## STL Awarded with Customs Bonded Trucking Operator of the Year at South East Air Cargo Conclave & Awards 2022

**Vashi, Navi Mumbai, 7<sup>th</sup> November 2022:** Shreeji Translogistics Limited (STL), an India-based surface logistics and parcel delivery service provider, has recently bagged Customs Bonded Trucking Operator of the Year Award at South East Air Cargo Conclave & Awards 2022.

- STL is proud to announce that it is honored with the prestigious Customs Bonded Trucking Operator of the Year Award at the 3<sup>rd</sup> South East Air Cargo Conclave & Awards 2022 hosted by Aviation Cargo Express Group on 3<sup>rd</sup> November 2022.
- STL's custom bonded services are highly differentiated services which enables air cargo carriers to service various destinations and improve their network footprints.
- This Award reinforces the Company's dominant position in Customs Bonded Trucking services to provide path-breaking and cost-efficient solution for transshipment of import and export cargo across India. It also acts as a testimony to STL's effort of continually becoming a highly service focused and customer centric organization.
- The award is showcased below:

STL Team Receiving the Award

The Award and Certificate

Commenting on the announcement, the Management team of *Shreeji Translogistics Limited*, stated:

*"We are happy to announce that the Company is honored with the prestigious Customs Bonded Trucking Operator of the Year Award at the South East Air Cargo Conclave & Awards 2022 hosted by Aviation and Cargo Express (ACE). Air Cargo Conclave & Award is a platform with a vision to recognize the efforts of organizations behind the success of the cargo & logistics Industry.*

*For STL, it is not just about offering a service but making the most of the opportunity to deliver world class logistics solutions, creating an impact on the end users and most importantly keeping India connected through these services.*

*This award acts as a feather in our cap and gives us further encouragement to keep on innovating services that makes logistics more agile and customers more satisfied. We are optimistic on capitalizing the opportunities that lie ahead of us and maintain our dominant market share in the bonded trucking market."*

**About Shreeji Translogistics Limited.**

Shreeji Translogistics Limited (STL) was incorporated in 1984, headquartered in Vashi, Navi Mumbai. The Company is engaged in freight management, logistic solutions and warehousing services. It caters a range of logistical requirements from import-export container movement to bonded trucking movements. The various types of services provided by the Company include full truck load transport services (FTL), parcel and part truck load services/ less than truck load (LTL), import-export services and bonded trucking services. It operates different types of trucks on the basis of design and size along with varying capacities. Its container trucks are used for transportation of parcels, white goods and consumer packaged goods (FMCG). The Company's platform trucks are mainly used for import-export containers and also for transportation of heavy-duty goods like automotive parts and machineries. It owns and operates a fleet of more than 300 owned trucks and more than 4,500 outsourced trucks. STL is led by a team of seasoned professionals with robust experience in the logistics sector.
