Jet Freight appoints Sameer Mistry as Vice President for Technology and Business Excellence

India, 19th July 2022: Technology-driven integrated logistics solutions provider, Jet Freight Logistics Limited appointed Sameer Mistry into their executive leadership team as Vice President of Technology and Business Excellence. He will be based out at the company's head office in Mumbai. "Sameer Mistry's true visionary mindset, through technology, business understanding, and product innovation, combined with our suite of propriety tech-stacks, will lead and solidify our commitment to creating advanced digital logistics solutions," **Richard Theknath, Chairman and Managing Director, Jet Freight Logistics, said.**

Sameer will be responsible for leading Technology and Business Excellence at Jet Freight. In this role, Sameer will lead and drive technology innovations, enhance the digital platform for customers, develop strategically to compliment the launch of new business products, and deliver critical solutions for the organization's operational teams. Building on his 24 years of experience driving the growth strategy for various companies, Sameer is focused on integrating and advancing Jet Freight's technology platform.

Before Jet Freight, Sameer held management and leadership roles across industries like Logistics, Banking and Financial Services, and Technology. Sameer is experienced in driving and implementing Transformation programs, Standardisation initiatives, Digitisation Projects, Automation using modern technologies, and designing Customer-centric Solutions. His hiring represents Jet Freight's relentless commitment to technology excellence and innovation.

According to **Dax Theknath, Whole Time Director, Jet Freight**, "Jet Freight is considered amongst India's renowned freight forwarders, with global operations controlled from offices in India and Dubai and continues to spread its logistic efforts for superior last-mile delivery solutions. We are dedicated to bringing five-fold growth with our business transformation initiative "Mission Excel." As a highly experienced and respected innovation leader in cutting edge connected technologies, we are happy to have Mr. Sameer Mistry on board with Jet Freight. Given his vast experience in the freight forwarding industry, we are confident that he will take Jet Freight to greater heights and are keen to leverage his leadership skills in enhancing our technology and process front. Jet Freight is a technology-enabled firm on the road to becoming a top choice for freight forwarding and supplying logistics distribution services to its clients with the active involvement of Sameer. Jet Freight plan to

extend seamless and environment-friendly deliveries for their customers. We welcome Mr. Mistry as he joins the Jet Freight family and wishes him all the best for his new role".

The company's recent vital additions to the leadership team include Joy John joining as the new Director- Air and Sea freight, Arvind Talan as a Chief Financial Officer, and Ashish Nagpurkar as Chief Human Resource Officer.

About Jet Freight:

Established in 1986 with a vision to be the front-runner in the logistic industry, Jet Freight is one of the leading freight forwarders today, offering complete logistics solutions. They offer a wide variety of services to our clients, managing over 150 tonnes of air cargo daily with all the leading global airlines and specialize in perishable, time-sensitive, and general cargo while being a known name in the market for customs clearance, logistics solutions, shipment of hazardous cargo, and ODC consignments. They have a strong presence in 10+ cities in India and cater to over 200 countries with branches in Dubai and Netherlands having state-of-art technology supporting round-the-clock operational processes for enhanced efficiency and quicker response rates. Their infrastructure is well-equipped with advanced technological enhancements to handle sensitive daily shipments under tight schedules.
