IN AHMEDABAD CITY

Chikungunya cases rise more than 3 times

RITU SHARMA
AHMEDABAD, AUGUST 29

CHIKUNGUNYA CASES reported in Ahmedabad city have seen a spike of more than three-and-a-half times compared to last year.

Against the 71 cases reported till August 2020, this year till August 22, 250 cases have been reported at both public and private health care facilities.

Majority of these cases were reported in the months of January, July and August with 61, 54 and 67 cases, respectively.

This hike in number of Chikungunya cases was not

substantial previous year as it increased from 59 in 2019 (till August) to 71 in 2020 (till August), reveals the data maintained by the Malaria epidemic cell of health department of Ahmedabad Municipal Corporation (AMC).

Looking at other vector-borne diseases, while the cases of malaria declined in last two years from a massive 2,820 reported till August 2019, which drastically reduced to 310 in 2020 and 341 in 2021 till August 22 so far, the number of Chikungunya and Dengue cases has been on an increase.

The rate of increase in Chikungunya cases has even left the authorities to look at rea-

sons for this trend and ways to curb it. "Among the weekly cases of vector-borne diseases, nearly 70 per cent cases are reported to be of Chikungunya. Against the increase in Dengue cases, the number of Chikungunya cases is much more comparatively. Though the spread is through the same aedes mosquito it is not clear why Chikungunya cases are on such an increase," said Dr Bhavin Solanki, Medical Officer of Health, AMC.

The number of dengue cases declined from 557 in 2019 to 205 in 2020 (till August) before it again increased by nearly 100 cases this year. As many as 302 dengue cases have been re-

ported from the city till August 22. Also, no deaths were reported in 2020 and this year against one in 2019 in the first eight months of the year.

Looking at the uncontrolled spread of vector-borne diseases reported more from the western parts of the city, the AMC has roped in school children to undertake a household survey. All school students, of both government and private, will be shared a form with a format to check all possible mosquito breeding grounds and submit the same to the school.

"This exercise has been launched in order to spread awareness among residents. It is very difficult for the authori-

ties to completely remove breeding sites, creating awareness among people on these breeding sites and how keeping a check on it can help in controlling the spread of vector borne diseases," Dr Solanki said.

Though past over malaria's peak season, however, the city is still at a threat of Dengue and Chikungunya in the months of September, October and November as these are the peak season for breeding of aedes mosquito.

Looking at the previous year's trends, the months of September, October and November in 2020 reported the highest cases-125, 291 and 226, respectively.

BJP MP's nephew found dead inside car in Kutch village

EXPRESS NEWS SERVICE
RAJKOT, AUGUST 29

A 23-YEAR-OLD nephew of BJP MP Vinod Chavda was found dead in his car near Jadodar village in Nakhtrana taluka of Kutch district on Sunday afternoon with police saying that prima facie, he shot himself and died by suicide.

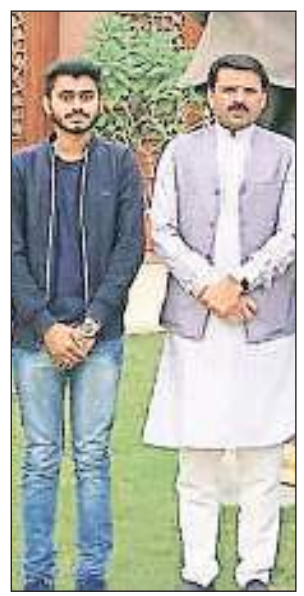

Police said that the man, Akshay Loncha, son of Chavda's elder sister, was found dead inside his car parked on the roadside in Jadodar village, around 60 km west of district headquarters Bhuj at around 1.30 pm on Sunday.

"He was found dead with a gunshot wound in his chest. A revolver was also found in the car, suggesting he could have shot himself. The car doors were locked from inside and no one else was found inside the car," Saurabh Singh, superintendent of police (SP) of Kutch (west) police, told The Indian Express.

Singh said that prima facie, Loncha killed himself.

"Prima facie, this is a case of suicide. The family has also reported that he was upset and stressed for the past few days. He took the weapon from someone in the family... Prima facie, we can say that he shot himself," the SP said, adding it was a licensed weapon.

icine at a university in Georgia in the US but had returned to his native village of Devpara Yaksha in Nakhtrana three months ago.

"He had completed three years of MBBS and returned home due to Covid-19. He was due to fly back in some time," said a source.

Chavda, the two-time sitting BJP MP from Kutch, is a native of Sukhpur, a village neighbouring Devpara Yaksha in Nakhtrana taluka.

On the basis of information provided by Loncha's father Ashok Loncha, a case of accidental death was registered at Nakhtrana police station in the evening and VN Yadav, deputy superintendent of police (DySP) of Nakhtra division of Kutch (west) police, was assigned to investigate the incident.

"The car was parked on a road leading to agricultural fields. Farmers noticed it and one of them called the police, reporting that a man was lying seemingly unconscious inside the car. By the time we reached, his family members had also arrived. We broke open the door of the car but he was declared dead on the spot," Yadva said.

The DySP further said that Loncha's body was taken to the community health centre in Nakhtrana town for an autopsy.

State govt announces Rs 3 crore reward for paddler Bhavina Patel

EXPRESS NEWS SERVICE
GANDHINAGAR, AUGUST 29

THE GUJARAT government on Sunday announced Rs 3 crore reward for paddler Bhavina Patel from Sundhiya village of Mehsana district who made history by winning silver medal at

Tokyo Paralympic Games. "Chief Minister Vijay Rupani has congratulated Bhavina Patel, daughter of Mehsana district of Gujarat, for making the country proud by her outstanding achievements in table tennis at the Paralympic Games," the Chief Minister's Office said in a note.

The note added that the CM

has announced an award of Rs 3 crore to Bhavina under the state government's Divyang Khel Prati-bha Protsahan Puraskar Yojana for making Gujarat and India proud at the global level with her sports skills. CM Rupani also congratulated Bhavina and her parents through a video call.
