## PRESS RELEASE

# STL's annual growth jumps 19%; reports highest ever revenue

- ~55 % of annual revenue from focus markets of US and EMEA
- Robust operational performance across businesses
- Margin softening due to inflationary pressures

**Mumbai, 28 April 2022:** [STL \[NSE: STLTECH\]](#), an industry leading integrator of digital networks, announced consolidated financial results for its fourth quarter and financial year ending March 31, 2022. The company recorded a robust order book of INR 11,639 crore and highest ever revenue of INR 5,754 crore.

An unprecedented multi-year network build cycle is driving 5G, FTTx, data centre and Open RAN deployments. STL has been investing in world-class technology and talent, and is well positioned to meet this demand. Pursuing its global ambition, STL reached 6% market share in Americas in its first year of operations and reported 25% share in the European market, up from 16% in FY21. FY22 was pivotal for STL as it announced manufacturing units in the UK and US

and launched 'All-in 5G' solutions for converged and open source networks. It built a solid global leadership team to drive non-linear growth across businesses.

## Key wins for FY22 driven by sharp focus on 3 growth levers:

- **Grow optical business:** Apart from delivering on its planned 7Mn fKM capacity enhancement in India and announcing plans for UK and US, STL made big strides in the Optical Interconnect business, taking the attach rate from 3% to 11%

- **Globalise system integration:** While continuing the momentum in India, STL launched its Global Services business in the UK with a combination of technology and trained manpower and clocked an open order book of ~INR 1,000 crore
- **Build access solutions:** This was a strong foundational year for its newest business as STL announced general availability for 3 of 5 products as a part of its open source and programmable *Accellus* solution

## Key performance Highlights

- **Diversified global customer wins** - Netomnia, Openreach, Vocus, Meta Connectivity, Telecom Italia, PGCIL, Power & Tel and Giganet were some key customer wins for FY22
- **Industry-leading technology innovation** - STL filed 57 patents in Q4, taking its global patent portfolio to 733. 60% of the patents filed in FY22 are in the core optical business
- **Strong ESG focus** - STL continued its ESG focus with social programs impacting 1.37 Mn people. In FY22 STL planted ~169,000 trees and committed to net-zero emissions by 2030. It also won prestigious awards including The Global CSR, and Green World Awards
- **Best-in-class people practices** - For the third year in a row, STL won the *Great Place to Work* certification, a significant milestone in its journey of building a world class, global organisation

## Financial highlights (INR Crore)

P&L (INR Cr.)	FY'22	FY'21
Revenue	5,754	4,825
EBITDA	594	854
PAT	62	275

Commenting on the results, **Ankit Agarwal, Managing Director, STL**, said “During FY22, we delivered exceptional revenue growth and grew significantly in our focus markets of US and Europe. We continue to witness inflationary headwinds as we start FY23 and are taking actions to mitigate the impact on margins. We are clearly in a multi-year network build cycle. I am confident that with a solid leadership in place, we will double down on technology innovation, operational excellence, and customer centricity to achieve 25% growth and deliver on our larger purpose of *transforming billions of lives through digital networks.*”

misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Holding Company, as aforesaid.

5. In preparing the consolidated financial results, the respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entity are responsible for assessing the ability of the Group and its associates and jointly controlled entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group and its associates and jointly controlled entity or to cease operations, or has no realistic alternative but to do so.
6. The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entity are responsible for overseeing the financial reporting process of the Group and of its associates and jointly controlled entity.

### Auditor's Responsibilities for the Audit of the Consolidated Financial Results

7. Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.
8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls. (Refer paragraph 15 below)
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
  - Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and jointly controlled entity to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our

auditor's report. However, future events or conditions may cause the Group and its associates and jointly controlled entity to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
  - Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group and its associates and jointly controlled entity to express an opinion on the consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
9. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
10. We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, as amended, to the extent applicable.
