Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Harrisons Malayalam Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of Harrisons Malayalam Limited ('the Company') for the quarter ended 31 December 2021 and the year to date results for the period 01 April 2021 to 31 December 2021, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time.
2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including relevant circulars issued by the SEBI from time to time. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Walker Chandio & Co LLP

4. Based on our review conducted as above nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

- 2 Cost of materials consumed represents cost of green leaf, bought latex and tea used for blending, purchased from others.
- 3 The Company's core business is production of natural rubber and tea. The operations are conducted through plantation estates and factories based in Kerala and Tamil Nadu. The Company has considered business segments as the primary segment. The business segments are tea, rubber and others which have been identified taking into account the organisational structure as well as the differing risks and returns of these segments. The results for rubber segment includes income from sale of rubber trees.
- 4 The spread of COVID-19 has impacted the normal operations of businesses in many countries, including India. The country witnessed several disruptions in normal operations due to lockdowns imposed by the Central Government & various State Governments in the form of restrictions to movement of people, transportation and supply chain along with other stringent measures to contain COVID-19 spread.

The Company's business operations in few estates were disrupted in the previous and current quarter due to the pandemic, though the impact on financial results was not significant. Management will continue to monitor future material changes to economic conditions and its impact thereon, on the Company's operations.

- 5 The Company has entered into a barter arrangement with vendors wherein the vendors are allowed to cultivate pineapple in few rubber estates with a condition that these vendors to bear the cost of replanting of rubber plants in these estates, in lieu of cultivation rent otherwise payable by vendors to the company. The transaction price in the above arrangement has been accounted at fair value as per Ind AS 115, "Revenue from contracts with customers". The revenue recognised in the financial results for the nine months period ended 31 December 2021 is ₹ 158.31 lakhs (₹ 66.64 lakhs for the quarter ended 31 December 2021) and the asset as on the same date is ₹ 316.36 lakhs (₹ 248.02 lakhs as on 31 March 2021).
- 6 The Board of Directors of the Company, at its meeting held on 12 November 2021, approved the acquisition of the entire shares of Malayalam Plantations Limited, the subsidiary company of Enchanting Plantations Limited, thus making it a wholly owned subsidiary of the Company. Further, the Board also decided for closure of the wholly owned subsidiaries viz., Harmony Plantations Limited and Enchanting Plantations Limited, which is expected to be completed before the end of the current financial year.
- 7 Prior period comparatives have been regrouped / reclassified wherever necessary to conform to the presentation in the current period and are compliant with Ind AS. The management has exercised necessary due diligence to ensure that the financial results give a true and fair view.
- 8 The above financial results have been reviewed by the Audit Committee and approved by the Board of Directors in their meetings held on 10 February 2022.
