Independent Auditor's Report

To the Board of Directors of IndiaMART InterMESH Limited

Report on the Audit of the Condensed Standalone Interim Financial Statements

Opinion

We have audited the condensed standalone interim financial statements of IndiaMART InterMESH Limited ("the Company"), which comprise the condensed standalone interim balance sheet as at 30 September 2023, the condensed standalone interim statement of profit and loss (including other comprehensive income) for the quarter and year to date period then ended, the condensed standalone interim statement of changes in equity and condensed standalone interim statement of cash flows for the year-to-date then ended and notes to the condensed standalone interim financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the condensed standalone interim financial statements"), as required by Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" and other accounting principles generally accepted in India.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid condensed standalone interim financial statements give a true and fair view in conformity with Ind AS 34 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 30 September 2023, its profit and other comprehensive income for the quarter and year-to-date period then ended, changes in equity and its cash flows for the year-to-date period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the condensed standalone interim financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion on the condensed standalone interim financial statements.

Management's and Board of Directors' Responsibilities for the Condensed Standalone Interim Financial Statements

The Company's Management and Board of Directors are responsible for the preparation and presentation of these condensed standalone interim financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with Ind AS 34 prescribed under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the

tegistered Office:

provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the condensed standalone interim financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the condensed standalone interim financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Condensed Standalone Interim Financial Statements

Our objectives are to obtain reasonable assurance about whether the condensed standalone interim financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed standalone interim financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the condensed standalone interim financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing opinion on whether the company
 has in place adequate internal financial controls with reference to financial statements and the operating
 effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in the preparation of condensed standalone interim financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the condensed standalone interim financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Place: Noida

Date: 27 October 2023

• Evaluate the overall presentation, structure and content of the condensed standalone interim financial statements, including the disclosures, and whether the condensed standalone interim financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes to condensed standalone interim financial statements for the period ended 30 September 2023 (Amounts in INR million, unless otherwise stated)

1. Corporate Information

IndiaMART Intermesh Limited ("the Company") is a public company domiciled in India and was incorporated on 13 September 1999 under the provisions of the Companies Act applicable in India. The equity shares of the Company are listed on BSE Limited and National Stock Exchange of India. The Company provides an online B2B marketplace for business products and services. It provides a platform to discover products and services and connect with the suppliers of such products and services. The registered office of the Company is located at 1st Floor, 29-Daryagang, Netaji Subash Marg, New Delhi-110002, India.

The condensed standalone interim financial statements were authorised for issue in accordance with a resolution passed by Board of Directors on 27 October 2023.

2. Summary of Material Accounting Policies

(a) Statement of compliance

The condensed standalone interim financial statements for the period ended 30 September 2023 have been prepared in accordance with Indian Accounting Standard (referred to as "Ind AS") 34, Interim Financial Reporting and other Ind ASs notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and other relevant provisions of the Companies Act, 2013 ("the Act") (as amended from time to time). These condensed standalone interim financial statements must be read in conjunction with the standalone financial statements for the year ended 31 March 2023. They do not include all the information required for a complete set of Ind AS financial statements. However, selected explanatory notes are included to explain events and transactions that management believes are significant to an understanding of the changes in the Company's financial position and performance since the last annual standalone financial statements.

All amounts disclosed in the condensed standalone interim financial statements have been rounded off to the nearest INR million as per the requirement of Schedule III to the Companies Act, 2013, unless otherwise stated.

(b) Basis of Preparation

The condensed standalone interim financial statements have been prepared on the historical cost basis, except for certain financial assets and liabilities measured at fair value or amortised cost at the end of each reporting period.

All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

The statement of cash flows has been prepared under the indirect method. The preparation of these condensed standalone interim financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Company's accounting policies. The areas where estimates are significant to the condensed standalone interim financial statements, or areas involving a higher degree of judgement or complexity, are disclosed in Note 3.

(c) Adoption of new accounting principles

Deferred tax related to assets and liabilities arising from a single transaction (amendments to Ind AS 12 - Income Taxes)

The amendments clarify that lease transactions give rise to equal and offsetting temporary differences and financial statements should reflect the future tax impacts of these transactions through recognizing deferred tax. The Company has adopted this amendment effective 1 April 2023. The Company previously accounted for deferred tax on leases on a net basis. Following the amendments, the Company has recognized a separate deferred tax asset in relation to its lease liabilities and a deferred tax liability in relation to its right-of-use assets. The adoption did

IndiaMART Intermesh Limited

Notes to condensed standalone interim financial statements for the period ended 30 September 2023 (Amounts in INR million, unless otherwise stated)

not have any impact on its condensed standalone interim financial statements as balances qualify for offset under paragraph 74 of Ind AS 12. The impact for the Company relates to disclosure of the deferred tax assets and liabilities recognized, which will be disclosed as part of the annual financial statements.

3. Significant accounting estimates and assumptions

The preparation of condensed standalone interim financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. The significant judgements made by management in applying the Company's accounting policies and key sources of estimation and uncertainty were the same as those described in the last standalone annual financial statements for the year ended 31 March 2023.

Measurement of fair values

The Company records certain financial assets and liabilities at fair value on a recurring basis. The Company determines fair values based on the price it would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or most advantageous market for that asset or liability.

The Company's management determines the policies and procedures for recurring fair value measurement, such as investment in debt instruments, equity instruments and preference instruments of other entities, investment in mutual funds, exchange traded funds, bonds, debentures, units of investment trust measured at fair value.

The Company has an embedded derivative feature in investment in a subsidiary. Derivatives are recognised initially at fair value; attributable transaction costs are recognized in profit or loss as incurred. Fair value of the derivative is determined on inception using Monte Carlo simulation model. Subsequent to initial recognition, derivative is measured at fair value, and changes therein are accounted in profit or loss.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the condensed standalone interim financial statements are categorised within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- (i) Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- (iii) Level 3 Unobservable inputs for the asset or liability reflecting Company's assumptions about pricing by market participants

For assets and liabilities that are recognised in the condensed standalone interim financial statements on fair value on a recurring basis, the Company determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

Nature and purpose of reserves and surplus:

- a) Securities premium: The Securities premium account is used to record the premium on issue of shares and is utilised in accordance with the provisions of the Companies Act, 2013.
- b) Capital redemption reserve: The Capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.
- c) General reserve: The general reserve is used from time to time to transfer profits from retained earnings for appropriation purposes, as the same is created by transfer from one component of equity to another.
- d) Employee share based payment reserve: The Employee share based payment reserve is used to recognise the compensation related to share based awards issued to employees under Company's Share based payment scheme.
- e) Retained earnings: Retained earnings represent the amount of accumulated earnings of the Company, and re-measurement gains/losses on defined benefit plans.

25 Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the earnings for the period attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted EPS are calculated by dividing the earnings for the period attributable to the equity holders of the Company by weighted average number of equity shares outstanding during the period plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares. The following reflects the basic and diluted EPS computations:

Basic	For the quarter ended 30 September 2023	For the quarter ended 30 September 2022	For the six months ended 30 September 2023	For the six months ended 30 September 2022
Net profit as per the statement of profit and loss for computation of EPS (A)	828.62	742.13	1,781.31	1,230.75

- Other financial assets		50.19	129.18
		478.63	699.14
Total (a+b)		19,640.60	24,075.92
Financial liabilities			
 a) Measured at fair value through profit or loss (FVTPL) 			
 Other financial liabilities (Refer Note b(vi) below) 	Level 3	60.90	50.50
		60.90	50.50
b) Measured at amortised cost (Refer Note b(i) and (ii) below)			
- Trade payables		236.55	254.79
- Security deposits			0.78
- Other financial liabilities		179.90	217.26
- Lease liabilities		476.13	459.08
Total		892.58	931.91
		953.48	982.41

b) The following methods / assumptions were used to estimate the fair values:

- i) The carrying value of Deposits with Banks, trade receivables, cash and cash equivalents, loans to employees, trade payables, security deposits, lease liabilities and other financial assets and other financial liabilities measured at amortised cost approximate their fair value due to the short-term maturities of these instruments.

 These have been assessed basis counterparty credit risk.
- ii) The fair value of non-current financial assets and financial liabilities are determined by discounting future cash flows using current rates of instruments with similar terms and credit risk. The current rates used do not reflect significant changes from the discount rates used initially. Therefore, the carrying value of these instruments measured at amortised cost approximate their fair value.
- iii) Fair value of quoted mutual funds, exchange traded funds and investment trust is based on quoted market prices at the reporting date. We do not expect material volatility in these financial assets.
- iv) Fair value of debt instruments of subsidiaries, equity/preference instruments of other entities is estimated based on replacement cost method / discounted cash flows / market multiple valuation technique using cash flow projections, discount rate and credit risk and are classified as Level 3.
- v) Fair value of the quoted bonds and debentures is determined using observable market's inputs and is classified as Level 2.
- vi) Fair value of derivative contract liability is determined using Monte Carlo Simulation method and is classified as Level 3.
- vi) Fair value of debt instruments of of associates is estimated based on replacement cost method / discounted cash flows / market multiple valuation technique using cash flow projections, discount rate and credit risk and are classified as Level 3.

c)	Following table describes the valuation techniques used and key inputs thereto for the level 3 financial assets as of 31 March 2023:

32 Contingent liabilities and commitments

a) Contingent liabilities

Ser

	AS at	ASat
	30 September 2023	31 March 2023
ervice tax/ GST demand (refer note (1) below)	15.38	15.38

- 1) Pursuant to the service tax audit for the financial year 2013-14 to 2017-18 (i.e.upto 30 June 2017), a demand has been raised on non-payment of service tax under rule 6(3) of CCR, 2004 on "Net gain on sale of current investments" of INR 15.38. The Company has already recorded the provision for the said amount in the books of accounts in the financial year 2019-20. The Company was contesting the aforesaid mentioned demand against commissioner (Appeals). During the current year, the order has been received rejecting the appeal and imposing 100% penalty of INR 15.38. The Company has filed the appeal before Tribunal against the order, and the management believes that the Company's position in the matter will be tenable.
- 2. On February 28, 2019, a judgment of the Supreme Court of India interpreting certain statutory defined contribution obligations of employees and employers altered historical understandings of such obligations, extending them to cover additional portions of the employee's income. However, the judgment isn't explicit if such interpretation may have retrospective application resulting in increased contribution for past and future years for certain employees of the Company. The Company, based on an internal assessment, evaluated that there are numerous interpretative challenges on the retrospective application of the judgment which results in impracticability in estimation of and timing of payment and amount involved. As a result of lack of implementation guidance and interpretative challenges involved, the Company is unable to reliably estimate the amount involved. Accordingly, the Company shall evaluate the amount of provision, if any, on there being further clarity on the matter.
- 3. The Company is involved in various lawsuits, claims and proceedings that arise in the ordinary course of business, the outcome of which is inherently uncertain. Some of these matters include speculative and frivolous claims for substantial or indeterminate amounts of damages. The Company records a liability when it is both probable that a loss has been incurred and the amount can be reasonably estimated. Significant judgment is required to determine both probability and the estimated amount. The Company reviews these provisions and adjusts these provisions accordingly to reflect the impact of negotiations, settlements, rulings, advice of legal counsel, and updated information. The Company believes that the amount or estimable range of reasonably possible loss, will not, either individually or in the aggregate, have a material adverse effect on its business, financial position, results or cash flows of the Company, with respect to loss contingencies for legal and other contingencies as at 30 September 2023.
- 4. The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Company towards Provident Fund and Gratuity. The effective date from which the changes are applicable is yet to be notified and the final rules are yet to be notified. The Company will carry out an evaluation of the impact and record the same in the financial statements in the period in which the Code becomes effective and the related rules are notified.

b) Capital and other commitments

- As at 30 September 2023, the Company has INR 0.63 capital commitment (31 March 2023: NIL).
- The Company will provide financial support to its wholly owned subsidiaries, so as to meet their liabilities as and when the same is required.

33 Events after the reporting period

a) The Company has evaluated all the subsequent events through 27 October 2023, which is the date on which these condensed standalone interim financial statements were issued, and no events have occurred from the balance sheet date through that date except for matters that have already been considered in the condensed standalone interim financial statements.

Independent Auditor's Report

To the Board of Directors of IndiaMART InterMESH Limited

Report on the Audit of the Condensed Consolidated Interim Financial Statements

Opinion

We have audited the condensed consolidated interim financial statements of IndiaMART InterMESH Limited (hereinafter referred to as the 'Holding Company) and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), and its associates, which comprise the condensed consolidated interim Balance Sheet as at 30 September 2023, the condensed consolidated interim statement of Profit and Loss (including other comprehensive income) for the quarter and year-to-date period then ended, the condensed consolidated interim statement of changes in equity and condensed consolidated interim statement of cash flows for the year-to-date period then ended, and notes to the condensed consolidated interim financial statements, including a summary of material accounting policies and other explanatory (hereinafter referred to as "the condensed consolidated interim financial statements") as required by Indian Accounting Standard (Ind AS) 34 "Interim Financial Reporting" and other accounting principles generally accepted in India.

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on condensed separate interim financial statements of such subsidiaries and unaudited condensed interim financial information of associates furnished to us by the management, the aforesaid condensed consolidated interim financial statements give a true and fair view in conformity with Ind AS 34 and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, and its associates as at 30 September 2023, of its consolidated profit and other comprehensive income for the quarter and year-to-date period then ended, consolidated changes in equity and its consolidated cash flows for the year-to-date period ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 ("Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Condensed Consolidated Interim Financial Statements section of our report. We are independent of the Group, and its associates in accordance with the ethical requirements that are relevant to our audit of the condensed consolidated interim financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act and Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us along with the consideration of reports of other auditors referred to in paragraph 1(a) of the "Other Matters" section below, is sufficient and appropriate to provide a basis for our opinion on the condensed consolidated interim financial statements.

Management's and Board of Directors' Responsibilities for the Condensed Consolidated Interim Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these condensed consolidated interim financial statements that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its associates in accordance with Ind AS 34 prescribed under section 133 of the Act and other accounting principles generally accepted in India. The respective Management and Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the condensed consolidated interim financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the condensed consolidated interim financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the condensed consolidated interim financial statements, the respective Management and Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Director either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Condensed Consolidated Interim Financial Statements

Our objectives are to obtain reasonable assurance about whether the condensed consolidated interim financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these condensed consolidated interim financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the condensed consolidated interim financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing opinion on whether the company
 has in place adequate internal financial controls with reference to financial statements and the operating
 effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of condensed consolidated interim financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the condensed consolidated interim financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the condensed consolidated interim financial statements, including the disclosures, and whether the condensed consolidated interim financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the condensed consolidated interim financial statements of such entities or business activities within the Group and its associates to express an opinion on the condensed consolidated interim financial statements. We are responsible for the direction, supervision and performance of the audit of condensed consolidated interim financial statements of such entity included in the condensed consolidated interim financial statements of which we are the independent auditors. For the other entities included in the condensed consolidated interim financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in para 1(a) of the section titled 'Other Matters' in this audit report.

We communicate with those charged with governance of the Holding Company and such other entity included in the condensed consolidated interim financial statements of which we are the independent auditors regardings, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

(a) We did not audit the condensed consolidated interim financial statements of five subsidiaries, whose condensed interim financial statements reflect total assets (before consolidation adjustments) of INR 1,889.71 Million as at 30 September 2023, total revenues (before consolidation adjustments) of INR 13.91 Million and INR 26.24 Million for the quarter ended 30 September 2023 and year-to-date period ended 30 September 2023 respectively and net cash inflows (before consolidation adjustments) amounting to INR 0.36 Million for the year-to-date period ended 30 September 2023, as considered in the condensed consolidated interim financial statements. These condensed interim financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the condensed consolidated interim financial statements, in so

- far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the reports of the other auditors.
- (b) The condensed consolidated interim financial statements also include the Group's share of net loss of INR 110.01 Million and INR 216.23 Million for the quarter and year-to-date period ended 30 September 2023, as considered in the condensed consolidated interim financial statements, in respect of eight associates, whose condensed interim financial information have not been audited by us or by other auditors. These unaudited condensed interim financial information have been furnished to us by the Management and our opinion on the condensed consolidated interim financial statements, in so far as it relates to the amounts and disclosures included in respect of these associates, is based solely on such unaudited condensed interim financial information. In our opinion and according to the information and explanations given to us by the Management, these condensed interim financial information are not material to the Group.

Our opinion on the condensed consolidated interim financial statements is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the condensed interim financial information certified by the Management.

Notes to condensed consolidated interim financial statements for the period ended 30 September 2023 (Amounts in INR million, unless otherwise stated)

1. Corporate Information

The condensed consolidated interim financial statements comprise the condensed interim financial statements of IndiaMART Intermesh Limited ("the Company") and its subsidiaries (collectively referred to as "the Group") and its associates.

The Company is a public company domiciled in India and was incorporated on 13 September 1999 under the provisions of the Companies Act applicable in India. The equity shares of the Company are listed on BSE Limited and National Stock Exchange of India. The Company provides an online B2B marketplace for business products and services. It provides a platform to discover products and services and connect with the suppliers of such products and services. The registered office of the Company is located at 1st Floor, 29-Daryagang. Netaji Subash Marg New Delhi-110002, India.

The condensed consolidated interim financial statements were authorised for issue in accordance with a resolution passed by Board of Directors on 27 October 2023.

2. Summary of Material Accounting Policies

(a) Statement of compliance

The condensed consolidated interim financial statements for the period ended 30 September 2023 have been prepared in accordance with Indian Accounting Standard (referred to as "Ind AS") 34, Interim Financial Reporting and other Ind ASs notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and other relevant provisions of the Companies Act, 2013 ("the Act") (as amended from time to time). These condensed consolidated interim financial statements must be read in conjunction with the consolidated financial statements for the year ended 31 March 2023. They do not include all the information required for a complete set of Ind AS financial statements. However, selected explanatory notes are included to explain events and transactions that management believes are significant to an understanding of the changes in the Group's financial position and performance since the last annual consolidated financial statements.

All amounts disclosed in the condensed consolidated interim financial statements have been rounded off to the nearest INR million as per the requirement of Schedule III to the Companies Act, 2013, unless otherwise stated.

(b) Basis of Preparation

The condensed consolidated interim financial statements have been prepared on the historical cost basis, except for certain financial assets and liabilities measured at fair value or amortised cost at the end of each reporting period.

All assets and liabilities have been classified as current and non-current as per the Group's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Group has considered an operating cycle of 12 months.

The statement of cash flows has been prepared under the indirect method. The preparation of these condensed consolidated interim financial statements requires the use of certain critical accounting estimates and judgements. It also requires the management to exercise judgement in the process of applying the Group's accounting policies. The areas where estimates are significant to the condensed consolidated interim financial statements, or areas involving a higher degree of judgement or complexity, are disclosed in Note 3.

(c) Basis of consolidation

The Company consolidates all entities which are controlled by it. The Company establishes control when; it has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect the entity's returns by using its power over relevant activities of the entity.

Entities controlled by the Company are consolidated from the date control commences until the date control ceases. All inter-company transactions, balances, income and expenses are eliminated in full on consolidation.

Changes in the Company's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions.

Notes to condensed consolidated interim financial statements for the period ended 30 September 2023

(Amounts in INR million, unless otherwise stated)

An associate is an entity over which the Group has significant influence, but not control or joint control over financial and operating policies. Investments in associates are accounted for using the equity method of accounting, after initially being recognized at cost. The aggregate of the Group's share of profit and loss of an associate is shown on the face of the condensed consolidated interim statement of profit and loss.

(d) Revenue from contracts with customers and other income

Revenue from contracts with customers

The Group is engaged primarily in providing web related services and accounting software services. Revenue from contracts with customers is recognised when control of the services is transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those services and excluding taxes or duties collected on behalf of the government.

The specific recognition criteria described below must also be met before revenue is recognised.

Rendering of services

Revenue from web based services is recognised based on output method i.e. pro-rata over the period of the contract as and when the Group satisfies performance obligations by transferring the promised services to its customers. Revenues from lead based services is recognised based on output method i.e. as and when leads are consumed by the customer or on the expiry of contract whichever is earlier. Activation revenue is amortised over the estimated customer relationship period.

Revenue from term license software for accounting software services is recognized at a point in time when control is transferred to the end user. Control is transferred when the end user activates the license procured from the Company. In case of renewals of proprietary term licenses with existing customers, revenue from term license is recognized at a point in time when the renewal is activated by the end user. Revenue from support and subscription (S&S) is recognized over the contract term on a straight-line basis as the Company is providing a service of standing ready to provide support, when-and-if needed, and is providing unspecified software upgrades on a when-and-if available basis over the contract term. In case softwares are bundled with support and subscription for term based license, such support and subscription contracts are generally priced as a percentage of the net fees paid by the customer to purchase the license and are generally recognized as revenues rateably over the contractual period that the support services are provided.

Revenue from sale of services is based on the price agreed with the customers, net of discounts.

Advertising revenue is derived from displaying web based banner ads and sale of online advertisements.

Revenue from banner advertisement is recognised on a pro rata basis over the period of display of advertisement as per the terms of the contract. Revenue from sale of online advertisements is recognised based on output method and the Group applies the practical expedient to recognize advertising revenue in the amount to which the Group has a right to invoice.

Contract balances

Trade receivables

A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers services to the customer, a contract liability is recognised. The Group recognises contract liability for consideration received in respect of unsatisfied performance obligations and reports these amounts as deferred revenue and advances from customers in the balance sheet. The unaccrued amounts are not recognised as revenue till all related performance obligation are fulfilled. The Group generally receives transaction price in advance for contracts with customers that run up for more than one year. The transaction price received in advance does not have any significant financing component as the difference between the promised consideration and the selling price of the service arises for reasons other than the provision of finance.

Notes to condensed consolidated interim financial statements for the period ended 30 September 2023 (Amounts in INR million, unless otherwise stated)

Other income

Interest income

For all financial assets measured at amortised cost, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the net carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating EIR, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

Dividends

Dividend is recognised when the Group's right to receive the payment is established, which is generally when shareholders approve the dividend.

(e) Business combinations, goodwill and Intangibles

Business combinations are accounted for using the acquisition method. The cost of an acquisition is the aggregate of the consideration transferred which is measured at fair value at the acquisition date and the amount of any non-controlling interest in the acquiree. For each business combination, the Group measures the non-controlling interest in the acquiree at fair value. Acquisition related costs are expensed as incurred. Any contingent consideration to be transferred by the acquirer is recognized at fair value at the acquisition date. Contingent consideration classified as financial liability is measured at fair value with changes in fair value recognized in the statement of profit and loss.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognized for non-controlling interest, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the excess is recognized as capital reserve after reassessing the fair values of the net assets.

Intangible assets acquired in a business combination are measured at their fair value at the date of acquisition.

Goodwill is tested annually on March 31, for impairment, or sooner whenever there is an indication that goodwill may be impaired, relying on a number of factors including operating results, business plans and future cash flows.

For the purpose of impairment testing, goodwill acquired in a business combination is allocated to the Group's cash generating units (CGU) expected to benefit from the synergies arising from the business combination. A CGU is the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or group of assets.

Impairment occurs when the carrying amount of a CGU including the goodwill, exceeds the estimated recoverable amount of the CGU. The recoverable amount of a CGU is the higher of its fair value less cost to sell and its value-in-use. Value-in-use is the present value of future cash flows expected to be derived from the CGU. Total impairment loss of a CGU is allocated first to reduce the carrying amount of goodwill allocated to the CGU and then to the other assets of the CGU, pro-rata on the basis of the carrying amount of each asset in the CGU. An impairment loss on goodwill recognized in the statement of profit and loss is not reversed in the subsequent period.

(f) Adoption of new accounting principles

Deferred tax related to assets and liabilities arising from a single transaction (amendments to Ind AS 12 - Income Taxes)

The amendments clarify that lease transactions give rise to equal and offsetting temporary differences and financial statements should reflect the future tax impacts of these transactions through recognizing deferred tax. The Group has adopted this amendment effective 1 April 2023. The Group previously accounted for deferred tax on leases on a net basis. Following the amendments, the Group has recognized a separate deferred tax asset in relation to its lease liabilities and a deferred tax liability in relation to its right-of-use assets. The adoption did not have any impact on its condensed consolidated interim financial statements as balances qualify for offset under paragraph 74 of Ind AS 12. The impact for

Notes to condensed consolidated interim financial statements for the period ended 30 September 2023 (Amounts in INR million, unless otherwise stated)

the Group relates to disclosure of the deferred tax assets and liabilities recognized, which will be disclosed as part of the annual financial statements.

3. Significant accounting estimates and assumptions

The preparation of condensed consolidated interim financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. The significant judgments made by management in applying the Group's accounting policies and key sources of estimation and uncertainty were the same as those described in the last annual consolidated financial statements for the year ended 31 March 2023.

Measurement of fair values

The Group records certain financial assets and liabilities at fair value on a recurring basis. The Group determines fair values based on the price it would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or most advantageous market for that asset or liability.

The Group's management determines the policies and procedures for recurring fair value measurement, such as investment in equity instruments and preference instruments, investments in mutual funds, exchange traded funds, bonds, debentures, units of investment trust and units of alternative investment funds measured at fair value.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the condensed consolidated interim financial statements are categorised within the fair value hierarchy, described as follows, based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety:

- (i) Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- (ii) Level 2 inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- (iii) Level 3 Unobservable inputs for the asset or liability reflecting Group's assumptions about pricing by market participants

For assets and liabilities that are recognised in the condensed consolidated interim financial statements on fair value on a recurring basis, the Group determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability.

4. Segment Information

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance.

The Group has identified two business segments namely "Web and related Services" and "Accounting Software Services" as reportable segments based on the nature of the products, the risks and returns, the organization structure and the internal financial reporting systems.

Web and related services pertains to online B2B marketplace for business products and services. It provides a platform to discover products and services and connect with the suppliers of such products and services. Accounting software services include business of development, system analysis, designing and marketing of integrated business accounting software to help and manage businesses with increased efficiency.

The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments and are as set out in Note 2 on material accounting policies. The accounting policies in relation to segment accounting are as under:

(a) Segment revenue and expenses

Notes to condensed consolidated interim financial statements for the period ended 30 September 2023 (Amounts in INR million, unless otherwise stated)

Segment revenue is directly attributable to the segment and segment expenses have been allocated to various segments on the basis of specific identification. However, segment revenue does not include other income.

(b) Segment assets and liabilities

Assets and liabilities directly attributable or allocable to segments are disclosed under each reportable segment.

Notes

- 1 During the period ended 30 September 2023, the Company has issued and allotted 30,614,574 fully paid up Bonus Equity shares of 10 each on 22 June 2023 in the ratio of 1:1 (i.e. 1 Bonus Equity shares for every 1 existing equity share of the Company) to the shareholders who held shares on 21 June 2023 i.e. Record date.
- 2 The Board of Directors at its meeting held on 20 July 2023, approved a proposal to buy-back upto 12,50,000 equity shares of the Company for an aggregate amount not exceeding INR 5,000, being 2.04% of the total paid up equity share capital at 4,000 per equity share. A Letter of Offer was made to all eligible shareholders. The Company bought back 12,50,000 equity shares out of the shares that were tendered by eligible shareholders and extinguished the equity shares on 25 September 2023. Capital redemption reserve was created to the extent of share capital extinguished of INR 12.50. The buyback results in a cash outflow of INR 6,198.67 (including transaction costs of INR 36.78 and tax on buyback of INR 1,161.89). The Company funded the buyback from its free reserves including Securities Premium as explained in Section 68 of the Companies Act, 2013.

Nature and purpose of reserves and surplus:

- a) Securities premium: The Securities premium account is used to record the premium on issue of shares and is utilised in accordance with the provisions of the Companies Act 2013.
- b) General reserve: The General reserve is used from time to time to transfer profits from retained earnings for appropriation purposes, as the same is created by transfer from one component of equity to another.
- c) Employee share based payment reserve: The Employee share based payment reserve is used to recognise the compensation related to share based awards issued to employees under Company's Share based payment scheme.
- d) Capital redemption reserve: The Capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.
- e) Retained earnings: Retained earnings represent the amount of accumulated earnings of the Group, and re-measurement gains/losses on defined benefit plans.

27 Earnings per share (EPS)

Basic EPS amounts are calculated by dividing the earnings for the period attributable to equity holders of the parent company by the weighted average number of equity shares outstanding during the period. Diluted EPS are calculated by dividing the earnings for the period attributable to the equity holders of the parent company by weighted average number of equity shares outstanding during the period plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares. The following reflects the basic and diluted EPS computations:

The Group offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

29 Defined benefit plan and other long term employee benefit plan

The Group has a defined benefit gratuity plan. Every employee who has completed statutory defined period of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service. The scheme is funded with insurance company in form of qualifying insurance policy. This defined benefit plans exposes the Group to actuarial risks, such as longevity risk, interest rate risk and salary risk.

The amount included in the balance sheet arising from the Group's obligation in respect of its gratuity plan and leave encashment is as follows:

Gratuity - Defined benefit	As at 30 September 2023	As at 31 March 2023

- Trade payables		256.18	272.18
- Security deposits			0.78
- Other financial liabilities		586.42	625.51
- Lease liabilities		476.14	459.08
Total financial liabilities		1,318.74	1,357.55

b) The following methods / assumptions were used to estimate the fair values:

i) The carrying value of deposits with Banks, Inter-corporate deposits with Financial institutions, trade receivables, loans to employees, cash and cash equivalents, trade payables, security deposits, lease liabilities and other financial assets and other financial liabilities measured at amortised cost approximate their fair value due to the short-term maturities of these instruments. These have been assessed basis counterparty credit risk.

- ii) The fair value of non-current financial assets and financial liabilities measured are determined by discounting future cash flows using current rates of instruments with similar terms and credit risk. The current rates used does not reflect significant changes from the discount rates used initially. Therefore, the carrying value of these instruments measured at amortised cost approximate their fair value.
- iii) Fair value of quoted mutual funds, exchange traded fund and investment trust is based on quoted market prices at the reporting date. We do not expect material volatility in these financial assets.
- iv) Fair value of investment in equity/preference/ and debenture instruments of other entities is estimated based on discounted cash flows / market multiple valuation technique using the cash flow projections, discount rate and credit risk and are classified as Level 3.
- v) Fair value of Investment in debt instuments of associates is estimated based on discounted cash flows / market multiple valuation technique using the cash flow projections, discount rate and credit risk and are classified as Level 3.
- vi) Fair value of the quoted bonds and debentures is determined using observable market's inputs and is classified as Level 2.

30 Fair value measurements (Cont'd)

c) Following table describes the valuation techniques used and key inputs thereto for the level 3 financial assets as of 31 March 2023:

Financial assets	Valuation technique(s)	Significant Unobservable inputs	Inter-relationship between significant unobservable input and fair value measurement
Investment in equity/preference instruments of other entities			
Legistify Services Private Limited, Mynd Solutions Private Limited, Zimyo Consulting Private Limited, Fleetx Technologies Private Limited and Instant Procurement Services Private Limited	Market multiple and Discounted cashflow approach	i) Discount rate ii) Revenue growth rate iii) Market multiples (Comparable Companies)	The estimated fair value of Investment in Other entities will Increase: (decrease) if the Revenue growth rate and Market multiple is higher (lower). The estimated fair value of Investment in Other entities will Increase' (decrease) if the Discount rate is (lower) higher.

^{*} For the period ended 30 September 2023, there is no material change in the significant unobservable inputs and sensitivity from the period ended 31 March 2023 for investment made in other entities.

31 Segment information

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance.

Pursuant to acquisition of Busy Infotech Private Limited and Livekeeping Technologies Private Limited (Formerly known as Finlite Technologies Private limited) during the quarter ended 30 June, 2022, the Group has identified two business segments namely "Web and related Services" and "Accounting Software Services" as reportable segments based on the nature of the products, the risks and returns, the organization structure and the internal financial reporting systems.

Web and related services pertains to online B2B marketplace for business products and services. It provides a platform to discover products and services and connect with the suppliers of such products and services. Accounting software services includes business of development, system analysis, designing and marketing of integrated business accounting software to help and manage businesses with increased efficiency.

Segment accounting Policies

The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments and are as set out in note 2 on material accounting policies. The accounting policies in relation to segment accounting are as under:

(a) Segment revenue and expenses

Segment revenue is directly attributable to the segment and segment expenses have been allocated to various segments on the basis of specific identification. Segment revenue does not include other income. Segment expenses do not include finance cost, Depreciation and amortization, exceptional items, tax expense and share of loss of associates.

(b) Segment assets and liablities

Assets and liabilities directly attributable or allocable to segments are disclosed under each reportable segment.

34 Contingent liabilities and commitments

a) Contingent liabilities

30 September 2023 31 March 2023 (i) Income-tax demand (refer notes (a) and (b) below) Service tax/ GST demand (refer notes (c) below) 15.38 15.38

(a) In respect of Assessment year 2016-17, a demand was raised on Tolexo Online Private limited due to addition of income relating to receipts of securities premium against share allotment made to IndiaMART InterMESH Limited and accordingly the losses to be carried forward by the Company have been reduced from INR 719.22 to INR 482.07 (Tax impact (a 25.17% - INR 59.69) . The matter is pending with CIT(Appeals). The Company is contesting the demand and the management believes that its position is possible to be upheld in the appellate process. No tax expense has been accrued in the consolidated financial statements for tax demand raised.

(b) In respect of Assessment year 2017-18, a demand of INR 242.99 was raised on Tolexo Online Private limited due to addition of income relating to receipts of securities premium against share allotment made to IndiaMART InterMESH Limited. The Company is contesting the demand and the management believes that its position is possible to be upheld in the appellate process. No tax expense has been accrued in the consolidated financial statements for tax demand raised.

(c) Pursuant to the service tax audit of Indiamart Intermesh Limited for the financial year 2013-14 to 2017-18 (i.e.upto 30 June 2017), a demand has been raised on non-payment of service tax under rule 6(3) of CCR. 2004 on "Net gain on sale of current investments" of INR 15.38. The Company has already recorded the provision for the said amount in the books of accounts in the financial year 2019-20. The Company wa contesting the aforesaid mentioned demand against commissioner (Appeals). During the previous year, the order has been received rejecting the appeal and imposing 100% penalty of INR 15.38. The Company has filed the appeal before Tribunal against the order, and the management believes that the Company's position in the matter will be tenable.

(ii) On February 28, 2019, a judgment of the Supreme Court of India interpreting certain statutory defined contribution obligations of employees and employers altered historical understandings of such obligations. extending them to cover additional portions of the employee's income. However, the judgment isn't explicit if such interpretation may have retrospective application resulting in increased contribution for past and future years for certain employees of the Group. The Group, based on an internal assessment, evaluated that there are numerous interpretative challenges on the retrospective application of the judgment which results in impracticability in estimation of and timing of payment and amount involved. As a result of lack of implementation guidance and interpretative challenges involved, the Group is unable to reliably estimate the amount involved. Accordingly, the Company shall evaluate the amount of provision, if any, on there being further clarity on the matter.

(iii) The Group is involved in various lawsuits, claims and proceedings that arise in the ordinary course of business, the outcome of which is inherently uncertain. Some of these matters include speculative and frivolous claims for substantial or indeterminate amounts of damages. The Group records a liability when it is both probable that a loss has been incurred and the amount can be reasonably estimated. Significant judgment is required to determine both probability and the estimated amount. The Company reviews these provisions and adjusts these provisions accordingly to reflect the impact of negotiations, settlements, rulings, advice of legal counsel, and updated information. The Group believes that the amount or estimable range of reasonably possible loss, will not, either individually or in the aggregate, have a material adverse effect on its business, financial position, results or cash flows of the Group, with respect to loss contingencies for legal and other contingencies as at 30 September 2023

(iv) The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Group towards Provident Fund and Gratuity. The effective date from which the changes are applicable is yet to be notified and the final rules are yet to be notified. The Group will carry out an evaluation of the impact and record the same in the financial statements in the period in which the Code becomes effective and the related rules are notified.
