FORWARD-LOOKING STATEMENT

In this Integrated Annual Report, we have disclosed forward-looking information to enable investors to comprehend our prospects and make informed investment decisions. This report and other statements, written and oral that we periodically make contain forward looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipates', 'estimates', 'expects', 'projects', 'intends', 'plans', 'believes' and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised, although we believe we have been prudent in our assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated, or projected. Readers should bear this in mind. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events, or otherwise.

MESSAGE FROM CHAIRPERSON DESK

“
We are at an
inflection
point in our
existence”

Dear Stakeholders,

It gives me immense pleasure to present Parvati Sweetners and Power Limited's (PSPL) 13th Annual Report for the financial year 2023-24.

This year has been a transformative one for your company due to evolving market dynamics and a renewed focus on operational excellence, sustainability, and social responsibility.

During FY 2023-24, the global sugar industry witnessed a period of tremendous flux. Strong sugar prices globally, driven by factors such as reduced exports from India, significantly reshaped the market dynamics, presenting both challenges and opportunities for your company.

While India strategically restricted sugar exports in 2023-24 to ensure domestic availability, this decision unquestionably impacted our export volumes and deprived the Indian Sugar sector from realising higher international prices. Further, limitations on diverting sugar towards ethanol production added another layer of complexity.

The future of the sugar industry is brimming with both challenges and immense potential. Even if the government continues with the restriction on sugar exports and regulation on diversion of sugar towards ethanol, your company is well-equipped to deal with these situations and see such challenges as opportunities.

PSPL's, focus on a diversified product portfolio that includes sugar production, optimisation of by-products, improved co-gen and increased export of power, and established market reach will serve us well.

To fully capitalize on the domestic market, we are implementing a multipronged approach. Firstly, we are continuously striving to improve cane quality through investments in cane development initiatives.

We understand that our success relies on fostering strong relationships with all our stakeholders. This includes our employees, who are the backbone of our operations. Through continuous skill development programs and a commitment to providing a safe and healthy work environment, we strive to build a culture of excellence within the organization.

Furthermore, we maintain strong relationships with our century-old generations of more than 50 thousand sugarcane farmers, who are our strongest and most vital partners in the entire value chain. We are committed to timely payments at government-fixed prices to ensure their economic well-being in addition to a steady supply of high quality cane. Additionally, we are actively collaborating with research institutions to develop high-yielding and disease resistant sugarcane varieties, further benefiting our farmer communities.

We weathered challenging market conditions, emerged stronger, and are now poised for future growth. Our commitment to operational excellence, sustainability, and social responsibility remains unwavering.

Looking ahead, we are confident that by working collaboratively with our stakeholders – shareholders, partners, lenders, employees, and sugarcane farmers – we can navigate the evolving sugar industry landscape and build a future of shared success. To this end, I remain grateful for your continued support and invite you to explore this annual report for a more detailed understanding of our performance and future endeavours.

Sincerely,
Smt. Poonam Chouksey
Chairman, Parvati Sweetners and Power Limited

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Global Economy Overview

Overview Global growth is forecast to slow from 3.5% in 2022 to an estimated 3% in 2023. Asia is projected to rise from 4.5% in 2022 to 5.2% in 2023. Asia is expected to contribute significantly to the global growth in 2023, despite the weaker recovery in China, the Ukraine-Russia war, weakness in the USA, rising energy cost in Europe, and increased logistic costs due to the Red Sea crisis. Despite the disruptions in energy and food markets caused by the war and the unprecedented tightening of global monetary conditions to combat decades-high inflation, the global economy has slowed but not stalled.

Growth in advanced economies is estimated to decline from 2.6% in 2022 to 1.5% in 2023 and further to 1.4% in 2024 as policy tightening takes effect. Emerging markets and developing countries are projected to report a modest decline in economic growth from 4.1% in 2022 to 4.0% in 2023 and 2024. Global inflation is projected to decline steadily from 8.7% in 2022 to 6.9% in 2023 and 5.8% in 2024 on account of a tighter monetary policy coupled with relatively lower international commodity prices. Core inflation, excluding food and energy prices, is also projected to decline albeit more gradually than inflation. The US Federal Reserve approved a much anticipated interest rate hike that raised the benchmark borrowing costs to their highest in over 22 years.

Global trade in goods was expected to have decreased by an approximate US\$ 2 trillion in 2023; trade in services increased by an estimated US\$ 500 billion. The average cost of Brent crude oil in 2023 stood at \$ 83 per barrel, a downturn as compared to \$ 101 per barrel in 2022. This decrease comes on account of Russia finding crude oil destinations outside the European Union and global crude oil demand falling short of expectations.

Global equity markets ended 2023 on a strong note, with major global equity benchmarks achieving double-digit returns. This out performance was driven by a downturn in global inflation, a slide in the dollar index, declining crude prices and higher expectations of rate cuts by the US Fed and other central banks.

Regional growth (%)	2023-24	2022-23
World output	3.0	3.5
Advanced economies	1.5	2.6
Emerging and developing economies	4.0	4.1

Performance of major economies

- United States reported GDP growth of 2.5% in 2023, compared to 1.9% in 2022.
- China GDP growth was 5.2% in 2023, compared to 3% in 2022.
- Uniteds Kingdom GDP grew by 0.4% in 2023, compared to 4.3% in 2022.
- Japan GDP grew 1.9% in 2023, unchanged from 1.9% in 2022.
- Germany GDP contracted by 0.3% in 2023, compared to 1.8% in 2022.

Outlook

Asia is poised to continue leading global growth in 2024-25. Inflation is expected to ease gradually as cost pressures decrease; headline inflation in G20 countries is projected to decline. Amid high inflation and monetary tightening, the global economy has shown resilience, as growth is expected to stabilise at previous levels over the next two years.

Indian economic review

Overview

In FY 2023-24, India's economy demonstrated remarkable resilience and adaptability in the face of global uncertainties. The period was marked by several notable developments in inflation management, trade dynamics, capital inflows, and currency stability, all of which contributed to the country's robust economic performance.

In India, retail inflation in FY 2023-24 experienced a noteworthy decline, reaching its lowest level since the COVID-19 pandemic. The RBI has projected CPI inflation for FY2024-25 at 4.5%, considering various factors such as geopolitical conflicts, potential adverse domestic weather conditions, and the India Meteorological Department's (IMD) forecast of an above-normal monsoon this year.

Global trade experienced a contraction in 2023. This slowdown led to a moderation in India's merchandise exports and imports. As a result, the merchandise trade deficit narrowed in FY 23-24, with exports showing a smaller contraction than imports.

Growth of the Indian economy

	FY 21	FY 22	FY 23	FY 24
Real GDP growth (%)	-6.6%	8.7%	7.0%	8.2%

Growth of the Indian economy quarter by quarter, FY 23-24

	Q1 FY 23-24	Q2 FY 23-24	Q3 FY 23-24	Q4 FY 23-24
Real GDP growth (%)	8.2%	8.1%	8.6%	7.8%

India's capital inflows experienced a significant turnaround in FY 2023-24. The country's foreign exchange reserves reached an all-time high in March 2024, sufficient to cover 11 months of projected imports and exceeding 100% of total external debt.

The Rs./US\$ exchange rate remained within the range of ₹82-83.5/US\$, making it one of the least volatile major currencies among its emerging market peers and even some advanced economies in FY 2023-24. The rupee also exhibited the lowest volatility compared to the previous three years.

Looking ahead, robust foreign inflows and manageable trade deficits are expected to stabilise the rupee. This stability, along with strong economic indicators and strategic policy measures, positions India favourably in the global economic landscape.

Despite global challenges, India's economic resilience and strategic measures support its growth trajectory. The focus will remain on leveraging strengths in inflation management, foreign exchange reserves, and currency stability to navigate uncertainties and drive sustainable growth.

India experienced its weakest monsoon in the last five years in 2023, with August being the driest month in a century. The nation received only 94% of its average long-term rainfall from June to September. Total foodgrain production is estimated at 329 MMT, which is slightly lower than foodgrain production in 2022-23 while higher by 21 MMT from the average foodgrain production of the last 5 years (2018-19 to 2022-23) of 308 MMT. Total rice production is estimated at 137 MMT as compared to 136 MMT in 2022-23, showing an increase of ~ 1 MMT. Production of wheat is estimated at 113 MMT, which is higher by 2.3 MMT from previous year's wheat production.

Despite persistent global challenges, overall exports (merchandise + services) estimated to surpass last year's highest record. It is estimated to reach US\$ 776.68 billion in FY 23-24 as compared to US\$ 776.40 billion in FY 22-23. The estimated value of services export for FY 23-24 (April-March) is US\$ 339.62 billion as compared to US\$ 325.33 billion in FY 22-23 (April-March). The main drivers of merchandise export growth in FY 23-24 include electronic goods, drugs and pharmaceuticals, engineering goods and iron ore, among others.

India's net direct tax collections saw a 17.7% increase to ₹19.58 lakh crore in FY 23-24. Gross GST collections reached ₹20.2 lakh crore, an 11.7% rise, with an average monthly collection of ₹1.68 lakh crore, exceeding the prior year's average of ₹1.50 lakh crore.

Real GDP, or GDP at constant prices, rose from ₹160.71 lakh crore in 2022-23 (provisional GDP estimate released on May 31, 2023) to an estimated ₹173.82 lakh crore in 2023-24. The growth in real GDP during 2023-24 was 8.2%, up from 7.0% in 2022-23. Nominal GDP, or GDP at current prices, was estimated at ₹295.36 lakh crore in 2023-24, compared to the provisional estimate of ₹269.50 lakh crore for 2022-23. Additionally, the gross non-performing asset (NPA) ratio for scheduled commercial banks improved from 3.9% in March 2023 to 2.8% in March 2024.

India reached a critical point in its development trajectory, characterised by rapid urbanisation, industrialisation, rising household incomes and increased energy consumption. By 2023-24, India became the fifth-largest economy globally, boasting a GDP of US\$3.6 trillion.

During the fiscal year 2023-24, the Nifty 50 index saw a remarkable 30% growth, positioning India's stock market as the fourth-largest worldwide, with a market capitalisation of US\$4 trillion. There was a notable rise in foreign investment in Indian government bonds towards the end of 2023. India was ranked 63rd among 190 countries in the World Bank's ease of doing business index. Additionally, India's unemployment rate fell to 3.2% in 2023, a significant decrease from 6.1% in 2018.

Outlook

In 2023, India effectively navigated through global economic challenges and is set to maintain its position as the world's fastest-growing major economy. This growth is supported by increasing demand, moderate inflation, stable interest rates and strong foreign exchange reserves. The Indian economy is expected to exceed US\$ 4 trillion by the fiscal year 2024-25.

Union Budget FY 24-25

The Interim Union Budget for 2024- 25 emphasised sustained capital expenditure, targeting infrastructure development, solar energy projects, tourism enhancement, healthcare system improvements and technological advancements. The Budget allocated 54% of its total estimated expenditure to the top 13 ministries. Notably, the Ministry of Defence received the largest share with an allocation of Rs. 6,21,541 crore, representing 13% of the total budgeted expenditure of the central government. Significant allocations were also made to the Ministries of Road Transport and Highways (5.8%), Railways (5.4%), and Consumer Affairs, Food and Public Distribution (4.5%).

Global sugar sector review

Global production is estimated to be up ~1 million tonnes year-on-year to 179.5 million tonnes in 2023-24 as higher production in Brazil is expected to more than cover up a decline in Thailand and India. Global sugar consumption is expected to reach a new record due to growth in markets including India and Pakistan. Global sugar consumption is pegged to surpass 180 million tonnes in 2023-24. Global sugar consumption grew even during high prices and this trend is expected to continue alongside population growth, leading to an additional 2 million tonne consumption growth in 2024-25.

The global sugar market is expected to grow at a CAGR growth rate of 1.4% during 2024-2032. Based on the product type, the global sugar market has been divided into three categories; white sugar, brown sugar and liquid sugar where white sugar holds the largest market share. The global sugar market is experiencing a significant rise as key players operating in the industry are including organic sugar varieties in their existing portfolios to attract health conscious consumers. Moreover, these companies are focusing on developing advanced production facilities to increase overall production and reduce expenditure on raw materials and labour. Besides, the introduction of innovative products and technological advancements to reduce costs and increase sugar sales is offering lucrative growth opportunities to key players.

Performance of major sugar growing countries

United States

Sugar production is estimated to be flat at 8.4 million tonnes. Sugar imports are estimated down 10% to 2.8 million tonnes based on projected quota programs set at minimum levels consistent with World Trade Organisation and free-trade agreement obligations and on projected imports from Mexico, re-exports and high-tier tariff imports. Sugar consumption is expected to be slightly higher while stocks are reduced with lower imports, modest growth in consumption and a decline in production.

Brazil

Sugar production for the year 2023-24 is estimated to rise by ~9 million tonnes to a near-record 42.5 million tonnes as favorable weather and increased area are expected to result in additional sugarcane available for crushing. Favorable sugar prices encouraged farmers to use their land for growing sugarcane instead of grains. The sugar/ ethanol production mix is expected to favor sugar relative to the previous season; the sugar mix is expected to go up towards 51-52% against Ethanol for the year 2024-25. Consumption and stocks are down while record exports are expected with higher supplies. Sugar production for 2024-25 is expected to drop to ~41.5 million tonnes.

China

The country's sugar production is anticipated to increase to ~10.1 million tonnes as favorable weather is expected to result in higher sugarcane yields. Sugar consumption is estimated to remain unchanged. Sugar imports are expected to rise to help fill the gap between supply and demand, but total supply remains tight due to curbed imports related to high global sugar prices. Stocks are expected to reduce by 50% due to lower beginning stocks and an increasing number of stocks sourced to support consumption. Sugar production for 2024-25 is expected to increase marginally to ~10.5 million tonnes.

Indian sugar sector review

India's sugar production in marketing year (FY) 2023-2024 (October -September) is expected to reach 32 million metric tonnes. Sugar production in FY 2022-23 was 32.8 million tonne as adverse weather conditions in Maharashtra during the vegetative growth stage led to a significant drop in cane yields following consecutive seasons of record yields. India's sugar exports in FY 2023-2024 are estimated to be negligible as the Indian government could maintain tight export controls to prevent any domestic shortages or price fluctuations during the national election year. Sugar consumption in the year is expected to continue its upward trajectory and reach ~28.7 million tonnes as India's ethanol and potable alcohol industries support the growing demand for sugarcane and its derivatives.

According to FAS New Delhi, India's sugarcane planted area for FY 2023/2024 is expected to slightly increase to 5.6 million hectares and production to reach 32 million tonnes following the significantly strong crushing tail in Maharashtra and Karnataka. Despite the increased potential on account of adverse weather conditions from the El Niño weather phenomenon, the Indian government's market price supports and augmented diversion of sugar to both ethanol and potable alcohol production will ensure sugarcane remains the most profitable crop for farmers.

Performance of major sugar growing States

As per the latest data, 121 operational units in Uttar Pradesh has crushed ~98 million tonnes of sugarcane to produce 10.35 million tonnes of sugar in 2023-24 sugar season.

In Maharashtra, 207 mills operated compared to 217 mills in the previous year. The State's cane crushing is estimated to reach ~106 million tonnes and about ~11.0 million tonnes of sugar has been produced. During the previous year, around 105 million tonnes of sugarcane was crushed to produce ~10.5 million tonnes of sugar. The average sugar recovery rate in the State has gone up to 10.25% from ~10.0% in the previous year.

In Karnataka, sugarcane crushed fell to ~54 million tonnes in sugar season 2023-24. Sugar production in the State is expected to reach ~5.25 million tonnes including the special session.

Sugar exports and imports

During the marketing year 2023-2024, India's sugar exports was restricted on account of higher domestic demand and the likelihood that the Indian government maintains export caps to control inflation. India extended curbs on sugar export for the 2023-24 sugar season according to a federal notification, a measure that may result in a complete halt of overseas sales for the first time in seven years amid an estimated fall in domestic output and the worst global shortage in decades. According to the Director General of Foreign Trade, India had earlier restricted exports of the sweetener until October 31, 2023, and those curbs have been extended until further orders. The restrictions on shipments abroad are aimed at boosting domestic availability during 2023-24 and keeping prices stable during the ongoing festive season, when demand typically soars.

The decision is expected to worsen a global supply crunch due to a smaller crop since India is a major international supplier. The sweetener is one among 22 notified food items deemed 'essential' because consumers are sensitive to a rise in its prices. A deficient and uneven monsoon this year coupled with lower plantation across the Deccan plateau, a global weather anomaly is expected to reduce the output of sugarcane. India is unlikely to allow any export this season to stem inflation. The country had limited overseas shipments to 6.1 million tonnes in 2022-23, compared to 11.1 million tonnes in 2021-22. India's decision to curb export also comes of the back of higher demand for ethanol under a highpriority national programme.

Sugar export (in million tonnes)

Market dynamics

The government approved the fair and remunerative price (FRP) of sugarcane for the sugar season 2023-24 at ₹ 315 per quintal for a basic recovery rate of 10.25%. The government has approved to provide a premium of ₹ 3.07 per quintal for each 0.1% increase in recovery over and above 10.25% and reduction in fair remunerative price by ₹ 3.07 per quintal for every 0.1% decrease in recovery.

Moreover, with a view to protect the interest of sugarcane farmers, the government has decided that there shall not be any deduction in case of sugar mills where recovery is below 9.5%. Such farmers are expected to get ₹ 291.975 per quintal for sugarcane in ensuing sugar season 2023-24 in place of ₹ 282.125 per quintal in sugar season 2022-23.

The cost of production of sugarcane for the sugar season 2023-24 is ₹ 157 per quintal. This fair and remunerative price of ₹ 315 per quintal at a recovery rate of 10.25% is higher by 100.6% over production cost. The fair and remunerative price for sugar season 2023-24 is 3.28% higher than sugar season 2022-23. The fair and remunerative price of sugarcane for sugar season 2024-25 has been increased to Rs. 340 per quintal.

The fair and remunerative price approved shall be applicable for the purchase of sugarcane from the farmers in the sugar season 2023-24 (with effect from 1st October 2023) by sugar mills. The fair and remunerative price has been determined on the basis of recommendations from the Commission for Agricultural Costs and Prices (CACP) and after consultation with state governments and other stakeholders.

Indian ethanol sector review

India's grain-based distilleries witnessed a significant capacity growth from ~200 crore litre in 2023 to 433 crore litres. The government has allowed sugar mills to use both cane juice and B-heavy molasses to produce ethanol but capped the diversion of sugar to 17 lakh tonnes (expected to reach ~18.2 lakh tonnes) for the ongoing 2023-24 supply year. The government permitted the conversion of 6.75 lakh tonnes of B heavy Molasses above the announced 17 lakh tonnes stipulated diversion.

The government's target for attaining 20% ethanol-blended petrol by 2025- 26 and 30% by 2029-30 is expected to face setbacks due to the restriction in ethanol production from sugarcane juice in 2023-24. Domestic ethanol production is expected to decline by 20%, which could bring the ethanol blending rate to less than 10% in the ethanol supply year 2023-24. However, the supply of ethanol from existing offers received by oil marketing companies from C heavy molasses and grains will somewhat compensate this decline from Juice based and B-heavy based Ethanol. Out of the total ethanol produced in the country, ethanol from cane juice accounted for ~25% while that from B heavy molasses accounted for around ~46%. Ethanol from C heavy molasses and grains accounted for the rest of the ethanol year 2022-23.

Co-generation

Crushing sugar cane produces bagasse, a valuable resource utilised in power co-generation. By utilizing bagasse, significant reductions in transmission and distribution losses can be achieved while avoiding carbon emissions. This sustainable approach offers a lowcost, diverse fuel source, enhancing energy security and providing a cleaner alternative energy solution.

Government policies

Sugar subsidy scheme

The Indian government reviewed the existing sugar subsidy scheme for the distribution of sugar through Antyodaya Anna Yojana program (uplifting the poorest food plan) at Rs. 18.50/kg (\$0.24/ kg), providing 1.0 kg of sugar per family per month. Furthermore, States and Union Territories are permitted to add on any extra expenses related to shipping and handling fees directly to the beneficiary to incur directly to the retail issue price of Rs.13.50/kg (\$0.16/kg).

National Biofuel Policy

The Indian government set a target for the national average ethanol blend rates in petrol of 10% and 20% by 2022 and 2025 under the 2018 National Biofuel Policy. The program's objective is to boost the production of ethanol from sugarcane, broken grains and other feedstocks. To achieve this target, the Indian government is encouraging sugar mills and distilleries to divert surplus sugar derivatives to produce ethanol under the ethanol blending program. India achieved its target, reaching a national blending average of 10.1% in June 2022 and additional projects are in place to reach 20% ethanol blending. The Ministry of Petroleum and Natural Gas increased procurement prices for ethanol derived from sugarcane derivatives under the EPB program for ethanol supply year (ESY) 2022-23 (December-November).

28. **Voting through electronic means:**
Members are requested to carefully read the below mentioned instructions for remote e-voting before casting their vote.
Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
 - (i) The voting period begins on Sunday, 22th September, 2024 at 9:00 A.M. (IST) and ends on Tuesday, 24th September, 2024 at 5:00 P.M. (IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Wednesday, 18th September, 2024 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to Master Circular No. SEBI/HO/CFD/ POD2/CIR/P/2023/120 dated 11th July, 2023, under Regulation 44 of Securities and Exchange Board of India (LODR)) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non institutional shareholders/retail shareholders is at a negligible level.
- (iv) Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

In terms of Master Circular No. **SEBI/HO/CFD/ POD2/CIR/P/2023/120 dated 11th July, 2023**, e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. DIN No.:02110270

EXPLANATORY STATEMENT IN TERMS OF SECTION 102 OF THE COMPANIES ACT, 2013 IN RESPECT OF SPECIAL BUSINESSES

Item No 3:

Mr. Kuldeep Mudgal (DIN: 08608624) is currently an Independent Director, Chairperson of the Stakeholders Relationship Committee (SHRC) and Member of Nomination and remuneration committee. Mr. Kuldeep Mudgal (DIN: 08608624) was appointed as an Independent Director with effect from 12th November, 2019 for a term of 5 (five) consecutive years upto 11th November, 2024 vide approval of the Shareholders at the 09th Annual General Meeting of the Company.

As per Section 149 of the Act, an independent director may hold office for two terms up to 5 (five) consecutive years. Mr. Kuldeep Mudgal (DIN: 08608624) fulfills the requirements of an Independent Director as laid down under Section 149 (6) of the Act and Regulation 16(1)(b) of the Listing Regulations.

The NRC, after taking into account the report of performance evaluation of Mr. Kuldeep Mudgal (DIN: 08608624) during his first term of 5 (five) years and considering his knowledge, acumen, expertise, experience, substantial contribution and time commitment, has recommended to the Board his reappointment for a second term of 5 (five) years.

The NRC has considered his diverse skills, leadership capabilities, general management & sustainability exposure and vast consulting experience with businesses on IT, risk management, auditing and accounting among others, as being key requirements for this role. In view of the above, the NRC is of the view that Mr. Kuldeep Mudgal (DIN: 08608624) possesses the requisite skills and capabilities, which would be of immense benefit to the Company, and hence, it is desirable to reappoint him as an Independent Director. In the opinion of the Board, Mr. Kuldeep Mudgal (DIN: 08608624) fulfills the conditions specified under the Act and the Listing Regulations for his appointment as an Independent Director of the Company and is independent of the management of the Company. The directorships held by Mr. Kuldeep Mudgal (DIN: 08608624) are within the limits prescribed under the Act and Regulation 17A of the Listing Regulations. Further, in terms of Sections 149 and 152 of the Act, Mr. Kuldeep Mudgal (DIN: 08608624) shall not be liable to retire by rotation.

The brief profile of Mr. Kuldeep Mudgal (DIN: 08608624) is given hereunder in “The details of the directors seeking Appointment/Re-appointment in the Ensuing Annual General Meeting”.

Accordingly, the Board recommends re-appointment of Mr. Kuldeep Mudgal as an Independent Director of the Company for a second term of 5 (five) consecutive years with effect from 12th November, 2024 to 11th November, 2029 (both days inclusive) for the approval by the Members of the Company.

The Company has received declaration from Mr. Kuldeep Mudgal stating that he meets the criteria of Independence as prescribed under Section 149(6) of the Act and Regulation 16(1)(b) of the Listing Regulations. The Company has also received a declaration from Mr. Kuldeep Mudgal stating that he is not disqualified from being appointed as a director in terms of Section 164 of the Act.

Except Mr. Kuldeep Mudgal, being an appointee, none of the other Directors or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the accompanying Notice. The Board recommends this Special Resolution set out in Item No. 3 for approval by the Shareholders.

Item No. 4

Mr. Vineet Richhariya (DIN: 08277328) is currently an Independent Director, Chairperson of the Nomination and remuneration committee and member of Audit Committee. Mr. Vineet Richhariya (DIN: 08277328) was appointed as an Independent Director with effect from 12th November, 2018 for a term of 5 (five) consecutive years upto 11th November, 2023 vide approval of the Shareholders at the 08th Annual General Meeting of the Company.

As per Section 149 of the Act, an independent director may hold office for two terms up to 5 (five) consecutive years. Mr. Vineet Richhariya (DIN: 08277328) fulfills the requirements of an Independent Director as laid down under Section 149 (6) of the Act and Regulation 16(1)(b) of the Listing Regulations.

The NRC has considered his diverse skills, leadership capabilities, general management & sustainability exposure and vast consulting experience with businesses on IT, risk management, auditing and accounting among others, as being key requirements for this role. In view of the above, the NRC is of the view that Mr. Vineet Richhariya (DIN: 08277328) possesses the requisite skills and capabilities, which would be of immense benefit to the Company, and hence, it is desirable to reappoint him as an Independent Director. In the opinion of the Board, Mr. Vineet Richhariya (DIN: 08277328) fulfills the conditions specified under the Act and the Listing Regulations for his appointment as an Independent Director of the Company and is independent of the management of the Company. The directorships held by Mr. Vineet Richhariya (DIN: 08277328) are within the limits prescribed under the Act and Regulation 17A of the Listing Regulations. Further, in terms of Sections 149 and 152 of the Act, Mr. Vineet Richhariya (DIN: 08277328) shall not be liable to retire by rotation.

The brief profile of Mr. Vineet Richhariya (DIN: 08277328) is given hereunder in “The details of the directors seeking Appointment/Re-appointment in the Ensuing Annual General Meeting”.

Accordingly, the Board recommends re-appointment of Mr. Vineet Richhariya as an Independent Director of the Company for a second term of 5 (five) consecutive years with effect from 12th November, 2023 to 11th November, 2028 (both days inclusive) for the approval by the Members of the Company.

The Company has received declaration from Mr. Vineet Richhariya stating that he meets the criteria of Independence as prescribed under Section 149(6) of the Act and Regulation 16(1)(b) of the Listing Regulations. The Company has also received a declaration from Mr. Vineet Richhariya stating that he is not disqualified from being appointed as a director in terms of Section 164 of the Act.

Except Mr. Vineet Richhariya, being an appointee, none of the other Directors or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of the accompanying Notice.

Item No: 5

The company had appointed Mrs. Pooja Shree Chouksey (DIN- 07575058) w.e.f. 29th September 2018 as the Non-Executive Non-Independent Director of the company for the period of 5 years. Now based on the recommendation of the Nomination and Remuneration Committee and the board of directors at their meeting held on Monday, 12th of August, 2024, Mrs. Pooja Shree Chouksey (DIN- 07575058) is proposed to be re-appointed as the Non-Executive Non-Independent Director of the Company for a further period of 5 years as her tenure will be expiring in the ensuing AGM.

The brief profile of Mrs. Pooja Shree Chouksey (DIN- 07575058) is given hereunder in “The details of the directors seeking Appointment/Re-appointment in the Ensuing Annual General Meeting”. The Board feels that appointment and presence of Mrs. Pooja Shree Chouksey on the Board will be desirable, beneficial and in the best interest of the Company and hence recommends the resolution set out in item no. 5 of the accompanying Notice for approval of the Members.

None of the Directors of the Company except Mrs. Pooja Shree Chouksey being the appointee, is concerned or interested in the proposed resolution.

Item No 6:

In accordance with the provisions of Section 148 of the Companies Act, 2013 (‘the Act’) and the Companies (Audit and Auditors) Rules, 2014 and the Companies (Cost Records and Audit) Amendment Rules, 2014 (‘the Rules’) the Company is required to appoint a Cost Auditor to audit the cost records of the Company.

On the recommendation of the Audit Committee, the Board of Directors at their Meeting has approved the appointment of M/s. Sanjay Kasliwal & Associates, Cost Accountants, Bhopal (ICWAI Firm Registration No. 100888), as Cost Auditor to conduct the audit of the cost records of the Company for the Financial Year ended March 31, 2025 at a remuneration of Rs. 30,000/- (Rupees Thirty Thousand only) plus applicable taxes and reimbursement of out of pocket expenses at actual, subject to ratification by the members in the 13th Annual General Meeting.

Accordingly, consent of the members is sought for passing an ordinary resolution as set out at Item No. 6 of the Notice for ratification of remuneration payable to the Cost Auditor for the Financial Year ended March 31, 2025.

Item No. 7:

The financial performance of the Company in the financial year ended 31 March, 2024 did not meet expectations and it is possible that the Company will also have inadequate profits in the financial year 2023-24.

Under Section 197 of the Companies Act, 2013, if in any financial year a company has no profits or its profits are inadequate, payment of remuneration to its directors including any managing or whole time director (exclusive of sitting fees payable to directors) may be made only in accordance with the provisions of Schedule V. Section II of Schedule V to the Companies Act, 2013 provides that where in any financial year during the tenure of a managerial person, a company has no profits or its profits are inadequate, it may without Central Government approval, pay remuneration to the managerial person not exceeding the limits set out below:

(1)	(2)
Where the effective capital is	Limit of yearly remuneration payable shall not exceed (Rupees)
i. Negative or Less than 5 Crores	60 Lakhs
ii. 5 Crore & above but less than 100 Crores	84 Lakhs
iii. 100 Crores & above but less than 250 Crores	120 Lakhs
iv. 250 Crores & above	120 Lakhs plus 0.01% of the effective capital in excess of 250 Crores.

Hence, consent of members is sought for appointment and payment of remuneration to Mrs. Poonam Chouksey (DIN-02110270) as may be decided by Board of Directors but not exceeding 84 Lakhs in case of no profits or its profits are inadequate.

The management of the Company believes that the remuneration proposed for payment to Mrs. Poonam Chouksey (DIN-02110270) is justified in terms of her role and contribution within the Company. Accordingly, the Board recommends the resolution set forth in item no. 7, for the approval by the members of the Company by way of Special Resolution.

None of the Directors, Key Managerial Personnel and their relatives other than Mrs. Poonam Chouksey and her relatives are, in any way, concerned or interested in the said resolutions.

INDEPENDENT AUDITOR'S REPORT

To the Members of Parvati Sweetners and Power Limited

Report on the Audit of the Ind AS Financial Statements

Opinion

We have audited the accompanying IND AS financial statements of Parvati Sweetners and Power Limited, which comprise the balance sheet as at March 31, 2024 and the statement of Profit and Loss, statement of changes in equity (Including other comprehensive income) and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at March 31, 2024 and profit, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Other Information

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Director's Responsibilities for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (IND AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these

financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company of which we are the independent auditors to express an opinion on the Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of the components which have been audited by us. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

1. The financial statements of the Company for the year ended March 31, 2023, included in these financial statements, have been audited by the predecessor auditor who expressed an unmodified opinion on those statements on May 31, 2023.
2. Balances in account of trade receivables, trade payable and loans and advances including those balances appearing in current assets, loans and advances and liabilities are subject to confirmation and reconciliation. The financial statements do not include the impact of adjustment, if any, which may arise out of the confirmation and reconciliation process.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended.

- (e) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- (f) On the basis of the written representations received from the directors as on 31 March, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164 (2) of the Act.
- (B) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a) The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer Note 41 to the financial statements.
 - b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - d)
 - (i) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”) with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the Company whatsoever (“Ultimate Beneficiaries”) or provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties (“Ultimate Beneficiaries”) or provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries.
 - (iii) Based on audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above contain any material mis-statement.
 - e) The Company has not declared or paid any dividend during the year.
 - f) Based on our examination, which included test checks, the Company have used accounting software for maintaining books of account, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with in respect of accounting software.
As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1 April 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.
 - g) In our opinion and according to the information and explanations given to us, the remuneration paid to its director is in excess of the limits laid down under the section 197 of the Act. Further, it has been prescribed that there are certain additional compliances which the Company has to comply if the remuneration has been in excess of the limit prescribed under the Act. Based on our examination, we would like to state that the Company has complied with the prescribed provisions of the Act.

Annexure A to the Independent Auditors' Report (referred to in our report of even date to the members of Parvati Sweetners and Power Limited as at and for the year ended 31 March, 2024)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, plant and equipment except for furniture and fixtures and plants where the records are maintained for group of similar assets and not for each individual asset.
- (b) Property, plant and equipment were physically verified by the management during the year in accordance with a planned program of verifying all of them once in three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given by the management, the title deeds of immovable properties included in Property, plant and equipment (other than properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee) are held in the name of the company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including Right-of-use assets) or Intangible assets or both during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventories have been physically verified during the year by the management at reasonable intervals. In our opinion, the frequency of such verification is reasonable. According to the information and explanations given to us and as examined by us, no material discrepancies were noticed on such verification.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. In our opinion, the monthly returns and quarterly statements filed by the Company with such banks are in agreement with the books of account of the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any investments, provided guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties during the year. Accordingly, the provisions of clause 3(iii)(a), (b), (c), (d), (e) and (f) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there are no guarantees and securities granted in respect of which provisions of section 185 and 186 of the Companies Act, 2013 are applicable. Based on our audit procedures performed and according to information and explanations given by the management, the Company has complied with provisions of section 186 of the Act in respect of loans granted and investments made.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013 related to manufacture of products. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the cost records.
- (vii) (a) According to the information and explanations given to us and on the basis of our examination of the records, the Company has generally been regular in depositing undisputed statutory dues and other material statutory dues applicable to it to the appropriate authorities. As explained to us, the Company did not have any dues on account of income tax, provident fund, goods and service tax, employee state insurance, sales tax, service tax, duty of customs, duty of excise of customs and value added tax.

According to the information and explanations given to us, no undisputed amounts payable in respect of income-tax and other material statutory dues were in arrears as at March 31, 2024 for a period of more than six months from the date they became payable other than those mentioned below:

Name of statute	Nature of Dues	Amount (Rs.)	Period to which amount Relates
MadhyaPradesh Professional Tax Act, 1995.	Professional Tax	3,990	2022-23

- (b) According to the information and explanations given to us, there are no dues in respect of income-tax, provident fund, goods and service tax and other material statutory dues which have not been deposited with appropriate authorities on account of any dispute other than those mentioned below:

Name of statute	Nature of Dues	Amount (Rs.)	Period to which amount Relates
Income Tax Act, 1961	Income Tax	1,03,400	2020-21
Income Tax Act, 1961	Income Tax	2,53,869	2017-18

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.

- (ix) (a) In our opinion and according to information and explanations given by the management, the Company has not defaulted in repayment of dues to bank or government. The Company did not have any outstanding dues in respect of financial institutions or debenture holders during the year.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a willful defaulter by any bank or financial institution or government or government authority.

- (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.

- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, as defined in the Act. The Company does not hold any investment in any associate or joint venture during the year ended 31, March 2024.

- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries.

- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments) Accordingly, clause 3(x)(a) of the Order is not applicable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

- (xi) (a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no material fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.

- (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.

- (c) According to the information and explanations given to us, no whistle-blower complaints have been received during the year.
- (xii) In our opinion, the Company is not a Nidhi company. Therefore, the provisions of clause 3(xii) of the order are not applicable to the Company and hence not commented upon.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of Companies Act, 2013.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clauses 3(xvi)(a) and 3(xvi)(b) of the Order are not applicable.
- (b) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
- (c) According to the information and explanations provided to us during the course of audit, the Group does not have any CICs.
- (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- (xviii) There has been a voluntary resignation of the statutory auditors during the year. We have communicated with them and have taken into consideration views expressed by them.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of section 135 of the Act pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure B to the Independent Auditor's Report of Even Date on the Financial Statements of Parvati Sweeteners & Power Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")

Opinion

We have audited the internal financial controls over financial reporting of Parvati Sweeteners & Power Limited ("the Company") as of 31 March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2024 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management and Board of Director's responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements.

Meaning Of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Parvati Sweetners and Power Limited

Note to financial statements for the year ended 31st March 2024

All amounts have been rounded to the nearest lakhs, unless otherwise indicated

Notes forming part of Standalone Financial Statements for the year ended 31st March 2024

A. Corporate Information

Parvati Sweetners and Power Limited (“the Company”) was incorporated as Parvati Sweetners & Power Private Limited on 13th December, 2011 and later converted into a Public Limited Company on 24th January 2012 and its shares are listed on Bombay Stock Exchange (BSE). Parvati Sweetners and Power Limited is a manufacturer of Sugar, and its by-products. The company has its registered office in Bhopal, Madhya Pradesh. The company has an Sugar, it’s by-products manufacturing plant at Village Sankhini, Tehsil Bitarwar, District: Gwalior.

B. Significant accounting policies

i. Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules, 2015, read with section 133 of the Companies Act, 2013.

ii. Basis of Preparation and Presentation:

The financial statements have been prepared on accrual basis and under the historical cost convention except for certain financial instruments which are measured at fair value at the end of each reporting period, as explained in the accounting policies mentioned below.

All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

The financial statements including notes thereon are presented in Indian Rupees (“Rupees” or “INR”), which is the Company’s functional and presentation currency. All amounts disclosed in the financial statements including notes thereon have been rounded off to the nearest lakhs (‘00,000) as per the requirement of Schedule III to the Act, unless stated otherwise.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

iii. Inventories

Inventories are valued at lower of cost and net realisable value, except scrap are valued at net realisable value. Cost of inventory is arrived at by using Moving Average Price Method. Cost of inventory generally comprises of cost of purchase, cost of conversion and other cost incurred in bringing the inventory to their present location and condition.

By products and Saleable scraps, whose cost is not identifiable, are valued at estimated net realisable value.

iv. Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. The Company assesses its revenue arrangements against specific criteria, i.e., whether it has exposure to the significant risks and rewards associated with the sale of goods or the rendering of services, in order to determine if it is acting as a principal or as an agent. Revenue is recognised, net of trade discounts, and taxes, as applicable.

(i) Revenue recognition Sale of Goods

Revenue from Sale of goods is recognised at the time of transfer of substantial risk and rewards of ownership to the buyer for a consideration. It includes excise duty and cess and excludes GST, Sales Tax / VAT, Trade discounts and rebates.

(ii) Operation and Maintenance Income

Income from services is recognized as they are rendered (based on arrangement / agreement with the concern customers).

(iii) Dividend and Interest income

Dividend income from investments is recognised when the right to receive dividend has been established.

Interest income recognised on accrual basis. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

v. Property, Plant and Equipment

(i) Property, plant and equipment

Recognition and measurement

Items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price net of recoverable taxes, trade discounts and rebates, incidental expenses, erection/ commissioning expenses, borrowing cost, any directly attributable cost of bringing the item to its working condition for its intended use and costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate components of property, plant and equipment.

A fixed asset is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Any gain or loss on disposal of an item of property, plant and equipment is recognised in Statement of Profit and Loss.

Property, Plant and Equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any, Free hold land is measured at cost.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the company.

(ii) Depreciation

Depreciation on fixed assets is provided in the manner specified in Schedule II to the Companies Act, 2013. Depreciation of an asset is the difference between Original cost / revalued amount and the estimated residual value and is charged to the statement of profit and loss over the useful life of an asset on straight line basis. The estimated useful life of assets and estimated residual value is taken as prescribed under Schedule II to the Companies Act, 2013.

Depreciation on additions during the year is provided on pro rata basis with reference to date of land and Assets held for sale are not depreciated.

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

vi. Intangible assets

Intangible assets are held at cost less accumulated amortisation and impairment losses. Intangible assets developed or acquired with finite useful life are amortised on straight line basis over the useful life of asset

The useful lives of intangible assets are assessed as either finite or indefinite. The Company currently does not have any intangible assets with indefinite useful life. Intangible assets are amortised over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired.

vii. Impairment of Non-financial Assets

- Property, Plant and Equipment and Intangible Assets

An asset is considered as impaired when at the date of Balance Sheet there are indications of impairment and the carrying amount of the asset, or where applicable the cash generating unit to which the asset belongs exceeds its recoverable amount (i.e. the higher of the net asset selling price and value in use).

The carrying amount is reduced to the recoverable amount and the reduction is recognized as an impairment loss in the Statement of Profit and Loss. The impairment loss recognized in the prior accounting period is reversed if there has been a change in the estimate of recoverable amount. Post impairment, depreciation is provided on the revised carrying value of the impaired asset over its remaining useful life.

viii. Foreign currency transactions and translations

- (i) All transactions in foreign currency are recorded at the rates of the exchange prevailing on the dates when the relevant transactions took place; any gain/ loss on account of the fluctuations in the rate of exchange is recognized in the statement of Profit and Loss.
- (ii) Monetary items in the form of loans, current assets and current liabilities in foreign currencies at the close of the year are converted in the Indian currency at the appropriate rate of exchange prevailing on the dates of the Balance Sheet. Resultant gain or loss on account of fluctuation in the rate of exchange is recognized in the statement of Profit and Loss.
- (iii) Non-monetary assets and liabilities that are measured at fair value in a foreign currency are translated in to functional currency at the exchange rate when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not translated.

ix. Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

When the Company receives grants of non-monetary assets, the asset and the grant are recorded at fair value amounts and released to profit or loss over the expected useful life in a pattern of consumption of the benefit of the underlying asset i.e. by equal annual instalments. When loans or similar assistance are provided by governments or related institutions, with an interest rate below the current applicable market rate, the effect of this favorable interest is regarded as a government grant. The loan or assistance is initially recognised and measured at fair value and the government grant is measured as the difference between the initial carrying value of the loan and the proceeds received. The loan is subsequently measured as per the accounting policy applicable to financial liabilities.

The Company has chosen to present grants related to an asset item as other income in the statement of profit and loss.

x. Employee benefits**Defined Contribution plan**

Provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense when an employee renders the related service.

xi. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

xii. Segment Accounting Policies

- (i) The company has disclosed business segment as the primary segment. Based on the criteria mentioned in Ind AS 108 "Operating Segment" the company has identified its reportable segments.

The Chief Operating Decision Maker (CODM) evaluates the company's performance and allocates resources based on an analysis of various performance indicators by operating segments. The CODM reviews revenue and gross profit as performance indicator for all of the operating segments. The Company has no reportable segment.

xiii. Leases

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation/amortisation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated/amortised using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

xiv. Tax Expenses

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

For operations carried out under tax holiday period (80IA benefits of Income Tax Act, 1961), deferred tax assets or liabilities, if any, have been established for the tax consequences of those temporary differences between the carrying values of assets and liabilities and their respective tax bases that reverse after the tax holiday ends.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with the asset will be realised.

xv. Provisions, contingent liabilities and contingent assets

Provisions are recognised when there is a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as finance cost.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation, or the amount of the obligation cannot be measured with sufficient reliability. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognized, but its existence is disclosed in the financial statements.

xvi. Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in statement of profit and loss.

(i) Financial Assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(ii) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. On initial recognition, the company makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

(iv) Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading. Other financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

(v) Impairment of financial assets (other than at fair value)

The company assesses at each date of balance sheet whether a financial asset or a company of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected

credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

Financial liabilities and equity instruments Classification as debt or equity Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(vi) Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a Company entity are recognised at the proceeds received, net of direct issue costs. Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in statement of profit and loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

(vii) Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method.

(viii) Derivative financial instruments

The Company enters into a variety of derivative financial instruments to manage its exposure to foreign exchange rate risks, including foreign exchange forward contracts.

(ix) Derecognition of Financial Instruments

The Company derecognises a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a Financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

(x) Offsetting

Financial assets and financial liabilities are offset and the net amount is presented in balance sheet when and only when, the company has a legally enforceable right to set off the amount and it intends, either to settle them on net basis or to realise the asset and settle the liability simultaneously.

xvii. Investment in Subsidiaries

Investment in subsidiaries are measured at cost as per Ind AS 27 – Company have no Subsidiary.

xviii. Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

xix. Cash Flow Statement

Cash flows are reported using the indirect method, where by profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

xx. Earnings per equity share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

xxi. Use of critical estimates, judgements and assumptions

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

(i) Property, plant and equipment

On transition to IND AS, the Company has adopted optional exemption under IND AS 101. On Property, plant and equipment depreciation charged on cost amount less estimated salvage value.

Property, plant and equipment also represent a significant proportion of the asset base of the Company. Therefore, the estimates and assumptions made to determine their carrying value and related depreciation are critical to the Company's financial position and performance.

(ii) Intangibles

Internal technical or user team assesses the remaining useful lives of Intangible assets. Management believes that assigned useful lives are reasonable.

(iii) Income taxes

Management judgment is required for the calculation of provision for income taxes and deferred tax assets and liabilities.

The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to significant adjustment to the amounts reported in the financial statements.

(iv) Contingencies

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

(v) Allowance for uncollected accounts receivable and advances

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables are written off when management deems them not to be collectible. Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

xxii. Other Note

As per the Ministry of Corporate Affairs (MCA) notification, proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, for the financial year commencing April 1, 2023, every company which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled. The interpretation and guidance on what level edit log and audit trail needs to be maintained evolved during the year and continues to evolve.

41. Contingent liabilities and commitments

Contingent liability is a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the entity, or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

As at March 31, 2024, there are pending litigations against the Company but it does not have any financial impact in the financial statement. Accordingly, contingent liability has not been created in the financial statement.

Note-42: Financial risk management objectives and policies

In its ordinary operations, the companies activities expose it to the various types of risks, which are associated with the financial instruments and markets in which it operates. The company has a risk management policy which covers the foreign exchanges risks and other risks associated with the financial assets and liabilities such as interest rate risks and credit risks. The risk management policy is approved by the board of directors. The following is the summary of the main risks:

a) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates (currency risk) and interest rates (interest rate risk), will affect the companies income or value of it's holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Interest rate risk

Interest rate risk is the risk the the fair value or future cash flow of a financial instrument will fluctuate because of changes in market interest rate. Fair value interest rate risk is the risk of changes in fair value of fixed interest bearing financial instrument because of fluctuations in the interest rates. Cash flow interest rate risk is the risk that the future cash flows of floating interest bearing financial instrument will fluctuate because of fluctuations in the interest rates.

The Company's exposure to the risk of changes in market interest rates relates primarily to the borrowing from banks. Currently company is not using any mitigating factor to cover the interest rate risk.

Particulars	Year ended 31st March 2024	Year ended 31st March 2023
Interest rate risk exposure		
Borrowings from banks	4,200.88	4,144.72
Total borrowings	4,200.88	4,144.72

Interest rate sensitivity

The sensitivity analysis below have been determined based on exposure to interest rates for borrowing at the end of the reporting period and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in case of term loans that have floating rates. If the interest rates had been 1% higher or lower and all the other variables were held constant, the effect on Interest expense for the respective financial years and consequent effect on companies profit in that financial year would have been as below:

Particulars	Year ended 31st March 2024	Year ended 31st March 2023
Impact on Profit or Loss for the year decrease	42.01	41.45
Impact on Profit or Loss for the year Increase	(42.01)	(41.45)

ii) Foreign currency risk

Company Have No Foreign Currency Exposure

(b) Credit risk

Credit risk is the risk that arises from the possibility that the counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

Financial assets that are subject to such risk, principally consist of trade receivables, Investments and loans and advances. None of the financial instrumts of the company results in material concentration of credit risk.

Financial assets are written off when there is no reasonable expectation of recovery, however, the Company continues to attempt to recover the receivables. Where recoveries are made, these are recognised in the Statement of Profit and Loss.

The impairment for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each balance sheet date.

Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counter-parties that have a good credit rating. The Company does not expect any losses from non-performance by these counter-parties apart from those already given in financials, and does not have any significant concentration of exposures to specific industry sectors or specific country risks.

(c) Liquidity risk:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company has obtained fund and non-fund based working capital lines from various banks. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, process and policies related to such risk are overseen by senior management. Management monitors the company's net liquidity position through rolling forecasts on the basis of expected cash flows.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the Ind AS. An explanation for each level is given below:

- Level 1:** Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2:** Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3:** Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.
