As IS claims responsibility, Russia arrests 11 in Moscow shooting killing over 140

REUTERS Moscow, March 23

RUSSIA SAID ON Saturday it had arrested 11 people including four suspected gunmen in connection with a shooting rampage that killed 143 people in a concert hall near Moscow, the deadliest attack in Russia for 20 years.

Militant Islamist group Islamic State (IS) claimed responsibility for Friday's attack but there were indications that Russia was pursuing a Ukrainian link, despite emphatic denials from Ukrainian officials that Kyiv had anything to do with it.

A senior Russian lawmaker, Andrei Kartapolov, said that if Ukraine was involved, then Russia must deliver a "worthy, clear and concrete" reply on the battlefield. Ukrainian military intelligence spokesman Andriy Yusov told Reuters: "Ukraine was of course not involved in this terror attack. Ukraine is defending its sovereignty from Russian invaders, liberating its own territory and is fighting with the occupiers' army and military targets, not civilians."

Ukraine was linked to attack, suggests Vladimir Putin

RUSSIAN PRESIDENT VLADIMIR Putin said that additional security measures have been imposed throughout the country and suggested that Ukraine was linked to the attack on a concert hall on the outskirts of Moscow that killed 115 people.

Putin said all four people directly involved in the attack had been detained and suggested they were trying to cross the border into Ukraine while escaping. He provided no evidence for that claim.

Pak is sponsoring terrorism at 'industry level': Jaishankar

PRESS TRUST OF INDIA Singapore, March 23

UNDERLINING THAT PAKISTAN is sponsoring terrorism at almost an "industry level", external affairs minister S Jaishankar on Saturday asserted that the mood in India now is not to overlook terrorists and it "will not skirt this problem anymore".

Jaishankar, who is on a three-day visit to Singapore, made these remarks during a Q&A round held post his lecture session on his authored book Why Bharat Matters at Institute of South Asian Studies (ISAS) of National University of Singapore (NUS).

Underlining that Pakistan has been sponsoring terrorism against India, Jaishankar asked, "How do you deal with a neighbour who does not hide the fact that they use terrorism as an instrument of statecraft?"

External affairs minister S Jaishankar pays tribute to Netaji Subhas Chandra Bose in Singapore

est enough to face up to that problem, however difficult it is...we should not give the other country a free pass, saying there's nothing they can do about it or it's a very hard problem, or there's so much else at stake that let us overlook," he asserted. In India now, Jaishankar said, "the mood is not to overlook terrorists".

US Senate passes \$1.2-trillion funding package, ending threat of a partial shutdown

ASSOCIATED PRESS Washington, March 23

THE SENATE PASSED a \$1.2 trillion package of spending bills in the early morning hours on Saturday, a long overdue action nearly six months into the budget year that will push any threats of a government shutdown to the fall.

The bill now goes to President Joe Biden to be signed into law. The vote was 74-24. It came after funding had expired for the agencies at midnight, but the White House sent out a notice shortly after the deadline announcing the Office of Management and Budget had ceased

Prospects for a short-term government shutdown had appeared to grow after Republicans and Democrats battled over proposed amendments to the bill.

shutdown preparations because there was a high degree of confidence that Congress would pass the legislation and the president would sign it on Saturday. "Because obligations of federal funds are incurred and tracked on a daily basis, agencies will not shut down and may continue their normal operations," the

Invest in India's semicon manufacturing: EAM urges Singapore biz community

PRESS TRUST OF INDIA Singapore, March 23

EXTERNAL AFFAIRS MINISTER S Jaishankar on Saturday briefed Singapore's business community about the strides taken by India in the field of manufacture of semiconductors and appealed to them to invest in this key sector in the country.

300-plus audience, mostly Singapore-based members of the business community. "A very productive interaction with leading Singaporean corporate figures... China's claims on Arunachal 'ludicrous': Jaishankar

PRESS TRUST OF INDIA Singapore, March 23

EXTERNAL AFFAIRS MINISTER S Jaishankar dismissed China's repeated claims on Arunachal Pradesh as "ludicrous" and asserted that the frontier state was a "natural part of India".

China's claims on Arunachal Pradesh and its opposition to Indian leaders visiting the state, Jaishankar said it was not a new issue. "I mean China has laid claim, it has expanded its claim. The claims are ludicrous to begin with and remain ludicrous today," he said in response to a question on the Arunachal issue after delivering a lecture at the prestigious Institute of South Asian Studies (ISAS) of the National University of Singapore (NUS) in Singapore.

Jaishankar said the challenge for India today is how to find the sustainable equilibrium between two rising powers, who also happen to be neighbours, and who have a history and a population, which sets them apart from the rest of the world and who also have capabilities.

He also said it came as a "great surprise" to India when the Chinese in 2020 "chose to do something on the border, which was completely violative of agreements we had reached".
