1. We have reviewed the unaudited financial results of Kennametal India Limited (the “Company”) for the quarter ended September 30, 2023 which is included in the accompanying “Statement of Unaudited Financial Results for the quarter ended September 30, 2023” (the “Statement”). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the “Listing Regulations, 2015”).
2. This Statement, which is the responsibility of the Company’s Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting”, prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”, issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the Statement has not been prepared in all material respects in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. We draw your attention to Notes 3(a) and 3(b) to the Statement in respect of Scheme of Arrangement (the “Scheme”) between the Company and Widia India Tooling Private Limited, the erstwhile wholly owned subsidiary (the “transferor company”), from the appointed date of April 1, 2021, as approved by National Company Law Tribunal, Bengaluru bench, vide its order dated October 17, 2022 (received on November 16, 2022). Though the transferor company did not carry on any business since January 1, 2021, the Company has given effect to the accounting treatment set out in the Scheme from the date prescribed under “Appendix C, Business combinations of entities under common control” of Ind AS 103 “Business Combinations” as specified in clause 12.1 of the Scheme, which is the beginning of the preceding period presented, i.e., July 1, 2021. Accordingly, the impact of the merger has been accounted for as at July 1, 2021, and the financial information for the quarter ended September 30, 2022 have been restated. Our conclusion is not modified in respect of these matters.
