To: The Shareholders of Aryavart Bank, LUCKNOW

We have audited the standalone financial statements of Aryavart Bank, Lucknow which comprise the Balance Sheet as on 31st March 2022, the Profit and Loss Account and the Statement of Cash Flows for the year then ended, and notes to financial statements including a summary of significant accounting policies and other explanatory information in which are included the returns for the year ended on that date of 50 branches audited by us and 995 branches audited by statutory branch auditors.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Banking Regulation Act, 1949 in the manner so required for bank and are in conformity with accounting principles generally accepted in India and a. the Balance Sheet, read with the notes thereon is a full and fair Balance Sheet containing all the necessary particulars, is properly drawn up so as to exhibit a true and fair view of the state of affairs of the Bank as at 31st March, 2022; b. the Profit and Loss Account, read with the notes thereon shows a true balance of profit and c. the Cash Flow Statement gives a true and fair view of the cash flows for the year ended on that date.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with SAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
