Notes:

1. **A member entitled to attend and vote at the meeting is also entitled to appoint proxy to attend and vote instead of himself / herself and proxy need not be a member of the company.** Pursuant to Section 105 of Companies Act, 2013 a person can act as a proxy on behalf of members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the company carrying voting rights. A member holding more than ten percent of the total share capital of the company carrying voting rights may appoint a single person as a proxy and such person shall not act as proxy for any other person or shareholder/member.
2. Proxies, in order to be effective, the proxy form should be duly stamped, completed, signed and must be sent to the Company so as to receive at its Registered Office not later than 48 hours before the commencement of the 37thAGM. A Proxy form is annexed to this report.
3. Corporate members intending to send their representatives to attend the meeting are requested to send to the company a certified copy of the board resolution authorizing their representative to attend and vote on their behalf at the meeting.
4. The members / proxies are requested to bring duly filled attendance slip enclosed herewith.
5. **In line with the MCA’s General Circular no. 20/2020 dated May 5, 2020 read with General Circular no. 02/2021 dated January 13, 2021 & General Circular no. 02/2022 dated May 05, 2022 and SEBI Circular dated May 12, 2020 read with Circular dated January 15, 2021 & Circular dated May 13, 2022, the Notice of the 37th AGM alongwith the Annual Report for the Financial Year 2021-22 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/R&T Agent/ Depositories. A copy of the Notice of this AGM alongwith the Annual Report is available on the website of the Company at www.creative-cast.com and website of the Stock Exchange where the equity shares of the Company are listed, i.e. BSE Limited at www.bseindia.com. For any communication, the Members may also send a request to the Company’s email id: info@creative-cast.com. The Company will not be dispatching physical copies of the Annual Reports for the Financial Year 2021-22 including Notice of AGM to any Members.**
6. **Trading / Transfer in the shares of the Company shall compulsorily be done in dematerialized form only w.e.f. 1st April, 2019.** Pursuant to SEBI Press Release No. 12/2019 dated 27th March, 2019, SEBI had clarified that the investors may continue to hold such shares in physical form even after the 1st April, 2019 subject to condition that investor who is desirous of transferring shares (which are held in physical form) after April 01, 2019 can do so only after the shares are dematerialized. Shareholders are therefore advised to dematerialize your physical shareholding at the earliest, if not yet done. A procedure for dematerialization of shares of the Company is hosted on its website i.e. www.creative-cast.com. Dematerialization would facilitate paperless trading through state-of-the-art technology, quick transfer of corporate benefits to members and avoid inherent problems of bad deliveries,

loss in postal transit, theft and mutilation of share certificate and will not attract any stamp duty. It also substantially reduces the risk of fraud. Hence, we request all those members who have still not dematerialized their shares to get their shares dematerialized at the earliest.

7. Members holding shares in single name and physical form are advised to make nomination in respect of their shareholding in the Company. The members who are desirous of availing this facility, may kindly write to Company's R & T Agent for nomination form by quoting their folio number.
8. Members holding the shares in physical mode are requested to notify immediately for change of their address and bank particulars to the company or its share transfer agent and in case their shares are held in dematerialized form then information should be passed on directly to their respective depository participants and not to the company/Share transfer agents without any delay. Members are further requested to complete necessary formalities with regard to their Bank accounts attached to their Demat account for enabling the Company to make timely credit of dividend in respective bank account especially in view of prevailing situation of COVID-19.
9. In compliance with the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**Listing Regulations**"), the Company is providing the facility of remote e-voting to its members in respect of the business to be transacted at the 37th AGM. For this purpose, the Company has availed the services of Central Depository Services (India) Limited (CDSL).
10. To increase the efficiency of the e-voting process, SEBI, vide Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, intended to enable e-voting to all the demat account holders by way of a single login credential, through their demat accounts/ websites of Depositories/Depository Participants. Demat account holders should be permitted to cast their votes without having to register again with the e-voting service providers, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process. As required by this Circular, Individual shareholders holding securities in demat mode are allowed to vote through their demat accounts maintained with Depositories and Depository Participants. Hence, members are advised to update their mobile numbers and email IDs in their respective demat accounts to access e-voting facility.
11. The voting period begins on September 22, 2022, 09.00 AM and ends on September 25, 2022 at 05.00 PM. During this period members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of September 19, 2022 may cast their vote electronically. The remote e-voting module shall be disabled by CDSL for voting thereafter.

The information with respect to Voting process and other instructions regarding remote e-voting are detailed in Note no. 33.

The voting rights of the members shall be in proportion to the paid-up value of their shares in the equity capital of the Company as on the **cut-off date** i.e. Monday, September 19, 2022.

12. The members who have cast their vote by remote e-voting may also attend the 37th AGM but shall not be entitled to cast their vote again. The member who votes through both, i.e. remote e-voting and also at 37th AGM, the votes casted through remote e-voting shall prevail and counted for the purpose of declaration of result.
13. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date i.e. September 19, 2022 only shall be entitled to avail the remote e-voting facility as well as voting in the 37th AGM.
14. CS Mayur Buha, proprietor of M. Buha & Co., Practicing Company Secretary (Membership No. F9000) has been appointed as the scrutinizer to scrutinize the e-voting & poll process in a fair and transparent manner.
15. The Scrutinizer shall, immediately after the conclusion of voting at the 37th AGM, count the votes cast at the meeting and there after unblock the votes cast through remote e-voting in the presence of at least 2 witnesses not in employment of the Company. The Scrutinizer shall submit a consolidated Scrutinizer's Report of the total votes cast in favour of or against, if any, not later than 48 hours from the conclusion of the 37thAGM to the Chairman of the Company. The Chairman, or any other person authorized by the Chairman, shall declare the result of the voting forthwith. The result declared along with the consolidated Scrutinizer's Report will be placed on the Company's website www.creative-cast.com and on the website of Central Depository Services Limited (CDSL) immediately after the result is declared by the Chairman and the same shall be simultaneously placed on the website of BSE Limited i.e. www.bseindia.com.
16. The resolution(s) shall be deemed to be passed on the date of 37th AGM, subject to the receipt of sufficient votes.

Notes on Dividend

17. Members may note that the Board of Directors, in its meeting held on August 13, 2022 has recommended a final dividend of ` 10.00 per equity share (i.e. 100%). The record date for the purpose of final dividend for financial year 2021-22 will be September 19, 2022. The final dividend, once approved by the members in the ensuing 37th AGM will be paid within 30 days of the conclusion of the 37th AGM electronically through various online transfer modes to those members who have updated their bank account details. For members who have not updated their bank account details, dividend warrants / demand drafts / cheques will be sent out to their registered addresses in due course. To avoid delay in receiving the dividend, members are requested to update their KYC with their depositories (where shares are held in dematerialized mode) and with the Company's Registrar and Transfer Agent ("R&T Agent") (where shares are held in physical mode) to receive the dividend directly into their bank account on the payout date.
18. Members may note that the Income Tax Act, 1961, ("the IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after April 01, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source (TDS) at the time of making the payment of final dividend. In order to enable us to determine the appropriate TDS rate (Withholding tax rate) as applicable, members are requested to submit the following documents in accordance with the provisions of the IT Act.

For resident shareholders ("members"), taxes shall be deducted at source under Section 194 of the IT Act as follows-

Particulars	Withholding tax rate	Documents required (if any)
Members having valid PAN	10%*	No document required (if no exemption is sought)
Members not having PAN / valid PAN	20%	No document required (if no exemption is sought)
Availability of lower/nil tax deduction certificate issued by Income Tax Department u/s 197 of Income Tax Act, 1961	Rate specified in the certificate	Lower tax deduction certificate obtained from Income Tax Authority

* As per the Finance Act, 2021, Section 206AB has been inserted effective July 1, 2021, wherein higher rate of tax (twice the specified rate) would be applicable on payment made to a shareholder who is classified as 'Specified Person' as defined under the provisions of the aforesaid Section.

However, no tax shall be deducted on the dividend payable to a resident individual if the total dividend to be received by them during Financial Year 2022-23 does not exceed Rs. 5,000 and also in cases where members provide Form 15G (applicable to any person other than a Company or a Firm)/ Form 15H (applicable to individuals aged 60 years or more) subject to conditions specified in the IT Act. Resident members may also submit any other document as prescribed under the IT Act to claim a lower / Nil withholding tax. Registered members may also submit any other document as prescribed under the IT Act to claim a lower / Nil withholding tax. PAN is mandatory for members providing Form 15G / 15H or any other document as mentioned above.

For non-resident members, taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable sections of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident members have the option to be governed by the provisions of the Double Tax Avoidance Agreement (DTAA) between India and the country of tax residence of the member, if they are more beneficial to them. For this purpose, i.e. to avail the benefits under the DTAA, non-resident members will have to provide the following:

- Copy of the PAN card allotted by the Indian Income Tax authorities duly attested by the member or details as prescribed under rule 37BC of the Income-tax Rules, 1962.
- Copy of Tax Residency Certificate (TRC) for the FY 2022-23 obtained from the revenue authorities of the country of tax residence, duly attested by the member.
- Self-declaration in Form 10F.
- Self-declaration by the members of having no permanent establishment in India in accordance with the applicable tax treaty.
- Self-declaration of beneficial ownership by the non-resident members.
- Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by the member.

In case of Foreign Institutional Investors / Foreign Portfolio Investors, tax will be deducted under Section 196D of the IT Act at the rate of 20%** (plus applicable surcharge and cess) or the rate provided in relevant DTAA, read with MLI, whichever is more beneficial, subject to the submission of the above documents, if applicable.

** As per the Finance Act, 2021, Section 206AB has been inserted effective July 1, 2021, wherein higher rate of tax (twice the specified rate) would be applicable on payment made to a shareholder who is classified as 'Specified Person' as defined under the provisions of the aforesaid section. However, in case a non-resident shareholder or a non-resident Foreign

Portfolio Investor (FPI) / Foreign Institutional Investor (FII), higher rate of tax as mentioned in Section 206AB shall not apply if such non-resident does not have a permanent establishment in India.

19. Documents (duly completed and signed), as envisaged above, shall be sent to the Company on its e-mail info@creative-cast.com or uploaded (at appropriate weblink provided in the e-mail) on the website of Link Intime India Private Ltd on or before September 16, 2022 in order to enable the Company/ R&T Agent to determine and deduct appropriate TDS / Withholding Tax. Incomplete and/or unsigned forms and declarations will not be considered by the Company. No communication on the tax determination/ deduction shall be considered after September 16, 2022, 6:00 PM. The Company will arrange to email a soft copy of TDS certificate to members on their registered email ID.
20. Members may note that in case the tax on said final dividend is deducted at a higher rate in absence of receipt of the aforementioned details/documents, option is available to them to file the return of income as per Income Tax Act, 1961 and claim an appropriate refund, if eligible.
21. In the event of any income tax demand (including interest, penalty, etc.) arising from any misrepresentation, inaccuracy or omission of information provided / to be provided by the Member(s), such Member(s) will be responsible to indemnify the Company and also, provide the Company with all information / documents and co-operation in any appellate proceedings.
22. This Communication is not exhaustive and does not purport to be a complete analysis or listing of all potential tax consequences in the matter of dividend payment. Members should consult their tax advisors for requisite action to be taken by them.
23. All communications/ queries in this respect to dividend should be addressed to our R&T Agent, Link Intime India Private Limited on their e-mailed ID given in the e-mail communication.
24. The members who have not encashed their Dividend Warrants / Cheques / DD for any previous period are requested to send the same for revalidation to the Company at its Registered office.
25. In terms of Section 124 and 125 of the Companies Act, 2013, any dividend, remaining unpaid or unclaimed for a period of seven years from the date of transfer of such dividend to Unpaid Dividend Account of a company shall be transferred by the company along with interest accrued, if any, to the Fund established known as Investors' Education and Protection Fund (IEPF). Accordingly, the unpaid or unclaimed dividend, if any, for the financial year 2014-15 shall be transferred to the Investor Education and Protection Fund Account. Members, who have not encashed their dividend warrant so far, for the financial year 2015-16 and the subsequent years, are requested to make their claims at the Registered office of the Company. It may be noted that once the unclaimed dividend is transferred to the IEPF as above, no claim shall lie against the Company or the said fund in respect of any amounts which were unclaimed / unpaid for a period of seven years from the dates that they are transferred to Unpaid Dividend Account of the Company and no payment shall be made in respect of any such claims.

Further, pursuant to Section 124 of the Act read with the IEPF Rules; all shares on which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to IEPF Authority as notified by the Ministry of Corporate Affairs.
26. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Moreover, SEBI has also mandated to provide bank details, in addition to PAN, of securities holders who holds shares of the company in physical form. Members holding shares in electronic form or physical form are, therefore, requested to submit the PAN or Bank Details as the case may be to their Depository Participant(s) with whom they are maintaining their demat accounts and members holding shares in physical form to the Company /its R&T Agent.
27. The Register of Directors' and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection at the Registered Office of the Company during normal business hours (10:00 a.m. to 06:00 p.m.) on all working days except Friday and public holidays up to the date of the 37th AGM of the Company.
28. Additional information, pursuant to Regulation 36(3) of the Listing Regulations, in respect of the directors seeking appointment / reappointment at the 37thAGM, forms part of this Notice.
29. In order to use natural resources, we request members to update their email address with their depository Participants to enable the Company to send communications electronically.
30. Any request by demat holders for change of bank particulars after dispatch of Dividend Warrant should be accompanied by

copy of Client Master list showing the changed bank details.

31. Members who hold shares in physical form in multiple folios in identical names or joint holding in same order of names, if any, are requested to send the share certificates to Link Intime India Private Limited, for consolidation into a single folio.

32. Members desirous of obtaining any information concerning the accounts or operations of the Company are requested to communicate their questions in writing to the Company, on info@creative-cast.com, at least 10 (Ten) days before the date of the Meeting so that the information required may be made available at the Meeting.

IV. History:

The company was incorporated as "Creative Castings Private Limited" on November 22, 1985. After Incorporation, the said company took over the running business of the erstwhile Partnership firm, M/s. Creative Castings with effect from March 21, 1986 on dissolution of the Partnership firm. All the assets and liabilities were transferred to Creative Castings Private Limited. The business set up by the firm in 1980 was carried by the company and all the erstwhile partners of the firm were appointed as the directors on the board of the company. The Company became a Public Limited Company on October 06, 1994.

V. Product Line:

Creative Castings Ltd. is a manufacturer & exporter of machined as well as unmachined investment castings to all key user industries like Pumps & Valve Industries, Oil & Refineries, General Engineering, Electrical engineering, Fire control equipments, Medical implants, Agricultural Machineries, Defense Industries etc.

The company has two furnaces with capacities of 300 kg per heat and 250 kg per heat respectively. The company's product has wide range of application in different industries viz. Industrial Pumps, Electrical Engg., Valve Industries, Anti Fire Equipment, Defense Industries, Instrumentations, Medical Implants, General Engineering, Oil and Gas Industries, Power Industries etc. The Company has developed over 5,478 various types of castings till date.

Moreover, the castings produced by the company find applications in automobiles, chemical processing, food processing, pharmaceutical, fertilizer industry and engineering products.

The Company manufactures both ferrous and non-ferrous castings. Ferrous castings comprise of stainless steel castings of various grades and carbon steel, which accounts for around 75% of the production. Non-ferrous castings consist of Cobalt base alloy and Nickel base alloy castings, which accounts for around 25% of the production.

VI. Segment-wise or product-wise performance:

Segment-wise detailed performance is provided in the Note no. 21 and 35 to the financial statement.

VII. Industry's structure and outlook:

Global Scenario:

As per 55th World casting Census published by Modern Castings USA in December 2021, Total Global Casting Production 105.50 million metric tonnes, a decrease of 3.25% as compared to the previous year. China, India and the US hold the top three spots. Countries around the World felt the effect of Govt. Mandated work stoppages and restrictions due to the COVID 19 pandemic. The Global Investment Casting Market size was estimated at USD 22.11 billion in 2021, USD 23.34 billion in 2022, and is projected to grow at a CAGR 5.83% to reach USD 31.07 billion by 2027.

Domestic Scenario:

India is the second largest producer of castings, globally. The Indian foundry industry produces various types of metal castings and cast components for application in the power, automotive, defense, railways, machine tools, agro machinery, tractor, earth-moving and mining machinery, electrical machinery, and oil and natural gas industries. The automobile sector is a major consumer of castings produced in the country.

Foundry Industry has a turnover of approx. USD 19 billion with export of approx. USD 3.1 billion. However, Grey iron castings have the major share i.e. approx 68% of total castings produced. There are approx 4500 units out of which 90% can be classified as MSMEs. Approx 1500 units are having International Quality Accreditation.

The domestic foundry industry is aiming to double its market size to USD 32 billion and annual production capacity to 21 million tonnes (MT) over the next 5-7 years, as per the analysis of industry body Institute of Indian Foundrymen. The industry is also expected to attract investment of Rs 500 crore from domestic and as well as international players. Current market size of the Indian foundry industry is at USD 16 billion with capacity of 10.5 million tonnes per annum (MTPA). The industry employees around 5 lakh people directly and 15 lakh indirectly.

VIII. Opportunities & Threats:

Opportunities:

Market Opportunities: The foundry market in India's share is expected to increase by USD 12.23 billion from 2021 to 2025, and the market's growth momentum will accelerate at a CAGR of 10%. India is one of the top countries in the global foundry market. The major reason for this is the growing demand for metal casting from the automotive sector. To cater to the growing demand for metal castings in India, the foundries are investing in new technologies and equipment. Indian foundries will benefit from technology upgrades in several ways, such as low power consumption, increased production efficiency, higher capacity utilization, and high profit margins. The foundries expect growth for both ferrous and non-ferrous castings in defense procurement. This will drive the investment by Indian foundries to ramp up their production capacity through technology to meet the demand for metal casting in the country during the forecast period.

Investment in technology and R&D: To cater to the increasing demand for metal castings in India, foundries are investing in new technologies and equipment. Investing in energy-efficient technologies and equipment such as real-time power optimizers and installation of an energy management system in induction furnaces to reduce energy consumption. The company is also investing in R&D of compacted graphite iron for cylinder blocks and heads. The benefit from such

technology upgrades in several ways, such as low power consumption, increased production efficiency, higher capacity use, and high-profit margin.

Investment Opportunities: After slowdown witness by this Industry on account of COVID 19 lockdowns, there is likelihood that industry would bounce back since many factors are undergoing for change. Growth of the automobile industry is expected to generate huge demand for castings producers. Based on volume, India is currently the fourth largest automobile industry, globally. Rapid growth of the automotive sector has also led to the steady development of other subsidiary industries like the auto component industry, indicating huge demand for castings more particularly enhancement of demand of EV vehicles opened up new opportunities. As stated earlier, investment casting industry is expected to attract investment of Rs 500 crore from domestic and as well as international players.

Re-implementation of Public Procurement Policy, Pradhan Mantri MUDRA Yojana, Make in India, Startup India, and Skill India initiatives and recent initiative of Aatmanirbhar Bharat would extend great help in the growth of the MSME sector in the country.

Threats:

- Competition in the market is intense and is likely to remain so in the foreseeable future. Most international players have identified India as a focus market. Competition's response to rising cost of goods might be slower than the Company, putting pressure on volume growth.
- The main challenge causing the industry down is lack of resources for technology upgradation and access to quality manpower as the availability of skilled manpower and the retention of managerial talent have become a key issue.
- The commodity sector is highly volatile and changes in the cycle are hardly predictable. It thus becomes imperative to improve product mix and diversify business over long gestation industrial sectors.
- Additive manufacturing techniques are no longer in their infancy and are finding increased application in the production of metallic parts. It is necessary to track changes of this unfolding technology and develop similar capabilities.
- Since most of the castings manufacturing units fall under small and medium enterprises (SMEs), they cannot use advanced technological equipment or automation due to high costs, thus limiting their marketing strength. It is challenging for them to sustain their position in the global marketplace. The inability to meet the domestic demand for castings and to supply quality products to the global market acts as a huge barrier for the industry to grow further.

IX. Risks and areas of concern:

In any business, risks and return are inseparable. As a responsible management, the Company's principle is to maximize returns and minimize risk.

Economy and Market Risk:

The Company's business is dependent on many industries such as Automotive, Engineering, Power etc. Slowdown in those industries definitely impact the performance of the Company. Product demand of the Company, during the financial year 2021-22, was steady on accounts of aforesaid industries struggling to revamp after COVID-19 slowdown. The Company continuously evaluates its marketing and sales strategy and alters its sales plan in terms of products to be manufactured and markets to be served and keeps itself current with the changing environment.

Foreign Exchange Risk:

Your Company exporting its products valuing more than 50% of total turnover, hence, foreign exchange risk is significant. During the FY 2021-22, the total foreign currency exposure of the Company is Rs. 1,570.77 Lacs on account of export of machined as well unmachined investment castings. Appropriate forward cover is taken to mitigate the risks as per foreign exchange policy of the Company.

Input Cost Risk:

Our profitability and cost effectiveness may be affected due to change in the prices of raw materials, power and other input costs. Some of the risks that are potentially significant in nature and need careful monitoring are Raw Materials prices, availability of Power etc. Currently, the power is a scarce resource, but it is available through inter/intra state open access at higher cost. The price is highly volatile; hence it will affect the profitability. However, in order to meet such risk, your Company has installed two windmills for captive power consumption resultant fluctuation of power rate do not affect the cost of production.

Impact of COVID-19 pandemic on Company's business:

Lockdown started lifting in 1st quarter in FY 2021-22 slowly world over and business activities began to pick up in 2nd Quarter and during the 3rd quarter it looked like rough phase is over. The 4th Quarter turned out to be an opportunity to recoup the lost sales. The 3rd wave of COVID-19 impacted harshly resulted into losses of human lives, however, normalcy restored very quickly. The company set up was ready to cope up with dormant demand of pandemic period and new demands for production in the rest of the period of the year. The market showed V-shape recovery and the positive effects can be seen in the financial results of the company.

Further the Company has evaluated and assessed the impact of this pandemic on its financials and business operations and based on such assessment and current indicators of future economic conditions, there is no significant impact on its financial statements which can be accessed from it.

Moreover, the company's relative competitiveness is expected to increase because of its traditional value amongst the customers and its strong track records in the industry. Also, unlocking the county would also help to resume the growth path as it was.

X. Human resources/ industrial relations front:

Human resource is considered as key to the future growth strategy of the Company and looks upon to focus its efforts to further align human resource policies, processes and initiatives to meet its business needs. In order to focus on keeping employees abreast of technological and technical developments, the Company provides opportunity for training and learning. Industrial relations are cordial.

The Company is working on enhancing its competencies to take care of current and future business. Its employee strength as on March 31, 2022 was 137 (P.Y. it was 138). Human Resource and Industrial Relations departments have developed systems and policies on recruitment, performance management, learning and development, and employee engagement.

The high level of motivation of the employees and their identification with the company is the basis for the creation of a strong team who continuously advance the innovative brands and superior technologies with their inventive talent and pioneering spirit. The training courses are evolved to internalize the principles of sustainable development and to uphold the Company's corporate culture based on fairness and team spirit.

Internal control systems and adequacy:

Internal controls are designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with IFRS. Absolute assurance cannot be provided that all misstatements have been detected because of inherent limitations in all control systems.

The Company's internal control policies are in line with its size and nature of operations and they provide assurance that all assets are safeguarded, transactions are authorised, recorded and reported properly following all applicable statutes, General Accepted Accounting Principles, company's Code of Conduct and corporate policies. INDEPENDENT AUDITOR'S REPORT

To,
The Members of,
M/s. Creative Castings Limited,
Junagadh.

Report on the Audit of the Standalone IND AS Financial Statements

Opinion

1. We have audited the accompanying standalone Ind AS financial statements of M/s. Creative Castings Limited, Junagadh (CIN: L27100GJ1985PLC008286) (the "Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone Ind AS financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, the profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

1. We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone Ind AS financial statements under the provisions of the Act and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

1. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there is no any Key Audit Matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

1. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone Ind AS financial statements and our auditor's report thereon.
2. Our opinion on the standalone financial Ind AS statements does not cover the other information and we do not express any form of assurance conclusion thereon.
3. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

4. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Ind AS Financial Statements

1. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
2. In preparing the standalone Ind AS financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
3. The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind AS Standalone Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.
2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Ind AS standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

3. Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.
4. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
5. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
6. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. The Company has postponed recognition of benefit arising from export made during the year from accrual to cash basis. We are unable to quantify details of such deferral and therefore we are not modifying our report.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - [a] We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - [b] In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - [c] The Company does not have any branch and therefore, this clause is not applicable.
 - [d] The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows dealt with by this Report are in agreement with the books of account.
 - [e] In our opinion, the aforesaid standalone Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - [f] There are no such financial transactions or matters which have any adverse effect on the functioning of the Company;
 - [g] On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - [h] There are no qualifications, reservations or adverse remarks relating to the maintenance of accounts and other matters connected therewith.
 - [i] With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure-A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - [j] With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

(a) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

[k] With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- (a) The Company does not have any pending litigations which would impact its financial statements.
- (b) The Company did not have any long-term contracts including derivative contracts; for which there were any material foreseeable losses.
- (c) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- (d) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note No. 43(xvi)(a) of the financial statements attached herewith, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person/s or entity/ies including foreign entity/ies ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediaries shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on the behalf of the Ultimate Beneficiaries.
- (e) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note No. 43(xvi)(b) of the financial statements attached herewith, no funds have been received by the Company from any person/s or entity/ies including foreign entity/ies ("Funding Party/ies"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party/ies ("Ultimate Beneficiaries") or provide any guarantee, security or the like on the behalf of the Ultimate Beneficiaries.
- (f) Based on the audits procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that representations under sub-clauses (i) and (ii) of clause (e) of Rule 11 contain any material mis-statement.
- (g) The final dividend paid by the Company during the current financial year in respect of the same declared for the previous financial year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.

ANNEXURE TO THE INDEPENDENT AUDITORS' REPORT

In terms of the information and explanations sought by us and given by the Company as certificate and the books of account made available to us in the normal course of audit and to the best of our knowledge and belief, we report that, in our opinion:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant, and equipment.
(B) The Company is maintaining proper records showing full particulars of intangible assets.
- (b) These property, plant, and equipment have been physically verified by the management during the year at reasonable intervals. Discrepancies, having regard to size of the Company, considered as minor, were noticed on such verification and the said discrepancies were appropriately recognized in the financial statements by way of writing off of its assets.
- (c) The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee) disclosed in the financial statements are held in the name of the Company.
- (d) The Company has not revalued its Property, Plant, and Equipment (including Right of Use assets) or intangible asset or both during the year, and hence, this clause is not applicable to the Company.
- (e) No proceedings have been initiated or pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) The inventory has been physically verified during the year by the management and in our opinion, the coverage and procedure of such verification are appropriate. As reported to us, discrepancies of 10% or more in the aggregate for each class of inventories were not noticed.
- (b) The Company has not been sanctioned working capital limit in excess of five crore rupees, in aggregate, from banks or financial institution on the basis of security of current assets, and therefore, this clause is not applicable for the year under audit.
- (iii) The Company has not, during the year, made investment in, provided any guarantee or security, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or any other parties.
 - (a) As the Company has not, during the year, provided loans, or provided advances in the nature of loans or stood guarantee, or provided security to any other entity, this clause is not applicable for the year under audit.
 - (b) As the Company has not, during the year, made investments, or provided guarantee, or given any security, this clause is not applicable for the year under audit.
 - (c) As the Company has not, during the year, granted any loans and advances in the nature of loans, this clause is not applicable for the year under audit.
 - (d) As the Company has not granted any loans and advances in the nature of loans, this clause is not applicable for the year under audit.
 - (e) As the Company has not granted any loans and advances in the nature of loans, this clause is not applicable for the year under audit.
 - (f) As the Company has not granted any loans and advances in the nature of loans, this clause is not applicable for the year under audit.
- (iv) The company has complied with section 185 and 186 of the Companies Act, 2013, wherever applicable.
- (v) The Company has not accepted deposits, and therefore this clause is not applicable for the year under audit.
- (vi) We have been informed that the Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act for the Company. However, the Company is required to maintain its costs records from the financial year 2022-23 as the Company's overall turnover for the financial year was more than the amount specified under Rule 3 of the Companies (Costs Records and Audit) Rules, 2014.
- (vii) (a) The Company is regular in depositing undisputed statutory dues including Goods and Services Tax, provident

fund, employees' state insurance, income-tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess, and any other statutory dues to the appropriate authorities. No undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales tax, wealth tax, service tax, duty of customs, value added tax, goods and services tax, cess, and other material statutory dues were in arrears as at 31st March 2022 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no material dues of income tax, sales tax, service tax, wealth tax, duty of customs, duty of excise, value added tax, goods and services tax, and cess which have not been deposited with the appropriate authorities on account of any dispute.
- (viii) There were no transactions, not recorded in the books of account, which have been surrendered or disclosed as income during the year in the tax assessment under the Income-tax Act, 1961.
- (ix)
 - (a) The Company has not taken any loans or other borrowings and therefore, this clause is not applicable for the year under audit.
 - (b) As certified by the management of the Company and as per books of account produced before us, the Company is not a declared willful defaulter by any bank or financial institution or other lender.
 - (c) As the Company did not avail any term loan, this clause is not applicable for the year under audit.
 - (d) As per books of account produced before us, the Company has not utilized short-term funds for long term purposes, and therefore, this clause is not applicable for the year under audit.
 - (e) As certified by the management of the Company and on the basis of books of account examined by us, the Company has not taken any loans from any entity or person on account of or to meet the obligation of its subsidiaries, associates, or joint ventures.
 - (f) As certified by the management of the Company, the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures, or associate companies.
- (x)
 - (a) On the basis of the records examined by us, the Company has not raised money by way of initial public offer or further public offer (including debt instruments), and therefore, this clause is not applicable.
 - (b) On the basis of our verification of records and information furnished to us, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and therefore, the requirement of sections 42 and 62 of the Companies Act, 2013 is not required to be complied with.
- (xi)
 - (a) On the basis of our examination of the books of account and other relevant records and information made available to us, prima facie, we have not noticed any fraud (i.e. intentional material misstatements resulting from fraudulent financial reporting and misappropriations of assets) on or by the company, during the year. Further, the management has represented to us that no fraud by the company or any fraud on the company by its officers or employees has been noticed or reported during the year. However, we are unable to determine/verify as to whether any such reporting has been made during the year or not.
 - (b) The auditor of the company has not filed any report under sub-section (12) of section 143 of the Companies Act, 2013 in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014.
 - (c) We have not received any whistle-blower complaints during the year under audit.
- (xii)
 - (a) This clause is not applicable to the Company as the Company is not Nidhi Company.
 - (b) This clause is not applicable to the Company as the Company is not Nidhi Company.
- (xiii) All transactions with related parties are in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the financial statements etc. as required by the applicable Indian Accounting Standards.
- (xiv)
 - (a) As certified by the management of the Company, the Company has an internal audit system commensurate with the size and nature of its business.
 - (b) We have duly considered the reports of Internal Auditor for the period under audit.

- (xv) In our opinion and according to the information and the explanations given to us, the Company has not entered into non-cash transactions with directors or persons connected with him.
- (xvi) (a) In our opinion and according to the information and the explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013
("the Act")**

We have audited the internal financial controls over financial reporting of M/s. Creative Castings Limited, Junagadh (hereinafter referred to as the "Company") as of 31st March, 2022 in conjunction with my / our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

3. In addition, for financial reporting purposes, fair value measurements are categorized into level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows.
 - Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.
 - Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly.
 - Level 3 inputs are unobservable inputs for the asset or liability.
4. The financial statements are presented to the nearest lakhs of INR, the functional currency of the company. The accounting policies are applied consistently to the periods presented in the financial statements. All assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle or 12 months or other criteria as set out in the Schedule III to the Companies Act 2013. Based on the nature of its business, the Company has ascertained its operating cycle to be 12 months for the purpose of current and non-current classification of assets and liabilities.

3. REVENUE RECOGNITION

1. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Revenue is measured at the fair value of the consideration received or receivable. The Company recognizes revenue on sale of products, net of discount, rebate, returns etc.

The following specific recognition criteria must also be met before revenue is recognized.

Sale of goods

2. Revenue from sales of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. Sales is measured on the basis of contracted price, after deduction of any

trade discounts, volume rebates and any taxes or duties collected on behalf of government such as of Goods and Service Tax (G.S.T.) etc.

Interest

3. Interest income is recognized on a time proportion basis taking into account the amount outstanding and the effective interest rate (EIR). Interest income is included under the head "other income" in the statement of profit and loss.

Dividend Income

4. Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

Other Income

5. Other income is recognized on accrual basis provided that it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

4. PROPERTY, PLANT AND EQUIPMENT

1. The cost of property, plant and equipment comprises its purchase price, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning, net of any trade discounts and rebates. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of profit and loss in the period in which the costs are incurred unless such expenditure results in a significant increase in the future benefits of the concerned asset.
2. An item of property, plant and equipment is derecognized upon disposal or on retirement, when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the net sale proceeds and the carrying amount of the asset and is recognized in statement of profit and loss.
3. Property, plant and equipment are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.
4. The company has elected to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS i.e. 1 April-2016, measured as per the previous GAAP and use that as its deemed cost as at the date of transition.
5. Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under "Other Non-Current Assets."
6. Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in schedule II to the companies Act,2013. In respect of additions to property, plant and equipment, depreciation has been charged on pro rata basis. Freehold land is not depreciated.
7. The company reviews the residual value, useful lives and depreciation method annually and, if current estimates differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

5. INTANGIBLE ASSETS

1. Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a Straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.
2. An item of intangible assets is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on Derecognition of the asset is included in the statement of profit or loss when the asset is derecognized.
3. For transition to Ind AS, the company has elected to continue with carrying value of all its intangible assets recognized as of 1 April 2016 (transition date) measured as per the previous GAAP as per the previous GAAP and use that carrying value as its deemed cost as of transition date.
4. Intangible Assets amortized as follows:
 - Computer Software is amortized over the useful life estimated by the management over a period of 5 years.

6. IMPAIRMENT OF PROPERTY, PLANT AND EQUIPMENT AND INTANGIBLE ASSETS

1. At the end of each reporting period, the company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not

possible to estimate the recoverable amount of individual assets, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

2. Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.
3. Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.
4. If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the statement of Profit and Loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.
5. Any reversal of the previously recognized impairment loss is limited to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

7. LEASES

1. The Company's lease asset classes primarily consist of leases for Land and Buildings. The Company assesses whether a contract is or contains a lease, at the inception of Contract. A contract is, or contains a lease the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:
 - the contract involves the use of an identified assets;
 - the Company has substantially all of the economic benefits from the use of the asset through the period of the lease; and
 - the Company has the right to direct the use of the asset.
2. Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other lease is classified as operating leases.

Where the company is lessor

3. Rental income from operating leases is recognized on straight-line basis over the term of the relevant lease. Initial direct cost, if any, incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognized on straight-line basis over the lease term.

Where the company is lessee

4. Payments made under operating lease are charged to the statement of Profit and Loss on straight line basis over the period of the lease determined in the respective agreements which is representative of the time pattern in which benefit derived from the use of the leased asset. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognized in the year in which such benefits accrue.
5. Leases where the company has transferred substantially all the risks and rewards of ownership are classified as finance leases. Finance Leases are capitalized at the inception of the lease at the lower of the fair value of the leased asset and the present value of the minimum lease payments.
6. Each lease payment is apportioned between the finance charge and the reduction of the outstanding liability. The outstanding liability is included in other long-term borrowings. The finance charge is charged to the statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

8. INVENTORIES

1. Inventories are stated at lower of cost and net realizable value. Cost comprises of purchase price, applicable taxes, less rebates, discounts and conversion costs and other costs incurred in bringing the inventories in to their present location and condition. Net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.
2. Stores and spares which do not meet the definition of property, plant and equipment are accounted as inventories.
3. Inventories are valued at:

Inventory	Method
Raw materials	Weighted Average Cost
Stock - in - process	Weighted Average Cost
Finished goods	Weighted Average Cost
Stores and spares	Net Realisable Value
Fuel	Weighted Average Cost

9. EMPLOYEE BENEFITS

1. In respect of defined contribution plan the company makes the stipulated contributions to provident fund and pension fund, in respect of employees to the respective authorities under which the liability of the company is limited to the extent of the contribution.
2. The liability for gratuity, considered as defined benefit, is determined actuarially using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the statement of financial position with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to profit or loss. Past service cost is recognized in period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:
 - Service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
 - Net interest expense or income; and
 - Re-measurement
3. The Company presents the first two components of defined benefit costs in profit or loss in the line item 'Employee benefits expenses'. Curtailment gains and losses are accounted for as past service costs.
4. The retirement benefit obligation recognized in the statement of financial position represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of refunds from the plans or reductions in future contributions to the plans.
5. A liability for a termination benefit is recognized at the earlier of when the entity can no longer withdraw the offer of the termination benefit and when the entity recognizes any related restructuring costs.
6. A liability is recognized for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period the related service is rendered at the undiscounted amount of the benefits expected to be paid in exchange for that service. Liabilities recognized in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

10. TAXATION

1. Income tax expense represents the sum of the tax currently payable and deferred tax.

Current Tax

2. Current Tax is the amount of tax payable based on the taxable profit for the year as determined in accordance with the applicable tax rates and the provisions of the India Income Tax Act, 1961.

Deferred Tax

3. Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.
4. The carrying amount of deferred tax assets is reviewed at the end of each annual reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.
5. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.
6. Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.
7. Current and deferred tax are recognized in the statement of profit and loss, except when they are related to item that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively.
8. Minimum Alternate tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

11. FOREIGN CURRENCIES

1. The functional currency of the Company is determined on the basis of the primary economic environment in which it operates. The functional currency of the Company is Indian National Rupee (INR).
2. The transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing at the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.
3. Exchange differences on monetary items are recognized in statement of Profit and Loss in the period in which they arise except for;
 - Exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings;
 - Exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognized initially in other comprehensive income and reclassified from equity to statement of Profit and Loss on repayment of the monetary items.

12. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

1. Provisions are recognized when the Company has a present obligation (legal or constructive), as a result of past events, and it is probable that an outflow of resources, that can be reliably estimated, will be required to settle such an obligation.
2. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the balance sheet date, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).
3. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that the reimbursement will be received and the amount of the receivable can be measured reliably.
4. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent liabilities and contingent assets are not recognized but are disclosed in the notes.

13. EARNING PER SHARE

1. Basic earnings per share is computed by dividing the profit / (loss) after tax attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).
2. Diluted earnings per share is computed by dividing the profit / (loss) after tax attributable to equity shareholders as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for driving basis earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

14. BORROWING COSTS

1. Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. All other borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred.

15. GOVERNMENT GRANTS AND SUBSIDIES

1. Government grants are recognized by the company where there is reasonable assurance that the grants will be received and all the attached conditions will be complied with. Revenue grants are recognized in the Statement of Profit and Loss in the same period, in which the related costs are incurred are accounted for.
2. Government grants relating to Property, plant and equipment are recognized / presented as deferred income and released to the statement of Profit and Loss over the expected useful lives of the assets concerned.

16. FINANCIAL INSTRUMENTS

1. A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

2. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through statement of profit and loss ('FVTPL')) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit and loss are recognized immediately in Statement of Profit and Loss.

(a) Financial Assets

Initial recognition and measurement.

3. All financial assets are recognized initially at fair value. Transaction costs that are directly attributable to the acquisition of financial assets (other than financial assets at fair value through statement of profit and loss at fair value through statement of profit and loss ('FVTPL')) are added to the fair value of the financial assets, on initial recognition. Transaction cost directly attributable to the acquisition of financial assets at FVTPL are recognized immediately in Statement of Profit and Loss.

Subsequent measurement

4. For purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI);
- Debt instruments and equity instruments at fair value through profit or loss (FVTPL);
- Equity instruments measured at fair value through other comprehensive income (FVTOCI).

Debt instruments at amortized cost:

5. A 'debt instrument' is measured at the amortized cost if both the following conditions are met:
- The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding, and
 - The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows
6. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

Debt instrument at FVTOCI :

7. A 'debt instrument' is classified as FVTOCI if both of the following criteria are met:
- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
 - The asset's contractual cash flow represents SPPI.
8. Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Debt instrument at FVTPL :

9. FVTPL is a residual category for debt instrument.
10. Any debt instrument, which does not meet the criteria for categorization as amortized cost or as FVTOCI, is classified as FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.
11. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as FVTPL. However, such election is chosen only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Derecognition of financial assets

12. A financial asset (or, where applicable, a part of a financial asset or part of a company of similar financial assets) is primarily de-recognized when:
- The rights to receive cash flows from the asset have expired, or
 - The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the company has transferred substantially all the risks and rewards of the asset, or (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
13. When the company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the company

continues to recognize the transferred asset to the extent of the company's continuing involvement. In that case, the company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the company has retained.

(b) Financial liabilities and equity instruments

Initial recognition and measurement

14. All financial liabilities are recognized initially at fair value plus transaction cost (if any) that is attributable to the acquisition of the financial liabilities which is also adjusted.

Subsequent measurement

15. The measurement of financial liabilities depends on their classification, as described below:

Loans and borrowings

16. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate (EIR) method. Gains and losses are recognized in profit or loss when the liabilities are de-recognized as well as through the EIR amortization process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Trade and other payables

17. These amounts represent liabilities for goods or services provided to the company which are unpaid at the end of the reporting period. Trade and other payable are presented as current liabilities when the payment is due within a period of 12 months from the end of the reporting period. For all trade and other payables classified as current, the carrying amounts approximate fair value due to the short maturity of these instruments. Other payables falling due after 12 months from the end of the reporting period are presented as non-current liabilities and are measured at amortised cost unless designated as fair value through profit and loss at the inception.

Other financial liabilities at fair value through profit or loss:

18. Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Gain or losses on liabilities held for trading or designated as at FVTPL are recognized in the profit or loss.

De-recognition of financial liabilities:

19. A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Offsetting

20. Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

Impairment of financial assets

21. The company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The company recognized lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses or at an amount equal to the life time expected credit losses, if the credit risk on the financial asset has increased significantly since initial recognition.

17. FAIR VALUE MEASUREMENT

1. The company measures financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:
- In the principal market for the asset or liability, or
 - In the absence of a principal market, in the most advantageous market for the asset or liability

2. The principal or the most advantageous market must be accessible by the company.
3. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.
4. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.
5. The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.
6. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:
 - Level 1 : Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
 - Level 2 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable, or
 - Level 3 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.
7. For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

18. CASH & CASH EQUIVALENTS

1. Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balance (with an original maturity of twelvemonths or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

19. SEGMENT

1. Operating segments are reported in a manner consists with the internal reporting provided to the management of the company.

Identification of segments

2. The Company's management examines the Company's performance both from a product and geographic perspective. The Company's operating businesses are organize and managed separately according to the nature of products, with each segments representing a strategic business unit that offers different products and serves different markets. The analysis of the geographical segments is based on the areas in which major operating divisions of the Company operate.

Intersegment transfers

3. The company accounts for intersegment sales on the basis of price charged for inter segment transfers.

Allocation of common cost

4. Common allocable costs are allocated to each segment according to the relevant contribution of each segment to the total common cost.

Unallocated items

5. Unallocated items include general corporate income and expenses items which are not allocated to any business segment.

Segment accounting policies

6. The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statement of the Company as a whole.

20. KEY SOURCES OF ESTIMATION UNCERTAINTY AND CRITICAL ACCOUNTING JUDGEMENTS

1. In the course of applying the policies outlined in all notes under section 2 above, the company is required to make judgment, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factor that are considered to be relevant. Actual results may differ from these estimates.
2. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future period, if the revision affects current and future period.

Useful lives of property, plant and equipment

3. Management reviews the useful lives of property, plant and equipment at Least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external

factors including relative efficiency and operating costs. Accordingly depreciable lives are reviewed annually using the best information available to the Management.

Provisions and liabilities

4. Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events that can reasonably be estimated. The timing of recognition requires application of judgement to existing facts and circumstances which may be subject to change. The amounts are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

Contingencies

5. In the normal course of business, contingent liabilities may arise from litigation and other claims against the company. Potential liabilities that are possible but not probable of crystallizing or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized.

Fair value measurements

6. When the fair values of financial assets or financial liabilities recorded or disclosed in the financial statements cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include consideration of inputs such as liquidity risk, credit risk and volatility”.

Taxes

7. Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Disclosure in respect of Defined Benefit Plans in respect of Gratuity.

The present value of obligation and defined benefit plan is determined based on actuarial valuation report.

The Company has funded the gratuity liability ascertained on actuarial basis, wherein every employee who has completed five years or more of service is entitled to gratuity on retirement or resignation or death calculated at 15 days salary for each completed year of service, subject to maximum of Rs. 20 lakhs per employee. The vesting period for gratuity as payable under the Payment of Gratuity Act is 5 years.

Valuations are performed on certain basic set of pre-determined assumptions which may vary over time. Thus, the company is exposed to various risks in providing the above benefit which are as follows:

Interest Rate risk: The plan exposes the Company to the risk of fall in interest risk. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements).

Liquidity Risk: This is the risk that the Company is not able to meet the short term gratuity payouts. This may arise due to nonavailability of enough cash / cash equivalent to meet the liabilities or holding of illiquid assets not being sold in time.

Salary Escalation Risk: The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Demographic Risk: The company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to.

Regulatory Risk: Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulation requiring higher gratuity payouts (e.g. increase in the maximum limit on gratuity of Rs. 20,00,000).

Asset Liability mismatching or Market Risk: The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities / fall in interest rate.

Investment Risk: The probability or likelihood of occurrence of losses relative to the expected return on any particular investment.

Sensitivity Analysis

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below has been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The result of Sensitivity analysis is given below:

	31/03/2022	31/03/2021
Defined Benefit Obligation (base)	271.12	265.84

Particulars	31/03/2022		31/03/2021	
	Decrease	Increase	Decrease	Increase
Discount Rate (- / +1 %)	253.50	288.75	248.56	283.12
Salary Growth Rate (- / +1 %)	290.10	252.14	284.45	247.23

Please note that the sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumption would occur in isolation of one another as some of the assumptions may be correlated.

There is no change in the method of valuation for the prior period.
