MEDIA RELEASE

"Vikas Lifecare Limited Expands Operations with Acquisition of New Land"

New Delhi, 03 January'24: Vikas Lifecare Limited is pleased to announce that for the purpose of capacity expansion and augmentation of manufacturing operations for company's conventional business of Polymer & Rubber Compounds we have acquired a new land piece measuring about 1800 Sq. Mtr. adjoining to the existing factories located at RIICO Industrial Area, Shahjahanpur, Rajasthan.

The total cost of acquisition and development of the land and the building there on will be about INR 30 Million, whereas the equipment for the expansion of production capacity will cost another INR 230 Million.

The new expansion will be ready to be utilized within the next 3~4 Months and is expected to add an additional INR 600 Million to the gross revenues from the compounding business segment.

VLL is working in all directions to tap into the vertical as well as horizontal growth options via expanding conventional businesses and venturing into new business segments to fuel the fast-growth plans through various routes including merger and acquisition of going businesses from diverse fields.

About Vikas Lifecare Limited:

Vikas Lifecare Limited (VLL) is an ISO 9001:2015 certified company, conventionally engaged in manufacturing and trading of Polymer and Rubber compounds and Specialty Additives for Plastics, Synthetic & Natural Rubber. Polymer & Rubber Commodity (bulk consumption) Compounds and Master-Batches (Manufacturing up- cycled compounds from industrial and post-consumer waste materials like EVA, PVC, PP, PE etc.), contributing to the Environment Protection initiatives from the Government of India and fulfilling the mandated EPR obligations for the conglomerates consuming hundreds of thousands of tons of plastic products and packaging materials.

VLL is also a Del-Credere agent of ONGC (Oil and Natural Gas Corporation Ltd.) Petro Additions Limited, a public sector undertaking producing a wide variety of base Polymers and Commodity Plastic Raw Materials.

VLL's subsidiary M/s Genesis Gas Solutions Pvt. Ltd. is engaged in the business of Smart Gas Meters being supplied to all the major Gas Distribution Companies for domestic and commercial consumers. Genesis pioneers in Smart Gas and Water Metering and commands about 20% of the Domestic Gas Metering business share in India.

As a long-term business strategy, the company has most recently diversified its business interests beyond raw materials (B2B businesses) and forayed into the B2C segment with a host of consumer products including FMCG, Agro, and Infrastructure Products; paving way for an aggressive business growth with intricately planned and selected product portfolios via acquisitions, joint ventures and tie-ups. VLL intends establishing / acquiring businesses in these segments thereby expanding its footprint in the country and beyond.

The securities of the Company are listed on both the Stock Exchanges, BSE (Scrip Code: 542655) and NSE (Symbol: VIKASLIFE).
