Subject: Commercialization of plant to manufacture HALS series.

Dear Sir/Madam,

Pursuant to Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and further to our earlier intimation dated 27th August, 2021, we wish to inform you that a plant to manufacture and supply Hindered Amine Light Stabilizers (HALS) Series 701 and 770 with a capacity of 2,000 MTPA has been commercialized today at Unit III, Kurkumbh MIDC, Maharashtra. HALS belongs to the performance chemical segment and will cater to the domestic and international market.

HALS series comprises a range of products which find application in diverse end industries including polymerization inhibitor, water treatment, paint industry, coatings industry etc.

You are requested to take above information on record.

Thanking You.

For Clean Science and Technology Limited
