INDEPENDENT AUDITOR'S REPORT

To
The Directors of 8K Miles Software Services Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone financial results of **8K Miles Software Services Limited (The Company)** for the quarter ended 31st March, 2020 and for the period 01st April 2019 to 31st March 2020, attached, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the **Basis for Qualified Opinion** section of our report, the aforesaid financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company for the quarter and the year ended as on 31st March 2020 and its profit/loss and its cash flows for the quarter and year ended on that date.

Basis for Qualified Opinion

- (i) We have formed our opinion on the evidence obtained by following alternate procedures performed during our audit in the light of modified report (disclaimers) contained in by the previous auditor.
- Closing balances of all receivables and payables were verified through external confirmations received directly from the respective parties.
 - Confirmation of closing Bank balances received directly.
 - Write off of old and doubtful receivables.
 - Relied on the findings of special audit report against the complaint made u/s 143(12) of The Companies Act 2013 and its impact on the opening balances for the current year.
- (ii) We draw your attention to last year's audit observation on long outstanding receivables from overseas customers amounting to Rs 3,464.01 Lacs (31st March 2019) and corresponding technical services payable to overseas vendor of Rs 1,709.20 Lacs. The receivables amounting to Rs 1,709.20 Lacs has been assigned to the vendor based on the assignment agreement between the Company and the Vendor. The residual balance of Rs 1,754.81 Lacs has been written-off to the Profit & Loss account. The Company has made an intimation to the AD banker as required by RBI master circular and is subject to the approval of the RBI. The company is of the opinion that there is no Goods and Service Tax applicability on the above transaction as the services have been availed and rendered outside India. **Profits for the current year have been impacted to this extent due to the above.**

The AD banker has been intimated about the delay in collecting the outstanding beyond 12 months. Further, the Subsidiary Company has confirmed the outstanding balances as of 31st March 2020. **The interest burden suffered due to continued delay in realization of receivables is estimated at Rs 288.47 lacs.**

Management's Responsibility

The Management of the Company is responsible for preparation of the Statement in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 ("**Ind AS 34**"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India. The Board of Directors have approved the Statement.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial results are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Audit Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these standalone financial results.

As part of an audit in accordance with Audit Standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

CoVID-19 Impact

The country-wide lockdown and restrictions imposed by the Government of India and State Government have posed challenges to the Company's operations. The employees have been asked to work from home to mitigate the impact of the lock-down and to comply with the Government's guidelines. We have not noticed any adverse impact on the Company's Financials or collection of receivables as evidenced by the cash flows during the period 01st April 2020 to 30th June 2020.

Notes:

- The above financial results of the Company were reviewed by the Audit Committee and approved by the Board of Directors in its meeting held on 30th July 2020. The Financial Results are prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder.
- The Company operates in a single segment, i.e., "Information And Technology Services" and hence, does not have any additional disclosures to be made under Ind AS 108 - Operating Segments.
- It is challenging to predict the full economic impact of COVID 19, which had affected the global business during the quarter. However, the Company, based on the information available, had made assessment of the situation, which led to form a view that COVID 19 does not materially affect the financial position at the end of financial year. The eventual outcome of impact of the global health pandemic may be different from those estimated as on the date of approval of these financial statements and the Company will keep monitoring the uncertainties caused by the pandemic to assess its impact on our future economic conditions.
- During the current financial year the company has impaired the investment in its subsidiary 8K Miles Software Services FZE UAE amounting to Rs 18.41 lacs
- Statement of standalone financial results includes foreign exchange gain / (loss) as given below:

Basis for Qualified Opinion

- (i) We have framed our opinion on the basis of evidence obtained by following alternate procedures performed during our audit in the light of modified report containing disclaimers by the previous auditor:
- Closing balance of all receivables and payables were verified through external confirmations received directly from the respective parties.
 - Confirmation of closing Bank balances received directly.
 - Write off of old and doubtful receivables
 - Relied on the findings of special audit report against the complaint made u/s 143(12) of The Companies Act 2013 and its impact on the opening balances for the current year.
 - Relied on confirmation of audit procedures performed by the auditor of the subsidiary companies.
 - Access to the books of accounts of subsidiaries facilitated our independent verification of the records on test basis.
- (ii) We had a detailed discussion with the auditor of the US subsidiaries through video conference and obtained detailed note on the audit coverage.
- (iii) We draw your attention to the last year's audit observation on long outstanding receivables from overseas customers amounting to Rs 3,464.01 Lacs (31st March 2019) and corresponding technical services payable to overseas vendor of Rs 1,709.20 Lacs. The receivables amounting to Rs 1,709.20 Lacs has been assigned to the vendor based on the assignment agreement between the Company and the Vendor. The residual balance of Rs 1,754.81 Lacs has been written-off to the Profit & Loss account. The Company has made an intimation to the AD banker as required by RBI master circular and is subject to the approval of the RBI. The company is of the opinion that there is no Goods and Service Tax applicability on the above transaction as the services have been availed and rendered outside India. **Profits for the current year have been impacted to this extent due to the above.**

Management's Responsibility

The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the net profit/ loss and other comprehensive income and other financial information of the Group including its associates and jointly controlled entities in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 ("Ind AS 34"), 'Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associates and jointly controlled entities and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial results, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for assessing the ability of the Group and of its associates and jointly controlled entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entities.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial results are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Audit Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results. As part of the audit in accordance with Audit Standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entities to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entities to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
- We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.

Emphasis of matter paragraph

We draw your attention to the following items which have an impact on the financial statements during the year.

- (i) The Company's management on the recommendation of technical experts, evaluated the expected foreseeable economic benefits from the internally developed / generated Intangibles (tools, framework and platforms) and fully amortized as an exceptional item during the year. With this change in the accounting treatment, these Intangibles have been amortized earlier than the original schedule.
- (ii) The Company had made an advance of Rs 4,505.80 Lacs in the financial year 2017-18 towards a target acquisition and entered into a Share Purchase Agreement for acquiring entire shares of the target company. The Company has written-off this advance as unrecoverable due to unforeseen economic conditions caused by COVID-19.

Other Matters

The consolidated audited financial statements included in the Group whose results reflect total assets Rs 18,323.82 Lacs as at 31st March, 2020, whose results reflect total liabilities of Rs 11,348.15 Lacs and total revenue of Rs 35,669.67 Lacs for the year ended 31st March, 2020 as considered in the Standalone Financial Statements of the Subsidiaries included in the Group. The independent auditors' reports on financial statements / financial results of these entities have been furnished to us and our opinion on the consolidated Financial Results, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us as stated on the basis of our opinion.

CoVID-19 Impact

The lockdown and restrictions imposed have posed challenges to the Company's operations. The employees have been asked to work from home to mitigate the impact of the lock-down and to comply with the guidelines. We have not noticed any adverse impact on the Company's Financials or collection of receivables as evidenced by the cash flows during the period 01st April 2020 to 30th June 2020.

Press Release /Chennai, India - July 30, 2020

8K Miles Embarks on a transformational journey in FY19-20

8K Miles Software Services Limited, a leading Global IT Business Transformation, Secure Cloud Solutions and NextGen Managed Service Provider, today (30th July 2020) announced the Company's audited financial results for the quarter and year ended 31st March 2020 as approved by the Board of Directors.

Beginning of the year, we embarked on a transformational strategy that will ensure that we enhance the depth of our engagement with our existing customers while increasing our direct customer acquisition focus even more. We are pleased that the strategy is paying off as we have increased our footprint with existing customers generating more revenue while acquiring new customers.

We have been successful in disengaging with intermediaries in order to stay focused on our direct customers to enhance our depth of engagement with these direct customers as we see a huge growth potential in these customer accounts

We continue to invest in our platform/framework such as CloudEz, EzIAM, DataEz for effective data pipeline management and DocuRoute for handling Healthcare use cases. We will continue to enhance our platform/framework to stay competitive and ensure that the first mover advantage is not only maintained but enhanced through our domain-centric, platform based cloud transformation offering and is very much sought after by our customers.

In order to provide enhanced focus to Healthcare/Pharma/Life Sciences customers, we launched a fully owned subsidiary Healthcare Triangle, Inc (HTI).

HTI will concentrate on accelerating value to three healthcare sectors:

1. Pharmaceutical companies, which require improved efficiencies in the clinical trial process. HTI modernizes their IT infrastructure to advance the clinical trial process to drug discovery and delivery.
2. Hospitals and health systems, which face interoperability challenges as mergers, acquisitions and partnerships drive increasing need for integrated healthcare

infrastructures. HTI's health IT expertise optimizes providers' enterprise digital structure needs connecting disparate systems and applying analytics capabilities.

3. Life sciences, payors and all healthcare organizations must protect and secure personal health information (PHI), a regulatory compliance mandate that HTI addresses and manages for its customers.

Major Achievements:

- 8K Miles is now providing 24/7 enterprise cloud network support to large global pharma clients.
- Leveraging our DataEz - data lake platform-as-a-service which is a data analytics platform, 8K Miles was able to grow two major customers in the pharma and life sciences verticals worth over \$5M with lot of potential for future growth.
- We have signed multiple SoWs with a new life sciences client on restructuring and building their entire infrastructure on AWS to design and a build data lake, DevOps, migrate IAM to Google FSSO and migrate databases to AWS RDS and implement elastic cache
- A large Life Sciences customer signed a long-term partnership with 8K Miles for their cloud transformation and build their multi-cloud platform across AWS, Azure and Google
- Acquired a California based life sciences client to deliver their enterprise cloud transformation as well as cloud service qualification and compliance
- Signed \$2.4M contract with a major hospital to be their exclusive Community Connect implementation partner in 2020
- EPIC contract extensions with number of existing hospitals across US were secured and as a result our EPIC implementations team is actively engaged with clients
- Secured several medium to large go-live support, Ambulatory go-live support as well as Meditech implementation projects across several of our Meditech hospital clients
- Selected as Vendor of Choice (VOC) for a Hospital Managed services support to provide various Health IT implementation services over next 2 years
- Completed Multi-Factor-Authentication implementation using MS Azure MFA for a MEDITECH EXPANSE hospital
- 8K Miles extended IT Infrastructure Managed Services and SOC (Security Operations Center) contract, thereby extended over 5 years of our engagement, with California based major SaaS/PaaS technology company.
- After successful delivery of Cloud-native multi-tenant IoT solution for the automobile battery charging systems, 8K Miles extended the engagement with 24x7 managed services with a leading global innovative systems partner of automotive manufacturer
- Won a Cloud DevOps outsourcing contract from one of the top Automobile manufacturers. As part of this win, 8K Miles established Cloud CoE (Center of Excellence), Cloud DevOps and Analytics teams for the client to achieve their Cloud objectives

- Won a contract with Computer Vision and Artificial Intelligence company, building the AI architecture of the future, to build highly available and scalable Microsoft Azure Cloud Infrastructure as well as Azure Data Analytics services, having future potential to expand the engagement for delivering a multi-cloud strategy and beyond
- Renewed AWS MSP (Managed Services Provider) Competency as well as ISO-27001 Information Security Management Certification

Consolidated Financial Highlights for the Year ended 31 March 2020

Particulars	FY19-20	FY18-19
Revenue (INR Lacs)	38,208	84,219
EBITDA (INR Lacs)	-2,853	16,946
Profit / (Loss) before minority interest (after one-time write-off of exceptional items) (INR Lacs)	-69,996	11,236
Profit / (Loss) after minority interest (INR Lacs)	-52,723	1,111

Note:

While the customers have continued to place their confidence in us, there have been some challenges faced by 8K Miles during this fiscal year. One of the biggest challenges is the increased number of US H-1B visa rejections. There is a significant drop in US H1B visa approvals and the rejections rate stood at 32% in FY 2019 compared to 6% in the year 2015 and that is only increasing rapidly. This immigration issue has directly impacted 8K Miles in executing several projects, lost opportunities, increase in staff expenses due to hiring of more contractors and local employees thereby contributing to lesser revenue/margin. However, this has been mitigated through shifting the work to our facilities in Chennai but with a reduction in revenue.

The other major challenge was COVID19 that started unfolding beginning of Q4 2020. While there was no major impact in FY19-20, we do anticipate delays in getting new projects as customers/prospects are uncertain of their business at this time. Select very few hospital projects were cancelled due to COVID19, and we are hoping that the mid-size hospitals will restart their regular activities such as healthcare procedures and surgeries in the coming quarter and beyond. Additionally, customers have started asking for discounts impacting our profitability. On the positive side, we have more companies moving onto the cloud because of issues related to COVID19 presenting us with opportunities. In short, we assess the short-term impact of COVID19 to be reduced revenue while on the longer term more and more companies will start moving to

cloud and accelerate their digital transformation strategy thereby ensuring steady growth for 8K Miles.

We will continue to stay focused on bringing world class compliance, security, cloud infrastructure provisioning, data governance, data management, advanced analytics and data asset development services and solutions, while at the same time bringing new and simplified services to the market that will help connect the stakeholders in the healthcare and life sciences ecosystem.

While there have been challenges that have impacted us, we are pleased that we have a sound and robust strategy in place for the future that will ensure we stay in the forefront of technology ahead of our competition, enhancing our depth of engagement with our customers, acquire new direct customers and improve our profitability from operations and we have already started seeing the results. Overall, this was a period of transformational journey that will position us to win more customers and grow our business.
