G-20 to hold tough on Russia, urge end to Ukraine war

NUSA DUA (INDONESIA). NOV 15/--/Leaders of the world's largest economies appeared ready on Tuesday to convey a strong message from most condemning Russia's invasion of Ukraine, as President Joe Biden and Ukrainian President Volodymyr Zelenskyy pressed the group to maintain pressure on Moscow over its nine-month war that has devastated Ukraine and roiled the global economy. A draft declaration by leaders of the Group of 20 major economies under discussion on Tuesday echoes the condemnation of Russia's war on Ukraine by the United Nations, while acknowledging differing views among members. The careful wording of the statement reflects tensions prevailing at the gathering, which includes leaders from Russia and China, and the challenge facing the US and its allies to isolate Russian President Vladimir Putin's government as some nations seek to avoid becoming

The statement seen on Tuesday by The Associated Press "deplores in the strongest terms the aggression by the Russian Federation" and "demands complete its unconditional withdrawal from the territory of Ukraine". The G-20 draft statement also noted there were different views on the situation and sanctions against Russia, saying that the G-20 was not the forum for resolving security issues.

In opening the summit, host Indonesian President Joko Widodo impressed on the gathering what's at stake. "If the war does not end, it will be difficult for the world to move forward," he said.

In a video address to the leaders from Kyiv, Zelenskyy reiterated 10 conditions for ending the conflict that began in February, among them a complete withdrawal of Russian troops and full restoration of Ukrainian

control of its territory. He spoke days after Ukraine retook the strategic city of Kherson from Russian forces, in his country's latest step in a counteroffensive that has forced Moscow to withdraw its forces from previously-occupied areas.

"Ukraine should not be offered conclude to compromises with its conscience, sovereignty, territory and independence," he said. "Ukraine has always been a leader in peacekeeping efforts, and the world has
