# Environment Social & Governance (ESG)

# Energy Performance

Fuel, Grid and Renewable energy are considered for energy performance analysis.

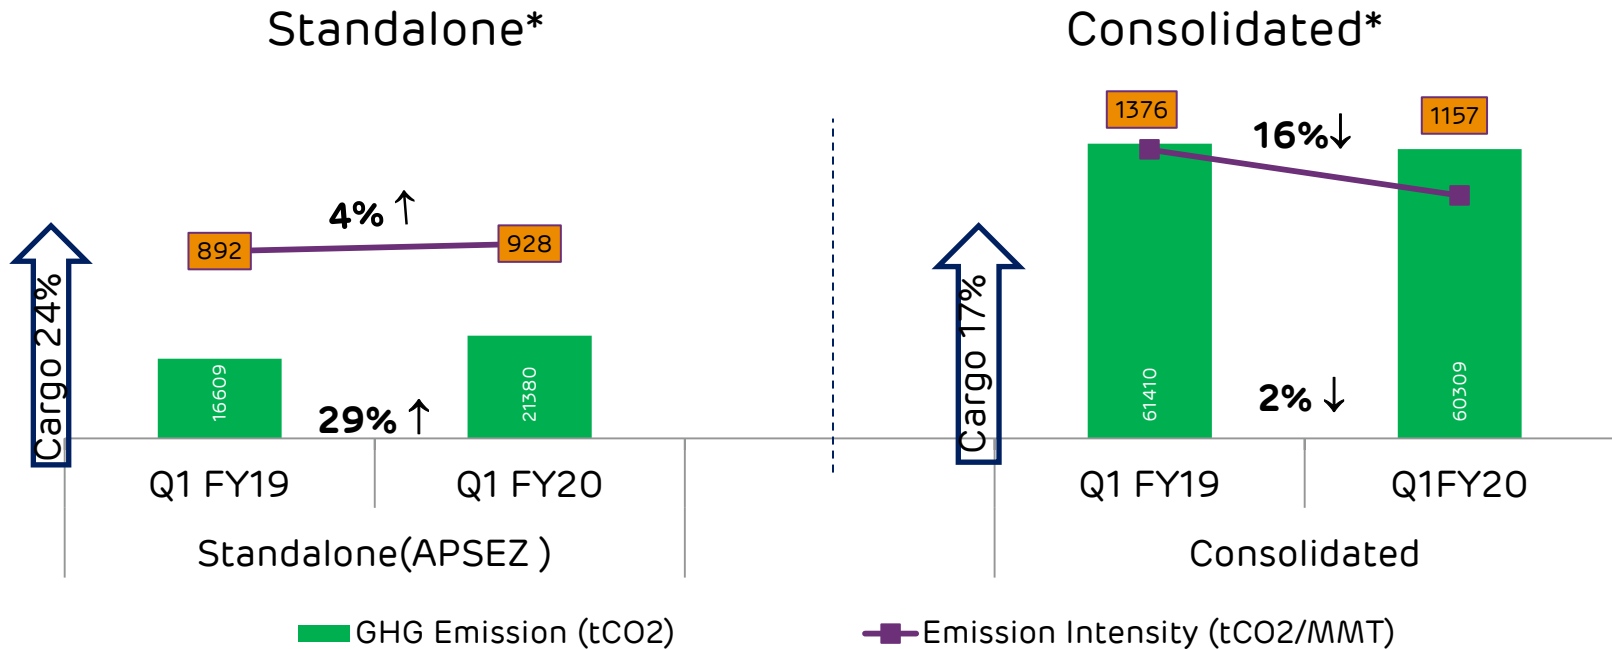

- Standalone energy intensity decreased by 3%. Consolidated Energy intensity decreased by 35%
- Standalone energy consumption increased by 3% at Mundra (West Basin – Coal Terminal) due to installation of new high-mast lights.

# Emission Performance

Scope 1 & Scope 2 emissions are considered for emission performance analysis.

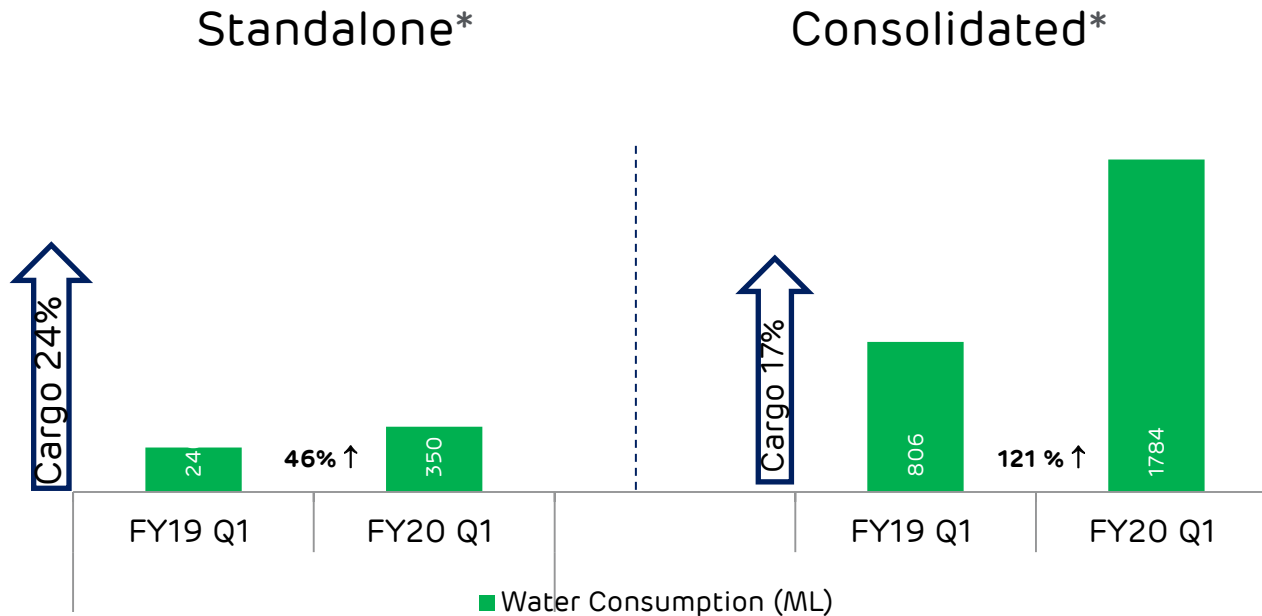

- Consolidated Energy emission decreased by 2%. Consolidated emission intensity decreased by 16%
- 3.74% renewable energy share has saved 4408 tCO2 emission and improved the emission intensity for overall operations.

\* Standalone: APSEZ, Mundra ; Consolidated: Mundra – APSEZ, 11 subsidiaries and 2 Joint Ventures.

# Cargo: Cargo volume of Mundra International Container Terminal (MICT) excludes for the energy performance analysis.

# Water Performance

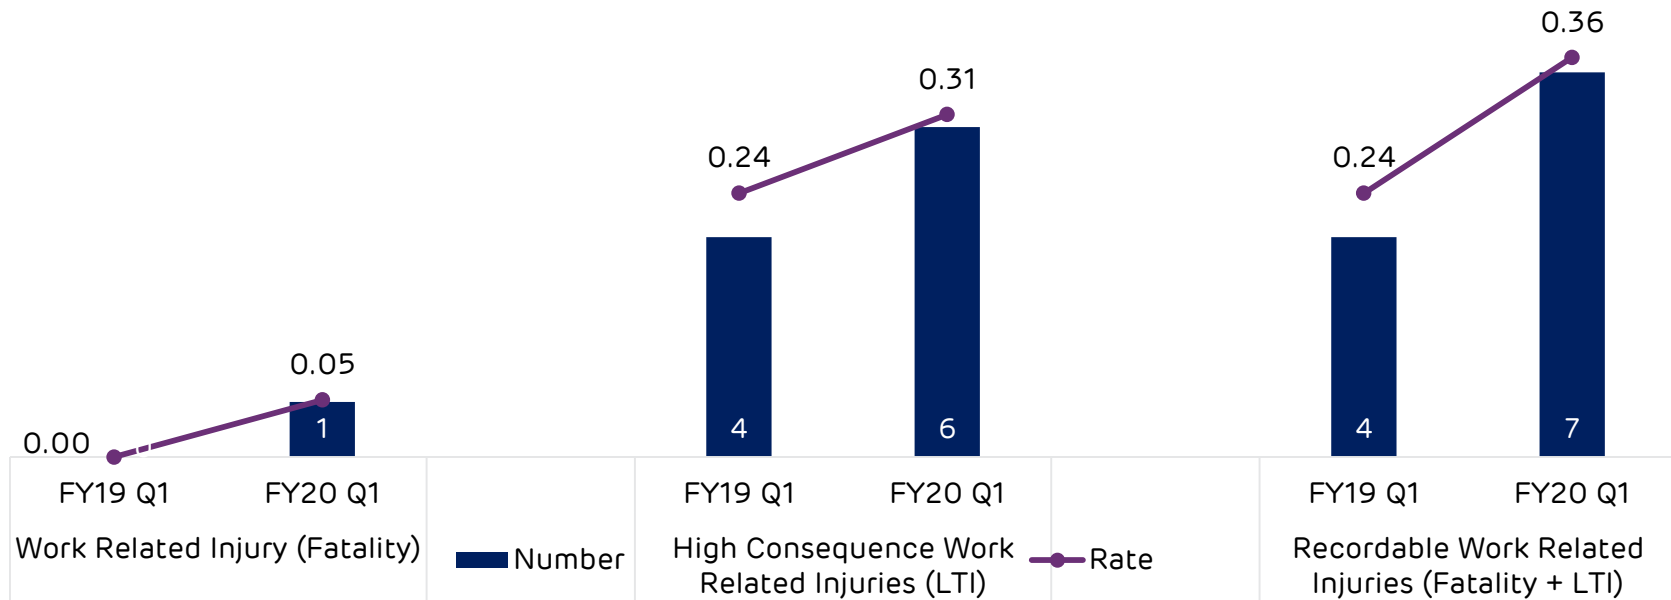

Industrial (dust suppression, tank washing & others ) and domestic water consumption details are considered for water performance analysis.

- Consolidated water consumption has increased by all coal handling ports to control dust within the operational area.
- However, 43% desalinated sea water and 23% of treated wastewater of other industry have been used to avoid the fresh water withdrawal.

# Health & Safety Performance

Overall Safety Performance (On Roll + Contractual + Third Party Associates)

- An unfortunate event happened at our Mundra Port and we have lost one of the third party associate who entered in active work area by overlooking set safety protocols.

# Corporate Social Responsibility – Major Initiatives

## 1) **SAKSHAM:**

- Aims to make 3 lakh Indian youth skilled by 2022. ASDC has more than 30 centres across the nation for facilitating skill development through various courses. 5027 aspirants enrolled under various ASDC courses, new projects

## 2) **Udaan:**

- Curbing Malnutrition & Anaemia with Community based approach at 5 port locations. Activities includes Anthropometric measurement process of children of age group 0-5 years, H.B. screening process undertaken by Sangini for the adolescents, pregnant and lactating mothers.

# Corporate Social Responsibility – Adani Foundation

Adani Vidya Mandir, Ahmedabad became the first cost free School in India to receive the NABET Accreditation by Quality Council of India. Adani Public School, Mundra is the first school in Saurashtra and Kutch region

Adani Foundation celebrated the 5th International Yoga Day with enthusiastic participation from students of Adani Foundation-run schools, community members, employees and their families across multiple locations in India. A total of 10,861 people participated.

**Relief work post Cyclone Fani:** More than 1.5 crore people were affected by the extremely severe Cyclone Fani that hit Odisha on May 3. Adani Foundation immediately pressed into action distributing essential materials like solar lanterns, mosquito nets, along with food packets. To give strength to the relief efforts, a team from Adani Power Limited, Tirora, travelled all the way from Maharashtra to Odisha, and erected more than 500 electricity poles across a stretch of 35 kms. They also installed more than 25 Distribution Transformers. These efforts ensured electricity to 50,000 villagers across 100 villages. APSEZ contributed Rs. 25 crore to Odisha Chief Minister's Relief Fund in the aftermath of Cyclone Fani.

Relief material being distributed at Cyclone shelters in Odisha

# Corporate Social Responsibility – Adani Foundation

Adani Foundation won the Kalinga CSR Award for incredible work through diversified activities. Adani Foundation has been working relentlessly across 2250 villages in 18 states, to uplift the lives of 3.2 million people a year with a multi-faceted approach.

Adani Foundation inaugurated the newly constructed building of Mulloor Upper Primary School in Vizhinjam, Kerala. Adani Foundation constructed the two-story school building to provide students with quality infrastructure which is an integral part of the learning process. As a result, the total number of students attending the School has swelled to 168 now.

- 23 Divyang students were facilitated with Government Divyang Medical Certificates in Mundra. The Disability Certificate will help Divyang access various Government schemes and benefits.
- A total of 227 Artificial Inseminations were administered on cattle in Dahej and Hazira in the quarter. 97 calves were born from the inseminations.

# Corporate Social Responsibility – Adani Foundation

- 7679 students and teachers from 122 schools and institutes visited the Ports under the **Udaan** Project. Udaan is a project that involves exposure visits for school and college students to Business units (Ports, Power Plants & Wilmar) to inspire them to dream big in life.
- 9107 units of blood were donated at the Blood Donation drive across all locations to mark the birthday of Chairman, Shri Gautam Adani.
- A total of 40 Fishermen leaders participated at the awareness and troubleshooting session organized at Adani House, Mundra.

World Menstrual Hygiene Day was celebrated with adolescent girls and women participating in awareness sessions on menstruation and events/competitions across all Port locations organized by Adani Foundation.
