STATEMENT OF STANDALONE AND CONSOLIDATED UNAUDITED FINANCIAL RESULTS FOR THE QUARTER ENDED JUNE 30, 2020.

Notes:

- 1 The above Standalone & Consolidated Un-audited Financial Results of the Company have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on Wednesday, August 12, 2020. The Statutory Auditors have carried out the limited review of these Standalone & Consolidated Un-audited Financial Results for the quarter ended June 30, 2020 and the same are made available on website of the company www.tvvision.in and website of BSE Limited www.bseindia.com and National Stock Exchange of India Limited on www.nseindia.com where shares of the Company are listed.
- 2 The Standalone & Consolidated Un-audited Financial Results for the quarter ended June 30, 2020, have been prepared in accordance with recognition and measurement principles laid down in the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India.
- 3 The Company is operating in a single segment viz. Broadcasting. Hence the results are reported on a single segment basis.
- 4 The account of the company has been classified as non-performing asset by banks in the previous financial years and the banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to about Rs. 3,46,70,409 /- (exact amount cannot be ascertained) for the quarter ending June 30, 2020. Further, no provision for interest / penal interest, if any, on such term loans has been made in books of accounts, from the date the account of the Company has been classified as non-performing in the books of those banks.
- 5 Due to Covid-19 pandemic impact the revenue of the Company for the quarter ended June 30, 2020 has come down substantially. This is mainly because the Company is having its lowest advertising run rate on the channel. In assessing the recoverability of Company's assets such as Loans, Intangible Assets, Trade receivable and other assets as on June 30, 2020, the Company has considered internal and external information upto the date of approval of these financial results. The Company has performed sensitivity analysis on the assumptions used basis the internal and external information / indicators of future economic conditions and expect to recover the carrying amount of the assets and hence no impairment in the value of assets are required for the quarter ended June 30, 2020. However, the total impact on the operations of the Company cannot be completely assessed at this stage. The Company is continuously monitoring the situation and is in the process of assessing the impact of Covid 19 pandemic.
- 6 The Company had erroneously reduced the amount of provision for impairment amounting to Rs. 117.15 Lakhs recoverable from Holding Company in the quarter ended March 31, 2020 from Other Expenses head in the quarterly consolidated results for the quarter ended March 31, 2020 and had disclosed it separately as an Exceptional Item in the consolidated results for the quarter ended March 31, 2020. The same is now rectified in the current results in the comparative consolidated quarterly results for the quarter ended March 31, 2020. The loss, Comprehensive Income, EPS in the comparative consolidated quarterly financials results of March 31, 2020 signed on June 27, 2020 and the current financial results for the quarter ended June 30, 2020 will differ to that extent. This error is only in the presentation of consolidated quarterly results of the Company for the quarter ended March 31, 2020 having no financial impact in the consolidated accounts for financial year 2019-2020 as it properly disclosed in the consolidated results for financial year 2019-2020.
- 7 The Other Equity balances as per the standalone and consolidated audited financials are disclosed only for the year ended March 31, 2020 and are not disclosed on a quarterly basis.
- 8 The figures for the quarter ended March 2020 are the balancing figures between the audited figures in respect of the full financial year and published un-audited year to date figures upto the third quarter of respective financial year.
- 9 Previous year's/ period's figures have been re-grouped / re-arranged / reclassified / reworked wherever necessary to conform with the current year accounting treatment.

Independent Auditors' Review Report

To the Board of Directors of

TV Vision Limited

1. We have reviewed the accompanying Statement of Unaudited Standalone Financial Results of **TV Vision Limited** ("the Company") for the quarter ended June 30, 2020. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Basis of Qualified Opinion

- i) *Due to defaults in repayment of loans taken from Bank/s, the account of the company has been classified as non-performing asset by banks in the previous financial years and the banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to about Rs. 3,46,70,409 /- (exact amount cannot be ascertained) for the quarter ending June 30, 2020, hence to that extent, finance cost, total loss and current financial liabilities is estimated to be understated by about Rs. 3,46,70,409 /- (exact amount cannot be ascertained) for the quarter ending June 30, 2020. Further, no provision for interest / penal interest, if any, on such term loans has been made in books of accounts, from the date the account of the Company has been classified as non-performing in the books of those banks.*
- ii) *No provision for diminution in value of investment is made in books of accounts as on June 30, 2020 even though the fair value of Investment of the Company of Rs. 3,00,00,000/- in Equity Shares of the Company's Subsidiaries i.e. HHP Broadcasting Services Private Limited, MPCR Broadcasting Service Private Limited, UBJ Broadcasting Private Limited and Rs. 30,12,00,000/- in Company's Associate i.e. Krishna Showbiz Services Private Limited, is lower than their cost of acquisition. The loss for the quarter ending June 30, 2020 is understated and non-current investments of the Company as on June 30, 2020 are overstated to that extent.*
- iii) *The aggregate carrying value of Business and Commercial Rights and Channel Development Cost in the books of the Company as on June 30, 2020 is Rs. 121,89,76,948 /-. There is no revenue generation from monetization of these assets during the quarter ended June 30, 2020 and in previous financial years due to which the Company has incurred substantial losses during the quarter ended June 30, 2020 and previous financial years. There is a strong indication of impairment in the value of these Business and Commercial Rights and Channel Development Cost and therefore we are of the opinion that the impairment loss of Rs.*

121,89,76,948 /- should be provided on all such assets in the books of accounts of the Company as on June 30, 2020. The assets of the Company are overstated and net loss for the quarter ended June 30, 2020 is understated to that extent.

- iv) The Company has not provided for loss allowances on financial guarantee contracts amounting to Rs.11,59,80,252 /- (excluding interest / penalty charges, if any) given by the Company on behalf of its related group companies to its secured lenders which is to be recognized as required by Indian Accounting Standard (IND-AS 109). The financial liabilities of the Company and net loss for the quarter ended June 30, 2020 is understated to that extent.
- v) The Company has not accounted the lease transactions as per requirements of Indian Accounting Standard (IND AS) 116 which is applicable from April 1, 2019. The impact, if any, of such non-compliance of IND-AS 116 on the financials of the Company for the quarter ended June 30, 2020 is unascertainable.

Emphasis of Matters

- i) The results are prepared on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal, symbolic possession of mortgaged property provided as collateral by promoters, invocation of part of the shares pledged as collaterals by bank, invocation of corporate guarantees from guarantors of the loan by the secured lenders of the Company and substantial losses incurred by the Company during the quarter ending June 30, 2020 and previous financial years. All of the above conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.
- ii) Attention is drawn to Note No.5 to the Standalone financials results, which describes that the extent to which the COVID-19 Pandemic will impact the Company's results in this financial year will depend on future developments, which are highly uncertain.
- iii) The qualified opinion expressed in the present report is based on the limited information, facts and inputs made available to us through electronic means by the Company. We wish to highlight that due to the COVID-19 induced restrictions on physical movement and strict timelines, the entire audit team could not visit the office of the Company for undertaking the required audit procedures as prescribed under ICAI issued Standards on Auditing, including but not limited to:
- Inspection, Observation, examination and verification of the original documents of invoices, legal agreements, bank accounts statements / loan accounts statements and files.
 - Physical verification of Cash, including adequate internal controls thereof.
 - Physical Verification of Property, Plant and Equipment as on June 30, 2020.
 - Any other processes which required physical presence of the audit team.

Our opinion is not modified in respect of these matters.

Based on our review conducted as above and except for the effect of the matters stated in Basis of Qualified Opinion paragraph, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results prepared in accordance with the applicable Accounting Standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis of Adverse Opinion for accounts of Associate Company (i.e. Krishna Showbiz Services Private Limited):

- i) *The aggregate carrying value of Business and Commercial Rights and Channel Development Cost in the books of the Company as on June 30, 2020 is Rs. 91,50,60,542/-. There is no revenue generation from monetization of these assets during the quarter ended June 30, 2020 due to which the Company has incurred substantial losses during the quarter ended June 30, 2020 and previous financial years. There is a strong indication of impairment in the value of these Business and Commercial Rights and Channel Development Cost and therefore we are of the opinion that the impairment loss of Rs. 91,50,60,542/- should be provided on all such assets in the books of accounts of the Company as on June 30, 2020. assets of the Company are overstated and net loss for the quarter ended June 30, 2020 is understated to that extent.

- ii) *No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to about Rs. 4,49,71,036 /- (exact amount cannot be ascertained) for the quarter ended June 30, 2020 as the loan statement as on June 30, 2020 has not been received from the bank, hence to that extent, finance cost, total loss and current financial liabilities is estimated to be understated by about Rs. 4,49,71,036 /- (exact amount cannot be ascertained) for the quarter ending June 30, 2020.*

Material uncertainty related to Going Concern of Associate Company (i.e. Krishna Showbiz Services Private Limited):

- i) The results are prepared on going concern basis notwithstanding the fact that loan accounts are classified as non-performing by bank, loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, symbolic possession of mortgaged property provided as collateral by promoters, invocation of part of the shares pledged as collaterals by bank, further as discussed in the Basis of Adverse Opinion paragraph, the carrying value of non-current assets has been fully impaired and also that there is no business activity has been carried out during the quarter under review and substantial losses incurred by the Company during the quarter ended June 30, 2020 and previous financial years. All of the above conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.

Our opinion is not modified in respect of this matter.

Material uncertainty related to Going Concern of Subsidiary Company (i.e. UBJ Broadcasting Private Limited)

- i) The financial statements of the Company are prepared on a going concern basis, notwithstanding the fact that the company has a loss of Rs. 15,001/- in the quarter ended June 30, 2020 and also has negative "Other Equity" of Rs. 36,57,240 /- as at June 30, 2020. The said condition indicates that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.

Our opinion is not modified in respect of this matter.
