Zensar receives the ISG Special Award at the ISG Paragon Awards™ Americas

Recognized for its significant contribution to the sourcing industry

San Jose, North America, December 19, 2019: Zensar, a leading digital solutions and technology services company that specializes in partnering with organizations across industries on their digital transformation journey, announced that it has been recognized with the ISG Special Award, presented as part of the 2019 ISG Paragon Awards™ Americas.

The ISG Special Award is given to companies whose contributions to the sourcing industry have had an outstanding impact on the industry, a community, technology innovation or new business practice. The awards were announced at a gala event in New York on December 5th, 2019.

Sandeep Kishore, Chief Executive Officer and Managing Director, Zensar said, “Zensar is very honoured to receive the ISG Special Award and recognition as finalists in the categories of Women in Technology, Collaboration, and Transformation. We greatly appreciate our relationship with ISG and continued partnership.”

He further added, “Our global teams partner with customers who are looking for trusted experts. This recognition is in line with our customer-centric focus. Our approach of ‘Living AI’ is designed to enable today’s enterprises to be future-ready.”

According to Kathy Rudy, Partner and Head of ISG Data and Analytics, “We extend our congratulations to Zensar for winning this special recognition within the sourcing industry. We acknowledge Zensar’s initiatives and customer-led success demonstrated by the company.”

Zensar was also a finalist across three categories: Women in Technology, Collaboration and Transformation.
