About Jindal Saw Limited:

Jindal Saw (NSE – JINDALSAW, BSE - 500378) is a leading global manufacturer and supplier of Iron & steel pipe products and accessories with manufacturing facilities in India, USA, Europe and UAE (MENA). Their customers include world's leading oil and gas companies, water bodies as well as engineering companies engaged in constructing oil and gas gathering, transportation, power generation and other industrial applications.

The Company has a unique business model which in itself is diversified in terms of location, markets, products, industry and customers. This business model itself hedges various risks and allows the Company to operate and perform in most difficult economic and geopolitical scenarios. It is one of the largest exporters of Steel pipes out of India. Their business operations are highly structured with five strategic business divisions including SAW Pipes, DI Pipes & Fittings, Seamless and Stainless Steel Pipes and Tubes and Mining & Pellets.

Jindal Saw had interests in various businesses including infrastructure business along with the core business of pipe through subsidiaries in India and overseas. In late 2014, the Company decided to remain in core business of Pipe and Pellets manufacturing and after the implementation of scheme of re-arrangement through a court approved process, they had demerged majority of non-core businesses.
