Coal production rises to 74.8 MT in Dec

PRESS TRUST OF INDIA
New Delhi, January 5

THE COUNTRY'S TOTAL coal production rose 6.74% to 74.78 million tonne (MT) in December as compared to the same period in 2019, the government said on Wednesday.

Of the total production in December, Coal India (CIL) achieved a growth of 3.79% by producing 60.22 MT, the coal ministry said in a statement.

Coal production in FY22 has been compared with FY20, as FY21 was considered an abnormal year due to restrictions imposed on commercial activities in the wake of the Covid-19 pandemic, the ministry added.

Captive coal blocks registered a growth of 40.98% by producing 8.91 MT of coal during the period. At the same time, Singareni Collieries Company (SCCL) registered a negative growth of 1.12% by producing 5.65 MT of coal during December.

Coal dispatch increased 14.62% to 75.05 MT from 65.48 MT during December 2021 as compared to December 2019, the statement said.

Out of the total production during this period, CIL achieved a growth of 12.70% by dispatching 60.67 MT of coal, SCCL achieved a growth of 2.01% by dispatching 5.70 MT of coal, and captive blocks registered a growth of 43.23% by dispatching 8.68 MT.

Power utilities' dispatch has grown 20.06% to 63.32 MT in December 2021 as compared with 52.74 MT in December

CIL's Apr-Dec capex up 37%

STATE-OWNED COAL INDIA (CIL) on Wednesday said it has incurred capex of ₹10,717 crore in the April-December period of the ongoing fiscal, registering a 37.4% year-on-year growth. CIL's capex during April-December period of the last fiscal was at ₹7,801 crore, according to a company statement.

Its capex spend during the referred period marks 86.3% of the progressive target achievement. The

2019. There has been a fall in the import price of coal since the end of October 2021. However, import prices are still high, discouraging imports. Further, coal-based power demand increased by 12.7% up to November 2021 against the same period in 2020.

Coal-based power generation registered a growth of 11.84% in December 2021. The overall power generation in December was 8.32%

capex scale up comes at a time when the Centre has been exhorting the public sector entities to step up their annual capex, the company said. The three major heads — land acquisition, procurement of heavy earth moving machinery (HEMM) and joint ventures (primarily Hindustan Urvarak Rasayan and Talcher Fertilizers) — at ₹5,786 crore, accounted for 54% of the total capex during April-December.

higher than the power generated in December 2019.

Coal-based power generation in December 2021 was 85,579 million units (MU) in comparison with 75,620 MU in the previous month and registered a growth of 13.17%.

Of the top-35 mines in coal production, 11 of them produced over 100% and another 12 mines' production stood at over 80% but less than 100%.

Centre issues guidelines to recast loans taken by sugar mills from SDF

PRESS TRUST OF INDIA
New Delhi, January 5

THE CENTRE HAS issued guidelines for restructuring of loans taken by mills from the Sugar Development Fund (SDF), providing a moratorium for two years and then repayment in five years to eligible defaulting factories.

The total outstanding default from the SDF is nearly ₹3,100 crore, including principal and interest, according to an official statement issued on Wednesday.

On January 3, the Depart-

ment of Food and Public Distribution issued guidelines "for restructuring of SDF Loans under Rule 26 of the SDF Rules 1983". The guidelines have been issued to "facilitate rehabilitation of financially weak

but economically viable sugar mills which have availed loans under the Sugar Development Fund Act, 1982".

The department said the guidelines have provision for a "two-year moratorium and then five years of repayment". This is expected to provide big relief to financially weak sugar mills which have availed SDF loans, the department said.

"The outstanding amount of default of SDF loans is ₹3,068.31 crore (as on November 30, 2021) which include ₹1,249.21 crores as principal amount, ₹1,071.30 crore as

interest and ₹747.80 crore as additional interest due to default.

"Waiver of additional interest in full will be given to the eligible sugar factories," the statement said.

These guidelines will be uniformly applicable for SDF loans availed by all types of concerns, including cooperative societies, and private limited and public limited companies. The rate of interest will be changed to the interest rate as per the prevailing bank rate on the date of approval of the rehabilitation package.

Icra: Net zero target needs focused road map, timely interventions

PRESS TRUST OF INDIA
New Delhi, January 5

A FOCUSED ROAD map, including timely interventions by the government, is necessary for the country to achieve the net zero target by 2070, rating agency Icra said on Wednesday.

At the COP26 summit in Glasgow last year, Prime Minister Narendra Modi made significant announcements, including the pledge of India becoming net zero by 2070.

"In order to achieve the net zero target by 2070, a focused road map would be required. It calls for timely interventions by the government and large capex/investments in GHG (greenhouse gas) emitting sectors like power, industry and transport," Icra head (research and outreach) Rohit Ahuja said.

These sectors together emit 90% of carbon dioxide as per 2019 data of the International Energy Agency, he said.

Ahuja said ambitious targets for COP26 open massive investment opportunities across segments stemming from 500 GW renewables by 2030, higher EV penetration (10% by 2025), and 20% ethanol blending for petrol (3x increase from current levels).

It also improves energy efficiencies (battery storage, smart cities, etc.) and leads to the improvement in carbon capture from enhancing green cover and the use of advanced technologies, he said.

"This would be a daunting task, and would need massive policy interventions to ensure investments across aforementioned sectors remain profitable enough to sustain well beyond 2030," Ahuja said.

He said being one of the fastest-growing economies in the world, India needs to find a fine balance between reduction in carbon emission, and surging energy needs.

Gadkari opens, lays foundation stones of NH projects worth ₹26,778 cr in UP

PRESS TRUST OF INDIA
New Delhi, January 5

UNION MINISTER NITIN Gadkari on Wednesday inaugurated and laid foundation stones of 821-km national highway (NH) projects worth ₹26,778 crore in Uttar Pradesh.

The road transport and highways minister laid the foundation stones in Kanpur for eight national highway projects worth ₹14,199 crore; in Lucknow for 16 NH projects worth ₹7,409 crore; and in Shringerpur Dham, Prayagraj for four national highway projects worth ₹5,169 crore, the ministry of road transport & highways said in a statement.

He inaugurated and laid the foundation stone in the presence of defence minister Rajnath Singh and UP chief minister Yogi Adityanath, among others.

With the construction of Lucknow Ring Road, travelling will become convenient and with the construction of Lucknow-Kanpur Greenfield Expressway, reaching Lucknow airport from Kanpur will take less time. It will also be connected to Lucknow-Agra Expressway, which will reduce the distance to Delhi. With the construction of this expressway, one and a half hours will be saved in travelling from Lucknow to Kanpur.

With the construction of the Agra-Etawah bypass, the travel time from Agra to Etawah will be reduced by one hour. The construction of ROB at Kanpur's Jharkarkati bus station will give relief from traffic jams coming from Prayagraj, Delhi side.

Pilgrimage sites like Prayagraj Chitrakoot and Shringerpur Dham will be connected with the construction of Shri Ram Van Gaman Marg.

Tur dal imports reach a new high; retail prices stabilise

SANDIP DAS
New Delhi, January 5

EASING OF IMPORTS has resulted in record import of tur (arhar) dal, a key variety in the pulses basket, so far this fiscal.

More than five lakh tonne of tur dal has been imported till December 31, 2021, sources said, and total imports are likely to cross 6.5 lakh tonne by March-end as against 4.42 lakh tonne in 2020-21.

This has resulted in retail prices stabilising, while the kharif crop has started to arrive in mandis in key growing states. As per data from the department of consumer affairs, retail prices of tur dal have declined compared to the start of October 2021.

Tur dal has a weightage of 0.8% in the calculation of the Consumer Price Index, a tool for measurement of inflation.

India met about 10-12% of its domestic consumption through imports. In anticipation of a domestic shortfall in output, in May 2021, the country put imports of tur, urad and mung in the 'open' category from 'restricted' till March

Mandi prices for the kharif crop are currently around ₹6,300 per quintal, which is the minimum support price (MSP) announced by the government for kharif 2021-22

2022. In 2016, when the retail prices of tur dal skyrocketed to ₹200 a kg, India signed a memorandum of understanding (MoU) with Mozambique for the import of two lakh tonne of tur annually for five years. The MoU was extended for another five years in September 2021. India has also entered into MoUs with Malawi and Myanmar for the import of 50,000 tonne and 1,00,000 tonne of tur per annum, respectively, till 2025.

Mandi prices for the kharif crop are currently around ₹6,300 per quintal, which is the minimum support price (MSP) announced by the government for kharif 2021-22. The anticipated yield losses in key growing regions of Karnataka and Maharashtra due to unseasonal rain in October last year have not

pushed up prices because of higher stocks from imports.

However, as per the first advance estimates of foodgrain production released by the ministry of agriculture in September 2021, India's tur production is estimated at a record 44.3 million tonne in the 2021-22 crop year (July-June).

"Higher imports have ensured that there are sufficient stocks in the domestic market to meet the requirement. Mandi prices are unlikely to rise in the coming months," said Nitin Kalantri, managing director, Kalantri Food, a processor of pulses from Latur, Maharashtra.

Meanwhile, the National Agricultural Cooperative Marketing Federation (NAFED) has started registering farmers in Karnataka and Maharashtra for procurement of tur under MSP operations. "We are targeting procurement of 7 lakh tonne of tur from farmers in the current season," Sanjeev Kumar Chadha, managing director, NAFED, told FE. NAFED is mandated to keep 2.1 million tonne of pulses as buffer stock, which is subsequently released in the open market to curb price rise.

DIAL completes refurbishing work on IGI's British-era runway

PRESS TRUST OF INDIA
Mumbai, January 5

DELHI INTERNATIONAL AIRPORT Limited (DIAL) has completed refurbishing work on the 09/27 runway at Indira Gandhi International Airport and handed over the facility to ATC for commercial operations late last month, which will help in reducing the runway operations time, a release said on Wednesday.

The newly rehabilitated runway, which was constructed during the British period, complies with Category-I (CAT-I) Instrument Landing System (ILS), which assists pilots during landing in an aircraft in low visibility conditions, it said. DIAL undertook the rehabilitation work of runway 09/27 (first runway) as part of Delhi Airport's phase 3A expansion project.

According to the private airport operator, the British constructed the 2,816-metre-long and 60-metre-wide runway in the pre-Independence era and used it during World War II. DIAL said it undertook major rehabilitation works, including

According to the private airport operator, the British constructed the runway in the pre-Independence era and used it during WWII

milling down the entire length of the runway's flexible pavement to a depth of 60 mm and overlaying it with Polymer Modified Bitumen (PMB), which can withstand heavy-duty traffic and extreme weather conditions.

I Prabhakar Rao, deputy managing director, GMR Group, said the runway will now have a design life of 20 years and would be instrumental in handling the increased air traffic movements, once pre-pandemic level traffic returns to Delhi airport.

Runway 09/27 is on the northern side of Delhi airport, and has a network of nine taxiways, out of which, six are connecting taxiways and 3 are rapid exit taxiways, DIAL said, adding it has also realigned a new 3.5 km-long taxiway, parallel to

runway 09/27. This will reduce the runway occupancy time and help in improving the traffic flow.

As part of the rehabilitation project, DIAL said it has also upgraded the airfield ground lighting system for runway 09/27 with a duct and pit system. Moreover, all the existing lights of the runway and taxiways (around 850) have been upgraded to an LED system for higher efficiency and reliability as a part of rehabilitation work, DIAL said.

After completion of Phase 3A expansion work, Delhi airport's passenger handling capacity is expected to increase to 100 million passengers per annum (MPPA), and the airside capacity will enhance to handle 140 MPPA, it said.

GeoEnpro EXPRESSION OF INTEREST
(Under International Competitive Bidding)

GeoEnpro Petroleum Limited, as the Operator of Kharsang Field, under the Production Sharing Contract with respect to the Contract Area identified as Kharsang Field, invites Expression of Interest (EOI) from reputed and experienced Contractors/Bidders for Supply of Equipment, Materials and Provision of Services for Exploration, Development and Production activities of the Kharsang Field.

Interested Companies (Indian & Foreign) are requested to visit our web site www.geoenpro.com for further details on the above Supplies & Services and submit their Expression of Interest within 21 days of publication of this advertisement.

**FOR THE ATTENTION OF REGISTERED MEMBERS OF PARTLY PAID UP SHARES (ISIN IN9324L01011)
HELD AS ON RECORD DATE I.E. MONDAY, JANUARY 03, 2022**

FIRST AND FINAL CALL NOTICE

- In terms of the Letter of Offer dated September 15, 2021 ("LOF"), the Company had issued upto 1,60,00,000 partly paid-up equity shares (including 17,70,000 equity shares reserved for the warrant holders) of a face value of ₹ 10 each and allotted 1,42,30,000 partly paid up equity shares of face value of ₹ 10 each ("Rights Equity Shares") for cash at a price of ₹ 30/- per Rights Equity Share (including securities premium of ₹ 20/- per Rights Equity Share) on rights basis to the eligible equity shareholders of the Company.
- An amount of ₹ 18 per Rights Equity Share (comprising ₹ 6 towards face value and ₹ 12 towards securities premium) was paid on application and balance monies was payable in one or more subsequent call(s).
- The Board of Directors of the Company at its meeting held on December 22, 2021 made the following first and final call on the Rights Equity Shares:
First & Final call of ₹ 12 per Rights Equity Share (comprising ₹ 4 towards face value and ₹ 8 towards securities premium), payable from Monday, January 10, 2022 to Monday, January 24, 2022, both days inclusive ("First & Final Call");
- The Company has fixed Monday, January 3, 2022 as the record date ("Call Record Date") for the purpose of determining the holders of the partly paid-up equity shares ("Eligible Shareholders") to whom the notice for the First & Final Call (the "First & Final Call Notice") has been sent. The Company has intimated the Call Record Date to the BSE Limited and the National Stock Exchange of India Limited (collectively the "Stock Exchanges") on December 22, 2021.
- Accordingly, in terms of provisions of Companies Act, 2013 ("Act") read with relevant rules made thereunder and the LOF, the First & Final Call Notice along with the instructions, ASBA Form and Payment Slip has been sent in electronic mode to the holder of partly paid up equity shares whose e-mail addresses are registered with the Company, or its Registrar and Transfer Agent ("RTA") or Depository Participant ("DP") as on Call Record Date. Further, physical copy of the First & Final Call Notice along with the instructions, ASBA Form and Payment Slip, has been dispatched through permitted modes at registered address of those shareholders: (a) who have not registered their e-mail address with the Company or its RTA or DP; or (b) who have specifically registered their request for the hard copy of the same. The Company has completed the dispatch of the First & Final Call Notice on January 06, 2022. The specimen copy of the First & Final Call Notice along with the instructions, ASBA Form and Payment Slip are also available on the Company's website at <http://www.rppl.com/shareholders-information.php>.
- The First & Final Call payment can be made by you by opting any one of the following modes, namely, (a) Online ASBA, (b) Physical ASBA, (c) 3-in-1 type account, (d) R-WAP portal (<https://rights.cameoindia.com/rpp/callmoney>), and (e) Deposit of cheques / demand drafts with the "Collection Centers" of the Escrow Collection Banks along with payment slip. Visit <https://www.sbi.gov.in/sebiweb/other/OtherAction.do?doRecognisedFps=yes&intmid=35> to refer to the list of existing SCSBs (for points (a) and (b) above). Please read instructions given along with this First and Final Call Notice before making payment of the First & Final Call.

In accordance with the SEBI circular no. SEBI/HO/CFD/DIL/ICIR/238/2020 dated December 8 2020, Eligible Shareholders can also make the payment of the First & Final Call through the facility of linked online trading-demat-bank account (3-in-1 type accounts), provided by some of the registered brokers. Please check with your respective broker for availability of the 3-in-1 type account facility and the process to be followed. The Company, the Lead Manager or the RTA will not be responsible for non-availability of this payment mode to the Eligible Shareholders from their respective brokers.

Further, in accordance with SEBI circular bearing reference number SEBI/HO/CFD/DIL/ICIR/2020/78 dated May 6, 2020, read with SEBI circulars bearing reference numbers SEBI/HO/CFD/DIL/ICIR/2020/136 dated July 24, 2020, SEBI/HO/CFD/DIL/ICIR/2021/13 dated January 19, 2021, SEBI/HO/CFD/DIL/ICIR/2021/552 dated April 22, 2021 and SEBI Circular SEBI/HO/CFD/DIL/ICIR/2021/633 dated October 1, 2021 (the "SEBI Relaxation Circulars"), Resident Eligible Shareholders may pay the First & Final Call electronically through the R-WAP portal: <https://rights.cameoindia.com/rpp/callmoney>. Payment may be made through net banking or UPI. Do note that R-WAP is only an additional option and not a replacement of ASBA and R-WAP facility should be utilized only in the event that shareholders are not able to utilize the ASBA facility for making the payment despite their best efforts. The Company and the RTA shall not be responsible if the application is not successfully submitted or if it is rejected during the process while using the R-WAP facility. **NON-RESIDENT ELIGIBLE SHAREHOLDERS ARE NOT ELIGIBLE TO APPLY THROUGH THE R-WAP PORTAL.**

In case the Eligible Shareholders chose to pay through Che
