1. INTRODUCTION

The Securities and Exchange Board of India (SEBI), for protection of investors and to regulate the securities market, has formulated the SEBI (Prohibition of Insider Trading) Regulations, 2015 (“the **“PIT Regulations”**”) under the powers conferred on it under the SEBI Act, 1992 and amended the same by SEBI from time to time. The PIT Regulations came into force w.e.f. May 15, 2015 and are applicable to all companies whose securities are listed on an Indian Stock Exchange.

The PIT Regulations replaced the erstwhile, Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992. The Regulations requires every listed company to formulate a code of conduct to regulate, monitor and report trading by its employees and other “connected persons” (as defined under the Regulations) towards achieving compliance with these Regulations and enforce a code of internal conduct and procedures based on the model code provided therein.

In compliance with the Regulations, Shalby Limited (the “Company”) has introduced a Code for Prohibition of Insider Trading (this “Code”). This Code shall come into force with effect from the date on which Company’s securities get listed on the Stock Exchange(s).

Further, SEBI (Prohibition of Insider Trading) (Amendment) Regulation 2018 notified on December 31, 2018 and subsequent amendment to PIT Regulations notified on January 21, 2019 requires every listed Company, inter alia, to formulate a policy for determination of ‘Legitimate purpose’ as a part of this code formulated under regulation 8 of SEBI PIT Regulation. Accordingly, the Board of Directors in their meeting held on January 28, 2019 adopted this new Code covering a policy for determination of ‘Legitimate purpose’.

2. PURPOSE AND APPLICABILITY

The Company endeavors to preserve the confidentiality and prevent the misuse of un-published price sensitive information (UPSI). The Company is committed to transparency and fairness in dealing with all stakeholders and in ensuring adherence to all the applicable laws and regulations. Every director, officer, Designated Person of the Company has a duty to safeguard the confidentiality of all such information which he/ she obtain in the course of performance of official duties. Directors, officers and Designated Person of the Company should not use their position to gain personal benefit.

The Code is applicable to the following persons:

- 1) Promoters including member(s) of Promoter group
- 2) Directors
- 3) Designated Persons
- 4) Concerned Advisers/Consultants/Retainers of the Company
- 5) Connected Persons as defined in the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and as per clause 3.7 of the this Code of Conduct

3. IMPORTANT DEFINITIONS

In this Code the following definitions have been adopted:

- 3.1 **“Act”** means the Securities and Exchange Board of India Act, 1992 (15 of 1992), as amended.
- 3.2 **“Board”** means the Securities and Exchange Board of India.

- (a) an immediate relative of connected persons specified in (i) above; or
- (b) a holding company or associate company or subsidiary company; or
- (c) an intermediary as specified in section 12 of the Act or an employee or director thereof; or
- (d) an investment company, trustee company, asset management company or an employee or director thereof; or

- (i) a banker of the company; or
- (j) a concern, firm, trust, Hindu undivided family, company or association of persons wherein a director of a company or his immediate relative or banker of the company, has more than ten per cent of the holding or interest;

NOTE: *It is intended that a connected person is one who has a connection with the company that is expected to put him in possession of unpublished price sensitive information. Immediate relatives and other categories of persons specified above are also presumed to be connected persons but such a presumption is a deeming legal fiction and is rebuttable. This definition is also intended to bring into its ambit persons who may not seemingly occupy any position in a company but are in regular touch with the company and its officers and are involved in the know of the company's operations. It is intended to bring within its ambit those who would have access to or could access unpublished price sensitive information about any company or class of companies by virtue of any connection that would put them in possession of unpublished price sensitive information.*

- 3.8 “**Designated Person(s)**” shall have the meaning ascribed to such term in Clause 5 of this code.
- 3.9 “**Dealing in securities**” means an act of subscribing to, buying, selling or agreeing to subscribe to, buy, sell or deal in the securities of the Company either as principal or as an agent.
- 3.10 “**Director**” means Director appointed on the Board of the Company.

The Chief Financial Officer shall serve as the Chair of the Ethics & Compliance Task Team.
- 3.12 “**Generally Available Information**” means information that is accessible to the public on a non-discriminatory basis.

NOTE: *Information published on the website of a stock exchanges, would ordinarily be considered generally available.*

3.13 **“Immediate Relative”** means a spouse of a person, and includes parent, sibling, and child of such person or of the spouse, any of whom is either dependent financially on such person, or consults such person in taking decisions relating to trading in securities;

NOTE: *It is intended that the immediate relatives of a “connected person” to become connected persons for purposes of the PIT Regulations. Indeed, this is a rebuttable presumption*

3.14 **“Insider”** means any person who is:

- (i) a connected person; or
- (ii) In possession of or having access to unpublished price sensitive information; or
- (iii) Any person who is in receipt of unpublished price sensitive information for legitimate purpose

It is clarified that any person in receipt of unpublished price sensitive information pursuant to a “legitimate purpose” shall be considered an “insider” for the purpose of this code.

NOTE: *Since “generally available information” is defined, it is intended that anyone in possession of or having access to unpublished price sensitive information should be considered an “insider” regardless of how one came in possession of or had access to such information. Various circumstances are provided for such a person to demonstrate that he has not indulged in insider trading. Therefore, this definition is intended to bring within its reach any person who is in receipt of or has access to unpublished price sensitive information. The onus of showing that a certain person was in possession of or had access to unpublished price sensitive information at the time of trading would, therefore, be on the person leveling the charge after which the person who has traded when in possession of or having access to unpublished price sensitive information may demonstrate that he was not in such possession or that he has not traded or he could not access or that his trading when in possession of such information was squarely covered by the exonerating circumstances.*

3.15 **“KMP”** means Key Managerial Person, and includes—

- (i) the Chief Executive Officer or the managing director or whole time director or the Manager;

3.17 **“Material Facts”**

The materiality of a fact depends upon the circumstances. A fact is considered “material”, if it is likely to affect the market price of the securities, upon coming into public domain

Material information can be positive or negative and can relate to virtually any aspect of the business of a company or its affiliates or to any type of security, debt or equity.

Examples of material information include (but are not limited to) facts concerning:

- i) Dividends;
- ii) Corporate earnings or earnings forecasts;
- iii) Business performance developments, such as number of customers; mergers or acquisitions; major litigation; significant borrowings or financing; defaults on borrowings; and bankruptcies,

- vi) Amalgamation, mergers or takeovers;
- vii) Disposal of whole or substantial part of the undertaking; and

3.18 **“Need to Know”** basis means that unpublished price sensitive information should be disclosed only to those within the Company who need the information to discharge their duty and whose possession of such information will not give rise to any conflict of interest or appearance of misuse of information.

3.19 **“Non-public Information”** Information is “non-public” if it is not available to the general public. In order for information to be considered public, it must be widely disseminated in a manner making it generally available to investors by distribution to stock exchanges, where Company’s shares are listed or through such media as press and television, journals or similar broad distribution channels or the press media in India and abroad. The circulation of rumors, even if accurate and reported in the media, does not constitute effective public dissemination.

3.20 **“Promoter”** and **“Promoter Group”** shall have same meaning assigned to it under Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 or any amendment thereof.

3.21 **“Securities”** shall have the meaning assigned to it under the Securities Contracts (Regulation) Act, 1956 or any modification thereof, except units of mutual funds

3.22 **“Stock Exchanges”** shall mean any recognized stock exchange on which Company’s securities are listed.

3.23 **“Trading”** means and includes subscribing, buying, selling, dealing, or agreeing to subscribe, buy, sell, deal in any securities, and “Trade” shall be construed accordingly.

NOTE: Under the parliamentary mandate, since the Section 12A (e) and Section 15G of the Act employs the term ‘dealing in securities’, it is intended to widely define the term “trading” to include dealing. Such a construction is intended to curb the activities based on unpublished price sensitive information which are strictly not buying, selling or subscribing, such as pledging etc when in possession of unpublished price sensitive information.

- 3.24 **"Trading Day"** means a day on which the recognized stock exchanges are open for trading.
- 3.25 **"Trading Window"**- Trading window shall refer to specified period during which the trading in securities of the Company is permitted. During the closure of Trading Window, trading in Company's securities is prohibited for designated persons and is restricted for other employees.
- 3.26 **"Unpublished Price Sensitive Information"** means any information, relating to a company or its securities, directly or indirectly, that is not generally available which upon becoming generally available, is likely to materially affect the price of the securities and shall, ordinarily including but not restricted to, information relating to the following: –
- (i) financial results;
 - (ii) dividends;
 - (iii) change in capital structure;
 - (iv) mergers, de-mergers, acquisitions, delisting, disposals and expansion of business and such other transactions;
 - (v) changes in key managerial personnel; and

NOTE: It is intended that information relating to a company or securities, that is not generally available would be unpublished price sensitive information if it is likely to materially affect the price upon coming into the public domain. The types of matters that would ordinarily give rise to unpublished price sensitive information have been listed above to give illustrative guidance of unpublished price sensitive information.

4. THE ESSENCE OF THE PIT REGULATIONS AND THIS CODE

The PIT Regulations and this Code, inter alia prohibit an insider:

From communicating, providing, or allowing access to any Unpublished Price Sensitive Information, relating to a company or securities listed or proposed to be listed, to any person including other insiders except as provided under Regulations 3(3) of the PIT Regulations.
