1. This is a Company Application Viz.,  
CA(CAA)/61(AHM)/2023 filed by the Applicant  
Company, namely **Mafatlal Industries Limited** under

section 230-232 of Companies Act, 2013, and other applicable provisions of the Companies Act, 2013 read with Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 in relation to the Scheme of Arrangement (hereinafter referred to as the “SCHEME”) proposed by the Applicant Company. The said Scheme is also appended as “**Annexure -E**” to the CA/CAA/61 (AHM) 2023.

2. The rationale of the Scheme of reduction and reorganization of the capital of the Applicant Company stated in the proposed Scheme is as under: -
  - i. The Company had suffered substantial losses during the past few years, due to which the Company's retained earnings had turned negative.
  - ii. During the financial years 2020-21 and 2021-22, the Company implemented several strategic cost control measures, and evolved towards an asset-light model marked by lower overheads and liabilities.

- iii. During the financial year 2021-22, the Company further strengthened the effectiveness of its manufacturing operations, improved the inventory turnaround time and widened its marketing cum distribution network.
- iv. Despite generating substantial profits during the financial year 2021-22, the Company continues to carry a debit balance of Retained Earnings (as defined hereinbefore under sub-clause 1.1 of clause 1 "Definitions") on its balance sheet as on 31 March 2022. At the same time, the Company has unutilized balances lying under various reserves, which are neither earmarked for any specific purpose, nor have any lien marked thereon and/or obligation attached thereto.
- v. In the circumstances, the Company is of the view that the financial statements of the Company are not reflective of its true current financial health and therefore, it is necessary to reduce and reorganize the capital of the Company.

- vi. The Scheme proposes to set-off the debit balance of Retained Earnings of the Company as on the Appointed Date against the credit balance lying under various reserves as specified herein.
- vii. The proposed reduction and reorganization of the capital is in the interest of the Company, its shareholders, creditors and all concerned stakeholders. If the Scheme is approved, the books of the Company would present a fair representation of the financial position of the company, and would enable the Company to explore opportunities for the benefit of its shareholders.
