1. Pursuant to National Company Law Tribunal, Mumbai Bench ("NCLT") Order dated January 29, 2020, Corporate Insolvency Resolution Process ("CIRP") of Starlite Components Limited ("the **Corporate Debtor**") has commenced. 5. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
6. The accounts has been prepared by the management on a going concern basis for the reason stated in the aforesaid note, however we are unable to obtain sufficient and appropriate audit evidence regarding management's use of the going concern basis of accounting in the preparation of the financial results, in view of ongoing CIRP, the outcome of which cannot be presently ascertained.
7. Based on our review conducted as above and except for the matters explained in Paragraph 6 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards i.e. Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.
8. We draw attention to:
 - (i) Attention is drawn to the fact that the figures for the quarter ended on 31 December 2023 as reported in these financials results are the balancing figures between the published year to date figures for the period from April 1, 2023 to December 31, 2023 and unaudited figures in respect of the previous six months ended on 30 September, 2023.
