Dear Sirs

Press Release regarding Un-audited Financial Results (Standalone and Consolidated) for the second guarter and six months ended September 30, 2019

Further to our letter dated 21st October 2019, we are sending herewith a copy of the Press Release being issued by us in connection with our un-audited financial results (Stand-alone and Consolidated) for the second quarter and six months ended September 30, 2019.

Thanking you

Yours faithfully For Sagar Cements Limited R.Şoundararajan

company Secretary

Encl: a.a.

Sagar Cements Limited

Q2 & H1 FY20

Results Presentation

Sagar Cements - Snapshot

Promoted by experienced technocrat and entrepreneurs; Listed entity with over 3 decades of successful operations

Plant started in 1985 with a capacity of 66,000 TPA. Current group capacity : 5.75 MTPA.

Captive power capacity of 61.35 MW includes 18 MW Thermal power plant which has been commissioned during current quarter.

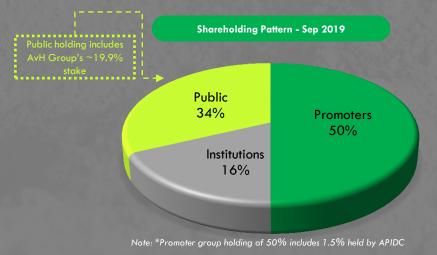

Strong presence across all five southern states; Since expanded its presence to Maharashtra and Odisha.

Manufactures Ordinary Portland Cement (OPC) of 53 & 43, Portland Pozzalona Cement (PPC), Sulphate Resistant Cement (SRC), Portland Slag Cement (PSC) & GGBS.

Strong brand built over the last 3.5 decades – "Sagar Cement"

AvH Resources India Pvt. Ltd., a wholly owned subsidiary of Ackermans & Van Haaren NV belonging to AvH Group, a Belgian major with revenues of ~EUR 5.4 billion holds19.9% equity stake in the Company.

High focus on technology and process efficiencies; High levels of Corporate Governance standards

Capital Market Metrics

Listed on	BSE & NSE
CMP (INR)*	552.40
M-Cap (INR mn)	~12,125.18
52 week high (INR)	~758.00 (13 th March 19)
52 week low (INR)	~520.95 (20 th Sept. 19)

Overview

The company has received Green Co Gold Certificate Award from Confederation of Indian Industries (CII) for its best practices at its Mattampally Plant. The company has also received Green Pro award for Blended Cement Products, for all its manufacturing facilities.

Clinker Capacity

Fully integrated & automated

Distribution - Strong network of

~1,350 dealers; Channel Mix –

Track Record of consistent profits,

successful inorganic and organic

Strong Financial Performance:

FY19 revenue stood at INR 12,204 mn with an EBIDTA of INR

expansion initiatives

Trade 44% : Non Trade 56%

Market Footprint

Well positioned to capture recovery in south with key strategic expansion initiatives

- Bolstered strong presence across key southern markets with the acquisition of SCL(R) shorter lead distances to Karnataka, TN and Kerala
- Expansion towards East with the acquisition of Bayyavaram and its subsequent expansion.

Strategically located to reap a significant locational advantage

Sagar -Bayyavaram

Sagar Cements – Bayyavaram, AP

Capacity	1.5 MTPA
Key Markets	Vizag, Vizianagaram, Srikakulam, South Odisha
Captive power	8.3 MW

Sagar Cements – Matampally, Telangana

Capacity	3.0 MTPA
Capacity utilization (FY19)	60%
Key Markets	AP, Telangana, TN, Odisha, Maharashtra
Limestone reserve	Over 600 mn tonnes
Captive power	28.05 MW

Sagar Cements (R) – Gudipadu, AP

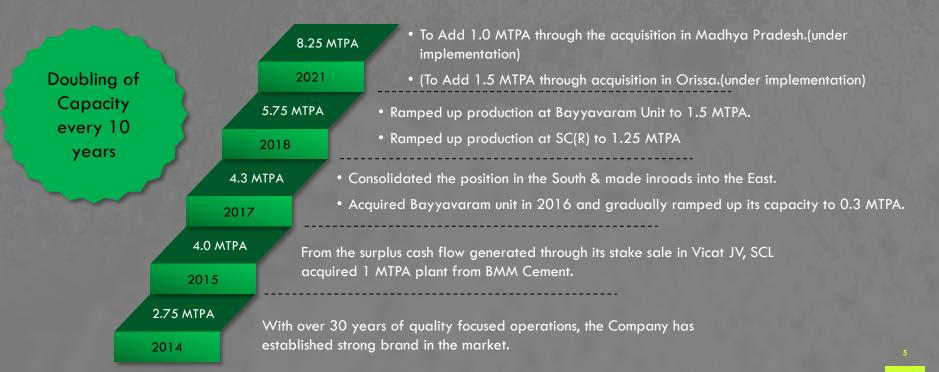

Capacity	1.25 MTPA
Capacity utilization (FY19)	74%
Key Markets	AP, Karnataka, TN
Limestone reserve	Over 174 mn tonnes (20 yr lease)
Captive power	25 MW

4

Business Objective

- To be a niche but effective cement and clinker manufacturer across chosen markets
- Emphasis on efficiency and quality of operations to be one of the manufacturer with lowest cost in each of its designated market

Industry Overview

 Prices lost its momentum owing to sluggish demand & standstill of infrastructure activities. In addition, flooding and sand mining also impacted demand sentiments

Jt. Managing Director's Comment

Commenting on the performance, Mr. Sreekanth Reddy, Jt. Managing Director of the Company said,

"We have ended the first half of the fiscal on a steady note with revenue and EBDITA expanding by 14.42% & 108.26% respectively. The growth would have been even better but for the sluggishness in the overall economy and an extended monsoon which weighed down on demand.

Profitability improved on the back of several cost saving initiatives taken as well as moderating input costs. We expect further improvement in operational profitability and margins going forward following the ramping up of our WHR plant and the commissioning of our captive power plant. Further, reallocation of sales should help in rationalizing freight expenses contributing in turn to overall improvement in profitability.

Going ahead, we believe that Govt.'s efforts towards reviving the economy and investment sentiment should result in improvement in the demand and pricing environments. The acquisition of Satguru and Jajpur Cement coupled with our efforts towards improving the operational efficiencies, positions us well to create significant value for our shareholders."

Sagar Cements - Business Overview

Higher revenue growth on the back of improved pricing environment and steady volumes

Better realisations coupled with benign input costs resulted in margin expansion

Strategic initiatives aimed towards lowering cost and targeting newer markets to drive growth

Outlook remains positive on the back of government's persistent efforts towards strengthening Infrastructure

Project Updates

Pet coke		9,036	8675	-	-

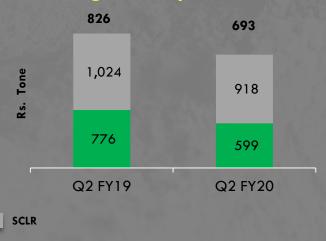

Cost Overview

Avg. Fuel Cost Per Tonne

Freight Cost per Tonne

- Gudipadu Plant has stabilized itself and is, currently using 100% pet coke resulting in a lower fuel cost.
- Optimization of thermal efficiency has resulted in lower per ton cost of fuel.

Weighted average freight cost per ton decreased due to optimization of lead distance.

Cost Overview

Employee Cost per ton of Cement 215 219 608 lakh Rs. lakh 130 424 165 Rs. 267 653 235 Q2 FY19 Q2 FY19 Q2 FY20 Sagar SCLR

Raw Material Cost per ton of Cement

738

539

824

Q2 FY20

Employee costs during Q2 FY 20 amounted to Rs. 219 per ton on console basis as against Rs. 215 per ton during Q2 FY19.

Material cost per ton during Q2 FY 20 on console basis was Rs. 738 per ton as against Rs. 608 per ton during Q2 FY19.Higher Raw Material cost during Q2 Fy20 is on account of higher production of blended cements.
