Dear Sirs,

Sub: Migration of the credit rating outstanding on Fixed Deposits

Ref: Press Release by ICRA Limited dated June 9, 2022

ICRA Limited has intimated vide their email dated June 9, 2022 that the rating symbol of Company's Fixed Deposit programme has been migrated from MAAA (Stable) to ICRA AA+ (Stable) and as mentioned under the Rationale, the same has to be construed only as a recalibration of the rating from one scale to another, and not as a reflection of a change in the credit risk of the fixed deposit programme.

A copy of the rating rationale dated June 9, 2022 is enclosed herewith.

This intimation is submitted pursuant to Regulation 30, Schedule III Part A, Para A of the SEBI (LODR) Regulations, 2015.

Rationale

In compliance with the circular [SEBI/HO/MIRSD/MIRSD_CRADT/P/CIR/2021/594] issued by the Securities and Exchange Board of India (SEBI) on July 16, 2021 and the subsequent circular SEBI/HO/MIRSD/MIRSD_CRADT /P/CIR/2022/43 of April 1, 2022, for standardizing the rating scales used by the Credit Rating Agencies, ICRA has discontinued the medium-term rating scale which was being used to assign ratings to the fixed deposit programmes of entities.

Accordingly, ICRA has migrated the rating currently outstanding for the fixed deposits programme of Can Fin Homes Limited (CFHL) from the medium-term rating scale to the long-term rating scale. The medium-term rating scale of ICRA was a 14-point scale, while the long-term rating scale is a 20-point scale. The migration of the rating has resulted in a change in the rating symbol; however, this is to be construed only as a recalibration of the rating from one scale to another, and not as a reflection of a change in the credit risk of the fixed deposit programme.

Analytical approach

Analytical Approach	Comments
Applicable Rating Methodologies	ICRA Credit Rating Methodology for Non-Banking Finance Companies Impact of Implicit support expected from Parent or Group on an entity's credit rating Migration of Ratings to the Long-Term Rating Scale from the Medium-Term Rating Scale
Parent/Group Support	The ratings factor in ICRA's expectations that Canara Bank would be willing to extend support to CFHL, if needed, given its importance as well as the shared brand name.
Consolidation/Standalone	The ratings are based on the standalone financial statements of the company.

About the company

CFHL – promoted by Canara Bank, HDFC Limited and UTI in 1987 – is a deposit-taking HFC registered with NHB. Headquartered in Bengaluru, the company has a presence in 21 states and Union Territories. CFHL reported a loan book of Rs. 26,711 crore as on March 31, 2022. It primarily operates in the affordable housing category. The average ticket size of the loans is less than Rs. 25 lakh with a median tenure of 16 to 20 years and a fixed obligation to income ratio (FOIR) of less than 50%.

CFHL reported a net profit (profit after tax; PAT) of Rs. 471 crore in FY2022 on a loan book of Rs. 26,711 crore as on March 31, 2022 against a PAT of Rs. 456 crore in FY2021 on a loan book of Rs. 22,105 crore as on March 31, 2021.

Status of non-cooperation with previous CRA: Not applicable

Any other information:

ICRA has taken note of the reporting of fraud of Rs. 3.93 crore by CFHL, which came to light after an inspection conducted by Canara Bank (sponsor bank of CFHL) following a whistle blower complaint to the National Housing Bank (NHB). The quantum of reported fraud amount is negligible in comparison to CFHL's overall loan book, however, ICRA shall continue to monitor further developments, if any, which could adversely impact its credit profile.
