6. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with General Circular Nos. 14/2020, 17/2020, 20/2020, 22/2020, 33/2020, 02/2021, 19/2021, 21/2021, 2/2022, 10/2022 and 11/2022 dated 8 April 2020, 13 April 2020, 5 May 2020, 15 June 2020, 28 September 2020, 13 January 2021, 8 December 2021, 14 December 2021, 5 May 2022 and 28 December 2022 respectively, issued by the Ministry of Corporate Affairs (hereinafter collectively referred as 'MCA Circulars') and Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated 12 May 2020, Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated 15 January 2021, Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated 13 May 2022 and Circular No. SEBI/HO/CFD/PoD-2/CIR/P/2023/4 dated 5 January 2023 issued by the Securities and Exchange Board of India ('SEBI Circulars') and in compliance with the provisions of the Companies Act, 2013 ('the Act') and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR').

### THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

**Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

**Step 2** : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on <Date and Time> and ends on <Date and Time>. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of <Record Date> may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with <b>CDSL Depository</b>	<ol style="list-style-type: none"><li>1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. #### SECRETARIAL AUDIT REPORT

#### FOR THE FINANCIAL YEAR ENDED 31<sup>ST</sup> MARCH, 2024

*[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]*

To,  
The Members,  
**Pentokey Organy (India) Limited**

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Pentokey Organy (India) LIMITED (hereinafter called “the Company”)**, incorporated on 16<sup>th</sup> June 1997 having CIN: L24116MH1986PLC041681 and Registered office at 509, Western Edge I, Off Western Express Highway Borivali East Mumbai 400066. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents, and authorized representatives during the conduct of the secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on **31<sup>st</sup> March 2024** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company, for the Financial Year ended on **31<sup>st</sup> March 2024** according to the following provisions of (including any statutory modifications, amendments, or re-enactment thereof for the time being in force):

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996, and the Regulations and the Bye-Laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999, and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
  - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
  - d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021- **NOT APPLICABLE**
  - e) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 - **NOT APPLICABLE**
  - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with clients;
  - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021- **NOT APPLICABLE**

The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021- **NOT APPLICABLE**

I have relied on the representation made by the Company and its officers for the systems and the mechanism formed by the Company for the Compliances under the applicable Acts and the regulations to the Company.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India
- (ii) SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the best of my knowledge and belief, during the year under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above subject to the following observations:

- a) The Company have maintained Structured Digital Database (SDD) software as per provisions of Regulation 3(5) and 3(6) of Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 however, detail of the event as required to be updated was not entered.
- b) The Company has not filed e-form MGT-14 for appointment of Key Managerial Personnel i.e. Chief Financial officer (CFO) as required under Section 173 of the Act and rules made thereunder, till the issuance of this report.

I further report that:

The Board of Directors of the Company is duly constituted with the proper balance of Executive Director, Non-Executive Directors, and Independent Directors. The changes in the Composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Committee and Board Meetings, agenda, and detailed notes on the agenda were sent as per the provisions of the Companies Act, 2013 and the rules made thereunder, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting including meeting conducted through video conference.

All decision is carried through the unanimous consent of all the Board of Directors and recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

I further report during the audit period the Company did not have following specific events / actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

## Independent Auditors' Report

### To the Members of Pentokey Organy (India) Limited

Report on the audit of the Financial Statements

#### Opinion

1. We have audited the accompanying financial statements of **Pentokey Organy (India) Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2024, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year ended on that date.

#### Basis for opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board of Directors report, but does not include the financial statements and our auditor's report thereon.
5. Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.
6. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Responsibilities of management and those charged with governance for the financial statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to

## PEN TOKEY ORGANY (INDIA) LIMITED

---

the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's responsibilities for the audit of the financial statements**

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the

matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on other legal and regulatory requirements

14. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure A** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
15. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of accounts as required by law have been kept by the Company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
  - (e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act.

**to the Independent Auditor's Report of even date on the Financial Statements of Pentokey Organy (India) Limited**

Report on the Internal Financial Controls under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Pentokey Organy (India) Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with the generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition

of the Company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

## PENTOKEY ORGANY (INDIA) LIMITED

---

### NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS

---

#### Note 1: CORPORATE INFORMATION

These statements comprise financial statements of Pentokey Organy (India) Limited referred to as (“the Company”) (CIN: L24116MH1986PLC041681) for the year ended March 31, 2024. The Company is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its Equity shares are listed on The Bombay Stock Exchange in India. The registered office of the company is located at 509, Western Edge-I, Off Western Express Highway, Borivali East, Mumbai - 400 066.

The Company is principally engaged in trading of Pharmaceutical Goods.

The financial statements were approved by the Board of Directors and authorized for issue on May 13, 2024.

#### Note 2: SIGNIFICANT ACCOUNTING POLICIES

##### A) Basis of Preparation of Ind AS Financial Statements:

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on an accrual basis except for:

- i) Certain financial assets are measured at fair value,

The financial statements of the Company have been prepared to comply with the Indian Accounting Standards ('Ind AS') notified under Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies to the extent applicable.

##### B) Use of Estimates:

The preparation of Ind AS financial statement requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of financial statements and reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

##### C) Property, Plant and Equipment (PPE):

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any. Cost includes professional fees related to the acquisition of PPE and for qualifying assets, borrowing costs capitalised in accordance with the company's accounting policy. Costs in nature of repairs and maintenance are recognized in the Statement of Profit and Loss as and when incurred.

For transition to Ind AS, the company has elected to adopt as deemed cost, the carrying value of PPE measured as per I-GAAP less accumulated depreciation and cumulative impairment on the transition date of April 1, 2016.

Gains or losses arising from de-recognition of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

##### D) Depreciation on Property, plant and equipment

Depreciation on Property, plant and equipment is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management, which are equal to the life prescribed under the Schedule II to the Companies Act, 2013.

### E) Intangible assets

#### Computer software

Costs relating to software, which are acquired, are capitalized and amortized on a straight-line basis over their useful life of three years.

### F) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

#### i. Financial assets

##### *Initial recognition and measurement*

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

##### *Subsequent measurement*

For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

##### **Debt instruments at amortised cost**

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the statement of profit and loss. The losses arising from impairment are recognised in the statement of profit and loss.

##### **Debt instrument at FVTOCI**

FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

---

**Equity Investments**

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at FVTOCI or FVTPL. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends are recognised in the OCI. There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

**Derecognition**

A financial asset is primarily derecognized and removed from the Company's balance sheet when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

**Impairment of Financial Assets**

The Company assesses at each reporting date whether there is any objective evidence that a financial asset or a Group of financial assets is impaired. A financial asset or a Group of financial assets is deemed to be impaired if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an expected 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the Group of financial assets that can be reliably estimated. Evidence of impairment may include indications that the trade receivables or a Group of trade receivables is experiencing significant financial difficulty, default or delinquency in interest or principal payments, the probability that they will enter bankruptcy or other financial reorganization and where observable data indicate that there is a measurable decrease in the estimated future cash flows, such as changes in arrears or economic conditions that correlate with defaults.

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18.

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix at every reporting date is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates.

### **Financial liabilities**

#### ***Initial recognition and measurement***

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

#### ***Subsequent measurement***

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the statement of profit and loss.

### **Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

### **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

### **G) Inventories:**

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any.

- i. Raw Materials, Stores and Spares are valued at cost.
- ii. Finished stock, Work in process stock and Stock in Trade are valued at cost or net realisable value whichever is lower.
- iii. The valuation of inventories includes taxes, duties of non refundable nature and direct expenses, and other direct cost attributable to the cost of inventory, net of excise duty / counter-vailing duty / education cess and value added tax.

---

**NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS**

---

**H) Provision for Current tax and Deferred tax:**

- i) Provision for current tax is made with reference to taxable income computed for the accounting period for which the financial statements are prepared by applying the tax rates and laws that are enacted or substantively enacted at the balance sheet date. The tax is recognised in statement of profit and loss, except to the extent that it related to items recognised in the other comprehensive income (OCI) or in other equity. In this case, the tax is also recognised in other comprehensive income and other equity.
- ii) Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period. Deferred tax asset on unabsorbed depreciation and carried forward losses is recognised only to the extent of deferred tax liability.
- iii) Provisions of MAT are not applicable to the Company due to opting for new tax regime.

**I) Provisions , Contingent Liabilities and Contingent Assets:**

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

**J) Contingent Liabilities:**

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

**K) Contingent Assets**

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

**L) Revenue Recognition:**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, excluding taxes or duties collected on behalf of the government.

Revenue is recognised only if the following conditions are satisfied:

- The Company has transferred risks and rewards incidental to ownership to the customer;
  - The Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
  - It is probable that the economic benefit associated with the transaction will flow to the Company; and
- i. It can be reliably measured and it is reasonable to expect ultimate collection.

---

## NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS

---

- ii. Dividends are recognised when the right to receive them is established.
- iii. Interest and Other Income are accounted on accrual basis.

### M) Employee Benefits:

- i. Short Term employee benefits are recognised as expenses at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.
- ii. Post employment employee benefits are recognised as an expense in the profit and loss account for the year in which the employee has rendered services. The expense is recognised at the present value of the amounts payable.

### N) Impairment of Assets:

As at the end of each accounting year, the company reviews the carrying amounts of its non-financial assets e.g.PPE, investment property, intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the said assets are tested for impairment so as to determine the impairment loss, if any. Goodwill and the intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:

- (i) in the case of an individual asset, at the higher of the net selling price and the value in use; and
- (ii) in the case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

(The amount of value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life. For this purpose, the discount rate (pre-tax) is determined based on the weighted average cost of capital of the company suitably adjusted for risks specified to the estimated cash flows of the asset).

For this purpose, a cash generating unit is ascertained as the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets.

If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

### O) Borrowing Cost:

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising on foreign currency borrowings to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset are capitalised/inventoried as part of cost of such asset till such time the asset is ready for its intended use or sale.

---

**NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS**

---

A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

**P) Foreign Currency Transaction:**

- i) Foreign currency transactions are recorded at the rates of exchange prevailing on the date of transaction. Monetary foreign currency assets and liabilities outstanding at the close of the financial year are revalued at the exchange rates prevailing on the balance sheet date. Exchange differences arising on account of fluctuation in the rate of exchange is recognised in the statement of profit and loss.
- ii) Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or statement of profit and loss are also recognised in OCI or statement of profit and loss, respectively).

**Q) Leases**

**Where the Company is a lessee:**

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

## NOTES FORMING PART OF THE IND AS FINANCIAL STATEMENTS

**Note 20:** The Company has no overdue balance payable to Micro and Small Enterprises as at 31<sup>st</sup> March 2024. This information is required to be disclosed under Micro, Small and Medium Enterprises Act, 2006 (MSMED Act) and has been determined to the extent such parties have been identified on the basis of information available with the Company.

### **Note 21: Contingent Liabilities :**

#### **1. Labour Matter:**

Two Complaints were filed by the District Labour Officer against the Company and its then Directors (2007) for alleged violation of Section 13 of Payment of Wages Act read with rule 4, 3, 18, 28 and 24 of the Maharashtra Payment of Wages Rules 1963 and the Bonus Act, as follows.

- i) It has been alleged that the company failed to show the records to the Labour Officer upon his visit to the factory on February 9, 2007 and the Labour Officer noted that the Company has failed to pay four months' salary (October 2006 to January 2007), till that date of inspection (due date is on or before 7 days from the date of closing the calendar month for the respective month) to the employees.

The non-payment of salary during the above period was due to sickness of the company.

- ii) also alleged on February 9, 2007 against the Company and its then Directors for failure to pay Bonus to its employees for the F.Y. 2005 – 2006, before the due date (Due date is before 15th Nov of every year for the previous F.Y.).

Company Advocate for both the complaints argued in the lower Court on the maintainability of the complaints in view of the relief provided by the BIFR. Court rejected Company's say in both the cases. The Company filed two revision petitions against the above trial Court's order dated 14th March 2014 and argued by the company showing exemption of the BIFR Order against the maintainability of the case. The revision petitions were also dismissed on March 30, 2021. The matter now will continue before the Judicial Magistrate FC, Khed once the orders of dismissing the revision petitions are received by the Lower Court.

The listing and next date in the matter awaited. Company has paid all dues to its employees subsequently during 2008 itself, once the factory restarted after lockout. The liabilities and penalties, if any, cannot be quantified.

#### **2. Income Tax: Assessment Year 2015-16 (Financial year 2014-15)- Rs.171.58 Lakhs**

- The case was re-opened for A.Y. 2015-16 and arbitrary order was passed by the ITO NFAC, Delhi (ITO) without giving opportunity been heard.
- The Assessing officer failed to give reasons recorded for issue of notice, not giving copy of sanction received for issue of notice u/s 148 of IT Act and not giving show cause notice and draft assessment order as per the provisions of Income Tax Law.
- This resulted into addition of Rs. 214.29 Lakhs to the total income and a tax liability demand of Rs. 171.58 Lakhs.
- The ITO also calculated the total income erroneously without giving the benefit of set-off of brought forward losses.

**Against the above demand, the Company has filed rectification application on 27/04/2022 and the Company has filed appeal to the Commissioner of Income-Tax (Appeals) on 29/04/2022 which is pending.**

The management assessed that the fair value of cash and cash equivalent, trade receivables, security deposits, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

**ii. Fair Value Hierarchy**

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are recognised and measure at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table:

₹ in Lakhs

Particulars	March 31, 2024			Total
	Fair value measurement using			
	Quoted prices in active markets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

<b>Total Financial Assets</b>	<b>3.76</b>	<b>-</b>	<b>-</b>	<b>3.76</b>

Financial Investments at FVTPL				
Investments in Equity Instruments	2.62	-	-	2.62
<b>Total Financial Assets</b>	<b>2.62</b>	<b>-</b>	<b>-</b>	<b>2.62</b>

**iii. Fair value measurement**

**Level 1** - Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

**Level 2** - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

**Level 3** - If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3. This is the case for unquoted equity shares.

There have been no transfers among Level 1, Level 2 and Level 3 during the period

**iv. Valuation technique used to determine fair value**

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments

## PEN TOKEY ORGANY (INDIA) LIMITED

---

- the fair value of forward foreign exchange contracts is determined using forward exchange rates at the balance sheet date

- the fair value of the remaining financial instruments is determined using discounted cash flow analysis

The fair value of unquoted equity instruments is not significantly different from their carrying value and hence the management has considered their carrying amount as fair value.

### v. Valuation processes

The finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee. Discussions of valuation processes and results are held between the CFO, AC and the valuation team regularly in line with the company's reporting periods.

### Note 34: Financial Risk Management

The company's activity expose it to market risk, liquidity risk and credit risk. In order to minimize any adverse effects on the financial performance of the company, derivative financial instruments, such as foreign exchange forward contracts, foreign currency option contracts are entered to hedge certain foreign currency risk exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

#### (A) Credit risk

Credit risk is the risk that the counterparty will not meet its obligations leading to a financial loss. Credit risk arises from cash and cash equivalents, financial assets carried at amortised cost and deposits with banks and financial institutions, as well as credit exposures to customers including outstanding receivables.

##### i. Credit risk management

To manage the credit risk, Company periodically assesses the financial reliability of customers; taking into account factors such as credit track record in the market and past dealings with the company for extension of credit to Customer. Company monitors the payment track record of the customers, restrict credit limited in SAP, credit rating etc. Concentrations of credit risk are limited as a result of the company's large and diverse customer base.

##### ii. Provision for expected credit losses - Trade Receivables

The company follows 'simplified approach for recognition of loss allowance on Trade receivables

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

**Exposure - Trade Receivables: Rs.in Lakhs 189.01 (PY 14.56)** The Company does not expect credit loss on Trade Receivable.

##### iii. Provision for expected credit losses - Other financial assets

The carrying amount of cash and cash equivalents, loans, deposits with banks and financial institutions and other financial assets represents the maximum credit exposure. The maximum exposure to credit risk is **Rs. In Lakhs 899.87 (PY ₹ 714.20)**. The Company does not expect credit loss on other financial assets.

**(B) Liquidity risk**

Liquidity risk is the risk that a company may encounter difficulties in meeting its obligations associated with financial liabilities that are settled by delivering cash or other financial assets. The group monitors rolling forecasts of its liquidity requirements to ensure it has sufficient cash to meet operational needs. The table below provides undiscounted cash flows towards financial liabilities into relevant maturity based on the remaining period at the balance sheet to the contractual maturity date for which there is no Liquidity risk as sufficient current assets are available to discharge the same.

**(C) Market risk**

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market prices. Market risk comprises three types of risk: foreign currency risk, interest rate risk and other price risk such as commodity price risk.

**(i) Foreign currency risk**

Foreign currency risk arises commercial transactions that recognised assets and liabilities denominated in a currency that is not Company's functional currency (INR).

- **Foreign currency risk exposure: NIL**

**(ii) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. The management is responsible for the monitoring of the Company' interest rate position.

- **Interest rate risk exposure: NIL**

**(iii) Inventory price risk**

The Inventory of the Company consist of Stock in trade of Rs. NIL (PY Rs. 20.57 Lakhs) which is subject to inventory price risk.

**Note 35:** For the purpose of the company's capital management, capital includes issued equity capital, convertible preference shares, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximize the shareholder value.

The company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The company's policy is to keep the gearing ratio restricted to 40%. The company includes within debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.
