Build India, New India

Antique's Annual Investor Conference

6&7 February, 2023

Grand Hyatt, Mumbai

Dear Sir,

Greetings of the day!

We see 2023 with a difference. In an era of high commodity prices, central banks across the globe tightening their wallet, and the Russia-Ukraine war showing no signs of de-escalation, a pessimist would see not much of a bright spot. We, on the contrary, find a flurry of investments on the card. Indian GDP has surpassed major economies like the UK. And with 6.5%+ growth in the foreseeable future, the next decade, as we see it, belongs to India. This is the beginning of a new dawn, a new day, we believe.

We are proud to announce that our flagship, "**Build India, New India**" conference, will enter into its eighth chapter, having been instrumental to bring forth key investment themes for eight long years. Here, we propose to showcase the views of C-suite executives, sector experts, and policy makers, spanning the wide array of stakeholders. Moreover, we propose panel discussions dissecting input cost savings, switching to alternate fuels, comprehensively understanding the role of ESG, the technological shift to EVs, and renewable energy, among a few.

To cover the pulse of the Indian economy, thereby, we invite you to be a part of our flagship investor conference scheduled to be held on **6&7 February, 2023 in Mumbai, India** (Venue: Grand Hyatt, Off Western Express Highway, Santacruz East, Mumbai 400055, India).

It would indeed be an honor to host you at our event. We believe that your presence at the conference will add significant value to the participants, the listeners, and the intermediaries alike.

We look forward to see you at our event.

Thanking you,

Best Regards,
