- The planning phase has commenced for the Trident resort in Tirupati Andhra Pradesh. This upcoming 100-key resort, developed by the Company's subsidiary Mumtaz Hotels Ltd., will be managed by the Company. The resort is projected to be operational in the first quarter of 2027.

HUMAN RESOURCE DEVELOPMENT AT THE OBEROI GROUP

At The Oberoi Group, we regard our guests and colleagues as paramount, underpinning our operations with our foundational culture and values. These principles are set forth in The Oberoi Dharma, inspiring us to act ethically and rightly. We are committed to providing the best working environment for our employees through regular reviews and realignments of our Human Resource practices and policies.

The following key initiatives have been undertaken to develop our human resources:

- Talent Acquisition and Retention:** We recognise that hiring the right talent significantly influences the success of our business. We have introduced initiatives to maintain our talent pipeline, such as partnering with skill institutes to train non-hospitality talent and employing them in our hotels. Additionally, we've implemented several initiatives aimed at employee retention and motivation. For instance, we've conducted multiple Executive Development Programmes and Supervisory Development Programmes and have provided career growth opportunities in addition to extra manpower to hotels as needed.
- Employee Engagement:** We believe that engaged employees make happy guests. We achieved an employee engagement score of 83% in Financial Year 2022-23, matching the Best Employers India Score. We aim to improve our engagement score through action plans based on employee feedback.
- Gender Diversity:** We value the distinct skills, perspectives and innovative ideas women bring to our organisation. We support ladies with flexi timings, extended maternity leave, workplace facilities for mothers with young children and opportunities for changing roles to suite personal and professional aspirations. Currently, ladies comprise 24.9% of our workforce and we aim to increase this percentage to 26%.
- Performance Management:** We operate as a performance-driven organisation with clearly defined appraisal formats to meet strategic objectives. Our Performance Management System includes evaluation based on Balanced Score Cards and a competency framework, making the appraisal process more objective.
- Compensation Benchmarking:** We strive to provide compensation above the 75th percentile across all levels when compared to the market. This helps us make data driven decisions and ensures fair and competitive compensation.

- Employee Welfare:** We prioritise the safety and health of our employees. All our staff have received two doses of the COVID-19 vaccine. Our commitment is to provide a secure and healthy environment for our guests and employees alike.

Learning & Development

The Oberoi Centre of Learning and Development (OCLD) consistently offers expansive learning opportunities to every employee. Its primary function is to facilitate the professional growth of employees by aligning their development with the Company's expansion.

OCLD has been instrumental in executing The Oberoi Group's philosophy, which emphasises continuous learning and skill enhancement. It sets the industry standard for training and people development practices in the hospitality sector.

OCLD conducts the following core training programmes:

- Post Graduate Management Programmes in Guest Services, Housekeeping, Kitchen and Sales.
- Systematic Training and Education Programme (STEP) in Hotel and Kitchen Operations.
- Learning and Development (L&D) Programmes, designed to refine functional and behavioural competencies of employees at all levels.

The Post Graduate Management Programmes, established since 1966, prepare talented individuals for managerial roles. The curriculum is a fusion of classroom-led instruction at OCLD and practical experience in hotels. The relevance of the curriculum is ensured through period benchmarking with leading global hospitality programmes. cross exposure training for faculty, guest lectures and continuous feedback from hotels and associates. These programmes have helped maintain a steady talent pipeline of the finest hospitality professionals for the Company. As a critical element of the Oberoi legacy, these programmes cultivate the potential of the talented associates for Operational Manager roles across the Company. Blending Instructor Led Training with experiential learning at hotels, the curriculum encourages students to learn actively. Techniques like peer mentoring, problem-based learning, master class sessions from external and internal experts and simulations are integrated into the pedagogy. The current batch strength for the years 2021-2023, 2022-2024 and 2023-2025 comprises a total of 34, 71 and 112 associates respectively.

The Systematic Training and Education Programme (STEP), launched in 2004, transforms high school graduates into proficient hotel professionals. The three-year programme offers trainees hands-on training and comprehensive lesson plans at a host hotels of The Oberoi Group, resulting in them gaining practical exposure

Management Discussion and Analysis (Contd.)

to the hospitality industry. Its comprehensive curriculum, structure and rigorous training at 14 host hotels had made it highly regarded in the hospitality industry. Many STEP graduates are subsequently selected for one of the Post Graduate Management Training Programmes at OCLD. 49 STEP graduates were enrolled in the Post Graduate Management Training Programmes of 2021-2023 and 2022-2024.

The Learning and Development (L&D) Programmes aim to provide job-specific knowledge and skills and behavioural competencies. In the fiscal year 2022-23, L&D focussed on essential competencies such as leadership development, effective communication, process improvements and others. High potential employees were identified and were provided with Individual Development Plans, preparing them for future leadership roles.

Number of training programmes completed in FY23	17,831
Average training hours per employee	12.21

A new e-learning platform, Adobe Learning Manager, was introduced to ensure easy access to training materials and courses, resulting in better recall and retention of information.

The OCLD's impact on business has been recognised by Brandon Hall, a leading analyst firm in Human Capital Management, awarding it with two gold medals.

Besides these, The Oberoi Group initiated a Corporate Effectiveness Survey to assess the adequacy and timeliness of support from the Corporate Office to Hotels and Business Units.

A detailed policy document, The Oberoi Group Code of Conduct, was introduced to guide employees on acceptable behaviour and ethical conduct.

The number of people employed by the Group as of March 31, 2023, was 10,500 and Industrial Relations remained stable throughout the year.

INTERNAL CONTROL MECHANISM AND ADEQUACY

The Company places great importance on maintaining a strong internal control mechanism, guided by the principles of The Oberoi Dharma. As committed members of the organisation, we adhere to the highest standards of conduct, encompassing ethics, intellect, finance and morality.

To ensure the orderly and efficient conduct of our operations, protection of assets, prevention and detection of fraud and errors, accurate accounting records, timely

financial reporting and compliance with laws and regulations, we have implemented robust internal control processes at both the entity and process levels.

Our internal control mechanisms strike a balance between the imperative of governance and the need for smooth operations and management. These mechanisms incorporate appropriate checks and balances to provide assurance while ensuring operational efficiency.

Internal financial controls (IFC)

Regarding internal financial controls, the Directors have established a framework in accordance with Section 134(5) (e) of the Companies Act, 2013, incorporating measures to ensure the adequacy and ongoing effectiveness of such controls. The Independent Directors, as mandated by Section 149(8) and the Code for Independent Directors under Schedule IV, Clause II(4) of the Companies Act, 2013, have verified the integrity of financial information and ensured the robustness and defensibility of financial controls and risk management systems. The Board has implemented systems, frameworks and mechanisms within the Company, empowering the Audit Committee to periodically review and confirm their effectiveness and suitability. The Company's internal control framework aligns with global best practices for organisations of similar size, nature and complexity. It involves structured control risk assessments through Standard Operating Procedures (SOPs), Risk and Control Matrices (RACM), IT policies, ERP-based information systems, including MIS and automated system controls integrated within the ERP and other IT systems. The Internal Audit Team conducts regular testing of the RACM using data analytics tools. The Chief Internal Auditor has made separate presentations on IFC controls to the Audit Committee during the Financial Year 2022-23.

Internal audit mechanism and review systems

The Internal Audit Department, led by the Chief Internal Auditor, operates with a skilled team of ERP-trained Chartered Accountants specialising in various areas such as finance, operations, legal, statutory, projects and process audits. They frequently collaborate with reputable co-sourced firms to conduct audits and handle specialised tasks, ensuring adherence to industry best practices. The department utilises advanced Computer Assisted Audit Techniques (CAATs) and implements online monitoring systems across all IT functions and units of the Company. Specific audits are focused on areas identified through a structured risk assessment process and an annual internal audit plan approved by the Audit Committee. Audit findings are recorded in an online database for comprehensive documentation, easy accessibility and structured follow-ups. The Internal Audit and IT departments jointly

conduct regular IT security audits, while vulnerability assessments and penetration testing are carried out by external agencies with expertise in these areas.

A dedicated team of senior executives convenes periodically under the guidance of the Managing Director and Chief Executive Officer to address and resolve pending audit issues. The Chief Internal Auditor presents findings to the Audit Committee on a periodic basis, prioritising risks and the likelihood of their occurrence, as well as the status of pending issues in different units. The Internal Audit team is entrusted with the task of developing effective monitoring mechanisms and procedures to prevent and detect process failures and faults. Their observations, along with recommended mitigating actions and target dates, are reported to the Board of Directors' Audit Committee on a periodic basis. The Audit Committee reviews the presentation and provides guidance for further actions. The Audit Committee expressed satisfaction with the effectiveness of the Company's internal control systems, procedures and the performance of the Internal Audit Department.

Business Responsibility and Sustainability Report

As humans, we all seek those fleeting moments of happiness that when reflected upon, can be woven into cherished memories and fill our hearts with hope for the future. A notion as simple as this and the zeal to bring such exquisite experiences to life led to the establishment of a revolutionary force in 1934 that has transformed the way guest experiences are delivered in the luxury hospitality domain. From a humble dream to a global sensation, the transcending journey of The Oberoi Group has left an indelible mark on the world's hospitality standards landscape.

With excellence that has been sustained over eight decades, our legacy is an incredible reflection of our resilience and the trust bestowed upon us by our valued guests. We have truly embodied the country's age-old philosophy that believes in placing our guests above all. Our undeterred faith in this ideology has led us to become synonymous with luxury, grandeur, comfort and unparalleled guest experience. As the finest brand in the global hospitality industry, we aim to be at the forefront and lead by example in the industry's transition to sustainability-led business strategy.

As a flagship member of The Oberoi Group, we at EIH Limited consider sustainability as one of our strategic priorities. We aim to foster a comprehensive understanding of our impact on the environment, society and the economy and leverage the finding to transform our growth imperatives.

As we embark on this journey, we are making conscious choices to foster a better future for our planet. To address the globally emerging environmental issues and lower our carbon footprint, we have deployed a green team

comprising department heads in every hotel. The team is entrusted with strategising and implementing innovative energy conservation and environmental preservation initiatives in our infrastructure and operations.

As dedicated advocates and enablers of holistic individual and communal development, we facilitate access to essential livelihood opportunities, affordable healthcare and quality education through various social initiatives.

We aim to meet the highest standards of sustainability and in line with this, we have adopted a transparent approach to value creation, aligned with the best practices in the ESG regulatory landscape. To this end, EIH Limited has been publishing an Integrated Report (IR) and Business Responsibility Report (BRR), providing a balanced and transparent assessment of how we create value, considering both qualitative and quantitative matters that are material to our operations and strategic objectives, which may influence our stakeholders' decision-making.

To further enhance the scope of our disclosures, this year we are publishing our first Business Responsibility and Sustainability Report (BRSR). Introduced vide Gazette notification no. SEBI/LAD-NRO/GN/2021/22 by the Securities Exchange Board of India, BRSR seeks disclosure against the nine principles of "National Guidelines of Responsible Business Conduct" (NGRBC) on the social, environmental and economic responsibilities of business. This report includes our responses on our practices and performance on key principles defined by Regulation 34(2)(f) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, covering topics across the ESG dimensions.

24. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format:

S. No.	Material identified issue	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	Employee Engagement and Development	Opportunity	Our employees are central to our business strategy. The exceptional conduct of our employees is what differentiates us as the frontrunners in the hospitality industry. Guests' experiences are predominantly shaped by employee behaviour. Their sophistication and attention to details can remarkably enhance hospitality immersion. We have entrusted our employees with the responsibility of demonstrating a conduct that stands testimony to "The Oberoi" brand values. We realise the essence of building a diverse and contented workforce and therefore aim to foster an inclusive environment where the growth of the employees and the growth of the organisation are cohesive. We impart regular skill development and skill enhancement training to our employees that can help them in their personal and professional development within and beyond the organisation.	-	Positive The refinement and warmth that our employees extend through their conduct is amplified by instilling a sense of belongingness and fulfilment in them, reflecting positively in our financial growth. Negative Discontentment among employees can result in an increased attrition rate within the organisation, significantly impacting our competence and continuity in our operations.
2.	Corporate Governance	Opportunity	The legacy of the "The Oberoi Group" that spans across eight decades and still continues to endure and thrive, is a reflection of our robust governance, commitment to upholding the highest standards of ethics and acceptance and adherence to all the evolving statutory requirements. The Company maintains an organisational-wide integration of responsible business conduct through a strong governance architecture built on the bedrock of the principles of "The Oberoi Dharma".	-	Positive and Negative Through strong governance practices, we avoid any negative implications arising from non-compliance with governance regulations that pose the risk of reputational damage and has financial and legal implications attached to it.
3.	Customer Satisfaction	Opportunity	Our incessant commitment to provide profound customer satisfaction is ingrained in our fundamental code of conduct that lays out the expectation of putting the customer first, the Company second and self last. Through our exquisite stays, bespoke opulence, exceptional services, attention to detail, personalised experiences, culinary delights and prioritisation of customer privacy, we have adopted an all-encompassing approach to customer satisfaction. Our excellence and exceptional competence are exhibited in the loyalty of our invaluable guests from across the world. In our unending pursuit of providing the utmost level of satisfaction, we aspire to venture into new avenues and formats to cater to their evolving demand.	-	Positive Through enhanced customer satisfaction that has resulted in trust strengthening and unmatched credibility amongst our customers, we have emerged as the trusted partner of choice in the luxury hospitality industry. Overall, customer loyalty has directly accelerated company's financial performance and forged new avenues of growth. Negative Our excellence is sustained by our commitment to guest satisfaction. Any unintended compromise with overall guest satisfaction can adversely impact guest loyalty.

S. No.	Material identified issue	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
4.	Energy and Emissions	Risk	The luxury hospitality industry is an electricity-intensive industry. Taking cognisance of our nature of operations and our uncompromising commitment to guest satisfaction, we require an uninterrupted power supply 24/7 to cater to primary aspects of guest's needs such as space conditioning, lighting, powering kitchen appliances, elevators and other equipment, water heating, refrigeration and laundry facilities. We are also aware of our direct reliance on fossil fuels for heating systems in our hotel and are conscious of the impact of our operations on our carbon footprint. The rise in emissions not only contributes negatively to the environment but also poses the risk of reputational damage and breach of trust amongst stakeholders. Being a responsible organisation, we are actively working toward achieving energy efficiency.	In our endeavour to decarbonise our operations, we are undertaking various energy-saving initiatives such as leveraging the benefits of green architecture, equipping our premises with energy-efficient technologies and transitioning to clean energy sources.	<p>Negative: Our direct and indirect reliance on non-renewable energy sources and the cost associated with it constitutes majority of our operational cost. Additionally, any rise in carbon emissions may have a potential impact on the environment and our brand image.</p> <p>Positive: Transition to energy-efficient technologies and renewable energy sources may involve an initial lump-sum capital expenditure. However, such an investment will ultimately lower our reliance on traditional energy sources and result in effective cost optimisation.</p>
5.	Employee and customer health and safety	Opportunity	<ul style="list-style-type: none"> The safety of our guests is an integral and primary aspects of our value proposition. Our premises are immaculately maintained in accordance with internationally validated safety and hygiene standards, immensely contributing to their overall satisfaction and positive experience. We are making continual efforts to foster a safe and secure environment for our employees that ensures optimal physical and mental well-being. To this end, we conduct awareness programmes on an ongoing basis, maintain adequate health and safety management systems and have undertaken several measures aimed at promoting employee well-being. 	-	<p>Positive:</p> <ul style="list-style-type: none"> Our prioritisation of guests' safety has positively contributed to their overall experience, enhancing our reputation and trustworthiness, thus providing a competitive edge. A healthy workforce performs to the best of their abilities, thus amplifying financial and sustainable growth. <p>Negative: Ensuring employee and customer health and safety is a strategic imperative for our business. Any unintended compromise with safety can undermine trust amongst our guests and employees on whom the sustenance of our organisation rests.</p>

S. No.	Material identified issue	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
6.	Food quality and safety	Opportunity	We create exquisite dining experiences where artisanal cuisines and culinary delights are handcrafted by world renowned chefs, using finest ingredients sourced for their quality and freshness. Rest assured, our commitment to food safety is unwavering as we adhere to best-in-class standards in food preparation. We strictly comply with FSSAI licensing and guidelines, ensuring that every aspect of our food handling, sourcing and preparations meets the regulatory requirements. With every meal served in our establishments, we inch closer to the hearts of our customers, strengthening our excellence and relations with our customers.	-	<p>Positive: Through our unrelenting commitment to meet the highest standards in food safety and providing upscale dining and culinary experience to our guests, we have cultivated a loyal customer base, contributing significantly to our profit margins.</p> <p>Negative: Food and dining experiences constitute our primary service offerings, any inadvertent negligence in maintaining the highest food quality may result in adverse financial and legal implications.</p>
7.	Data Privacy and Cybersecurity	Risk	The speeded transition to a digitally equipped ecosystem amidst COVID comes with an increased potential risk of data breaches and also expands the attack surface for potential cyber threats. Inadequate data security measures may result in loss of confidential data, pose threat to customer privacy, create trust gaps and attract legal consequences for the Company.	We have integrated a stringent and transparent approach to how we collect, use and disclose information. We have dedicated Data Protection Officers, to address data privacy concerns. Our dedicated adherence to the applicable data privacy regulations is upheld through the integration of various obligations, industry-best practices and tools as outlined in our global Privacy Policy. Access to the information is exclusively granted to authorised employees and trusted business partners/vendors, who operate in alignment with our robust security controls.	<p>Positive and Negative: A robust approach to data protection and cybersecurity safeguards us against any financial, regulatory and reputational implications attached to the same.</p>

S. No.	Material identified issue	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
8.	Water Management	Risk	Water is an essential resource, facilitating multiple activities in our day-to-day operations such as personal cleansing, flushing, laundry, kitchen activities, landscaping, swimming pools, cooling and HVAC systems, etc. Considering our reliance on water to sustain our daily operations, a disruption in the water supply can have a profound impact on the smooth functioning of our operations.	Water is one of the most essential resources sustaining human existence and we have implemented several water-saving initiatives and technologies across our hotels such as the installation of sewage treatment plants, low-flow fixtures at showerheads and toilets and aerator-based faucets. Through the effective implementation of Zero Discharge Mechanism across multiple hotels, we are reusing all the treated wastewater for horticulture purposes. Discharge of water into the environment if any is contingent upon the requisite treatment process.	<p>Negative: The financial risks arising from interrupted services due to disruption in our operations caused by water scarcity.</p> <p>Positive: In our endeavour to ensure efficient utilisation of water, our stays are curated to instil judicious water conservation habits amongst our guests through small yet impactful steps such as the responsible use of linens and towels. These initiatives have enabled ample water availability for our internal use and for the communities where we operate.</p>
9.	Climate Change	Risk	As witnessed, the rise in global temperatures is devastatingly leading to an increased likelihood of natural disasters. For EIH Limited, this poses a significant threat of damage to our heritage infrastructures, livelihood and disruption of supply chain in such high-risk areas. Extreme weather conditions have also led to greater reliance on energy sources to maintain the ideal indoor temperature for our guests at all times and an increase in the associated cost. Our proactive approach to risk assessment also anticipates that shifts in weather patterns in some areas can lead to diminished tourist attraction.	At EIH Limited, we are integrating advanced technologies, building materials and structural solutions into our infrastructure that enable passive cooling. Additionally, we aim to build weather resilience by making a significant investment in disaster management and developing a coping mechanism to deal with such situations	<p>Negative:</p> <ul style="list-style-type: none"> Increased operating costs due to an increase in energy consumption and additional investments in weather risk preparation Reduction in revenue per available room due to diminishing tourist attraction of some areas and frequent cancellations consequent to abrupt weather changes. <p>Positive: Building resilience against climate-related risks guarantees our financial and sustainable success in the long-run.</p>

S. No.	Material identified issue	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
10	Risk and Crisis Management	Opportunity	At EIH Limited our vision for the future is guided by our proactive assessment of our external and internal risk and opportunities. Our Board maintains an oversight of all the emerging challenges and prospects through its risk management committee and takes strategic actions toward risk mitigation to ensure resilience and business continuity even in the face of disruption. A precautionary approach to risk management has been instrumental in propelling our growth forward throughout all these years.	-	Positive and Negative: A precautionary approach to risk mitigation ensures business continuity even in the face of adversity and serves as an invaluable tool in mitigating any contingent liabilities.
11.	Waste Management	Risk	At EIH Limited, we are aware of the environmental repercussions that may occur due to any negligence in waste handling. Inadequate waste disposal can cause habitat degradation, lead to pollution of air, water bodies and soil and pose serious health hazards to our employees and the communities.	Our waste handling and management system is guided by the 3R model-Reduce, Reuse and Recycle. We take conscious and responsible efforts toward waste management, which includes proper separation of dry and wet waste, refrigeration of wet waste to delay spoilage, recycling of plastic and other waste to the maximum extent possible, disposal of e-waste and other hazardous waste to government authorised vendors and recyclers.	<p>Negative: Mishandling of waste may reflect negatively on our sustainability efforts, degrades the aesthetic appeal of our surrounding, directly impacting our relationship with our key stakeholders.</p> <p>Positive: Our efforts to recycling and reusing helps us fulfil our commitment to make judicious use of resources, thus being able to capitalise on cost optimisation.</p>
12.	Impact on biodiversity and nearby communities	Risk	We acknowledge the possibility of accidental impact that our operations may have on the biodiversity and our nearby communities. Our occasional contribution to carbon emissions and reliance on natural resources such as water have potential environmental impact, affecting the biodiversity and local communities in the areas where we operate. Biodiversity acts as a natural and key force in combatting the adverse effects of climate change-one of the most pressing environmental issues. Additionally, the rich and distinctive landscapes and biological diversity in these regions is what captivates tourism, sustaining the longevity of our operations.	We ensure complete adherence with all the applicable statutory environmental regulations in our operations. All our construction and expansion projects are subject to granting of appropriate environmental consents by the regulated authorities, thus ensuring no adverse impacts.	<p>Negative: Any adverse impact on the biodiversity and communities of the region where we have our operational presence may adversely impact our social license to operate.</p> <p>Positive: Our compliance to all the applicable environmental statutory requirements safeguards us against imposition of any legal/financial penalties associated with non-compliance.</p>

13	Supply Chain Management	Risk	Because of the heightened public awareness of any negative environmental and social impact, sustainable supply chain management has become an integral aspect of business strategy. It can significantly affect the growth trajectory, thus also affecting the overall return for the shareholders.	We are working closely with our suppliers to contain our overall environmental and social impact. In our endeavour to create a responsible supply chain, we are prioritising sourcing from local suppliers. As laid out in our suppliers' contract, we encourage our suppliers to integrate sustainability across their business operation.	Negative: Any disruption in the supply chain may hamper guests' services, reflecting adversely in our Financial Statements. Positive: Transition to a robust supply chain helps us build financial and operational resilience.
14	Community Relations	Opportunity	Our social initiatives are aimed to support the underserved and unprivileged sections of the society. Our hotels continually work with and for the betterment of the local communities on various environmental and social initiatives. Thus, enabling us to forge strong relationships with the communities	-	Positive and Negative: Forging strong relationship with the communities where we are present, grants us the societal license to operate and protects our brand image.

ESG is viewed as one of the strategic priorities by the BODs. Our sustainability strategy involves proactively identifying ESG-related risks and opportunities, setting goals/targets and finally implementing policies-driven procedures to turn our commitments into actions. The Risk Management Committee of the Board closely monitors various environmental risks and opportunities. Further, to ensure implementation down the line, each Oberoi Hotel has a Green Team that comprises the Heads of Departments, who conceive and execute innovative ideas to conserve energy and protect the environment. The social initiatives of the Company are governed by the CSR Committee. Additionally, the Board has various committees in place to look after different aspects, policies and procedures covered under the larger umbrella of sustainability.

Business Responsibility and Sustainability Report (Contd.)

SECTION C – PRINCIPLE WISE PERFORMANCE DISCLOSURE

Principle 1:

Businesses should conduct and govern themselves with integrity and in a manner that is ethical, transparent and accountable

Our enduring excellence is predicated on the bedrock of the trust and loyalty of our stakeholders. At EIH Limited, we remain undeterred in our commitment to strengthening the foundation of this relationship and protecting the interest of all stakeholders by demonstrating conduct that is responsible and ethical. The Company's resolve to uphold the highest standards of ethical business practices is sanctified in our fundamental Code of Conduct, "The Oberoi Dharma" and reinforced through our vision statement. Every year the Company's Directors, Key Managerial Personnel and Senior Management Personnel reaffirm their commitment to "The Oberoi Dharma" by providing a written confirmation.

The all-encompassing philosophy acts as a guiding force for our employees and collaborators to embody the values of integrity, honesty and accountability in their truest form while carrying out their roles and responsibilities. Adherence to these principles is achieved through the Code of Conduct which provides a comprehensive understanding of the implications of responsible conduct. Any deviation from the COC is treated as misconduct and strictly dealt with. Additionally, through our whistleblower policy, we encourage our employees to report any or all breaches of conduct without any fear of retaliation.

ESSENTIAL INDICATORS

1. Percentage coverage by training and awareness programmes on any of the principles during the Financial Year:

Segment	Total number of training and awareness programmes held*	Topics/principles covered under the training and its impact**	% of persons in respective category covered by the awareness programmes
Board of directors Key managerial personnel	To set the tone at the top and exhibit their deep-rooted commitment to conducting business in a responsible manner, the Company's Directors, Key Managerial Personnel and Senior Management Personnel participate in an annual ritual that encompasses reasserting their loyalty to "The Oberoi Dharma", the fundamental Code of Conduct by providing a written confirmation.		
Employees other than BoD and KMPs	1,742	We expect our employees to shoulder the responsibilities of realising the Company's sustainability vision. To augment the familiarity of our employees with the implications of responsible business conduct as per BRSR, EIH Limited invests significant time and resources into structuring and conducting training, awareness programmes and workshops for all its employees on an ongoing basis. The intent of such programmes is to accentuate on the need to exercise the values as enshrined in these principles while performing their respective duties. The coverage of such programmes includes aspects of the Code of Conduct, Health & Safety, Prevention of Sexual Harassment, Human Rights, Prohibition of Insider Trading, Anti-corruption, Anti-bribery, etc	68%
Workers	Considering the nature of our services the importance of training is deeply ingrained in our conduct. EIH Limited provides mandatory training on grooming, wellness, health and safety, customer service, handling equipment and skill enhancement to all our workers.		

*Covers employees whose base location is in India

**Overseas subsidiary companies are also encouraged to follow the Business Responsibility initiatives of the Company and conduct training and awareness programmes on National Guidelines of Responsible Business Conduct. However, these overseas subsidiaries adhere to their local regulatory and compliance requirements.

LEADERSHIP INDICATORS

1. Awareness programmes conducted for value chain partners on any of the Principles during the Financial Year:

Total number of awareness programmes held	Topics/principles covered under the training	% of value chain partners covered (by value of business done with such partners) under the awareness programmes
At EIH Limited, we aim to thrive on the combined resilience of our value chain partners to accomplish our purpose of building a mutually beneficial ecosystem where the interests of all stakeholders are aligned and synergised. The realisation of this common goal is achieved by explicitly laying out the implications of responsible business conduct in the service agreement and encouraging our value chain partners to demonstrate conduct that is in alignment with such requirements. We encourage our partners to ensure that the highest standards of quality and safety are upheld across all aspects of their operations. Additionally, the service agreement seeks the vendor's acceptance to abide by "The Oberoi Dharma", the Company's "Whistleblower Policy" and "Data Protection Policy". Compliance with these company policies is reiterated at the time of onboarding and distribution of annual tenders wherever applicable.		

2. Does the entity have processes in place to avoid/manage conflict of interests involving members of the Board? (Yes/No) If Yes, provide details of the same.

The Company has structured and implemented adequate policies and processes aimed at preventing and mitigating any conflict of interest involving the Board of Directors. The robust mechanism requires the members of the Board to furnish a comprehensive list of entities in which they hold an interest, at the beginning of every Financial Year and as and when there is any change in such interest.

To identify and deal with matters concerning conflict of interest, EIH Limited has also implemented a Related Party Transaction Policy. The policy articulates a comprehensive process of reviewal and approval of material-related party transactions, while carefully considering any potential or actual risk of conflict of interest that may arise because of entering into these transactions. The Audit Committee and the Board review this policy as and when required but at least every three years and propose amendments required to comply with the Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and Companies Act, 2013("Act").

Principle 2:

Businesses should provide goods and services in a manner that is sustainable and safe.

As one of the forerunners in the realm of luxury hospitality in India, at EIH Limited our foremost objective is perfecting the experiences of our esteemed guests by curating bespoke stays that serve as a reflection of the grandeur lifestyle that our guests deserve and desire to espouse. However, as responsible enablers and architects of enhanced lifestyles, we aim to push the boundaries forward and advance the quality of life beyond our hotels by preserving the environment and uplifting the communities we operate in. We have evolved our strategic vision to encompass a commitment to environmental stewardship.

Environmental consciousness has become an inherent aspect of our business operations. We envision an organisation that is committed to the environment, using natural products and recycling items thus ensuring proper use of diminishing natural resources. To this end, we have incurred significant investment to integrate technologies and set up processes that can reduce our environmental footprint. We have also implemented measures to build a clear understanding of our environmental impact and track our progress on an ongoing basis.

ESSENTIAL INDICATORS

1. Percentage of R&D and capital expenditure (CAPEX) investments in specific technologies to improve product and processes' environmental and social impacts to total R&D and capex investments made by the entity, respectively.

	FY 2022-23	FY 2021-22	Details of improvements in environmental and social impacts
R&D	At EIH Limited, we are proactively looking for Research and Development Opportunities that can result in the enhancement of the sustainability of our operational procedures. For FY22-23, we haven't separately tracked our R&D spend on ESG. However, we are striving to capitalise on research and development and closely monitor such expenditures.		

	FY 2022-23	FY 2021-22	Details of improvements in environmental and social impacts
Capex	2.65%	6.84%	In FY 23, we incurred capital expenditure on the installation of Sewage Treatment Plants (STP) and transition to renewable and efficient energy sources and technologies. In FY 22, we invested significant capital in the installation of STPs and the transition to renewable and efficient energy sources and technologies.

2. a) Does the entity have procedures in place for sustainable sourcing?

At EIH Limited, we firmly believe in fostering a culture of responsibility across our value chain. To ensure that our suppliers uphold the highest standards of quality, ethical and sustainable practices in their operations, we enlist such expectations in the Supplier's Agreement. Our Supplier contract mandates adherence to various ESG parameters which are in line with the industry standards and the Company's commitment to optimal use of diminishing natural resources. We seek the supplier's acceptance of multiple social, ethical and environmental requirements, including but not limited to:

- All food and beverage sellers must confirm that their supplied products meet the Health Authorities/FSSAI Act's standards.
- Suppliers of perishable food items shall ensure that their vehicles are clean and well-maintained. Additionally, samples of all new food items must undergo laboratory testing and meet other parameters before being approved by Hygiene & Quality Assurance Department. The vendor's premises are also audited by the procurement teams.
- Suppliers of chemicals, soaps and similar items shall ensure that their packaging is proper, safe for storage and handling and manufactured as per the specifications. They must also submit PI & MSDS copies to this effect
- Suppliers of packaging material must ensure that they are of food-grade quality (certificate to be submitted to this effect) and sustainable for use in high temperatures.
- Suppliers of equipment/machines shall ensure that such assets are accompanied by safety measures guidelines of Do's and Don'ts. Additionally, a technical person shall be arranged to assist with assembling/ installing the equipment and all users & cleaning staff must be imparted proper training before they use the asset.
- All vendors must get their delivery van checked for pollution at regular intervals.

Additionally, to lower our impact on the environment, we also prioritise sourcing inputs from local suppliers. We also ensure compliance with FSSAI guidelines through external agency audits conducted across our domestic hotels.

b) If yes, what percentage of inputs were sourced sustainably?

We envision an organisation that is inherently sustainable in its operational efficiencies. In pursuit of this objective, we have adopted a judicious approach to resource procurement by embedding ESG parameters in our supplier's agreement. We encourage all our suppliers to provide their acceptance of the ESG commitments as enlisted in their contract and additionally comply with the Company's fundamental code of conduct, whistleblower policy and data privacy policy. This is further reinforced at the time of onboarding and while distribution of annual tenders wherever applicable.

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

Waste type	Waste management procedure in place

Plastic	We ensure zero use of single-use plastic across all our properties. As a part of our ongoing efforts to minimise plastic waste, we have initiated the process of commissioning of bottling plants in our hotels.	
Food items	Reinforcing our dedication to a greener and more sustainable planet, we have implemented relevant measures to ensure that every morsel of food is utilised efficiently and effectively. To this end, we have installed organic waste converters across our hotels. The wet and dry food waste are appropriately segregated and a significant proportion of such waste is processed in composting machines or traditional compost pits into organic compost, which is further reused for horticulture. The remaining food waste is responsibly sent to municipal corporation through authorised vendors for appropriate recycling or disposal.

Principle 3:

Businesses should respect and promote the well-being of all employees, including those in their value chains

At EIH Limited we are cognisant of our responsibility to foster a safe and secure environment for our employees and our guests, ensuring peace of mind and physical well-being. Safety is one of the quintessential aspects of our proposition and all our operational and business procedures are articulated with safety as the cornerstone.

To reinforce our uncompromising and unmatched commitment to safety, we impart regular training to our staff to alleviate the new scales in safety and security. Thriving on the collective efforts of our employees, our properties are meticulously upheld to the highest standards of safety and hygiene at all times. With our recent transition to internationally validated enhanced safety standards, we have set the bar even higher, setting a new precedent for excellence.

Our achievements also stand testimony to the undying commitment of our employees who perform their duties with utmost perfection. Their demeanor and professionalism serve as the true reflection of the values and the principles that we as a company abide by. We acknowledge their excellence and leave no stone unturned to foster a harmonious environment where they feel encouraged, included, respected and safe.

3. Accessibility of workplaces

Are the premises/offices of the entity accessible to differently-abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

At EIH Limited, our capacity-building strategy involves fostering a diverse workplace and providing equal and ample opportunities for growth to all our personnel by leveling the playing field. We recognise and celebrate the individuality of all our employees and leave no stone unturned to cater to the specific requirements of our diverse talent pool and instil a sense of belongingness. Inclusivity is an inherent and indispensable aspect of our operational efficiency. We continuously strive to ensure that all our facilities, technologies, information and privileges are accessible to all our employees, especially to people with disabilities. Our offices are substantially accessible to differently-abled employees and we are continuously working towards enhancing the accessibility by identifying gaps in the infrastructure if any. Our efforts are aligned with the requirements of the Rights of Persons with Disabilities Act, 2016 and involve initiatives focused on improving both physical (infrastructure) and digital communication accessibility such as the installation of wheelchair ramps, partnering with agencies/NGOs for sensitisation training and creation of Employee Resource Group (ERG).

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.

At EIH Limited, we recognise our people as our key asset, a belief that transcends generations. We rely greatly on the competence and skills of our people to create unforgettable experiences for our guests and therefore our hiring processes are based purely on the merits of the candidates. We provide equal opportunity to all qualified candidates as we strongly believe in knowing and acknowledging people for who they are, beyond the constraints of social constructs such as gender, race, marital status, nationality, ethnic origin, sexual orientation, caste or religion and disability.

Our resolve to foster an organisational culture that nurtures excellence is purposed in our Diversity and Inclusion Policy and the Code of Conduct through structured guidelines on Equal Employment Opportunity and Non-Discrimination (in accordance with applicable local, state and national laws and regulations including the Right of Person with Disabilities Act, 2016). We have adopted a standard approach to all employment-related matters including but not limited to hiring, promotions and transfers which is rooted in promoting equal opportunities for all.

6. Is there a mechanism available to receive and redress grievances for the following categories of employees and workers? If yes, give details of the mechanism in brief.

	(If Yes, then give details of the mechanism in brief)
Permanent workers	We consider people as our key asset and firmly adhere to the principles of the "Oberoi Dharma", which encompasses showing respect to every employee and leading from the front when it comes to individual development. We aim to cultivate a culture where all our employees feel empowered, heard, respected, included and valued. We lay significant emphasis on employee feedbacks and consistently strive to address their concerns with agility. To this end, we have a robust grievance mechanism, underpinned by policies such as whistleblower and POSH, enabling all our employees and workers to put forth their concerns and seek redressal. The Company is committed to providing a workplace free of discrimination and harassment and exhibits zero tolerance for discrimination and harassment of any kind. We provide multiple channels to our employees to report such misconduct. To ensure that complaints on sexual harassment are addressed in a timely manner, an appropriate complaint mechanism has been put in place. Discriminatory conduct and harassment whether sexual or otherwise are treated as gross misconduct and disciplinary action is taken against any employee who is found to have committed an act of discrimination or sexual harassment. The whistle-blower policy provides a mechanism for employees to report any concerns that could have a grave impact on the operations and performance of the business of the Company including any violation of legal or regulatory requirements, as well as any misrepresentation of any Financial Statements or reports.

10. Health and safety management system:

a) Whether an occupational health and safety management system has been implemented by the entity? (Yes/No). If yes, what is the coverage of such a system?

We care for our employees and accord great importance to their safety and well-being. To ensure a safe and healthy workplace, we have integrated the industry's best practices and protocols that also comply with applicable statutory requirements. To protect our employees against any actual or potential occupational health hazard, we conduct regular training and awareness sessions on fire safety, evacuation drill, emergency management, first aid and the use of AED machines to equip them to cope with the risk of accidents, injuries and health issues better.

We have also deployed a dedicated Hygiene and Safety Manager at each hotel who coordinates with the Head of the Department to train employees on upholding the highest standards of hygiene and safety. Every hotel has been provided access to various training materials, audio-visual materials and reference materials on health and safety.

In our commitment to maintaining a safe and healthy workplace, we have implemented operating standards for departmental managers, these department standards are revisited from time to time. To ensure that all the safety protocols are being properly adhered to, we also conduct safety audits.

b) What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

Employee health and safety is one of the strategic priorities for EIH Limited. We have adopted a comprehensive approach to occupational safety that involves identification of occupational health and safety risks for all existing/new/ modified activities, processes, services, including routine and non-routine activities and prioritisation basis their severity. We focus on risk mitigation through the implementation of various safety-related policies and procedures. To ensure adherence with these policies, we conduct diligent and systematic safety audits. Once the audit is completed, a detailed safety audit report is created and shared with all concerned functional heads. We have a stringent safety-audit mechanism that facilitates conducting safety audits at multiple levels throughout the year:

- Daily inspections are conducted by safety supervisors
- Monthly safety audits are conducted by Site Chief Security Officer (CSO)
- Quarterly Safety audit by General Manager
- Six Monthly Safety audit by Group CSO
- Third party safety audits on as required basis

c) Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Y/N)

Yes. EIH Limited has a robust process in place for employees/workers to report any work-related hazard and take precautionary actions to avoid the same. The Company has clear escalation procedures in place to ensure

that any safety concerns are addressed promptly. Additionally, there is a reward and recognition process for reporting unsafe practices and violations which encourages employees/workers to report such incidents without any fear of repercussions.

Before, starting any work there is a mandatory briefing and pre-work inspection conducted to ensure that employees/workers are aware of the potential hazards and are equipped with necessary safety gear. Furthermore, work is only allowed under supervision which ensures that workers are following all safety protocols. We also have penalty clause on vendors for non-compliance of safety protocols which further emphasises our commitment to ensuring safety.

d) Do the employees/workers of the entity have access to non-occupational medical and healthcare services? (Yes/No)

We aim to empower and equip our employees to prioritise their health and well-being thus enabling them to lead a healthy lifestyle. We provide all our employees/workers with the access to non-occupational medical and healthcare services.

Business Responsibility and Sustainability Report (Contd.)

LEADERSHIP INDICATORS

1. Does the entity extend any life insurance or any compensatory package in the event of death of (A) Employees (Y/N) (B) Workers (Y/N).

At EIH Limited, we have adopted an all-encompassing approach to employee benefits. Our employee initiatives cater to all aspects of our employees' financial and social security needs. Some of these initiatives also extend to the family members of the employees. For instance, our Group Medical Insurance Policy provides financial support in the form of assured amount to the employee's family in the unforeseen event of death. 100% of our employees are covered within the purview of this policy. We offer support to our workers to manage their well-being by providing them coverage under ESIC.

2. Provide the measures undertaken by the entity to ensure that statutory dues have been deducted and deposited by the value chain partners.

We encourage all our partners to comply with all the relevant legal and compliance requirements that are applicable to them as per jurisdiction. We have established a clear expectation of such conduct in our service agreement and Code of Conduct. To ensure that all statutory dues have been paid, we seek confirmations on a need basis. Additionally, payments are processed if only the authenticity of challans as furnished by the value chain partner is verified.

3. Provide the number of employees/ workers having suffered high consequence work-related injury/ ill-health/ fatalities (as reported in Q11 of Essential Indicators above), who have been rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment:

	Total no. of affected employees/workers		No. of employees/workers that are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment

Employees				
Workers			Nil	

4. Does the entity provide transition assistance programmes to facilitate continued employability and the management of career endings resulting from retirement or termination of employment? (Yes/No)

We are committed to supporting our employees in the journey beyond the organisation. To fulfill this commitment, we provide extensive upskilling and reskilling opportunities to all our employees through online and offline trainings and sessions. These trainings are centered around building new competencies, knowledge and skills to help our employees upgrade and stay ahead of the curve. These initiatives help our employees to imbibe future-ready skills, thus equipping them to stay relevant and continue employability post-retirement or termination.

5. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Health and safety conditions	We encourage all our value chain partners to maintain the highest standards of safety in their business operations through our Suppliers' Code of Conduct and Vendor's Agreement. However, we haven't conducted any assessment of such nature in the reporting period
Working conditions	

6. Provide details of any corrective actions taken or underway to address significant risks/ concerns arising from assessments of health and safety practices and working conditions of value chain partners.

EIH Limited places great emphasis on adherence to appropriate hygiene and safety standards by vendors associated with our Company, as specified in their service agreement or as per applicable statutory norms. Non-compliance with these compliances can attract penalties. To ensure the safety and well-being of stakeholders, we adopt a pre-emptive approach toward vendor onboarding, conduct thorough background checks and collaborate exclusively with industry leaders who have proven track records of excellence in their respective domains. Our commitment to safety necessitates that we exercise due diligence in our operations.

Principle 4:

Businesses should respect the interests of and be responsive to all its stakeholders

ESSENTIAL INDICATORS

1. Describe the processes for identifying key stakeholder groups of the entity.

To transform our sustainability aspirations into tangible actions, we have sought the collective strength of our stakeholders. At EIH Limited, we aim to progress in a manner that creates shared values for all. And, in our incessant pursuit of optimal outcome, the discerning selection of stakeholder with whom we engage assumes paramount importance. This is underpinned by a two-step approach of stakeholder identification and prioritisation of stakeholder that materially impact us or in turn affected by our operations. Please refer to page number 42-47 of the Integrated Report, FY 22-23 for a detailed insight into Stakeholder Engagement and Materiality Assessment.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.

EIH Limited has identified six key stakeholders:

- Shareholders and Investors
- Customers/Guests
- Employees
- Local Communities and NGOs
- Value Chain Partners
- Government and Regulatory Authorities

Details of engagement with each of them has been covered in detail in Stakeholder Engagement and Materiality Assessment in page 42-43 of the Integrated Report, FY 22-23.

LEADERSHIP INDICATORS

1. Provide the processes for consultation between stakeholders and the board on economic, environmental and social topics or if consultation is delegated, how is feedback from such consultations provided to the board.

Effective engagement with stakeholders is the cornerstone driving our sustainable progress and development. To ensure ongoing dialogues with stakeholders, we have established reliable and transparent communication channels with clearly outlined purposes and scope of engagements. Our frequent engagement with our relevant internal/external stakeholder groups have helped us gain a microscopic view of issues that are most material to them and have potential business impact. We have deployed a dedicated Stakeholder Relationship Committee, responsible for providing a detailed insight of the findings of such consultations and strategic ways adopted to address key concerns to the Board on an annual basis.

2. Whether stakeholder consultation is used to support the identification and management of environmental and social topics (Yes/No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into the policies and activities of the entity.

Our pursuit of sustainable excellence is guided by our strategic assessment of key material issues that are critical to the organisation and our stakeholders. To ensure shared value creation we strategically collaborate with our key internal and external stakeholders while conducting materiality assessment. Collaborating with our stakeholders helps us gain a comprehensive understanding of their evolving demands and our organisational impact on them. Through focused deliberations with our board and the management, we rely on their collective input for policies and strategy formulations.

3. Provide details of instances of engagement with and actions are taken to, address the concerns of vulnerable/marginalised stakeholder groups.

The Company through its CSR initiatives is making continual efforts to extend our support to the vulnerable/ marginalised stakeholder groups. In our commitment to uplift the lives of the economically and socially disadvantaged, we have partnered with the SOS Children's Village to work for well-being and development of underprivileged kids by providing access to affordable education. Please refer to page no. 65 of our Integrated Report, FY 22-23 to gain a detailed insight into our CSR initiatives.

Principle 5:

Businesses should respect and promote human rights

ESSENTIAL INDICATORS

When it comes to social inclusivity, we at EIH Limited aim to embody an amplified presence in every aspect. Enshrined in the principles of "The Oberoi Dharma" we are inspired to treat people, within and beyond our organisation, with absolute respect and dignity. The underlying purpose of our people strategies is to promote and protect the fundamental rights of our employees and workers. We aim to engineer a workplace where our employees are encouraged to offer mutual respect and support for each other, adopt a lens of equality while engaging with peers and inculcate a humanitarian approach to all actions. These values are channelised through various processes and policies, including guidelines on equal employment opportunity, anti-discriminatory conduct, diversity and inclusion and vigil mechanism to report and seek redressal against any acts of discrimination and harassment. Our commitment to treating all our employees at par is reflected in every aspect of our employment practices. We have a zero-tolerance stance for discriminatory behaviour and acts of mental/physical abuse toward another employee. As highlighted in the COC, these acts are treated as gross misconduct and are subject to penal consequences.

7. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

The organisation maintains a steadfast commitment to safeguarding employees who raise concerns regarding discrimination or harassment, ensuring the prevention of any form of retaliation or victimisation. Instances of such misconduct are met with zero tolerance and the Company remains resolute in taking appropriate disciplinary actions as per its policies.

It is crucial to note that any investigations into allegations of potential misconduct are conducted impartially and independently. They are not influenced by ongoing disciplinary or redundancy procedures involving the employee who reported the matter, nor do they exert influence on such procedures. The Company prioritises the maintenance of confidentiality throughout the investigatory process to protect the interests of all parties involved.

8. Do human rights requirements form part of your business agreements and contracts?

We believe working collaboratively with our value chain partners helps us fulfil our aspiration of enabling a just and equitable world. As a responsible organisation, we are committed to promoting human rights and embracing the principles of equality, dignity and respect across our value chain. We encourage all our value chain partners to lay equal emphasis on protecting the rights of all individuals. Our suppliers are required to comply with the Company's fundamental code of conduct, "The Oberoi Dharma" and the vendor's agreement that outline our expectation of ethical business conduct.

9. Assessments of the year

LEADERSHIP INDICATORS

1. Details of a business process being modified/introduced as a result of addressing human rights grievances/complaints.

EIH is committed to providing a harmonious work environment to all our employees and workers. We have a grievance redressal mechanism in place to promptly address any human rights grievances/complaints. **Please refer to Principle 3, Essential Indicators, Ques 6 for more details.**

2. Details of the scope and coverage of any human rights due diligence conducted.

We understand that protecting human rights requires a holistic approach that requires participation from all levels of the organisation. To further our commitment to enabling an equitable world we are willing to conduct an assessment of such nature in the future.

3. Is the premise/office of the entity accessible to differently-abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

Our hotels and offices are carefully structured to cater to the unique needs and requirements of our guests and employees. To this end, we have undertaken distinctive measures to accommodate the diverse requirements of our guests and employees with disabilities and offer a stay that is characterised by exceptional comfort, convenience and accessibility. We also ensure that we comply with all the legal requirements related to inclusion of people

with disabilities such as the Rights of Persons with Disabilities Act, 2016. All our hotels and resorts are equipped to wholeheartedly extend our welcome to the differently abled through measures such as:

- Ramps with anti-slip floors
- Designated parking
- Booking system that is accessible to all
- Public Restrooms
- Ensuring that all our hotels have rooms best suited to the needs of disabled guest
- Special staff assistance to differently abled guests

Please refer to Principle 3, Ques 3 to gain insight into the accessibility of our workplaces as per the requirement of Rights of Persons with Disabilities Act, 2016.

Principle 6:

Businesses should respect and make efforts to protect and restore the environment

Note: For the current reporting period, qualitative and quantitative disclosures as made under this principle, i.e. Principle 6, Section C of the BRSR includes the consolidation of data and information for only those entities that are operating within the domestic territory and excludes all international entities. However, in our ongoing effort to transition to a comprehensive world of sustainable reporting, we aim to expand the scope of these disclosures by rigorously tracking these indicators for all international entities from the upcoming Financial Year and beyond.

The global temperature and energy concentration of greenhouse gases is shooting up every day, posing a significant threat to humanity, particularly the vulnerable sections of society. Climate change has resulted greatly in economies disrupting and loss of livelihood and the hospitality industry is not immune to the catastrophe of climate change. In fact, the hospitality industry has been particularly hard-hit by climate change, with extreme and unpredictable weather conditions leading to rising operational costs, significant reductions in tourism in certain destinations and emerging risks of damage to our heritage infrastructure due to the increased likelihood of natural disasters in many areas. While we are nimbly taking actions to mitigate the impact of such events on our business, we are also taking preventive measures to lower our environmental footprint through the effective utilisation of resources and energy conservation.

As proponents of green change, we at EIH Limited aim to do all that we can to conserve the environment and forge a better and greener future for our coming generations. As we embark on our journey toward sustainability, we are cognisant of the importance of taking responsibility for our own actions, the actions of our guests and that of our employees. Environmental consciousness is strategically woven into every aspect of our guest experience. We provide sustainable options to choose from during the stay, leaving notes on how simple actions such as avoiding changing bed linens can save water. By the end of the stay, we are proud to have instilled a more responsible attitude towards the planet in our guests. EIH Limited as a corporate citizen is committed to demonstrating a high standard of environmental protection, this is further enunciated in our Health Safety and Environment Policy.

Business Responsibility and Sustainability Report (Contd.)

7. Does the entity have any project related to reducing greenhouse gas emission? If Yes, then provide details.

As a leading organisation in the luxury hospitality industry, we aspire to lead by example when it comes to embracing eco-consciousness in business practices. Acknowledging our substantial reliance on energy sources to uphold the highest standards of service for our valued guests, we understand the significance of minimising our environmental impact.

Across our extensive network of 23 hotels and resorts, our operations encompass round-the-clock space conditioning, lighting, appliance usage, elevator functionality, powering kitchen and laundry equipment and more, all of which require a significant amount of energy. Guided by our commitment to eco-consciousness, we are dedicated to reducing our carbon footprint. To translate our energy conservation aspirations into tangible actions, we have integrated numerous environment-friendly measures and technologies into our infrastructure and operational practices.

Leveraging the benefits of green architecture:

At EIH Limited all our new construction requirements are centered around integrating energy-efficient technologies, materials and structural solutions, such as:

- Use of high thermal resistance insulation in roofs and external walls to minimise energy loss.
- Building fenestration through high-performance insulated glass to reduce energy loss.
- Equipping rooftops with reflective tiles or an albedo coating to minimise the impact of heat.
- Fly-ash, a waste product from power plants is used in building structures.
- Low embedded energy materials (material with recycled content, rapidly renewable wood/composite wood products) are extensively used in developing interiors.
- FSC-certified wood and composite products made from recycled wood scrap are used.
- Priority is given to the use of locally available materials like tiles, granite, marble etc. This reduces transportation and minimises carbon emissions.

Equipping our premises with energy-efficient technologies:

To reduce our energy consumption, we are making significant investments to incorporate energy-efficient technologies in our hotels.

- Highly efficient chillers are used for air conditioning.
- Water and heat Pumps, fans, compressors, blowers, lamps and other equipment are selected carefully considering their energy efficiency.
- Energy recovery systems and variable speed drives are used extensively to save energy.
- High-efficiency boilers and heaters are used with energy recovery systems to recover waste heat.
- Energy-efficient lighting with optimal use of natural light is practiced.
- Building Management systems are used for monitoring and control.
- The refrigerants used have low global warming and low ozone depletion properties.
- Using heat pumps for hot water generation and waste heat recovery system for capturing waste heat generated by steam.

Transitioning to renewable energy sources:

We are making a shift toward renewable energy sources. In our endeavour to clean energy transition, we have been able to source approximately 12% of our electricity requirements from renewable sources such as solar, hydro and wind energy in FY 22-23.

Making a paradigm shift to renewable energy sources, we have installed solar panels in Trident Udaipur, Trident Agra, Trident Gurgaon and Oberoi Gurgaon. Consequently, Trident Udaipur and Trident Agra meet up to 60% and 25% of their electricity requirements from in-house solar plants respectively. Whereas Trident Gurgaon and Oberoi Gurgaon

meet approximately 90% of their electricity demand from solar energy. In addition to harnessing solar energy, Trident, Chennai predominantly relies on wind energy, meeting 95% of its electricity demands and Oberoi Cecil and Oberoi Wildflower, Shimla procure all of their electricity from state-owned hydroelectric power plants. The majority of our hotels are relying on renewable – non-renewable mix to fulfill their energy requirements. We aim to expand the use of clean energy sources to other hotels as well. To this end, we are in the process of installing a solar plant in Oberoi Rajvilas, which is expected to generate 30% of the total electricity requirement for the establishment.

In addition to this, our efforts to decarbonisation include optimising the use of our major machines and equipment such as elevators, chillers, boilers, ventilation equipment, etc. by running them on adaptive control i.e. based on occupancy and ambient weather conditions. We have also implemented an operation & maintenance strategy to ensure that all machines and equipment are kept in the most efficient state underpinned by periodic maintenance activities. All our guest floors are taken out of service during the period of low occupancy to conserve energy. Furthermore, conservation measures in the form of tight operational control of kitchen and laundry equipment were exercised.

With various energy conservation measures taken in FY 2022-23, we were able to reduce our total absolute energy consumption by about 3.4 million kWh in comparison to the pre-COVID period in FY 2019-20 when our hotels were operating at full occupancy. These energy savings resulted in the reduction of our carbon emissions by about 500 tonnes in comparison to the Financial Year 2019-20.

8. Provide details related to waste management by the entity, in the following format:

Parameter	FY 2022-23	FY 2021-22
Total waste generated (in metric tonnes)		
Plastic waste (A)	298.15 MT	189.31 MT
E-waste (B)	9.94 MT	7.05 MT
Bio-medical waste (C)	10.98 MT	26.53 MT
Construction and demolition waste (D)	246.36 MT	451.81 MT
Battery waste (E)	6.00 MT	3.55 MT
Radioactive waste (F)	Nil	Nil
Other Hazardous waste. Please specify, if any. (G)	40.75 MT	33.99 MT
Other Non-hazardous waste generated (H). Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector)	5,096.27 MT	3,481.05 MT
Total (A+B + C + D + E + F + G + H)	5,708.45 MT	4,193.28 MT

For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)

Category of waste	FY 2022-23	FY 2021-22
(i) Recycled	2,013.64 MT	1,578.38 MT
(ii) Re-used	80.75 MT	66.15 MT
(iii) Other recovery operations	Nil	Nil
Total	2,094.39 MT	1,644.53 MT

For each category of waste generated, total waste disposed of by nature of disposal method (in metric tonnes)

Category of waste	FY 2022-23	FY 2021-22
(i) Incineration	0.94 MT	1 MT
(ii) Landfilling	354.03 MT	523.19 MT
(iii) Other disposal operations	3,259.10 MT	2,024.56 MT
Total	3,614.06 MT	2,548.75 MT

Note: Indicate if any independent assessment/ evaluation/ assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency. No, however, the Company plans to seek independent assessment/ evaluation/assurance of all our key non-financial indicators for the upcoming Financial Year and onwards.

9. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your Company to reduce the usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

EIH Limited has implemented a comprehensive waste management programme that ensures optimal utilisation of material, resources, energy and finances. Our approach to waste management is anchored by the 3R model - Reduce, Reuse and Recycle.

Reduce: We have taken proactive measures to minimise waste generation across our properties. Significant initiatives include substituting plastic bags with eco-friendly alternatives, such as cloth bags for guest laundry services and biodegradable bags for garbage collection. Through the adoption of garbage incinerators, we have achieved a remarkable reduction in waste output. Leveraging technology, we have embraced paperless systems for check-in and check-out processes, resulting in substantial cost savings.

Business Responsibility and Sustainability Report (Contd.)

Reuse: We maximise the reuse of printed stationery, repurposing them as notepads, facsimile printouts and internal posters after appropriate screening and processing.

Recycle: Our recycling programmes encompass various initiatives. To harness organic waste, we have established compost pits within our hotels' expansive gardens, facilitating the reuse of organic matter. Our waste segregation practices ensure the proper separation of dry and wet waste. Wet waste, refrigerated to delay spoilage, is redirected to piggeries, while dry waste such as aluminum, paper and plastic is sold for recycling. E-waste is collected and dispatched to authorised recyclers for safe and responsible disposal. Furthermore, hazardous waste such as batteries and used oil from generators undergoes appropriate handling and disposal in adherence to legal regulations and guidelines.

We maintain a diligent focus on responsible waste segregation and disposal, ensuring that our waste management practices align with environmental standards and best practices. Furthering our initiatives in waste management, we have made significant investments into the installation of bottling plants in multiple hotels in this reporting period to eradicate the use of single use of plastic across our hotels.

10. If the entity has operations/ offices in/ around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones, etc.) where environmental approvals/clearances are required, please specify details in the following format:

S. No.	Location of operations/offices	Type of operations	Whether the conditions of environmental approval/clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
1	The Oberoi Vanyavilas, Ranthambore, Rajasthan	Hotel	Yes. Although the construction of Oberoi Vanyavilas, Ranthambore did not require Environmental Clearance as the build-up area is less than 20,000 sq mt nonetheless we applied for and were granted a NOC from the Ministry of Environment, Forest and Climate Change Regional Office (Central Region). Additionally, the construction was done as per the consent of the State Pollution Control Board.

11. Details of Environmental Impact Assessments of projects undertaken by the entity based on applicable laws, in the current Financial Year:

At EIH Limited, any new projects or expansion or modernisation of any existing projects are carried out if only environmental clearance has been accorded by the Central Government or the State Government which are subject to submission and approval of Environmental Impact Assessment Reports. However, in the reporting period, we have not undertaken any such projects.

12. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (prevention and control of pollution) Act, Air (prevention and control of pollution) Act, Environment Protection Act and rules thereunder (Y/N). If not, provide details of all such non-compliances:

Being a responsible corporate, we understand and fulfill our responsibility to adhere to all the environmental compliances and statutory norms that are applicable to us. In our commitment to adopting best practices that foster care and sensitivity towards natural resources and the environment, we view these practices beyond compliance. All our SOPs are in line with the laws of the land with reference to environmental protection and conservation. As and when required by the law we seek renewal of the consent to operate for our hotels under applicable regulations.

S. No.	Specify the law/ regulation/ guidelines which was not complied with	Provide details of the non-compliance	Any fines/ penalties/ action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken if any

Total Scope 3 emission intensity (optional) – the relevant metric may be selected by the entity		-	-

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

5. With respect to the ecologically sensitive areas reported at Question 10 of essential indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along with prevention and remediation activities.

We abide by all the environmental laws and statutory provisions applicable to us. We have adopted a preventive approach towards protection of biodiversity in the areas we operate. Although the construction of Oberoi Vanyavilas, Ranthambore did not require Environmental Clearance as the build-up area is less than 20,000 sq mt nonetheless we applied for and were granted a NOC from the Ministry of Environment, Forest and Climate Change Regional Office (Central Region). Additionally, the construction was done as per the consent of the State Pollution Control Board.

6. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions/ effluent discharge/ waste generated, please provide details of the same as well as the outcome of such initiatives:

Please refer to **Principle 6, Question 9, Essential Indicators** and **ESG Approach: Environment** section of the Integrated Report for a detailed insight into such initiatives.

S. No.	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along with summary)	Outcome of the initiative

7. Does the entity have a business continuity and disaster management plan?

To foster business continuity, our Company has implemented a robust Enterprise Risk Management (ERM) policy. This policy serves as a guiding framework for the organisation to effectively navigate and address uncertainties inherent in our operations. By recognising and understanding the nature of these uncertainties, we aim to proactively identify potential risks and develop strategic solutions to mitigate their impact. Through the implementation of our ERM policy, we strive to enhance our ability to anticipate and respond to potential risks, ensuring the sustained success and stability of our organisation.

8. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard.

Delivering on our commitment to conduct business in the most sustainable manner, we continuously aim to build a more holistic understanding of the actual/potential impact that our business and supply chain has on the environment. We are cautious of any such adverse impacts and are dedicated to mitigating the same. For instance, we prioritise sourcing our inputs locally to reduce our adverse impact on the environment.

9. Percentage of value chain partners (by the value of business done with such partners) that were assessed for environmental impacts.

At EIH Limited, we encourage our value chain partners to follow and adhere to best environmental practices in their operations and business. We have built-in various aspects of environmental protection in our supplier's contracts. All our contracts entail such guidelines and seek the acceptance of the suppliers to abide by these requirements and demonstrate conduct that is sustainable in nature.

Principle 7:

Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

The foundation of our organisation rests on the nation's age-old philosophy that places our guests above all and treats them akin to our family members. Our faith in this ideology has propelled us to achieve all that we had aspired for. We, therefore, aim to leverage our expertise in a manner that benefits not only the organisation but the entire country. Capitalising on our extensive experience and profound insights accumulated over the course of eight decades in the hospitality industry, EIH Limited as a flagship member of the "Oberoi Group" is committed to raising the bar of India's hospitality ecosystem to unprecedented heights. To realise this goal, we have forged strategic partnerships with affiliated industry and trade associations and actively participated in public policy dimensions to catalyse the growth trajectory of this industry. Our efforts lie in communicating and channelising the voice of industry to the regulatory bodies, through the associations we are members of in devising more pragmatic and inclusive policies and standards for the sector. We believe that participation and collaborations are key to more prosperous and sustainable growth for corporate like ours. Our vision for the industry is to progress in a manner that is inclusive, sustainable and benefits all stakeholders involved.

ESSENTIAL INDICATORS

1. a) Number of affiliations with trade and industry chambers/associations.

Refer to the answer provided in part b .

Business Responsibility and Sustainability Report (Contd.)

b) List the top 10 trade and industry chambers/associations (determined based on the total members of such a body) the entity is a member of/affiliated to.

The Company holds a strong sense of responsibility toward driving transformative change in the hospitality industry, which is demonstrated through our active engagement in discussions with the apex industry associations. Our endeavours to contribute valuable feedback facilitate the holistic development of all stakeholders impacted by the industry, thereby fostering a collaborative and sustainable growth paradigm. In FY 22-23 we had 8 nos. of affiliated trade and industry chambers/associations.

Principle 8:

Businesses should promote inclusive growth and equitable development

At EIH Limited, we strongly believe in the inherent interconnectedness of businesses and society. Taking cognisance of the fact that they are inextricably linked, we understand that the well-being and progress of one significantly impacts the other. As such, we have resided in a holistic approach in our operations that empowers us to demystify the broader implications of our business decision and actions on society and the communities where we operate. We deeply embrace our responsibility to empower, uplift and make a difference in the lives of such individuals and communities. As catalysts of positive change, we seek to usher in transformative change fully capable of significantly enhancing the livelihood opportunities for the underserved and underrepresented, thereby fostering a future that is brighter and

more equitable. To this end, we have successfully undertaken and implemented Corporate Social Responsibility (CSR) projects, focused on promoting affordable and quality healthcare and education. We believe that these initiatives can help create sustainable communities. To ensure the effective implementation of these projects, the board of directors maintains an oversight of the Company's vision for advancing livelihood through the CSR Committee and by structuring and reviewing the guiding principles of our CSR Policy.

ESSENTIAL INDICATORS

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current Financial Year.

As per the applicable regulatory provisions, none of our project(s) qualify under the requirements of Social Impact Assessment. However, we are committed to undertaking SIA for all the projects that would qualify for such assessment as per the guidelines under the law in the future.

3. Describe the mechanisms to receive and redress grievances of the community.

Drawing on our long-standing commitment to set and achieve new precedents for responsibility. EIH Limited has collaborated with the SOS's Children's village, a non-governmental organisation to extend our contribution beyond the perimeters of the organisation. Our collaboration with our CSR partner is geared towards supporting the education and well-being of underprivileged children and we are proud to see our employees actively involved in these initiatives, forging meaningful relationships with the community we serve. At EIH Limited, we take all our stakeholders' feedback and grievances seriously and address them with agility. Our stakeholders can directly report their concerns to our CSR partners or our employees, who will promptly and effectively work toward addressing them or escalate them to the relevant appropriate authority within the organisation.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

	FY 2022-23	FY 2021-22
Directly sourced from MSMEs/small producers		
Sourced directly from within the district and neighbouring districts		

To reduce our environmental impact, EIH Limited prioritises sourcing input from local vendors. This approach to sourcing inputs locally enables us to contribute significantly to communal development by stimulating the local economies and creating employment opportunities.

LEADERSHIP INDICATORS

1. Provide details of actions taken to mitigate any negative social impacts identified in the social impact assessments (Reference: Question 1 of essential indicators above):

Not applicable. We have not conducted SIA for our CSR interventions as for the reporting period none of our projects qualify for the same as per the applicable regulatory provisions

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies:

During the year the Company was not mandatorily required to spend towards CSR initiatives due to nil average net profits in the preceding three years.

S. No.	State	Aspirational district	Amount spent (In ₹)
--------	-------	-----------------------	---------------------

However, we have made a donation of INR 1.46 Crores and continued our support for underprivileged families and children through our collaboration with SOS Children's Village.

3. (a) Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalised/vulnerable groups? (Yes/No)

Refer to the answer provided in part c below.

(b) From which marginalised/vulnerable groups do you procure?

Refer to the answer provided in part c below.

(c) What percentage of total procurement (by value) does it constitute?

EIH Limited is committed to supporting marginalised communities and ensuring their upliftment through various initiatives. The Company does not have dedicated policy dictating preferential procurement from suppliers comprising marginalised/vulnerable groups. However, in our endeavour to fostering sustainable livelihood, we will strive to actively seek out and collaborate with suppliers who come from marginalised backgrounds or communities and provide them with opportunities to sell their goods and services to our organisation. To reduce our environmental impact, EIH Limited prioritises sourcing input from local vendors. This approach to sourcing inputs locally enables us to contribute significantly to communal development by stimulating the local economies and creating employment opportunities.

Principle 9:

Businesses should engage with and provide value to their consumers in a responsible manner

We, at EIH Limited, perceive each day as an opportunity to explore innovative elements that can be ingrained into curating exquisite, personalised, memorable and sustainable experiences for our valued guests. At our organisation, guests take precedence above all else and we leave no stone unturned to surpass their expectations at every turn. The loyalty and trust that our guests bestow upon us are a testament to our unmatched excellence and the dedication exhibited by our people. To sustain our excellence, we aim to inculcate a profound understanding of the evolving needs of our guests. Seeking guest feedback and leveraging the insights to transform our growth strategy is a business imperative for EIH Limited.

Through established mechanisms, we make consistent efforts to gather guest feedback and suggestions on an ongoing basis. We also recognise the crucial role of our guests in fulfilling our sustainability goals and anticipate valuable guest feedback for further advancing our sustainability efforts in our stays.

ESSENTIAL INDICATORS

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

With a rich legacy spanning eight decades, our excellence is characterised by our commitment to go above and beyond to ensure guest satisfaction and forge trusted relationships with them. As one of the world's finest luxury brands, we place substantial reliance on the invaluable feedback provided by our guests which acts as a guiding force to accelerate our growth trajectory. Every feedback is important to us and therefore, we have established seamless processes and procedures in place to systematically gather guest feedback and take prompt actions upon evaluation. We are committed to ensuring that our guest can reach us easily and conveniently at all times. To ensure seamless accessibility, we provide multiple channels for our guests to raise grievances and provide feedback including direct feedback practices, loyalty programmes, independently administered satisfaction surveys, e-mail, phone calls and social media platforms.

We are committed to promptly and effectively addressing any inquiries or issues that our guests may have, ensuring their utmost satisfaction. To ensure a comfortable stay, we entrust our capable employees with the responsibility of actively seeking feedback from our guests during and at the end of each stay. We demonstrate our genuine concern and care by proactively resolving any concerns raised. For matters requiring exceptional care, they are escalated to the General Manager of the respective hotels.

In order to leverage the priceless feedback that we receive, we have also implemented a designated guest feedback programme called the "GQA- Guest Questionnaire Analysis" feedback process. The programme is an exceptional initiative that enables us to get an in-depth understanding of our guest's expectations, equipping us to enhance their experiences. For the past two decades, the Company has commissioned reputed independent third-party agencies to conduct anonymous mystery audits at each of our hotels to ensure established quality standards pertaining to both service and product are met. Our deep commitment to guest delight resonates deeply within our valued guests and has also been reflected through our **Net Promoter Score of 78% across our domestic hotels.**

2. Turnover of products and/or services as a percentage of turnover from all products/services that carry information about:

	As a % to total turnover

Secretarial Audit Report

For the Financial Year ended March 31, 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 read with Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To,
The Members,
EIH Limited
4, Mangoe Lane,
Kolkata – 700 001

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by “**EIH Limited**” (“the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conduct/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives, during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended March 31, 2023 (“the Financial Year”), complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place, to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended March 31, 2023, according to the provisions of:

- I. The Companies Act, 2013 (“the Act”) as amended from time to time and the Rules made thereunder read with notifications, exemptions and clarifications thereto;
- II. The Securities Contracts (Regulation) Act, 1956 as amended from time to time and the Rules made thereunder;
- III. The Depositories Act, 1996 as amended from time to time and the Regulations and Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 as amended from time to time and the Rules and Regulations made thereunder, to the extent applicable to Foreign Direct

Investment, Overseas Direct Investment and External Commercial Borrowings;

V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 viz.:

- a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, as amended from time to time.
- b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, as amended from time to time and compliance with the Structured Digital Database.
- c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended from time to time. These regulations were not applicable to the Company during the Financial Year since the Company did not raise any equity from the public or through rights issue and hence, these regulations have not been examined for the purpose of this report.
- d) The Securities and Exchange Board of India (Share-Based Employee Benefits and Sweat Equity) Regulations, 2021. These regulations were not applicable to the Company during the Financial Year since the Company does not have any such scheme in operation and hence, these regulations have not been examined for the purpose of this report.
- e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021, as amended from time to time. These regulations were not applicable to the Company during the Financial Year since the Company did not raise any money through non-convertible securities and hence, these regulations have not been examined for the purpose of this report.
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, as amended from time to time. These regulations have cease to become applicable to the Company since it has surrendered the license after having stopped share transfer agents operations during the previous Financial Year ended March 31, 2022

and had appointed Link Intime India Private Limited as its share transfer agents.

- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021, as amended from time to time. These regulations did not become applicable to the Company during the Financial Year and hence, these regulations have not been examined for the purpose of this report.
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018, as amended from time to time. These regulations were not applicable to the Company during the Financial Year since the Company did not buy-back any of its securities and hence, these regulations have not been examined for the purpose of this report.

VI. Also, other significant policies and regulations specifically applicable to the Company, including:

- a) Tourism Policy of Government of India and Classification of Hotels.
- b) Food Safety and Standards Act, 2006 and Rules made thereunder.
- c) The Air (Prevention and Control of Pollution) Act, 1981 and Rules made thereunder.
- d) The Water (Prevention and Control of Pollution) Act, 1974 and Rules made thereunder.
- e) Phonographic and Performance License.
- f) Indian Explosives Act, 1884 and Rules made thereunder.
- g) The Apprentices Act, 1961 and Rules made thereunder.
- h) India Boiler Act, 1923

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India.
- (ii) The Listing Agreements entered into by the Company with The National Stock Exchange of India Limited (NSE) and BSE Limited (BSE).
- (iii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“the Listing Regulations”) as amended from time to time, read with circulars issued thereunder.

Accordingly, EIHFSL allotted 388,108,108 shares of the denomination of MUR 0.74 each to the Company. As per management representation, on receipt of regulatory approvals, the sale process was completed during the financial year and the Company received the sale consideration in terms of the Share Purchase Agreement.

We further report that during the Financial Year there were no other specific events/ actions having major bearing on the Company's affairs in pursuance of the above referred laws, regulations, guidelines, standards etc. referred to above.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company, to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

For the purpose of examining adequacy of compliances with other applicable laws including industry/sector specific laws, under both Central and State legislations, reliance has been placed on the Compliance Certificate issued by the Company Secretary for each quarter as placed before the Board meeting, based on the reports and compliance certificates received by the Company from its hotels, resorts and service units etc. as part of the Company's compliance management and reporting system. Based on the aforesaid internal compliance certificates, we are of the opinion that the Company has generally complied with the following:

- i) Deposit of Provident Fund, Employee State Insurance, Employee Deposit Linked Insurance and other employee related statutory dues.
- ii) Applicable stipulations pertaining to the Payment of Wages Act, Minimum Wages Act, Contract Labour (Regulation and Abolition) Act and other related legislations.
- iii) Deposit of taxes relating to Income Tax and Goods & Services Tax and other applicable taxes including Tax deducted at source. However, cases of disputed tax liabilities of substantial amount are brought up at each Board meeting and appropriate action is taken and recorded in the minutes of the meetings. Total amount of disputed tax liability is included under Contingent

Liabilities in the 'Notes to Accounts' forming an integral part of the Financial Statements for the Financial Year.

- iv) Applicable state and central laws, including those related to the Environment, Food Safety & Standards, Apprentice and Performance License, pertaining to the operations of the Company. However, notices from the statutory authorities, whenever received, are reported as part of Board process for compliance reporting and appropriate action is taken from time to time.

Independent Auditor's Report

To The Members of EIH Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **EIH Limited** ("the Company"), which comprise the Balance Sheet as at March 31 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31 2023, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Assessment of impairment of investment in a wholly owned subsidiary of the Company (Refer Note 1(I)(iii), 8 to the Standalone Financial Statements)</p> <p>The Company has a non-current investment in EIH International Ltd ("EIL"), a wholly owned subsidiary of the Company, amounting to ₹ 5,082.77 Million. The Company performed an impairment assessment at the year end and concluded that the recoverable amount exceeded the carrying amount as at March 31, 2023 and accordingly, there was no impairment loss.</p> <p>Due to the multitude of factors and assumptions involved in determining the forecasted revenues/cash flows, discount rate and terminal growth rate in the projection period, significant judgments are required to estimate the recoverable value.</p> <p>Hence this is considered as a key audit matter.</p>	<p>Principal audit procedures performed:</p> <ul style="list-style-type: none"> We have understood and tested the design, implementation and operating effectiveness of the management controls over the assessment and conclusion over the impairment evaluation with regard to the investment in EIL. Assessed the appropriateness of the valuation model to determine the recoverable amount (Value in use). Assessed the appropriateness of the key assumptions/judgements used in determining the recoverable amount and the reasonableness of the future cash flow projections, the growth rates and the discount rate. Assessed the reasonableness of the previously prepared projections to determine management's ability to forecast adequately and understand the reason for any material variances. Considered the sensitivity of reasonable possibility of changes in the key assumptions and inputs to determine the effect on the recoverable amount. Checked the mathematical accuracy of the model. Involved our internal fair valuation specialist to test the valuation model, the discount rates and growth rate. Assessed the adequacy of related disclosures in the notes to the standalone financial statements and their compliance with Ind AS.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's Annual Report such as Management Discussion and Analysis, Directors' Report including annexures to the Directors' Report, Business Responsibility and Sustainability Report, Report on Corporate Governance, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.
- Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board

of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence

Independent Auditor's Report (Contd.)

obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirement

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to standalone financial statements.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. Refer Note 46(a) and 46A to the standalone financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for

which there were any material foreseeable losses. Refer Note 43 to the standalone financial statements.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company. Refer Note 47 to the standalone financial statements.

iv. (a) The Management has represented that, to the best of its knowledge and belief, as disclosed in note 60 (ix) to the standalone financial statements no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of its knowledge and belief, as disclosed in note 60 (x) to the standalone financial statements, no funds have been received by the Company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever

by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. As stated in note 20(iv) to the standalone financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act, as applicable.

vi. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company w.e.f. April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

“Annexure A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls with reference to standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to standalone financial statements of EIH Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Board of Directors is responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to standalone financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal

financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to standalone financial statements

A company’s internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls

with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

“Annexure A” to the Independent Auditor’s Report

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that

(i)(a) A. The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, capital work-in-progress, investment properties and relevant details of right-of-use assets.

B. The Company has maintained proper records showing full particulars of intangible assets.

(i)(b) The Company has a program of verification of property, plant and equipment, capital work- in-progress, investment property and right-of-use assets so as to cover all the items in a phased manner over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment, capital work- in-progress, and

right-of-use assets were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification. Since no physical verification of investment property was due during the year the question of reporting on material discrepancies noted on verification does not arise.

(i)(c) With respect to immovable properties (other than properties where the Company is the lessee) disclosed in the standalone financial statements included in property, plant and equipment, investment property and non-current assets held for sale, according to the information and explanations given to us and based on the examination of the registered sale deed / conveyance deed / indenture for sale / completion certificate / occupation certificate and property tax receipts provided to us, we report that, the title deeds of such immovable properties are held in the name of the Company as at the balance sheet date, except as mentioned below:

(i)(e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

(ii)(a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with the books of account.

(ii)(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of ₹ 5 crores, in aggregate, at points of time during the year, from banks or financial institutions on the basis of security of current assets, including fixed deposits. In our opinion and according to the information and explanations given to us and based on the sanction letter/acknowledgement of correspondence with the bank, no returns or statements were required to be filed by the Company with one such bank till the date of this report and the quarterly returns or statements comprising stock statements, and book debt statements filed by the Company with three such banks are in agreement with the unaudited books of account of the Company of the respective quarters.

(iii) The Company has made investments in and granted loans (secured), to Companies or any other parties during the year, in respect of which:

(a) The Company has provided loans during the year and details of which are given below:

	(Rupees Million)
	Loans
A. Aggregate amount granted / provided during the year:	
- Subsidiary	-
- Others	1.71
B. Balance outstanding as at balance sheet date in respect of above cases:	
- Subsidiary	-
- Others	1.83

The Company has not provided any advances in the nature of loans or guarantee or security to any other entity during the year.

(b) The investments made and the terms and conditions of the grant of all the above-mentioned loans provided, during the year are, in our opinion, *prima facie*, not prejudicial to the Company's interest.

(c) In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are regular as per stipulation.

(d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.

(e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

(f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause (iii)(f) is not applicable.

The Company has not provided any guarantee or security, and granted any loans (unsecured) or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year.

(iv) The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013, to the extent applicable, in respect of loans granted, investments made and guarantees and securities provided, as applicable.

(v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause (v) of the Order is not applicable.

(vi) The maintenance of cost records has not been specified for the activities of the Company by the Central Government under section 148(1) of the Companies Act, 2013.

(vii) (a) In respect of statutory dues:

Undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, duty of Custom, Value Added Tax, cess and other material statutory dues applicable to the Company have generally been regularly deposited by it with the appropriate authorities though there have been slight delays in some cases in respect of remittance of Provident Fund and Goods and Service tax.

We have been informed that the operations of the Company did not give rise to any liability of Sales Tax, Service Tax and duty of Excise during the year.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident

Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess, and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.

(vii) (b) Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2023 on account of disputes are given below:

There are no statutory dues of Provident Fund, duty of Custom, duty of Excise, cess and other material statutory dues which have not been deposited on account of disputes as on March 31, 2023.

(viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.

(ix) (a) In our opinion, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has not taken any term loan during the year and there are no unutilised term loans at the beginning of the year and hence, reporting under clause (ix)(c) of the Order is not applicable.

(d) On an overall examination of the standalone financial statements of the Company, funds raised on short-term basis have, *prima facie*, not been used during the year for long-term purposes by the Company.

(e) On an overall examination of the standalone financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

(f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint ventures or associate companies.

(x) (a) The Company has not issued any of its securities (including debt instruments) during the year and hence reporting under clause (x)(a) of the Order is not applicable.

(b) During the year the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause (x)(b) of the Order is not applicable to the Company.

(xi) (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) To the best of our knowledge, no report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) We have taken into consideration the whistle blower complaints received by the Company during the year and upto the date of this report and provided to us, when performing our audit.

(xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.

(xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements etc. as required by the applicable accounting standards.

(xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered the internal audit reports of the Company issued till date, for the period under audit.

(xv) In our opinion during the year the Company has not entered into any non-cash transactions with any of its directors or directors of its holding company, subsidiary company, associate company, as applicable, or persons connected with such directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

(xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause (xvi)(a), (b) and (c) of the Order is not applicable.

The Group has more than one CIC as part of the group. There are two CICs forming part of the group.

(xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors of the Company during the year.

(xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements

and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year

from the balance sheet date, will get discharged by the Company as and when they fall due.

(xx) The Company did not have average net profits during the three immediately preceding financial year and therefore was not required to spend any amount towards Corporate Social Responsibility (CSR) during the year and there are no unspent CSR amounts for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

GENERAL INFORMATION

EIH Limited ("the Company") is a public Company limited by shares, incorporated and domiciled in India having its Registered Office at 4, Mangoe Lane, Kolkata – 700 001. The Company is primarily engaged in owning and managing premium luxury hotels and cruisers under the luxury 'Oberoi' and 'Trident' brands. The Company is also engaged in flight catering, airport restaurants, project management and corporate air charters.

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the preparation of these standalone financial statements of EIH Limited. These policies have been consistently applied to all the periods presented, unless otherwise stated.

a) Basis of preparation

(i) Compliance with Indian Accounting Standards (Ind AS)

The standalone financial statements have been prepared in accordance with Ind AS prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, and other accounting principles generally accepted in India, as a going concern on accrual basis.

Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted, or a revision of an existing Accounting Standard requires a change in the accounting policy hitherto in use.

(ii) Historical cost convention

The standalone financial statements have been prepared on a historical cost basis, except for the following:

- Equity investments in entities other than subsidiaries, joint ventures and associates which are measured at fair value;
- Defined benefit plans – plan assets measured at fair value;
- Customer loyalty programmes.

(iii) Use of estimates

In preparing the standalone financial statements in conformity with accounting principles generally accepted in India, management is required to make estimates and assumptions that may affect the

reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of standalone financial statements and the amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognised in the period the same is determined.

b) Revenue recognition

- Performance obligation in contracts with customers is met throughout the stay of guest in the hotel or on rendering of services and sale of goods.
- Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of services rendered is net of variable consideration on account of various trade discounts and schemes offered by the Company as part of the contract.
- Interest income is accrued on a time proportion basis using the effective interest rate method.
- Interest income from debt instruments is recognised using the effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.
- Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Company's activities as described below. The Company bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

Timing of revenue recognition from major business activities.

• **Hospitality Services:**

• Revenue from hospitality services is recognised when the services are rendered and the same becomes chargeable or when collectability is certain. This includes room revenue and food and beverage revenue.

• **Other services:**

• Revenue from shop licence fee, management and marketing fee included under "Other services" is recognised on accrual basis as per terms of the contract. Shop licence fees basically consists of licence fees earned from letting of spaces for retail and office at the hotels. Management and marketing fee is earned from hotels managed by the Company, as a percentage of profit and revenue and are recognised when earned in accordance with the terms of the contract, when collectability is certain and when the performance criteria are met. Management fee and marketing fee are treated as variable considerations. In respect of laundry income, Spa income, guest transfers income and other allied services, the revenue is recognised by reference to the timing of the services rendered.

• **Membership Fees:** Membership fee consists of fees received from the Belvedere business club members. Membership joining fee is charged when the customer enrolls for membership programmes and membership renewal fee is charged at the time of yearly renewal of the membership. In respect of performance obligations satisfied over a period of time, revenue is recognised at the allocated transaction price on a time-proportion basis.

• **Loyalty programme:** The Company operates loyalty programme, under which the eligible customers earn points based on their spending at the hotels. The points so earned by such customers are accumulated. The revenues attributable to earned loyalty points is deferred and a contract liability is created and on redemption/expiry of such loyalty points, revenue is recognised at pre-determined rates.

c) Foreign currency translation

(i) Presentation currency

The standalone financial statements are presented in INR which is the Functional Currency of the Company.

(ii) Transactions and balances

Effective April 1, 2018, the Company had adopted Appendix B to Ind AS 21, "Foreign Currency Transactions" and Advance Consideration which clarifies the date of transaction for the purpose of determining the exchange rate to be used on initial recognition of the related asset, expense or income when an entity had received or paid advance consideration in a foreign currency. The effect on account of adoption of this amendment was insignificant.

Sales made in any currency other than the functional currency of the Company are converted at the prevailing applicable exchange rate. Gain/Loss arising out of fluctuations in exchange rate is accounted for on realisation or translation into the reporting currency of the corresponding receivables at the year end.

Payments made in foreign currency including for acquiring investments are converted at the applicable rate prevailing on the date of remittance. Liability on account of foreign currency is converted at the exchange rate prevailing at the end of the year. Monetary items denominated in foreign currency are converted at the exchange rate prevailing at the end of the year.

Revenue expenditure of all the overseas sales offices are converted at the average exchange rate for the year. Assets and liabilities other than property, plant and equipment are converted at the exchange rate prevailing at the close of the accounting year and property, plant and equipment are converted at the month-end exchange rate of the month of acquisition.

Foreign currency loans covered by forward contracts are realigned at the forward contract rates, while those not covered by forward contracts are realigned at the rates ruling at the year end. The differences on realignment is accounted for in the Statement of Profit and Loss.

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

d) Income tax

Current income tax is recognised based on the taxable profit for the year, using tax rates and tax laws that have been enacted or substantially enacted on the date of balance sheet.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulations are subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Effective April 1, 2019, the Company had adopted Appendix C to Ind AS 12, "Income taxes", which clarifies how to apply the recognition and measurement requirements in Ind AS 12, "Income taxes" when there is uncertainty over income tax treatments. The effect on adoption of Appendix C to Ind AS 12, "Income taxes" was insignificant.

e) Deferred tax

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the standalone financial statements, using tax rates and tax laws that have been enacted or prescribed on the date of balance sheet.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets are recognised for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax are recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity, in which case, the taxes are also recognised in other comprehensive income or directly in equity respectively.

f) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker ("CODM").

The Board of Directors of the Company, which has been identified as being the CODM, generally assesses the financial performance and position of the Company, and makes strategic decisions.

g) Leases

Effective April 1, 2019, the Company had adopted Ind AS 116, "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method. The impact of adoption of the standard on standalone financial statements of the Company has been disclosed in the notes to standalone financial statements.

On adoption of Ind AS 116, "Leases" the Company recognised lease liabilities in relation to certain leases which had previously been classified as 'operating leases' under the principles of Ind AS 17, "Leases". These liabilities were measured at the present value of the remaining lease payments, discounted using the Company's incremental borrowing rate as of April 1, 2019.

For leases previously classified as finance leases the entity recognised the carrying amount of the lease assets and lease liabilities immediately before transition as the carrying amount of the right-of-use assets and the lease liabilities at the date of initial application. The measurement principles of Ind AS 116, "Leases" are only applied after that date.

The Company as a lessee:

The Company's lease asset classes primarily consist of leases for land, building and vehicle leases. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs incurred by the lessee less any lease incentives and estimated restoration costs of the underlying asset where applicable. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. If the Company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying assets useful life.

Right-of-use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant

periodic rate of interest on the remaining balance of the liability for each period.

The Company remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

- The lease term has changed or there is a significant event or change in circumstances resulting in a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.
- The lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which cases the lease liability is remeasured by discounting the revised lease payments using an unchanged discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used).
- A lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured based on the lease term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

The Company has made such adjustments during the periods presented. Refer note 5.

Lease liabilities and right-of-use assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company applies the practical expedient provided by the standard allowing not to separate the lease component from other service components included in its lease agreements. Accordingly, all fixed payments provided for in the lease agreement, whatever their nature, are included in the lease liability. The interest cost on lease liability (computed using effective interest method), is expensed in the Statement of Profit and Loss.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right of-use asset arising from the head lease.

For operating leases, rental income is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying asset and recognised as expense over the lease term on the same basis as lease income.

h) Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's or cash generating unit's carrying amount exceeds its recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life. Assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. In case of such reversal, the carrying amount of the asset is increased so as not to exceed the carrying amount that would have been determined had there been no impairment loss.

Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying amounts of assets to the extent that it does not exceed the carrying amounts that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised in previous years.

i) Cash and cash equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash in hand, cash at bank and demand deposits with the banks. It also includes short-term deposits with original maturities of three months or less.

j) Trade receivables

Trade receivables are initially measured (initial recognition amount) at their transaction price (in accordance with Ind AS 115) unless those contain a significant financing component determined in

accordance with Ind AS 115 or when the entity applies the practical expedient in accordance with para 63 of Ind AS 115 and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

k) Inventories

Inventories are valued at cost and net realisable value, whichever is lower. Cost is determined based on cumulative weighted average method. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition and includes, where applicable, appropriate overheads based on normal level of activity. Net realisable value is the estimated selling price less estimated costs for completion and sale. Unserviceable/ damaged/ discarded stocks and shortages are charged to the Statement of Profit and Loss.

l) Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will be recorded in the Statement of Profit and Loss. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value, plus in the case of a financial asset not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit or Loss. However, trade receivables that do not contain

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

significant financing component are measured at transaction price.

(a) Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to Statement of Profit and Loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss (FVTPL): Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss

(b) Equity instruments

The Company subsequently measures all equity investments at fair value. Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/(losses) in the Statement of Profit and Loss.

(iii) Impairment of financial assets

The Company assesses at each reporting date whether a financial asset (or a group of financial assets) such as investments, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive

income are tested for impairment based on evidence or information that is available without undue cost or effort. The Company assesses on a forward-looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109, "Financial Instruments", which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(iv) Derecognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(v) Income recognition

Interest income: Interest income from debt instruments is recognised using the effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

Dividend income: Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

m) Financial liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption/settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet. Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

n) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost represents direct expenses incurred on acquisition or construction of the assets and the share of indirect expenses relating to construction allocated in proportion to the direct cost involved.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Capital work-in-progress comprises the cost of property, plant and equipment that are not yet ready for their intended use on the reporting date and materials at site.

Transition to Ind AS

On transition to Ind AS, the Company had elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2015 measured as per the previous GAAP and used that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment other than hotel buildings and owned flight kitchen buildings is provided on 'Straight-Line Method' based on useful life as prescribed under Schedule II of the Companies Act, 2013. Buildings on leasehold land (other than perpetual lease) are depreciated over the useful life or over the remaining lease period whichever is shorter.

The hotel buildings and owned flight kitchen buildings are depreciated equally over the balance useful life ascertained by independent technical expert as on March 31, 2023, which ranges between 20 years and 52 years for hotel buildings and 44 years and 53½ years for owned flight kitchen buildings and the total useful life of the said buildings are higher than those specified by Schedule II to the Companies Act, 2013. The management believes that the balance useful lives so assessed best represent the periods over which hotel buildings and owned flight kitchen building are expected to be in use. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each financial year.

Freehold land is not depreciated.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss within other gains/(losses).

o) Intangible assets

Intangible assets are stated at cost less accumulated amortisation and net of impairments, if any. An intangible asset is recognised if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and its cost can be measured reliably. Intangible assets are amortised on straight-line basis over their estimated useful lives.

Transition to Ind AS

On transition to Ind AS, the Company had elected to continue with the carrying value of all of its intangible assets recognised as at April 1, 2015 measured as per the previous GAAP and used that carrying value as the deemed cost of the intangible assets.

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

p) Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16, "Property, plant and equipment" requirements for cost model.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

Depreciation methods, useful lives and residual values are in accordance with the policy of property, plant and equipment.

q) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

r) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of respective assets during the period of time that is required to complete and prepare the asset for its intended use. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred. Borrowing costs is measured at amortised cost using effective interest rate method.

s) Provisions, contingent liabilities and contingent assets

Provisions are recognised when there is a present legal or statutory obligation or constructive obligation as a result of past events and where it is probable that there will be outflow of resources to settle the

obligation and when a reliable estimate of the amount of the obligation can be made.

Contingent liabilities are disclosed only when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets where it is probable that future economic benefits will flow to the Company are not recognised but disclosed in the standalone financial statements. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

t) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Post-employment obligations

The Company operates the following post-employment schemes:

Gratuity obligations -

Maintained as a defined benefit retirement plan and contribution is made to the Life Insurance Corporation of India. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Leave encashment on termination of service -

The liabilities for earned leave are expected to be settled on termination/completion of service of employee. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in other comprehensive income.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Provident Fund -

The Company pays provident fund contributions to a fund administered by Government Provident Fund Authority. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

u) Dividends

Liability is created for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity.

v) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit/(loss) for the year attributable to equity shareholders of the Company
- by the weighted average number of equity shares outstanding during the financial year.

(ii) Diluted earnings per share

Diluted earnings per share adjusts the number of equity shares used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of equity shares including additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares happened.

w) Government grants/incentives

Government grants/incentives that the Company is entitled to on fulfillment of certain conditions, but are available to the Company only on completion of some other conditions, are recognised as income at fair value on completion of such other conditions.

Grants/incentives that the Company is entitled to unconditionally on fulfillment of certain conditions, such grants/incentives are recognised at fair value as income when there is reasonable assurance that the grant/incentives will be received.

x) Investment in subsidiaries, joint ventures and associates

Investment in subsidiaries: A subsidiary is an entity controlled by the Company. Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over entity.

Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns.

Investments in subsidiaries are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost.

Investment in joint ventures and associates: A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

An associate is an entity over which the Company has significant influence.

The investment in joint ventures are carried at cost. The investment in associates are carried at cost except for those investments which were required to be fair valued until the investee had not become an associate. The carrying amount of such investments is the sum of fair value of the investment until the time the investee had not become an associate and the cost of investment as a result of which the investee became an associate entity. Any further investments made in that associate thereafter are carried at cost. The cost comprises price paid to acquire investment and directly attributable cost.

Transition to Ind AS

On transition to Ind AS, the Company had elected to continue with the carrying value of all of its investment in subsidiaries, joint ventures and associates recognised as at April 1, 2015 measured as per the previous GAAP and used that carrying value as the deemed cost of the investment in subsidiaries, joint ventures and associates.

y) Assets held for sale

Non-current assets (or disposal groups) are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.

An impairment loss is recognised for any initial or subsequent write-down of the asset (or disposal group) to fair value less costs to sell. A gain is recognised for any subsequent increases in fair value less costs to sell of an asset (or disposal group), but not in excess of any cumulative impairment loss previously recognised. A gain or loss not previously recognised by the date of the sale of the non-current asset (or disposal group) is recognised at the date of de-recognition.

Non-current assets (including those that are part of a disposal group) are not depreciated or amortised

while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal group classified as held for sale continue to be recognised.

Non-current assets classified as held for sale and the assets of a disposal group classified as held for sale are presented separately from the other assets in the balance sheet. The liabilities of a disposal group classified as held for sale are presented separately from other liabilities in the balance sheet.

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single coordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the Statement of Profit and Loss.

z) Rounding of amounts

All amounts disclosed in the standalone financial statements and notes have been rounded off to the nearest million with two decimals as per the requirement of Schedule III, unless otherwise stated.

2 RECENT ACCOUNTING PRONOUNCEMENTS

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1 - Presentation of Financial Statements

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company does not expect the amendment to have any significant impact in its standalone financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

amendment is annual periods beginning on or after April 1, 2023. The Company does not expect the amendment to have any significant impact in its standalone financial statements.

Ind AS 12 - Income Taxes

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company does not expect the amendment to have any significant impact in its standalone financial statements.

Other amendments

Other amendments including amendments in Ind AS 102, Share-based Payments, Ind AS 103, Business Combination, Ind AS 109, Financial Instruments, Ind AS 115, Revenue from Contract with Customers, are mainly editorial in nature in order to provide better clarification of respective Ind AS. The Company does not expect to have any significant impact in its standalone financial statements due to these amendments.

3 SIGNIFICANT ESTIMATES AND JUDGEMENTS

The preparation of standalone financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides information about the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Detailed information about each of these estimates or judgements is included in relevant notes together with information about the basis of calculation for each impacted line item in the standalone financial statements.

(i) Useful life of the hotel buildings

In the case of hotel buildings forming part of property, plant and equipment of the Company, due to superior structural condition of such buildings, the management decided to assess the balance useful life by independent technical expert. As per the certificates of the technical expert as on March 31, 2023, the balance useful life of the hotel buildings ranges between 20 years and 52 years. The total useful life of the hotel buildings as assessed are higher than those specified by Schedule II to the Companies Act, 2013. The carrying amount of the hotel buildings is being depreciated over its residual life. Based on management evaluation performed at each reporting period, there has been no change in the earlier assessed useful life.

(ii) Advance towards equity shares

The building of Mashobra Resort Limited ('MRL'), a component of the Group, is situated on a land which has been classified as freehold, based on the conveyance deed dated February 6, 1997. The conveyance deed was executed pursuant to a Joint Venture Agreement ("the Agreement") (dated October 30, 1995) between the Government of Himachal Pradesh and the Company pursuant to which MRL was established for setting up and running the Hotel. The Government of Himachal Pradesh, from whom the land was acquired had terminated the said Agreement for alleged non-fulfilment of its terms by EIH Limited and sought to take consequential actions pursuant thereto. The matter was disputed and was referred by the High Court of Himachal Pradesh by an order dated December 17, 2003 to an arbitrator appointed by the Hon'ble High Court of Himachal Pradesh who rendered an award on July 23, 2005. The Arbitral Award required, amongst other things, the execution of the lease deed for the said land between MRL and the Government of Himachal Pradesh.

Being aggrieved by the Arbitral Award, the Company and MRL, challenged the award, firstly before the Single Judge and then before the Division Bench of Hon'ble High Court of Himachal Pradesh. The operation of the said award was stayed till the disposal of appeal. Consequently, the status quo ante of the entire matter was restored to the position as on December 17, 2003 and the hotel was being operated by MRL

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

accordingly. The Company vide its letter dated April 4, 2012 requested MRL to account for the entire amount of ₹ 1,361.93 million provided to MRL up to March 31, 2012 as 'Advance towards equity'. In view of the above, the Company had disclosed the said amount of ₹ 1,361.93 million as 'Advance towards equity' under Other non-current financial assets in its books of account.

The Division Bench of Hon'ble High Court of Himachal Pradesh vide its order dated October 13, 2022 has upheld the Arbitral Award dated July 23, 2005. The Company and MRL were legally advised to comply with the directions of the Arbitral Award within a reasonable period from the High Court order dated October 13, 2022. Consequently, the Company's intention to implement the Arbitral Award was communicated to the Government of Himachal Pradesh vide letter dated October 18, 2022 and execution petition was filed with the Hon'ble High Court of Himachal Pradesh on March 28, 2023. Accordingly, the Company has recorded an obligation of ₹ 140.20 million based on the management's best estimate of outflow of economic resources upon compliance with the Arbitral Award, which has been classified as "Exceptional items" in the Standalone Statement of Profit and Loss for the year ended March 31, 2023. Based on discussion with Government of Himachal Pradesh, there may be further obligation of interest on Arbitral Award therefore the Company has recorded obligation of ₹ 105.20 million towards interest and disclosed as "Exceptional items" which is included in the above-mentioned obligation.

The Company has recorded an obligation of ₹140.20 million based on the management's best estimate of expense upon compliance with the Arbitral Award, which has been classified as "Exceptional item" in the Standalone Statement of Profit and Loss for the year ended March 31, 2023. Further, based on subsequent discussion with The Government of Himachal Pradesh, the interest on such award is also payable and accordingly, an interest payable in respect of such award up to March 31, 2022 of ₹ 105.20 million has been recorded as exceptional item in the Standalone Statement of Profit and Loss for the year ended March 31, 2023 and interest for the current year has been accounted as finance cost in the Standalone Statement of Profit and Loss for the year ended March 31, 2023.

Based on the above Arbitral Award, the Company has recorded a further obligation of ₹ 6.30 million as finance cost in the Standalone Statement of Profit and Loss for the year ended March 31, 2023. The obligations recorded in the Standalone Financial Statements for the year ended March 31, 2023 are subject to the outcome of execution petition filed before the Hon'ble High Court of Himachal Pradesh.

Further, as per the Arbitral Award, upon execution of the lease deed in respect of land and upon payment of the stipulated consideration, the Government of Himachal Pradesh is to facilitate transfer of all its shares to the Company. Also, the Company had recognised a liability of ₹ 70.00 million towards 21.21% of equity share capital of MRL, payable as consideration for transfer of shares held by the Government of Himachal Pradesh in favour of the Company and has recognised corresponding amount under other non-current financial assets. Pending transfer of shares pursuant to the Arbitral Award, the Company continues to disclose the amount of ₹ 1,361.93 million as 'Advance towards equity', under Other non-current financial assets in its books of account.

(iii) Claims, provisions and contingent liabilities:

The Company has ongoing litigations with various regulatory authorities and third parties with respect to tax/legal matters. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Contingent liabilities are possible obligations whose existence will be confirmed only on the occurrence or non-occurrence of uncertain future events outside the Company's control, or present obligations that are not recognised because it is not probable that a settlement will be required or the value of such a payment cannot be reliably estimated. These are subjective in nature and involve judgement in determining the likely outcome of such tax/legal matters.

Nature and purpose of Reserves

(i) Capital redemption reserve

Capital redemption reserve represents the statutory reserve created by the Company for the redemption of its preference share capital. The same can be utilised by the Company for issuing fully paid bonus shares.

(ii) Securities premium

This reserve represents the premium on issue of shares and can be utilised in accordance with the provisions of the Companies Act, 2013.

(iii) General reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. There is no policy of regular transfer. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit or loss.

(iv) Retained earnings - Surplus

Retained earnings represents accumulated profits of the Company. It can be utilised in accordance with the provisions of the Companies Act, 2013.

(ii) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the standalone financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its standalone financial instruments into the three levels prescribed under the accounting standard.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed financial instruments that have quoted price. The fair value of all financial instruments which are traded in the stock exchanges is valued using the closing price as at the end of the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, security deposits included in level 3.

(iii) Assets and liabilities which are measured at amortised cost for which fair values are disclosed

For all the financial assets and financial liabilities measured at amortised cost, carrying value is an approximation of their respective fair value.

(iv) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

Investment in Green Infra Wind Generation Limited and ReNew Wind Energy (Karnataka) Private Limited are made pursuant to the contract for procuring electricity supply at the hotels units. Investment in the said companies is not usually traded in the market. Considering the terms of the electricity supply contract, the management of the Company has assessed that cost represents the best estimate of its fair value.

For the investment in Golden Jubilee Hotels Private Limited (GJHPL), the management was of the view that carrying value of the investment is representative of its fair value as on April 1, 2015. As on April 1, 2015, no indicators of impairment were existing. However, during the financial year 2015-16, due to the non-payment of bank borrowings and other obligation, petition for the winding up had been filed by the creditors and lenders of the GJHPL. Considering the financial position of the GJHPL and legal proceedings initiated by lenders, the management had fully provided for the investment in GJHPL as on March 31, 2016.

43 FINANCIAL RISK MANAGEMENT

The Company's activities expose it to market risk (including currency risk, interest rate risk and other price risk), liquidity risk and credit risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk:

The Company's risk management is carried out by the treasury department under policies approved by the Board of Directors. The Company's treasury department identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The Board of Directors provides principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of non-derivative financial instruments, and investment of excess liquidity.

(A) Market risk

(i) Foreign currency risk

Foreign currency risk arises from future commercial transactions and recognised assets or liabilities denominated in a currency that is not the Company's functional currency (₹).

The exposure of the Company to foreign currency risk is not significant. However, this is closely monitored by the management to decide on the requirement of hedging. The position of foreign currency exposure to the Company as at the end of the year expressed in ₹ is as follows:

	(₹ in million)	
Currency	Receivables	Payables
March 31, 2023

(ii) Interest rate risk

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period depends on the mix of fixed rate and floating rate of the borrowings and the expected movement of market interest rate. The status of borrowings in terms of fixed rate and floating rate are as follows:

	₹ in million	
	March 31, 2023	March 31, 2022
Variable rate borrowings	565.48	2,335.11
Fixed rate borrowings	-	1,000.00
Total borrowings	565.48	3,335.11

As at the end of the reporting period, the Company had the following variable rate borrowings outstanding:

	Weighted average interest rate	Balance	% of total loans
31-Mar-23			
Bank loans, Cash credit	7.80%	565.48	100%
31-Mar-22			
Bank loans, Cash credit	7.55%	2,335.11	70%

Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

	₹ in million	
	March 31, 2023	March 31, 2022
Interest rates – increase by 50 basis points (50 bps)	(2.83)	(11.68)
Interest rates – decrease by 50 basis points (50 bps)	2.83	11.68

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

(iii) Price risk

The Company's exposure to equity securities' price risk arises from investments held by the Company in equity securities and classified in the balance sheet as fair value through profit or loss (refer note 8). However, the Company does not have a practice of investing in equity securities with a view to earn gain from change in fair value. As per the Company's policies, whenever any investment is made by the Company in equity securities, the same is made either with some strategic objective or as a part of contractual arrangement.

(B) Credit risk

Credit risk arises when a counter party defaults on contractual obligations resulting in financial loss to the Company.

Trade receivables consist of large number of customers, spread across diverse industries and geographical areas. In order to mitigate the risk of financial loss from defaulters, the Company has an ongoing credit evaluation process in respect of customers who are allowed credit period. In respect of walk-in customers the Company does not allow any credit period and therefore, is not exposed to any credit risk.

The Company does not have any derivative transactions and therefore is not exposed to any credit risk on account of derivatives. The Company does not have any long-term contracts for which there are any material foreseeable losses.

Reconciliation of provision for doubtful trade receivables

(C) Liquidity risk

The Company has a liquidity risk management framework for managing its short-term, medium-term and long-term sources of funding vis-à-vis short-term and long-term utilisation requirement. This is monitored through a rolling forecast showing the expected net cash flow, likely availability of cash and cash equivalents, and available undrawn borrowing facilities.

(i) Financing arrangements: The position of undrawn borrowing facilities at the end of reporting period is as follows:

	₹ in million	
	March 31, 2023	March 31, 2022

(i) Employee benefit plans

a) Gratuity

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The Company operates a gratuity plan through the "EIH Employees' Gratuity Fund". Gratuity plan is a funded plan and the Company through Gratuity Trust makes contributions of funds to Life Insurance Corporation of India. Provision/write back, if any, is made on the basis of the present value of the liability as at the Balance Sheet date determined by actuarial valuation following Projected Unit Credit Method.

b) Leave encashment

As per the policy of the Company, obligations on account of encashment of accumulated leave of an employee is settled only on separation of the employee. Such liability is recognised on the basis of actuarial valuation following the projected unit credit method. It is an unfunded plan.

(ii) Defined contribution plans

The Company also has certain defined contribution plans. Contributions are made to provident fund in India for employees as per applicable regulations. The contributions are made to registered provident fund administered by the government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

	Change in assumptions		Impact on defined benefit obligation (₹ in million)			
	March 31, 2023	March 31, 2022	Increase by 1%		Decrease by 1%	
			March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
Gratuity						
Discount rate	1%	1%	(30.66)	29.98	33.88	33.35
Salary growth rate	1%	1%	33.91	33.55	(31.32)	(30.68)
Leave Encashment						
Discount rate	1%	1%	(14.13)	(13.59)	15.83	15.34
Salary growth rate	1%	1%	15.90	15.44	(14.44)	(13.90)

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method i.e. projected unit credit method has been applied as that used for calculating the defined benefit liability recognised in the balance sheet.

Sensitivities due to change in demographic and investment assumptions are not material and hence the impact of change due to these is not disclosed.

(vi) The major categories of plan assets are as follows:

	March 31, 2023		March 31, 2022	
	Unquoted	in %	Unquoted	in %
Investment funds with LIC of India *	544.75	100%	515.81	100%
Total	544.75	100%	515.81	100%

* The Gratuity trust pays contributions to LIC which in turn invests the amount in various instruments. As the investment is done by LIC on an aggregated basis in respect of the contributions received from all its participants, the Company wise investment in planned assets - category/class-wise details are not available.

(vii) Risk exposure

The defined benefit obligations have the undermentioned risk exposures:

Interest rate risk: The defined benefit obligation is calculated using a discount rate based on government bonds. If bond yields fall, the defined benefit obligation is likely to increase.

Salary Inflation risk: Higher than expected increases in salary will increase the defined benefit obligation.

Demographic risk: This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation depends upon the combination of salary increase, discount rate and vesting criteria.

Investment risk: This may arise from volatility in asset values due to market fluctuations and impairment of assets due to credit losses. LIC of India primarily invests in debt instruments such as Government securities and highly rated corporate bonds wherein the risk of downward fluctuation in value is minimal.

(viii) Defined benefit liability and employer contributions

Expected contribution to post employment benefit plan during the year ending March 31, 2024 is ₹ 191.52 million.

The weighted average duration of the defined benefit obligation is 5.1 years (2022 - 6 years) in case of Gratuity and 6 years (2022 - 6 years) in case of leave encashment.

The expected maturity analysis of undiscounted gratuity and leave encashment is as follows:

	(₹ in million)						Total
	Less than a year	Between 1 - 2 years	Between 2 - 3 years	Between 3 - 4 years	Between 4 - 5 years	Beyond 5 years	
March 31, 2023

v. Property Tax	11.29	287.69
vi. Customs Duty	-	429.66
vii. Luxury Tax	3.50	3.50
viii. Others	5.30	5.30

Note:

The matters listed above are in the nature of statutory dues, namely, Property tax, Sales Tax, Value Added Tax, Income Tax, Service Tax, Customs Duty, Luxury Tax and other claims, all of which are under litigation, the outcome of which would depend on the merits of facts and law at an uncertain future date. The amounts shown in the items above represent the best possible estimates arrived at, are on the basis of currently available information. The Company engages reputed professional advisors to protect its interests, and cases that are disputed by the Company are those where the management has been advised that it has strong legal positions. Hence, the outcomes of the above matters are not envisaged to have any material adverse impact on the Company's financial position.

(b) Guarantees:

- Guarantees given to banks for ₹ Nil (2022- ₹ 622.67 million) against financial facilities availed by a subsidiary company, EIHFSL, classified as held for sale.
- Counter guarantees issued to banks and remaining outstanding ₹ 44.46 million (2022- ₹ 34.70 million).

46A During the year, the Company has recognised an obligation of ₹ 189.27 million, including custom duty on import an asset, consequent to an order of the High Court of Delhi dated January 31, 2023, as disclosed under Exceptional Items in the Standalone Statement of Profit and Loss for the year ended March 31, 2023. The Company has preferred an appeal against the said order before the Supreme Court of India.

46B Pursuant to the Supreme Court order dated November 7, 2022 with respect to levy and computation of property tax under the provisions of the Mumbai Municipal Corporation Act, 1888, an expense of ₹ 192.59 millions has been recognised in 'Other expenses - Rates and taxes' in the Standalone Statement of Profit and Loss for the year ended March 31, 2023.

47 There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

48 COMMITMENTS

(i) Capital expenditure contracted for at the end of the reporting period but not recognised as liabilities is as follows:

	(₹ in million)	
	March 31, 2023	March 31, 2022
Property, plant and equipment (net of capital advances)	658.25	236.00

Notes

to the Standalone Financial Statements for the year ended March 31, 2023

(ii) Other commitments:

- EIH Flight Services Ltd. ("EIHFSL"), Mauritius had availed borrowing facilities of ₹ 610.97 million [MUR 365.5 million] from State Bank (Mauritius) Ltd. ("SBM") which, amongst others, was secured by corporate guarantees of ₹ 622.67 million [MUR 372.5 million] by the Company. The unprecedented adversity in business conditions resulting from COVID-19 continued to prevail resulting in an uncertainty for EIHFSL to be able to fund the loan repayment obligations amounting to MUR 98.10 million (equivalent to ₹ 162.41 million) up to March 31, 2022 from internal generations. In view of this uncertainty, the Company had infused funds amounting to MUR 100.00 million (equivalent to ₹ 176.67 million) during the year ended March 31, 2022 towards shareholder's equity against which equity shares were issued by March 31, 2022. Further, the Company invested MUR 287.20 million (equivalent to ₹ 499.30 million) during the year ended March 31, 2023 pursuant to the approval of the Board of Directors of the Company in its meeting dated March 16, 2022, for the purpose of repayment of all borrowings and liabilities of EIHFSL for the purpose of sale of EIHFSL to an identified buyer (refer note 54). Accordingly, the outstanding borrowings were repaid, EIHFSL ceased to be a subsidiary and corporate guarantees were cancelled by SBM during the year ended March 31, 2023.
- The Company had provided a letter of support confirming that financial support to its subsidiary, EIHFSL classified as held for sale as at March 31, 2022 which was sold during the current year.

54 The Board of Directors of the Company, at its meeting held on March 16, 2022, had approved the sale of the entire shareholding in the wholly-owned subsidiary viz. EIH Flight Services Ltd., Mauritius (EIHFSL), subject to regulatory approvals. Accordingly, the investment in the wholly-owned subsidiary EIHFSL was classified as "assets held for sale" in the Standalone Balance Sheet as on March 31, 2022, in line with the requirements of Ind AS 105, "Non-current Assets Held for Sale and Discontinued Operations".

The Company had received a firm offer from an interested buyer (an unrelated party) during the year ended March 31, 2022 and a "Share Purchase Agreement" ("SPA") was executed by and between the parties in this respect during the year ended March 31, 2023. The sale consideration was considered as the fair market value of the enterprise. The fair value of the enterprise was adjusted with net financial debt at the closing date (as defined in the offer letter/"SPA"), along with costs to sell to arrive at fair value less costs to sell. The Company recognised an impairment loss in investment in EIHFSL amounting to ₹ 694.23 million and ₹ 95.20 million during the year ended March 31, 2022 and March 31, 2023, respectively, which has been disclosed under "Exceptional items" in the Standalone Statement of Profit and Loss.

Further, on receipt of regulatory approvals, the Company transferred its entire shareholding in the wholly-owned subsidiary to the buyer and EIHFSL ceased to be a subsidiary of the Company. The Company has received the sale consideration as per the terms and conditions stipulated in the Share Purchase Agreement and has consequently recorded a loss on sale of subsidiary amounting to ₹ 21.09 million which has been disclosed under "Exceptional items" in the Standalone Statement of Profit and Loss for the year ended March 31, 2023.

55 The Code on Social Security, 2020 ("Code") relating to employee benefits during employment and post-employment received Presidential assent on September 28, 2020. The Code has been published in the Gazette of India and subsequently on November 13, 2020 draft rules were published and invited for stakeholders' suggestions. However, the date on which the Code will come into effect has not been notified. The Company will assess the impact of the Code when it comes into effect and will record any related impact in the period the Code and rules thereunder become effective.

56 Pursuant to the approval of the Board of Directors of the Company at its meeting held on March 2, 2022, the Company, during the year ended March 31, 2022, sold the assets of it's EIH Printing Press unit located at Manesar, Haryana. The assets comprised 7,875 square meters of land, 3-storied building including basement covering total area of approximately 13,750 square meters. The assets sold comprising property, plant and equipment included generators, air-conditioners, electrical fittings, furniture and fixtures, printing machinery, computers and vehicles. The total consideration from the sale of these assets amounted to ₹ 952.90 million resulting in a profit of ₹ 552.43 million which was recognised as an "Exceptional Item" in the Standalone Statement of Profit and Loss for the year ended March 31, 2022.

59 IMPACT OF COVID-19 ON BUSINESS OPERATIONS

The consequences of the COVID-19 outbreak on the Company's business for the year ended March 31, 2022 and March 31, 2021 had been severe. However, with vaccination programmes being implemented in India and across the globe, domestic air travel improved and international flights resumed. Consequently, both business and leisure travel resumed, resulting in improved revenue during the year ended March 31, 2023 as compared to the period prior to outbreak of COVID-19 i.e. the corresponding year in FY 2019-20. With improved business conditions, management based on its assessment, does not foresee stress on liquidity. Based on current indicators of future economic conditions, the Company expects to recover the carrying amounts of its assets as on March 31, 2023. The impact of COVID-19 on the business may be different from that estimated on the date of approval of these Standalone Financial Statements. The management of the Company will continue to closely monitor any material changes to future economic conditions.

Independent Auditor's Report

To The Members of EIH Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of EIH Limited ("the Parent") and its subsidiaries, (the Parent and its subsidiaries together referred to as "the Group") which includes the Group's share of profit in its associates and joint ventures, which comprise the Consolidated Balance Sheet as at March 31, 2023, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate financial statements / financial information of the subsidiaries, associates and joint ventures referred to in the Other Matters section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ('Ind AS'), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2023, and their consolidated profit, their consolidated total comprehensive income, their consolidated cash flows and their consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on

Auditing (SAs) specified under section 143 (10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, its associates and joint ventures in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the sub-paragraph (a) of the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to Note 3(ii) to the Consolidated Financial Statements, which describes the effects of the Order of the Division Bench of Hon'ble High Court of Himachal Pradesh, dated October 13, 2022, on the Consolidated Financial Statements for the year ended March 31, 2023.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

Sr. No.	Key Audit Matter	Auditor's Response
1	<p>Impairment testing of goodwill on consolidation relating to EIH International Ltd (EIL)</p> <p>Goodwill on consolidation includes ₹ 3,746.20 million as at March 31, 2023, based on the consolidated financial statements of EIH International Ltd ('EIL'), a subsidiary of EIH audited by component auditors, which is disclosed in Note 4B to the consolidated financial statements.</p> <p>As detailed in the above note, Management has carried out a valuation considering various factors and assumptions and concluded that the recoverable value of goodwill is higher than the carrying value.</p> <p>Due to the multitude of factors and assumptions involved in determining the forecasted revenues/ cash flows and discount rate in the projection period, significant judgments are required to estimate the recoverable value.</p> <p>Hence this is considered as a key audit matter.</p>	<p>Principal audit procedures performed:</p> <ul style="list-style-type: none"> We have understood and tested the design, implementation and operating effectiveness of the management controls over the assessment and conclusion over the impairment evaluation with regard to the goodwill arising on consolidation. We have held discussions with the component auditor engagement team with regard to the impairment evaluation of goodwill pertaining to EIL. Also, we have sent referral instructions to the auditors of EIL as per the auditing standards, specifying impairment evaluation of goodwill of EIL as a key audit matter and have also specified the procedures to be performed by the component auditors, with respect to the same. The procedures performed by the component auditors and which were evaluated by us are as follows: <ul style="list-style-type: none"> Component auditor engagement team has received the management's valuation report of EIL and has considered the same as part of their impairment testing of goodwill and other assets of EIL. Component auditor engagement team has assessed the reasonability of the underlying cash flow forecasts prepared by the company's management in their valuation, and compared the same with the company's internal budgets to assess if the assumptions and growth trends accurately reflect the current market conditions and business strategy. Component auditor engagement team has also evaluated how the historical budgeting inaccuracies have been taken into account in the forecasted cash flows. As part of this, the component auditor engagement team has held discussions with the management team and those charged with corporate governance and has considered market data and industry forecasts, in assessing the reasonability of the figures. Component auditor engagement team has also assessed the appropriateness of the assumptions used in the model such as discount rates and terminal growth rates. Component auditor engagement team has tested the mathematical and clerical accuracy of the model to conclude that the model is accurately calculating the value in use using the appropriate methodology. Component auditor engagement team has added additional considerations, in light of COVID 19 and the war in Ukraine and the associated impact on the global economy. Component auditor engagement team has also performed sensitivity analysis considering a slower return to industry 'normality' than that adopted by management, noting that significant headroom remains in the impairment assessment.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Parent's Annual Report such as Management Discussion and Analysis, Directors' Report including annexures to the Directors' Report, Business Responsibility and Sustainability Report, Report on Corporate Governance, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.
- Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

- In connection with our audit of the consolidated financial statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries, joint ventures and associates audited by the other auditors, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. Other information so far as it relates to the subsidiaries, joint ventures and associates, is traced from their financial statements audited by the other auditors.

- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including its Associates and joint ventures in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associates and its joint ventures and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are also responsible for overseeing the financial reporting process of the Group and of its associates and joint ventures.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance,

but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and joint ventures to express an opinion on the consolidated

financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Parent and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- We did not audit the financial statements of 6 subsidiaries, whose financial statements reflect total assets of ₹ 7,599.23 million as at March 31, 2023, total revenues of ₹ 1,045.08 million and net cash inflows amounting to ₹ 319.22 million for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of ₹ 197.06 million for the year ended March 31, 2023, as considered in the consolidated financial statements, in respect

of 2 associates and 1 joint venture, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, joint ventures and associates, and our report in terms of subsection (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, joint ventures and associates is based solely on the reports of the other auditors.

Certain of these subsidiaries/ associate/ joint venture are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Company's management has converted the financial statements of such subsidiaries/associate/ joint venture located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries/ associate/ joint venture located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Company and audited by us.

- We did not audit the financial statements of 1 subsidiary, whose financial statements/ financial information reflect total assets of ₹ Nil million as at March 31, 2023, total revenues of ₹ 219.41 million and net cash outflows amounting to ₹ 7.29 million for the year ended on that date, as considered in the consolidated financial statements. These financial statements/ financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on such unaudited financial statements/ financial information. In our opinion and according to the information and explanations given to us by the Management, these financial statements/ financial information are not material to the Group.

Our opinion on the consolidated financial statements above and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on the separate financial statements/ financial information of the subsidiaries, associates and joint ventures referred to in the Other Matters section above we report, to the extent applicable that:

 - d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors of the Parent as on March 31, 2023 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its, subsidiary companies, associate companies and joint venture companies incorporated in India, none of the directors of the Group companies, its associate companies and joint venture companies incorporated in India is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" which is based on the auditors' reports of the Parent, subsidiary companies, associate companies and joint venture companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls with reference to consolidated financial statements of those companies.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended,

In our opinion and to the best of our information and according to the explanations given to us and based

- on the auditor's reports of subsidiary companies, associate companies and jointly controlled companies/ joint venture companies incorporated in India, the remuneration paid by the Parent and such subsidiary companies, associate companies and jointly controlled companies/ joint venture companies to their respective directors during the year is in accordance with the provisions of section 197 of the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

“Annexure A” to the Independent Auditor’s Report

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls with reference to consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2023, we have audited the internal financial controls with reference to consolidated financial statements of EIH Limited (hereinafter referred to as “Parent”) and its subsidiary companies, its associate companies and joint ventures, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent, its subsidiary companies, its associate companies and joint ventures, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control with reference to consolidated financial statements criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Parent, its subsidiary companies, its associate companies and joint ventures, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated

financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, associate companies and joint ventures, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Parent, its subsidiary companies, its associate companies and joint ventures, which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to consolidated financial statements

A company’s internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures

of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on

the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Parent, its subsidiary companies, its associate companies and joint ventures, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2023, based on the criteria for internal financial control with reference to consolidated financial statements established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to 1 subsidiary company and 1 associate company, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matters.

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

GENERAL INFORMATION

EIH Limited ("the Company" or "the Parent Company") is a public Company limited by shares, incorporated and domiciled in India having its Registered Office at 4, Mangoe Lane, Kolkata – 700 001. The Company is primarily engaged in owning and managing premium luxury hotels and cruisers under the luxury 'Oberoi' and 'Trident' brands. The Group is also engaged in flight catering, airport restaurants, project management and corporate air charters. The consolidated financial statements relate to EIH Limited and its subsidiary companies (collectively referred as "the Group") and associates and joint ventures.

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the preparation of these consolidated financial statements of EIH Limited. These policies have been consistently applied to all the periods presented, unless otherwise stated.

a) Basis of preparation

(i) Compliance with Indian Accounting Standards (Ind AS)

These consolidated financial statements have been prepared in accordance with Ind AS prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, and other accounting principles generally accepted in India, as a going concern on accrual basis.

Accounting policies have been consistently applied except where a newly issued Accounting Standard is initially adopted, or a revision of an existing Accounting Standard requires a change in the accounting policy hitherto in use.

(ii) Historical cost convention

The consolidated financial statements have been prepared on a historical cost basis, except for the following:

- Equity investments in entities other than joint ventures and associates which are measured at fair value;
- Defined benefit plans – plan assets measured at fair value
- Customer loyalty programs

(iii) Use of estimates

In preparing the consolidated financial statements in conformity with accounting principles generally

accepted in India, management is required to make estimates and assumptions that may affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities as at the date of consolidated financial statements and the amounts of revenue and expenses during the reported period. Actual results could differ from those estimates. Any revision to such estimates is recognised in the period the same is determined.

b) Principles of consolidation and equity accounting

(i) Subsidiaries

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Inter-Group transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

(ii) Associates

Associates are all entities over which the Group has significant influence but not control or joint control.

This is generally the case where the Group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method (see (iv) below) of accounting, after initially being recognised at cost.

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

(iii) Joint arrangements

Under Ind AS in Joint Arrangements, investments in joint arrangements are classified as either joint operations or joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the joint arrangement. The Group has joint ventures.

Joint ventures

Interests in joint ventures are accounted for using the equity method (see (iv) below) of accounting, after initially being recognised at cost.

(iv) Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the Group and its associates and joint ventures are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group.

The said investments are tested for impairment at least annually and whenever circumstances indicate that their carrying values may exceed the recoverable amount (viz. higher of the fair value less costs to sell and the value-in-use).

(v) Changes in ownership interests

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling

and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

When the Group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognised in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in other comprehensive income in respect of that entity are accounted for as if the Group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognised in other comprehensive income are reclassified to profit or loss.

If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognised in other comprehensive income are reclassified to profit or loss where appropriate.

c) Revenue recognition

(i) Performance obligation in contracts with customers is met throughout the stay of guest in the hotel or on rendering of services and sale of goods.

(ii) Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of services rendered is net of variable consideration on account of various trade discounts and schemes offered by the Company as part of the contract.

(iii) Interest income is accrued on a time proportion basis using the effective interest rate method.

(iv) Interest income from debt instruments is recognised using the effective interest method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the carrying amount of a financial asset. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

(v) Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

The Group recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met for each of the Group's activities as described below. The Group bases its estimates on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

Timing of revenue recognition from major business activities

- **Hospitality Services:** Revenue from hospitality services is recognised when the services are rendered and the same becomes chargeable or when collectability is certain. This includes room revenue and food and beverage revenue.

- **Other services:**

- Revenue from shop license fee, management and marketing fee included under "Other services" is recognised on accrual basis as per terms of the contract. Shop license fees basically consists of license fees earned from letting of spaces for retail and office at the hotels. Management and marketing fee is earned from hotels managed by the Group, as a percentage of profit and revenue and are recognised when earned in accordance with the terms of the contract, when collectability is certain and when the performance criteria are met. Management fee and marketing fee are treated as variable considerations. In respect of laundry income, Spa income, guest transfers income and other allied services, the revenue is recognised by reference to the timing of the services rendered.

- **Membership Fees:** Membership fee consists of fees received from the Belvedere business club members. Membership joining fee is charged when the customer enrolls for membership programs and membership renewal fee is charged at the time of yearly renewal of the membership. In respect of performance obligations satisfied over a period of time, revenue is recognised at the allocated transaction price on a time-proportion basis.

- **Loyalty program:** The Group operates loyalty program, under which the eligible customers earn

points based on their spending at the hotels. The points so earned by such customers are accumulated. The revenues attributable to earned loyalty points is deferred and a contract liability is created and on redemption/expiry of such loyalty points, revenue is recognised at pre-determined rates.

d) Foreign currency translations

(i) Presentation currency

The consolidated financial statements are presented in INR which is the Functional Currency of the Group.

(ii) Transactions and balances

Effective April 1, 2018, the Group had adopted Appendix B to Ind AS 21, "Foreign Currency Transactions" and Advance Consideration which clarifies the date of transaction for the purpose of determining the exchange rate to be used on initial recognition of the related asset, expense or income when an entity had received or paid advance consideration in a foreign currency. The effect on account of adoption of this amendment was insignificant.

Sales made in any currency other than the functional currency of the Group are converted at the prevailing applicable exchange rate. Gain/Loss arising out of fluctuations in exchange rate is accounted for on realisation or translation into the reporting currency of the corresponding receivables at the year end.

Payments made in foreign currency including for acquiring investments are converted at the applicable rate prevailing on the date of remittance. Liability on account of foreign currency is converted at the exchange rate prevailing at the end of the year. Monetary items denominated in foreign currency are converted at the exchange rate prevailing at the end of the year.

Revenue expenditure of all the overseas sales offices are converted at the average exchange rate for the year. Assets and liabilities other than non-monetary assets are converted at the exchange rate prevailing at the close of the accounting year and property, plant and equipment are converted at the month-end exchange rate of the month of acquisition.

Foreign currency loans covered by forward contracts are realigned at the forward contract rates, while those not covered by forward contracts are realigned at the rates ruling at the year end. The differences on realignment is accounted for in the Statement of Profit and Loss.

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

iii) Group Companies

The results and financial position of foreign operations (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- assets and liabilities are translated at the closing rate at the date of that balance sheet
- income and expenses are translated at average exchange rates (unless this is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the dates of the transactions), and
- all resulting exchange differences are recognised in other comprehensive income.

On consolidation, exchange differences arising from the translation of any net investment in foreign entities, and of borrowings and other financial instruments designated as hedges of such investments, are recognised in other comprehensive income. When a foreign operation is sold, the associated exchange differences are reclassified to profit or loss, as part of the gain or loss on sale.

Goodwill and fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing rate.

e) Income tax

Current income tax is recognised based on the amount expected to be paid to the tax authorities, using tax rates and tax laws that have been enacted or substantially enacted on the date of balance sheet.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulations are subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Effective April 1, 2019, the Company had adopted Appendix C to Ind AS 12, "Income taxes", which clarifies how to apply the recognition and measurement requirements in Ind AS 12, "Income taxes", when there is uncertainty over income tax treatments. The effect on adoption of Appendix C to Ind AS 12, "Income taxes" was insignificant.

f) Deferred tax

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the separate financial statements, using tax rates and tax laws that have been enacted or substantially enacted on the date of balance sheet.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets are recognised for the future tax consequences to the extent it is probable that future taxable profits will be available against which the deductible temporary differences can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax (MAT) is accounted for in accordance with tax laws which give rise to future economic benefits in the form of tax credit against which future income tax liability is adjusted and is recognised as deferred tax asset in the Balance Sheet.

g) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker ("CODM") of the respective entities.

The Board of Directors of the Parent Company, which has been identified as being the CODM of the Group, generally assesses the financial performance and position of the Group and makes strategic decisions.

h) Leases

Effective April 1, 2019, the Group had adopted Ind AS 116, "Leases" and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method. The impact of adoption of the standard on consolidated financial statements of the Company has been disclosed in the notes to accounts to consolidated financial statements.

On adoption of Ind AS 116, "Leases", the Group recognised lease liabilities in relation to certain leases which had previously been classified as 'operating leases' under the principles of Ind AS 17, "Leases". These liabilities were measured at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate as of 1 April 2019.

For leases previously classified as finance leases the entity recognised the carrying amount of the lease assets and lease liabilities immediately before transition as the carrying amount of the right-of-use assets and the lease liabilities at the date of initial application. The measurement principles of Ind AS 116, "Leases" are only applied after that date.

As a lessee :

The Group's lease asset classes primarily consist of leases for land, building and vehicle leases. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognises a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognises the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the option to extend or terminate the lease before the end of the lease term. Right-of-use assets and lease liabilities

includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs incurred by the lessee less any lease incentives and estimated restoration costs of the underlying asset where applicable. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. If the Company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying assets useful life.

Right-of-use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortised cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

The Group remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

- The lease term has changed or there is a significant event or change in circumstances resulting in a change in the assessment of exercise of a

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.

- The lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which cases the lease liability is remeasured by discounting the revised lease payments using an unchanged discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used).
- A lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured based on the lease term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

The Group has made such adjustments during the periods presented.

Lease liabilities and right-of-use assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

These lease payments would comprise:

- Fixed payments (including in substance fixed payments) less any lease incentive receivable
- Variable lease payments that are based on an index or a rate
- Amounts expected to be payable by the lessee under residual value guarantees
- The exercise price of a purchase option if the lessee is reasonably certain to exercise that option and
- Payment of penalties for terminating the lease when the Group is reasonably certain to exercise the exit option at the lease commencement date.

The Group applies the practical expedient provided by the standard allowing not to separate the lease component from other service components included in its lease agreements. Accordingly, all fixed payments provided for in the lease agreement, whatever their nature, are included in the lease liability.

As a lessor :

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards

of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right of-use asset arising from the head lease.

For operating leases, rental income is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in obtaining an operating lease are added to the carrying amount of the underlying asset and recognised as expense over the lease term on the same basis as lease income.

i) Impairment of assets

Goodwill is tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's or cash generating unit's carrying amount exceeds its recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life. Assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period. In case of such reversal, the carrying amount of the asset is increased so as not to exceed the carrying amount that would have been determined had there been no impairment loss.

Impairment losses recognised in prior years are reversed when there is an indication that the impairment losses recognised no longer exist or have decreased. Such reversals are recognised as an increase in carrying amounts of assets to the extent that it does not exceed the carrying amounts that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised in previous years. Impairment losses relating to goodwill cannot be reversed in future periods.

j) Cash and cash equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash in hand, cash at bank and deposits with the banks. It also

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

includes short-term deposits with original maturities of three months or less.

k) Trade receivables

Trade receivables are initially measured (initial recognition amount) at their transaction price (in accordance with Ind AS 115) unless those contain a significant financing component determined in accordance with Ind AS 115 or when the entity applies the practical expedient in accordance with para 63 of Ind AS 115 and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

l) Inventories

Inventories are valued at cost and net realisable value, whichever is lower. Cost is determined based on cumulative weighted average method. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition and includes, where applicable, appropriate overheads based on normal level of activity. Net realisable value is the estimated selling price less estimated costs for completion and sale. Unserviceable/damaged/discarded stocks and shortages are charged to the Statement of Profit and Loss.

m) Investments and other financial assets

(i) Classification

The Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss)
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will be recorded in the Statement of Profit and Loss. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

(ii) Measurement

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss. However, trade receivables that do not contain a significant financing component are measured at transaction price.

(a) Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Group classifies its debt instruments:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to Statement of Profit and Loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss (FVTPL): Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss.

(b) Equity instruments

The Group subsequently measures all equity investments at fair value. Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the Statement of Profit and Loss.

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

(iii) Impairment of financial assets

The Group assesses at each reporting date whether a financial asset (or a Group of financial assets) such as investments, advances and security deposits held at amortised cost and financial assets that are measured at fair value through other comprehensive income are tested for impairment based on evidence or information that is available without undue cost or effort. The Group assesses on a forward-looking basis the expected credit loss associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables, the Group applies the simplified approach permitted by Ind AS 109, "Financial Instruments", which requires expected lifetime losses to be recognised from initial recognition of the receivables.

(iv) Derecognition of financial assets

A financial asset is derecognised only when

- The Group has transferred the rights to receive cash flows from the financial asset or
- Retains the contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(v) Income recognition

Interest income: Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to

the gross carrying amount of a financial asset. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses

Dividend income: Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

n) Financial liabilities

Borrowings, trade payables and other financial liabilities are initially recognised at the value of the respective contractual obligations. They are subsequently measured at amortised cost. Any discount or premium on redemption / settlement is recognised in the Statement of Profit and Loss as finance cost over the life of the liability using the effective interest method and adjusted to the liability figure disclosed in the Balance Sheet. Financial liabilities are derecognised when the liability is extinguished, that is, when the contractual obligation is discharged, cancelled and on expiry.

o) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation. Historical cost represents direct expenses incurred on acquisition or construction of the assets and the share of indirect expenses relating to construction allocated in proportion to the direct cost involved.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Capital work-in-progress comprises the cost of property, plant and equipment that are not yet ready for their intended use on the reporting date and materials at site.

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

Transition to Ind AS

On transition to Ind AS, the Group had elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2015 measured as per the previous GAAP and used that carrying value as the deemed cost of the property, plant and equipment.

Depreciation methods, estimated useful lives and residual value

Depreciation on property, plant and equipment other than land and the hotel buildings and owned flight kitchen buildings is provided on 'Straight Line Method' based on useful life as prescribed under Schedule II of the Companies Act 2013. Buildings on leasehold land are depreciated over the useful life or over the remaining lease period whichever is shorter.

The hotel buildings (except in respect of Mashobra Resort Limited) and owned flight kitchen buildings are depreciated equally over the balance useful life ascertained by independent technical expert as on March 31, 2023, which ranges between 20 years and 52 years for hotel buildings and 44 years and 53 ½ years for owned flight kitchen buildings and the total useful life of the buildings are higher than those specified by Schedule II to the Companies Act, 2013. The management believes that the balance useful lives so assessed best represent the periods over which the hotel buildings are expected to be in use. The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each financial year.

In the case of the hotel building of Mashobra Resort Limited, due to superior structural condition, management decided to assess the balance useful life (a) by independent technical expert or (b) remaining lease period whichever is shorter. As per the certificate of the technical expert as on March 31, 2023, the balance useful life of the hotel building of the company was 52 years. Further, pursuant to the arbitral award [refer note 3(ii)], management has re-evaluated the useful life of hotel building located on the parcel of land as indicated in the said note, during the current year in respect of which the lease deed is yet to be executed. Pending such execution of lease deed, management has considered 22 years as the balance useful life of hotel building as on March 31, 2023 which is lower of the useful life determined

by the independent technical expert and remaining term stipulated in the arbitral award. Accordingly, the carrying amount of the hotel building is being depreciated over its estimated useful life.

Freehold land is not depreciated.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss within other gains/(losses).

p) Intangible assets

Goodwill on acquisition of subsidiaries is included in intangible assets. Goodwill is not amortised, but it is tested for impairment annually, or more frequently if events or changes in circumstances indicate that it might be impaired and is carried at cost less accumulated impairment losses.

Other intangible assets are stated at cost less accumulated amortisation and net of impairments, if any. An intangible asset is recognised if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Group and its cost can be measured reliably. Intangible assets are amortised on straight line basis over their estimated useful lives.

Transition to Ind AS

On transition to Ind AS, the Group had elected to continue with the carrying value of all of its Intangible assets recognised as at 1 April 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the Intangible assets.

q) Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16, "Property, plant and equipment" requirements for cost model.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised

Depreciation methods, useful lives and residual values are in accordance with the policy of property, plant and equipment.

r) Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

s) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of respective assets during the period of time that is required to complete and prepare the asset for its intended use. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

t) Provisions, contingent liabilities and contingent assets

Provisions are recognised when there is a present legal or statutory obligation or constructive obligation as a result of past events and where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made.

Contingent liabilities are disclosed only when there is a possible obligation arising from past events due to occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets where it is probable that future economic benefits will flow to the Group are not recognised but disclosed in the consolidated financial statements. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

u) Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Post-employment obligations

The Group operates the following post-employment schemes:

Gratuity obligations –

Maintained as a defined benefit retirement plan and contribution is made to the Life Insurance Corporation of India. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of changes in equity and in the balance sheet.

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Leave encashment on termination of service –

The liabilities for earned leave are expected to be settled after the retirement of employee. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Re-measurements as a result of experience adjustments and changes in actuarial assumptions are recognised in other comprehensive income.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Provident Fund –

The Group pays provident fund contributions to a fund administered by Government Provident Fund Authority. The Group has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

v) Assets held for sale

Non-current assets (or disposal groups) are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.

An impairment loss is recognised for any initial or subsequent write-down of the asset (or disposal group) to fair value less costs to sell. A gain is recognised for

any subsequent increases in fair value less costs to sell of an asset (or disposal group), but not in excess of any cumulative impairment loss previously recognised. A gain or loss not previously recognised by the date of the sale of the non-current asset (or disposal group) is recognised at the date of de-recognition.

Non-current assets (including those that are part of a disposal group) are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal group classified as held for sale continue to be recognised.

Non-current assets classified as held for sale and the assets of a disposal group classified as held for sale are presented separately from the other assets in the balance sheet. The liabilities of a disposal group classified as held for sale are presented separately from other liabilities in the balance sheet.

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale and that represents a separate major line of business or geographical area of operations, is part of a single coordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the statement of profit and loss.

w) Dividends

Liability is created for the amount of any dividend declared, being appropriately authorised and no longer at the discretion of the entity.

x) Earnings per share

(i) Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit/(loss) attributable to equity shareholders of the Group
- by the weighted average number of equity shares outstanding during the financial year,

(ii) Diluted earnings per share

Diluted earnings per share adjusts the number of equity shares used in the determination of basic earnings per share to take into account:

- the after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

- the weighted average number of equity shares including additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares happened.

y) Government grants/incentives

Government grants/incentives that the Group is entitled to on fulfilment of certain conditions but are available to the Group only on completion of some other conditions, are recognised as income at fair value on completion of such other conditions.

Grants/incentives that the Group is entitled to unconditionally on fulfilment of certain conditions, such grants are recognised at fair value as income when there is reasonable assurance that the grant will be received.

z) Rounding of amounts

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest millions as per the requirement of Schedule III, unless otherwise stated.

2 RECENT ACCOUNTING PRONOUNCEMENTS

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1 - Presentation of Financial Statements

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Group does not expect the amendment to have any significant impact in its consolidated financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors

This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Group does not expect the amendment to have any significant impact in its consolidated financial statements.

Ind AS 12 - Income Taxes

This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Group does not expect the amendment to have any significant impact in its consolidated financial statements.

Other Amendments

Other amendments including amendments in Ind AS 102, Share-based Payments, Ind AS 103, Business Combination, Ind AS 109, Financial Instruments, Ind AS 115, Revenue from Contract with Customers, are mainly editorial in nature in order to provide better clarification of respective Ind AS. The Group does not expect to have any significant impact in its consolidated financial statements due to these amendments.

3 SIGNIFICANT ESTIMATES AND JUDGEMENTS

The preparation of consolidated financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the company's accounting policies.

This note provides information about the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

Detailed information about each of these estimates or judgements is included in relevant notes together with information about the basis of calculation for each impacted line item in the consolidated financial statements.

i) Useful life of the hotel buildings

In the case of hotel buildings forming part of property, plant and equipment of the Group, due to superior structural condition of such buildings, the management of

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

- EIH Limited, Mumtaz Hotels Limited and Mashobra Resort Limited decided to assess the balance useful life by independent technical expert. As per the certificates of the technical expert as on March 31, 2023, the balance useful life of the hotel buildings ranges between 20 years and 52 years. The total useful life of the hotel buildings as assessed are higher than those specified by Schedule II to the Companies Act, 2013. The carrying amount of the hotel buildings is being depreciated over its residual life. Based on management evaluation performed at each reporting period, there has been no change in the earlier assessed useful life.
- Mashobra Resort Limited, decided to assess the balance useful life by independent technical expert or over the remaining term as per the arrangement stipulated in the arbitral award pending execution of the lease deed (as indicated in Note 3(ii) to the Consolidated Financial Statements), whichever is shorter. As per the certificate of the technical expert as on March 31, 2023, the balance useful life of the hotel building of the company was 52 years and pending execution of lease deed, management has considered 22 years as the balance useful life of hotel building as on March 31, 2023. Accordingly, the carrying amount of the hotel building is being depreciated over its estimated useful life.

ii) Significant and material order

The building of Mashobra Resort Limited ('MRL'), a component of the Group is situated on a land which has been classified as freehold, based on the conveyance deed dated 6th February 1997. The conveyance deed was executed pursuant to a Joint Venture Agreement ("the Agreement") dated October 30, 1995 between the Government of Himachal Pradesh and the Parent Company, pursuant to which MRL was established for setting up and running the Hotel. The Government of Himachal Pradesh, from whom the land was acquired had terminated the said Agreement for alleged non fulfilment of its terms by EIH Limited and sought to take consequential actions pursuant thereto. The matter was disputed before an arbitrator appointed by the Hon'ble High Court of Himachal Pradesh who rendered an award on July 23, 2005. The Arbitral Award required, amongst other things, the execution of the lease deed for the said land between the MRL and the Government of Himachal Pradesh.

Being aggrieved by the Arbitral Award, the Parent Company and MRL challenged the award, firstly before the Single Judge and then before the Division Bench of the Hon'ble High Court of Himachal Pradesh. The

operation of the said award was stayed till the disposal of appeal. The Division Bench of Hon'ble High Court of Himachal Pradesh vide its order dated October 13, 2022 has upheld the Arbitral Award dated July 23, 2005. The Group was legally advised to comply with the directions of the Arbitral Award within a reasonable period from the High Court order dated October 13, 2022. Consequently, the Company's intention to implement the Arbitral Award was communicated to the Government of Himachal Pradesh vide letter dated October 18, 2022 and execution petition was filed with the Hon'ble High Court of Himachal Pradesh on March 28, 2023. Accordingly, the Group has recorded an obligation of ₹ 827.81 million based on the management's best estimate of expense upon compliance with the Arbitral Award, which has been classified as "Exceptional items" in the Consolidated Statement of Profit and Loss for the year ended March 31, 2023. Based on discussion with Government of Himachal Pradesh, there may be further obligation of interest on Arbitral Award therefore the Company has recorded obligation of ₹ 513.91 million towards interest and disclosed as "Exceptional items" which is included in the above-mentioned obligation.

Based on above Arbitral Award, the Group has recorded a further obligation of ₹ 52.00 million and ₹ 10.00 million which has been disclosed as finance costs and other expenses, respectively, in the Consolidated Statement of Profit and Loss for the year ended March 31, 2023.

The obligations recorded in the Consolidated Financial Statements for the year ended March 31, 2023 are subject to the outcome of the execution petition filed before the Hon'ble High Court of Himachal Pradesh.

The necessary accounting for the lease and cancellation of conveyance deed will be carried out upon the finalisation of the terms of the lease and execution of the lease deed.

In addition, based on the change in circumstances, the useful life of immovable assets located on the parcel of land in respect of which the lease terms are to be finalised was revaluated pursuant to which an additional depreciation charge amounting to ₹ 9.0 million was recorded in the Consolidated Statements of Profit and Loss for the year ended March 31, 2023.

Further, as per the Arbitral Award, upon execution of the lease deed in respect of land and upon payment of the stipulated consideration, the Government of Himachal Pradesh is to facilitate transfer of all its shares to the Parent Company. Consequently, the non-controlling interest in MRL has been retained at

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

₹ 70.00 million at the year end and the balance amount of ₹ 148.30 million has been credited to other equity.

Also, MRL continues to keep 30% of the Room Revenue in respect of the balance 57 rooms out of 85 rooms which are pending registration by the authorities under The Himachal Pradesh Registration of Tourist Trade Act, 1988 pursuant to the Arbitral Award, in fixed deposits and current account with a Nationalised Bank aggregating to ₹ 1,263.40 million as on March 31, 2023 which have been included under other bank balances.

iii) Claims, provisions and contingent liabilities:

The Group has ongoing litigations with various regulatory authorities and third parties with respect to tax/legal matters. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Contingent liabilities are possible obligations whose existence will be confirmed only on the occurrence or non-occurrence of uncertain future events outside the Group's control, or present obligations that are not recognised because it is not probable that a settlement will be required or the value of such a payment cannot be reliably estimated. These are subjective in nature and involve judgement in determining the likely outcome of such tax/legal matters.

In case of EIH International Ltd

Goodwill acquired through business combinations is attributed to the hotel ownership, operation and management cash-generating unit (CGU) for impairment testing. Goodwill on consolidation includes ₹ 3,746.20 Million as at March 31, 2023 (₹ 3,588.07 Million as at March 31, 2022), based on the consolidated financial statements of EIH International Ltd ('EIL').

Hotel ownership, operation and management cash-generating unit

In 2023, the recoverable amount of the hotel ownership, operation and management CGU was determined using a value-in-use calculation based on cash flow projections and financial budgets approved by senior management.

The key assumptions used in the value-in-use calculation are the forecast earnings, management fees, sales and marketing fees receivable from the CGU, the discount rate applied to the projected cash flows and the growth rate assumption on the value-in-use calculation.

A range of discount rates were considered and applied to the cash flow projections, from 11.75% to 23.0% and cash flows beyond the five-year period were projected using a terminal growth rate ranging from 2.0% to 4.0%, which is consistent with the long-term average growth rate of the industry.

None of the scenarios tested resulted in an impairment of the carrying value of the assets of the CGU or the Group's intangible assets.

Nature and purpose of reserves

(i) Capital redemption reserve

Capital redemption reserve represents the statutory reserve created by the Company for the redemption of its preference share capital. The same can be utilised for issuing fully paid bonus shares

(ii) Capital reserve

Capital reserve represents reserve created on business combination in cases where value of net assets acquired exceeds the fair value of the consideration transferred.

(iii) Securities premium

This reserve represents the premium on issue of shares and can be utilised in accordance with the provisions of the Companies Act, 2013.

(iv) General reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes. There is no policy of regular transfer. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit or loss.

(v) Retained earnings - Surplus

Retained earnings are the profits of the Group earned till date net of appropriations.

(vi) Foreign currency translation reserve

Exchange differences arising on translation of the foreign operations are recognised in other comprehensive income and accumulated in a separate reserve within equity. The cumulative amount is reclassified to Statement of Profit or Loss when the net investment is disposed-off.

(ii) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the consolidated financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, mutual funds, that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the end of the reporting period.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, security deposits included in level 3.

(iii) Assets and liabilities which are measured at amortised cost for which fair values are disclosed

For all the financial assets and financial liabilities measured at amortised cost, carrying value is an approximation of their respective fair value.

(iv) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- Investment in Green Infra Wind Generation Limited and ReNew Wind Energy (Karnataka) Private Limited are made pursuant to the contract for procuring electricity supply at the hotels units. There is no quoted market price in an active market in respect of the investment in the said companies. Considering the terms of the electricity supply contract, the management of the Parent company has assessed that cost represents the best estimate of its fair value.

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

- For the investment in Golden Jubilee Hotels Private Limited (GJHPL), the management was of the view that carrying value of the investment is representative of its fair value as on April 1, 2015. As on April 1, 2015, no indicators of impairment were existing. However, during the financial year 2015-16, due to the non-payment of bank borrowings and other obligation, petition for the winding up had been filed by the creditors and lenders of the GJHPL. Considering the financial position of the GJHPL and legal proceedings initiated by lenders, the management had fully provided for the investment in GJHPL as on March 31, 2016.
- For Investment in Tourism Investments Company at Sahl Hasheesh, as there is no quoted market price in an active market, the fair value is estimated to approximate the cost. The Group does not intend to dispose its investment in the near future.

41 FINANCIAL RISK MANAGEMENT

The Group's activities expose it to market risk (including currency risk, interest rate risk and other price risk), liquidity risk and credit risk. This note explains the sources of risk which the Group is exposed to and how the Group manages the risk.

The Group's risk management is carried out by the respective companies within the Group, under policies approved by their Board of Directors. The companies within the Group identify, evaluate and hedge financial risks in close co-operation with the respective company's operating units, where applicable. The Board of Directors of the respective companies provide written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of non-derivative financial instruments, and investment of excess liquidity.

(A) Market risk

(i) Foreign currency risk

Foreign exchange risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the respective companies' functional currency.

The exposure of the Group to foreign currency risk is not significant. However, this is closely monitored by the Management to decide on the requirement of hedging. The position of foreign currency exposure to the Group as at the end of the year expressed in ₹ is as follows :

Currency	(₹ in million)	
	Receivables	Payables
March 31, 2023

(ii) Interest rate risk

The exposure of the Group's borrowing to interest rate changes at the end of the reporting period depends on the mix of fixed rate and floating rate of the borrowings and the expected movement of market interest rate. The status of borrowings in terms of fixed rate and floating rate are as follows:

	(₹ in million)	
	March 31, 2023	March 31, 2022
Variable rate borrowings	565.48	2,335.11
Fixed rate borrowings	5.00	1,005.00
Total borrowings	570.48	3,340.11

As at the end of the reporting period, the group had the following variable rate borrowings outstanding:

	(₹ in million)		
	Weighted average interest rate	Balance (₹ in million)	% of total loans
March 31, 2023			
Bank loans, cash credit	7.80%	565.48	99%
March 31, 2022			
Bank loans, cash credit	7.55%	2,335.11	70%

Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

	(₹ in million)	
	Impact on profit*	
	March 31, 2023	March 31, 2022
Interest rates – increase by 50 basis points (50 bps) *	(2.83)	(11.68)
Interest rates – decrease by 50 basis points (50 bps) *	2.83	11.68

* Holding all other variables constant

(iii) Price risk

The Group's exposure to equity securities price risk arises from investments held by the Group in equity securities and classified in the balance sheet at fair value through profit or loss (refer note 12). However, Group does not have a practice of investing in equity securities with a view to earn fair value changes gain. As per the Group policies, whenever any investment is made by the Group company in equity securities, the same is made either with some strategic objective or as a part of contractual arrangement.

(B) Credit risk

Credit risk arises when a counter party defaults on contractual obligations resulting in financial loss to the Group.

Trade receivables consist of large number of customers, spread across diverse industries and geographical areas. In order to mitigate the risk of financial loss from defaulters, the Group companies have an ongoing credit evaluation process in respect of customers who are allowed credit period. In respect of walk-in customers the Group companies do not allow any credit period and therefore, are not exposed to any credit risk in respect thereof.

The Group does not have any derivative transaction and therefore is not exposed to any credit risk on account of derivatives.

The Group does not have any long-term contracts for which there were any material foreseeable losses.

(C) Liquidity risk

The Group has a liquidity risk management framework for managing its short term, medium term and long term sources of funding vis-à-vis short term and long term utilisation requirement. This is monitored through a rolling forecast showing the expected net cash flow, likely availability of cash and cash equivalents, and available undrawn borrowing facilities.

(i) Financing arrangements: The position of undrawn borrowing facilities at the end of reporting period are as follows:

	(₹ in million)

(D) Capital management

(i) Risk management

The Group's objectives when managing capital are to

- safeguard the ability of the respective companies to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The Group's strategy is to maintain a gearing ratio within 30%. The gearing ratios were as follows:

42 PROVISIONS

(i) DEFINED BENEFIT PLANS

a) Gratuity (India)

The Group provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. The Group operates a gratuity plan through the "EIH Employees' Gratuity Fund". Gratuity plan is a funded plan and the Group through Gratuity Trust makes contributions of funds to Life Insurance Corporation of India. Provision/write back, if any, is made on the basis of the present value of the liability as at the Balance Sheet date determined by actuarial valuation following Projected Unit Credit Method.

b) Gratuity (Mauritius)

The Group provides for gratuity for employees in Mauritius under the Employment Rights Act, 2008. The gratuity plan is an unfunded defined benefit plan.

c) Leave encashment (India)

As per the policy of the Group, obligations on account of encashment of accumulated leave of an employee is settled only on separation of the employee. Such liability is recognised on the basis of actuarial valuation following the projected unit credit method. It is an unfunded plan.

d) Pension benefits

The pension benefit plan pertains to two of the foreign subsidiaries PT Waka Oberoi Indonesia and PT Widja Putra Karya.

(ii) DEFINED CONTRIBUTION PLANS

The Group also has certain defined contribution plans. Contributions are made to provident fund in India for employees as per applicable regulations. The contributions are made to registered provident fund administered by the government. The obligation of the companies forming part of the Group is limited to the amount contributed and it has no further contractual nor any constructive obligation.

(iv) SENSITIVITY ANALYSIS

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

	Change in assumptions		Impact on defined benefit obligation			
			Increase by 1%		Decrease by 1%	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
Gratuity						
Discount rate	1%	1%	(30.81)	29.83	34.05	33.53
Salary growth rate	1%	1%	34.09	33.73	(31.47)	(30.83)
Leave Encashment						
Discount rate	1%	1%	(14.64)	(14.24)	16.42	16.10
Salary growth rate	1%	1%	16.49	16.20	(14.97)	(14.58)

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

Sensitivities due to change in demographic and investment assumptions are not material and hence the impact of change due to these is not disclosed.

(v) The major categories of plans assets are as follows:

	March 31, 2023		March 31, 2022	
	Unquoted	in %	Unquoted	in %
Investment funds with LIC of India *	544.74	100%	568.70	100%
Total	544.74		568.70	

* Gratuity trust pays contribution to LIC which in turn invests the amount in various instruments. As it is done by LIC in totality basis along with contributions from other participants, the company wise investment in planned assets - category / class wise is not available.

(vi) Risk exposure

Through its defined benefit plans, the Group is exposed to a number of risks, the most significant of which are detailed below:

Interest rate risk: The defined benefit obligation is calculated using a discount rate based on government bonds. If bond yields fall, the defined benefit obligation is likely to increase.

Salary inflation risk: Higher than expected increases in salary will increase the defined benefit obligation

Demographic risk: This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation depends upon the combination of salary increase, discount rate and vesting criteria.

Investment risk: This may arise from volatility in asset values due to market fluctuations and impairment of assets due to credit losses. LIC of India primarily invests in debt instruments such as Government securities and highly rated corporate bonds wherein the risk of downward fluctuation in value is minimal.

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

(vii) Defined benefit liability and employer contributions

Expected contribution to post employment benefit plan during the year ending March 31, 2024 is ₹ 191.52 million.

The weighted average duration of the defined benefit obligation is 5.1 - 18.29 years (2022 - 6.00 - 17.92 years) in case of Gratuity and 6 - 17.90 years (2022- 6 - 17.90 years) in case of Leave encashment.

The expected maturity analysis of undiscounted gratuity and leave encashment is as follows:

(ix) Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

	Impact on defined benefit obligation					
	Change in assumption		Increase by 1%		Decrease by 1%	
	March 31, 2023*	March 31, 2022*	March 31, 2023*	March 31, 2022*	March 31, 2023*	March 31, 2022*

Discount rate	1%	1%	-	2.28	-	1.83

* sold during the year ended March 31, 2023 as included in note 55.

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

Notes

to the Consolidated Financial Statements for the year ended March 31st, 2023

(x) Risk exposure

Through its defined benefit plans, the group is exposed to a number of risks, the most significant of which are detailed below:

Interest Risk: A decrease in the bond interest rate will increase the plan liability, however, this may be partially offset by a decrease in inflationary pressures on the salary increased.

Salary Risk: The Plan liability is calculated by reference to the future projected salaries of plan participants. As such an increase in the salary of the plan participants above the assumed rate will increase the plan liability whereas an increase below the assumed rate will decrease the liability.

(xii) Sensitivity analysis (To be included for each defined benefit obligation)

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

	Impact on defined benefit obligation					
	Change in assumption		Increase in assumption		Decrease in assumption	
	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022	March 31, 2023	March 31, 2022
Discount rate	1.00%	1.00%	(3.85)	(5.24)	4.36	5.97
Salary rate	1.00%	1.00%	4.23	6.11	(0.15)	(5.22)

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

44 (B) PENDING LITIGATION:

In 2021, a litigation case was filed by Mr. I. Ketut Siandana and Mr. I Made Sutarjana (the "Plaintiffs") against the company at the District Court of Denpasar claiming that the lease period for the land rightfully owned by the Plaintiffs have ended on December 31, 2019. The company maintains that the lease term is up to December 31, 2057 in accordance with the minutes of meetings dated January 24, 2007 duly signed by the Plaintiffs. The Plaintiffs and the company have filed their respective responses in the District Court. On February 23, 2022, the District Court has given the ruling in favor of the Plaintiffs, which rejected the company's exception in its entirety and partially accepted the Plaintiff's lawsuit. Disagreeing to the ruling of the court in favor of the Plaintiff, on March 8, 2022, the company submitted an appeal at the High Court of Denpasar. On May 20, 2022, Denpasar High Court's decision has given the ruling in favor of the company, to accept the company's basis on the legal validity of the lease refers to the signed Minutes of Meeting dated January 24, 2007. The Plaintiffs proceeded to appeal with the Supreme Court at the Cassation level. On February 7, 2023, the company's legal counsel received notification from District Court of Denpasar informing decision of Supreme Court No.3765 K/Pdt/2022 dated October 26, 2022 to reject the Cassation appeal request by the Plaintiffs. Based on the aforementioned, there were no provision to be recognised.

EIH Flight Services Ltd ("EIHFSL"), Mauritius had availed borrowing facilities of ₹ 610.97 million (MUR 365.5 million) from State Bank (Mauritius) Ltd ("SBM") which, amongst others, was secured by corporate guarantees of ₹ 622.67 million (MUR 372.5 million) by the Parent company. The unprecedented adversity in business conditions resulting from COVID-19 continued to prevail resulting in an uncertainty for EIHFSL to be able to fund the loan repayment obligations amounting to MUR 98.10 million (equivalent to INR 162.41 million) upto March 31, 2022 from internal generations. In view of this uncertainty, the Parent company had infused funds amounting to MUR 100.00 million (equivalent to ₹ 176.67 million) during the year ended March 31, 2022 towards shareholder's equity against which equity shares were issued by March 31, 2022. Further, the Parent company invested MUR 287.20 million (equivalent to ₹ 499.30 million) during the year ended March 31, 2023 pursuant to the approval of the Board of Directors of the Parent company in its meeting dated March 16, 2022, for the purpose of repayment of all borrowings and liabilities of EIHFSL for the purpose of sale of EIHFSL to an identified buyer (refer note 55). Accordingly, the outstanding borrowings were repaid, EIHFSL ceased to be a subsidiary and corporate guarantees were cancelled by State Bank of Mauritius during the year ended March 31, 2023.

44A Pursuant to the Supreme Court order dated November 7, 2022 with respect to levy and computation of property tax under the provisions of the Mumbai Municipal Corporation Act, 1888, an expense of ₹ 192.59 millions has been recognised in 'Other expenses - Rates and taxes' in the Consolidated Statement of Profit and Loss for the year ended March 31, 2023.

44B During the year, the Parent company has recognised an obligation of ₹ 189.27 million, including custom duty on import an asset, consequent to an order of the High Court of Delhi dated January 31, 2023, as disclosed under Exceptional Items in the Consolidated Statement of Profit and Loss for the year ended March 31, 2023. The Parent company has preferred an appeal against the said order before the Supreme Court of India.

55 FINANCIAL PERFORMANCE AND CASH FLOWS INFORMATION OF DISCONTINUED OPERATIONS

The Board of Directors of the Parent company, at its meeting held on March 16, 2022, had approved the sale of the entire shareholding in the wholly owned subsidiary viz. ElH Flight Services Ltd, Mauritius (ElHFSL), subject to regulatory approvals. The assets and liabilities of ElHFSL that were to be sold/ transferred were classified as "Assets classified as held for sale" and "Liabilities directly associated with assets classified as held for sale" respectively in the Consolidated Balance Sheet as on March 31, 2022. Details of assets and liabilities are disclosed below. Further, operations of ElHFSL qualified to be classified as discontinuing operations as the subsidiary represented a separate geographical area and assets and liabilities were classified as held for sale.

The Company had received a firm offer from an interested buyer (an unrelated party) during the year ended March 31, 2022. The sale consideration was considered as the fair market value of the enterprise. The fair value of the enterprise was adjusted with net financial debt at the closing date (as defined in the offer letter), along with costs to sell to arrive at fair value less costs to sell. The Parent company had recorded these assets and liabilities at lower of carrying value or fair value less costs to sell in the Consolidated Balance Sheet as on March 31, 2022. The measurement of assets and liabilities of discontinued operations to lower of carrying value and fair value less costs to sell did not result in any gain/ loss during the year ended March 31, 2022.

During the year ended March 31, 2023, a "Share Purchase Agreement" ("SPA") was executed by and between the parties and on receipt of regulatory approvals, the Company transferred its entire shareholding held in the wholly owned subsidiary to the buyer and ElHFSL ceased to be a subsidiary of the Company. The Company has received the sale consideration as per the terms and conditions stipulated in the Share Purchase Agreement, with November 30,

57 IMPACT OF COVID-19 ON BUSINESS OPERATIONS

The consequences of the COVID-19 outbreak on the Company's and its subsidiaries business for the year ended March 31, 2022 and March 31, 2021 had been severe. However, with vaccination programs being implemented in India and across the globe, domestic air travel improved and international flights resumed. Consequently, both business and leisure travel resumed, resulting in improved revenue during the year ended March 31, 2023 as compared to the period prior to outbreak of COVID-19 i.e. the corresponding year in FY 2019-20. With improved business conditions,
