- 2 Given the seasonal nature of industry, the results of any quarter may not be a true and/or proportionate reflection of the annual performance of the Company.
- The Optionally Convertible Debentures (OCDs) issued by Company provides the holders an option to exercise the right to convert the outstanding OCDs into the equity shares of the Company at a price in accordance with Applicable Law (including the ICDR Regulations). Since premium to be paid is contingent on the occurrence of the event of redemption of OCDs, the YTM of Rs. 313.24 crore from the date of allotment of OCDs till September 30, 2018 (including Rs.101.74 crore and Rs.202.37 crores for the quarter and six months ended September 30, 2018 respectively) is treated as contingent liability and would be accounted for as finance cost at the time of redemption of respective OCDs.
- For the six months period ened 30.09.2018 and previous periods, company has incurred losses resulting into reduction of net worth to that extent. The losses were mainly attributable to high raw material i.e. sugarcane price (as fixed by the Government) and relatively lower price of finished goods i.e. sugar and molasses (determined by market forces based on the demand-supply equation), both of which are external factors. The company continues to operate at optimal levels and expects improvement in the operational efficiencies in form of improvement in yield, sugar recovery, reduction of overheads, finance and other costs, sale of certain non-core assets etc. The debt restructuring as per RBI's S4A Scheme, will result into improved liquidity during next 7 years. Also pursuant to a favourable Order of Hon'ble Supreme Court of India, the company expects to receive benefits under the Sugar Promotion Policy 2004. In view of the above, the management expects to generate positive cash flow from operations and accordingly, the financial statements are continued to be presented on going concern basis, which contemplates realisation of assets and settlement of liabilities in the normal course of business.
- 5 The above results have been reviewed by the audit committee and approved by the Board of Directors at their respective meetings held on November 02, 2018.
- 6 Previous periods figures have been regrouped/ rearranged/ reworked/ restated wherever necessary to conform to the current period classification.

Independent Auditors Review Report

To
The Board of Directors,
Bajaj Hindusthan Sugar Limited

- 1. We have reviewed the accompanying statement of unaudited Standalone financial results of Bajaj Hindusthan Sugar Limited ("the Company") for the quarter and six months ended 30th September, 2018 ("the Statement"). The statement has been prepared by the Company's Management pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read, with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016. The statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
- 2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 3. Based on our review conducted as stated above nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the applicable Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting practices and principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Matter of Emphasis :-

(a) As stated in Note No. 3 of the accompanying statement, Optionally Convertible Debentures (OCDs) issued to lenders under S4A scheme carry yield to maturity (YTM) to be paid at agreed yield rate as premium at the time of redemption. Since premium to be paid is contingent on the occurrence of the event of redemption of OCDs, the YTM of Rs.313.24 crore from the date of allotment of OCD till 30th September, 2018 (including Rs.101.74 crore and Rs.202.37 crore for the quarter and six months ended 30th September, 2018 respectively) is treated as contingent liability and would be accounted for as finance cost at the time of redemption of respective OCDs.

(b) Various factors as stated in Note No. 4 of the accompanying statement indicate a material uncertainty, which may cast significant doubt about the Company's ability to continue as a going concern. However based on the various corrective measures taken by the Company as stated in the said note, management is of the view that going concern of the accounting is appropriate.

Our opinion is not modified in respect of these matters.
