Limited review report on unaudited quarterly standalone financial results and standalone year-to-date financial results of Exide Industries Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 ('Listing Regulations')

To
Board of Directors of Exide Industries Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Exide Industries Limited ("the Company") for the quarter ended 30 September 2021 and year to date results for the period from 01 April 2021 to 30 September 2021 ("the Statement").
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

To
Board of Directors of Exide Industries Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Exide Industries Limited ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net loss after tax and total comprehensive loss of its associates for the quarter ended 30 September 2021 and year to date results for the period from 01 April 2021 to 30 September 2021 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the Listing Regulations.
2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the following entities:

Subsidiaries:

- a. Chloride International Limited
- b. Chloride Power Systems & Solutions Limited
- c. Chloride Metals Limited
- d. Exide Leclanche Energy Private Limited
- e. Exide Life Insurance Company Limited

5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditor referred to in paragraph 6 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We did not review the interim financial information of one subsidiary included in the Statement, whose interim financial information reflect total assets of Rs. 20,886.95 crores (before consolidation adjustments) as at 30 September 2021, total revenues of Rs. 1,369.21 crores and Rs. 2,346.62 crores (before consolidation adjustments), total net loss after tax of Rs. 38.10 crores and Rs. 129.53 crores (before consolidation adjustments) and total comprehensive income/(loss) of Rs. 95.05 crores and Rs. (24.55) crores (before consolidation adjustments) for the quarter ended 30 September 2021 and for the period from 01 April 2021 to 30 September 2021 respectively, and net cash outflows of Rs. 95.57 crores for the period from 01 April 2021 to 30 September 2021, as considered in the Statement. This interim financial information have been reviewed by the other auditors whose reports have been furnished to us by the management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion on the Statement is not modified in respect of the above matters.

7. The Statement includes the interim financial information of seven subsidiaries which have not been reviewed, whose interim financial information reflect total assets of Rs. 1,568.14 crores (before consolidation adjustments) as at 30 September 2021, total revenues of Rs. 968.13 crores and Rs. 1,490.59 crores (before consolidation adjustments), total net profit/(loss) after tax of Rs. 1.12 crores and Rs. (1.30) crores (before consolidation adjustments) for the quarter ended 30 September 2021 and for the period from 01 April 2021 to 30 September 2021 respectively, and net cash inflows of Rs. 7.17 crores for the period from 01 April 2021 to 30 September 2021, as considered in the Statement. The Statement also includes the Group's share of net loss after tax of Rs. 0.64 crore and Rs. 0.37 crore and total comprehensive loss of Rs. 0.64 crore and Rs. 0.37 crore for the quarter ended 30 September 2021 and for the period from 01 April 2021 to 30 September 2021 respectively, as considered in the Statement, in respect of three associates, based on their interim financial information which have not been reviewed. According to the information and explanations given to us by the management, these interim financial information are not material to the Group.

Our conclusion on the Statement is not modified in respect of the above matter.

8. The auditors of ELI, have reported that the actuarial valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at 30 September 2021 (which are disclosed as insurance contract liabilities, investment contract liabilities and funds for discontinued policies under Non-current liabilities and Current liabilities), is the responsibility of the ELI's Appointed Actuary ('the Appointed Actuary'). The actuarial valuation of these liabilities and assets has been duly certified by the Appointed Actuary and in his opinion the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory Development Authority ('IRDAI') and the Institute of Actuaries of India in concurrence with the IRDAI. The auditors of ELI have relied upon the Appointed Actuary's certificate in this regard during their review of the valuation of these liabilities as contained in the interim financial information of ELI.

Other adjustments for the purpose of preparation of the interim financial information of ELI, as confirmed by the Appointed Actuary, in the Life Insurance business are in accordance with Indian Accounting Standard 104 Insurance Contracts: i) Assessment of contractual liabilities based on classification of contracts into insurance contracts and investment contracts and ii) Grossing up and classification of the Reinsurance Assets.

Our conclusion on the Statement is not modified in respect of the above matter.

Commenting on the Q2FY22 performance – Mr. Subir Chakraborty, MD & CEO, said

'The company has delivered strong growth with sales growing at 20% in the second quarter of the current financial year. Both the Automotive and the Industrial SBUs are seeing demand recovery compared to the same quarter previous year and to the previous quarter of the current year. However, gross profit increase was restricted due to unprecedented cost inflation of inputs.

Exide has taken multiple initiatives in the past few quarters which should drive sales and help improve performance. Currently, as an ongoing focus area, sales transformation and cost compression remain the core strategies to improve efficiencies within the company.

Further, as a responsible corporate, Exide is committed to drive positive change in the society and we are constantly taking steps in that direction. In the current challenging times, we have focused on ensuring the safety and well-being of our employees, customers and business partners. During the pandemic, we have initiated multiple COVID-19 relief projects to provide requisite healthcare and nutrition to the weaker sections of the society'.
