**Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“LODR Regulations”), as amended from time to time.**

Dear Sir/Madam,

In continuation to our intimations dated August 16, 2023 and September 15, 2023, this is to inform that the temporarily closure of Diphenol Plant of our wholly owned subsidiary, CFS Europe SPA situated in Ravenna, Italy shall be extended on account of continuing difficult macro-economic situation in Europe coupled with low pricing and weak demand across the industry. Such closure shall continue until the situation improves for the resumption of the operation of the plant.

For the financial year ended March 31, 2023, CFS Europe SPA's Revenue from Operation was Rs. 488.23 crore which was 29% of consolidated revenue and its Net Worth for the aforesaid period was Rs. 308.66 crore which was 40% of the consolidated net worth.

We request you to take the above on record and the same be treated as compliance under the applicable LODR Regulations.

Thanking You,  
For **Camlin Fine Sciences Limited**
