- Standards) Rules 2015 notified under Section 133 of the Companies Act, 2013 (CA 2013) and other relevant provisions of the CA 2013 as amended from time
- (3) As per requirements of Indian Accounting Standard (Ind AS) 108 on 'Operating Segments', based on evaluation of financial information for allocation of resources and assessing performance, the Group has identified a single segment i.e. providing asset management services and other related services. As such there are no separate reportable business or geographical segments as per Ind AS 108
- The Ministry of Corporate Affairs (MCA), Government of India, has vide its letter dated. October 1, 2018 initiated investigation by Serious Fraud Investigation Office (SFIO) against Infrastructure Leasing & Financial Services Limited (IL&FS), the Holding Company and its subsidiaries (including the Group) under Section 212(1) of the Companies Act, 2013. As a part of its investigation, SFIO and Enforcement Directorate (ED) have been seeking information from the Group on an ongoing basis. The investigation is in progress and the Group is fully cooperating with the investigation agencies. On December 3, 2018, MCA on the directions of the National Company Law Tribunal, Mumbai (NCLT) has impleaded various Group Companies of IL&FS (which includes the Group) as Respondents to the Petition filed by them on October 1, 2018. Further based on another petition of the MCA under Section 130 (1) of the Companies Act, 2013, the NCLT has, on January 1, 2019, ordered re-opening of books of accounts for the past financial year 2012-13 to financial year 2017-18 of 'IL&FS' ('the Ultimate Holding Company'), IL&FS Financial Services Limited ('IFIN' a fellow subsidiary) and IL&FS Transportation Networks Limited ('ITNL' a fellow subsidiary). While the Group, based on its current understanding, believes that the above would not have a material impact on the financial results, the implications, if any, arising from
- the aforesaid developments would be known only after the aforesaid matters are concluded and hence are not determinable at this stage The term of most of the existing funds being managed/advised by the Group has already been over. Other funds being managed/advised by the Group are approaching end of their term in near future which has resulted in significant reduction in the Group's fee revenue. Management expects that its future income from existing funds being managed/advised together with liquid assets held by the Group as at March 31, 2022 will be adequately sufficient to meet the Group's existing and future obligations arising over the next 12 months
  - Meanwhile, the IL&FS Board has been working on a resolution plan, with a view to enable value preservation for stakeholders of IL&FS Group. The resolution plan, inter alia, involves sale of assets/businesses/companies owned by IL&FS. And in this regard, the IL&FS Board has on December 21, 2018 and September 27, 2019 invited a public Expression of Interest (EoI) for sale of its entire stake in the Company. Accordingly, the Company's plans for new fund raise have been kept on hold pending completion of the stake sale. Further, with the outbreak of the pandemic the timelines for the sale process have got delayed and while there is material uncertainty with regard to the stake sale, management believes that use of the going concern assumption for preparation of these financial results is appropriate
