**Auditor's Report On Annual Standalone IND AS Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

To Board of Directors of W.S.Industries (India) Limited,

We have audited the annual standalone IND AS financial results of W.S.Industries (India) Limited for the period 01/04/2019 to 31/03/2020 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

These annual standalone IND AS financial results have been prepared on the basis of the annual financial statements and reviewed quarterly standalone IND AS financial results upto the end of the third quarter, which are the responsibility of the company's management.

Our responsibility is to express an opinion on these financial results based on our audit of such annual standalone IND AS financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard for Interim Financial Reporting (AS 25 / Ind AS 34), prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder; or by the Institute of Chartered Accountants of India, as applicable and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

Basis for Qualified Opinion

The company's net worth has been completely eroded. The accumulated losses in the reporting year, amounts to Rs.4953.12 millions (Previous year Rs.4347.16 millions). Further the company has overdue loans to various financial institutions amounting to Rs.719.13 millions and interest accrued and due there on of Rs.132.70 millions and the turnover during the period ended 31st March, 2020 is Rs.16.44 millions (previous year Rs.7.26 millions) as per the books of accounts maintained.

Confirmation of Balances as at 31st March 2020, were not available for our verification in respect of the financial institutions, debtors, creditors and others.

During the year under audit, there was no production in the Chennai and Vizag plants. Chennai Insulator division (12 months) and Visakhapatnam Insulator division (w.e.f 01.10.2019 - 6 months) are being considered as discontinued operations. Turnkey Project Business Segment is being considered as Continuing Operations.

These factors along with other matters as set forth in the said notes, which indicates the existence of a material uncertainty that may cause significant doubt about the company's ability to continue as a going concern. The company is in the discussion of re-vitalization and long term stability and growth of its Turnkey Project Business unit. In light of the management's expectation of the outcome of above discussion and re-vitalization, the financial statements have been prepared on a going concern basis. However in view of the above mentioned matter, we are unable to comment on the ability of the company to continue as a going concern as per SA 570.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Impact of COVID-19:

We draw attention to Note No: 2 of the financial statements, which describes the effects of COVID-19 pandemic on the Company's operations and compliances, which does not have any significant impact in the Company's overall performance during the current period.

It is not appropriate to estimate the duration and severity of these Consequences, as well as their impact on the financial position and results of the company for future periods.

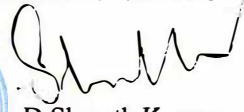

Our conclusion is modified in respect of the above matter.

In our opinion and to the best of our information and according to the explanations given to us these annual standalone IND AS financial results:

- (i) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
- (ii) give a true and fair view of the net profit/ loss and other financial information for the period ended 31st March 2020 except for the possible effects of the qualification as described in the previous paragraphs.

**Auditor's Report On Annual Consolidated IND AS Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

To Board of Directors of W.S.Industries (India) Limited,

We have audited the annual consolidated IND AS financial results of W.S.Industries (India) Limited (herein after referred to as “the **Holding Company**”) and its subsidiaries (the Holding Company and its Subsidiaries together referred to as “the **Group**”) for the period 01/04/2019 to 31/03/2020 attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

These annual consolidated IND AS financial results have been prepared on the basis of the annual consolidated financial statements, which are the responsibility of the company's management.

Our responsibility is to express an opinion on these annual consolidated financial results based on our audit of such annual consolidated IND AS financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard for Interim Financial Reporting (AS 25 / Ind AS 34), prescribed, under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder; or by the Institute of Chartered Accountants of India, as applicable and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

Basis for Qualified Opinion

The group's net worth has been completely eroded. The accumulated losses in the reporting year, amounts to Rs.4953.44 millions (Previous year Rs.4374.59 millions). Further the Holding Company has overdue loans to various financial institutions amounting to Rs.719.13 millions and interest accrued and due there on of Rs.132.70 millions and the turnover during the period ended 31st March, 2020 is Rs.16.44 millions (previous year Rs.7.26 millions) as per the books of accounts maintained.

Confirmation of Balances as at 31st March 2020, were not available for our verification in respect of the financial institutions, debtors, creditors and others of the Holding Company.

During the year under audit, there was no production in the Chennai and Vizag plants of the Holding Company. Chennai Insulator division (12 months) and Visakhapatnam Insulator division (w.e.f 01.10.2019 - 6 months) of the Holding Company are being considered as discontinued operations. Turnkey Project Business Segment of the Holding Company is being considered as Continuing Operations.

These factors along with other matters as set forth in the said notes, which indicates the existence of a material uncertainty in the Holding Company that may cause significant doubt about the Holding Company's ability to continue as a going concern. The Holding Company is in the discussion of revitalization and long term stability and growth of its Turnkey Project Business unit. In light of the

management's expectation of the outcome of above discussion and re-vitalization, the financial statements have been prepared on a going concern basis. However in view of the above mentioned matter, we are unable to comment on the ability of the Holding Company to continue as a going concern as per SA 570.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Impact of COVID-19:

We draw attention to Note No: 2 of the consolidated financial statements, which describes the effects of COVID-19 pandemic on the group's operations and compliances, which does not have any significant impact in the group's overall performance during the current period.

It is not appropriate to estimate the duration and severity of these Consequences, as well as their impact on the financial position and results of the group for future periods.

Our conclusion is modified in respect of the above matter.

In our opinion and to the best of our information and according to the explanations given to us these consolidated Ind AS annual financial results:

- (i) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and
- (ii) give a true and fair view of the consolidated net profit/ loss and other financial information for the period ended 31st March 2020 except for the possible effects of the qualification as described in the previous paragraphs.
