Notes:
1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 13th August, 2021.
2. The figures for the quarter ended March 31, 2021 are the balancing figures between audited figures in respect of the full financial year ended March 31, 2021 and the published year to date figures up to December 31, 2020 which was subject to limited review by the statutory auditors.
3. The Company has granted moratorium upto six months on the payment of installments falling due between March 01, 2020 and August 31, 2020 to all eligible borrowers based on the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated March 27, 2020 and May 23, 2020 relating to 'COVID-19 - Regulatory Package' and RBI guidelines on moratorium dated April 17, 2020. Further, period for which moratorium was granted had not been considered for computing days past due (DPD) as on June 30, 2021. Extension of such moratorium benefit to borrowers as per the COVID-19 Regulatory package of the RBI by itself is not considered to result in significant increase in credit risk as per Ind AS 109 for staging of accounts. The Company continues to recognise interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria. The COVID-19 pandemic has significantly affected various sectors of Indian economy. The prolonged lockdown imposed by the government due to Covid-19 pandemic has affected the Company's business operations as some of the borrowers has defaulted in repayment of interest and principal. However, the actual impact may vary due to prevailing uncertainty caused by the pandemic. The Company's management is continuously monitoring the situation and the economic factors affecting the operations of the Company.
